ITEM FOR CONSIDERATION
Board of Education Meeting
February 3rd, 2025

This item presents a recommendation to the Board of Education for a comprehensive refresh of the district's printer, copier, and fax fleet as approved in Bond 2021 project expenditures. Our last refresh was 7 years ago. This refresh will leverage the Oklahoma State Contract (OKSW1034I) with ImageNet Consulting, enhanced by an average additional 18% discount negotiated beyond the current state contract pricing. ImageNet currently serves over 30 Oklahoma school districts including Oklahoma City PS, Moore PS, Edmond PS, and Bethany PS here in the metro. This recommendation focuses on three key improvements:

- **Increased Reliability and Response Time:** Replacing outdated devices with modern, efficient models will significantly improve equipment reliability, minimizing downtime and maximizing productivity for staff and students. Color printers utilize newer tiered printing features to save costs for color prints. Average response time for support is 4 hours.
- **Cost Savings through Web-Based Fax Solution:** A key component of this refresh is transitioning from our current analog fax system to a web-based solution. This shift will eliminate the need for dedicated phone lines and associated costs, resulting in significant long-term savings.
- **Additional Cost Savings through Discount:** ImageNet Consulting has offered an average additional 18% discount on top of the existing Oklahoma State Contract pricing, maximizing the value of this investment.

This initiative aligns with the district's commitment to providing reliable technology resources while optimizing operational efficiency and realizing significant cost savings. Associated purchase order requests are also included on the board agenda. Approval of this recommendation is requested.

District-wide Cost Breakdown:

Printer & Copier Costs:

- Hardware Costs (157 devices): \$320,591.94
- Print Software Mgmt: \$65,942.95
- Copier Parts/Labor/Toner Inclusive Cost Per Page: Mono \$.0052 (.0002 increase)
- Mult-Function/ Color Printers Parts/Labor/Toner Inclusive Cost Per Page: \$.011 mono, and tiered color pricing \$.015 Tier 1 Color, \$.03 Tier 2 Color and \$.059 Tier 3 Color (.049 to .001 cost savings)
- Laser Printers Parts/Labor/Toner Inclusive Cost Per Page: \$.0095 mono (new pricing tier for managed laser printers versus on demand purchasing and replacement).

Web-based Fax Costs:

- Pool of 20 Fax Lines: \$4,200.00

Total Costs w/o Contingency: \$390,734.89

Project Contingency: \$39,000 (will be used for any additional printer/copier device requests or needs)

In preparation for this competition, students are immersing themselves in the content and learning relevant to their competition area in either marketing, hospitality/tourism, finance and/or entrepreneurship. They are then applying all of this knowledge gained to take a comprehensive exam and participate in real world role play scenarios where they are scored on their delivery, as well as content knowledge. Students gain valuable real world experience in business, as well as networking with industry professionals and students from around the world. As is DECA's mission, this event plays a role in preparing these students/emerging leaders and entrepreneurs for careers in marketing, finance, hospitality and management.
