**4. Discussion and possible action to approve the Treasurer's Report**

The treasurer's report was presented by Jason Midkiff.

- Collections were very good this month. We collected over \$1 million dollars. Received our large local ad valorem payment, plus we received over \$500K in state aid. We have taken in \$150,000 more this year in revenue than last year.
- Expenditures are similar to last with a slight uptick. We continue to be very close overall to the expenditures from last year. We have spent about \$5,500 less this year than last year.
- With the increased state aid payments, we should continue to see revenue up for the year. Next month we will have the large expenditure on special education consultation, but after that, year over year should be similar. After next month's board meeting, I would like to start doing a rough year end projection.
