**THIS CONTRACT** is made by and between the Board of Education of Dawson County School District No. 24-0001, commonly known as Lexington Public Schools and referred to herein as the "Board" and "District" respectively, and **Kelli Bender**, a legally qualified teacher, referred to herein as the "Teacher".

**WITNESSETH:** The Board agrees to employ Teacher above named in the schools of the District for a school year, which shall begin on or about August 7, 2023, and conclude on or about May 22, 2024. Teacher accepts such employment at a salary based upon placement on step 14 of column MA+27 of the salary schedule.

**FIRST:** Teacher's salary shall be payable in 12 equal installments. The first installment shall be payable on the 20<sup>th</sup> day of September, 2023, and the remaining installments shall be payable on the 20<sup>th</sup> day of each month thereafter.

**SECOND:** Teacher will abide by the District's and Administration's policies, rules, regulations and directives and all state and federal statutes, rules, and regulations. Teacher's duties are subject to assignment by the Administration. Teacher agrees to devote full time during days of school to his/her position in all respects and to perform the assigned duties diligently and faithfully to the best of his/her professional ability.

**THIRD:** In addition to the teaching duties set forth herein, Teacher may be assigned such "extra duty" assignments which shall be for such compensation as may be agreed upon by the District and Teacher or by Teacher's duly authorized bargaining agent.

Cancellation or amendment under this contract shall be governed by applicable provisions of Nebraska statute.

**FIFTH:** Upon termination of this contract for just cause, or upon Teacher's release from this contract, the compensation paid or to be paid hereunder shall be an amount that bears the same ratio to the yearly salary herein specified as the number of days of service to the date of such termination bears to the number of days of service in the contract year. Teacher shall refund any unearned fractional portion of an installment paid but not earned prior to termination of the contract.

Other deductions may be withheld as agreed to by the parties to this contract.

The Board shall not reduce the Superintendent's salary during the term of the contract, but may increase it and/or the benefits during the term of this contract, as an amendment to the contract, without the amendment constituting a new contract, requiring a hearing, or extending the term of this contract.

**Section 4. Professional Status.** The Superintendent affirms that he is not under contract with any other board of education covering any part or all of the term provided in this contract. Throughout the contract term, he will hold a valid and appropriate certificate to act as a superintendent of schools in the State of Nebraska which he will register and maintain on file in the school district’s central administrative office. The Superintendent shall be the chief administrative officer for the district and shall be responsible for implementing Board policy. He shall organize the administrative and supervisory staff, and select, place, and transfer personnel with the concurrence of the Board. - d. **Sick Leave.** The Superintendent shall be entitled to 10 days of sick leave per year which may accumulate to a total of 65 days. If he qualifies for disability pay under the long-term disability policy, he shall be required to take the disability pay instead of sick leave pay.
- e. **Vacation.** The Board shall give the Superintendent 20 working days of vacation leave during the contract year which he may use at times he chooses so long as his absence does not interfere with the proper performance of his duties. For the purpose of this section the term “working days” shall not include any Saturday, Sunday or “holiday” as defined in Section 1 of the contract. During any subsequent year, the Board shall give the Superintendent up to 20 days of vacation, to bring the total accumulation to no more than 20 days. **Section 12. Superintendent's Residence.** The Superintendent shall reside within the boundaries of the District during his term of employment.

**Section 13. No Penalty for Release or Resignation.** There shall not be a penalty for the release or resignation of the Superintendent from this contract; provided no resignation shall become effective until the expiration of the contract unless it is accepted by the Board, and the Board shall fix the date at which the resignation shall take effect.

**Section 14. Compensation Upon Termination.** Upon lawful termination of this contract for any reason, the compensation to be paid hereunder shall be an amount which bears the same ratio to the annual salary specified as the number of months or fraction thereof to the date of such termination bears to the 12 months in the annual salary period in which termination occurs. The Superintendent shall refund any portion of the salary he was paid but had not earned prior to the date of termination of this contract. The Superintendent shall not be entitled to any reimbursement for unused sick leave either during the term of this contract or at its conclusion.

**Section 15. Evaluation.** The Board shall evaluate the Superintendent one time in October and one time in April during his first year of employment and at least once each year thereafter. The Superintendent shall remind the Board members in writing at least 45 days before the date of each upcoming evaluation and provide them with the written evaluation instrument to be used.

If a legal action, including a professional practice complaint, is threatened or filed against the Superintendent as a result of his performance of his duties or his position as Superintendent of the district, the Board will provide him with a legal defense to the maximum extent permitted by law so long as he acted in good faith and in a manner which he reasonably believes to be in or not opposed to the best interests of the district and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his conduct was unlawful.

**Section 17. Physical or Mental Examination.** The Board shall have the authority to require the Superintendent to undergo a physical or mental examination by a physician and/or psychologist of the Board's choosing. In deference to the requirements of the Americans with Disabilities Act and HIPAA, the physician's report to the Board must address whether the Superintendent is able to perform the essential functions of his position as set forth in this contract and in Board policies.

**Section 18. Governing Laws.** The parties shall be governed by all applicable state and federal laws, rules, and regulations in performance of their respective duties and obligations under this contract.

## **NURSE'S CONTRACT OF EMPLOYMENT LEXINGTON PUBLIC SCHOOLS**

THIS CONTRACT is made by and between the **Board of Education of Lexington Public Schools**, legally known as **Dawson County School District 24-0001**, and referred to as "the Board" and "the School District" respectively, and **Jessica Lara**, referred to herein as "the Nurse". In accordance with its action taken and recorded in the minutes of a duly advertised board meeting, the Board agrees to employ the Nurse, and the Nurse agrees to accept such employment, subject to the terms and conditions set forth herein.

**Section 1. Term of Contract.** The Nurse shall be employed for 114 days of service beginning on or about August 7, 2023, and expiring on or about May 22, 2024; work days shall be the same as those identified for teachers on the 2023-2024 district calendar. The Nurse also agrees to work summer school if assigned by the Superintendent and shall be compensated at the Nurse's current daily rate of pay.

**Section 2. Renewal of Contract.** Unless the Superintendent recommends the nonrenewal, termination, amendment, and/or cancellation of this contract, the contract will automatically renew for a period of **one contract year**, as defined in Section 1, from and after the expiration date provided in Section 1 of this contract.

**Section 3. Salary.** The Nurse's salary shall be \$55,163.00 prorated for the term described in Section 1 which shall be paid in 12 equal monthly installments beginning in the month of September 2023. The Board shall not reduce the Nurse's salary during the term of the contract, but may increase it and/or the benefits during the term of this contract, as an amendment to the contract, without the amendment constituting a new contract, requiring a hearing, or extending the term of this contract.

**Section 4. Deductions.** This contract shall conform to the statutes and regulations governing deductions from compensation. The Nurse authorizes the District to deduct or withhold from each and every period of pay any amounts necessary to offset any damages caused by the Nurse or the value of property or money entrusted to the Nurse or owed by the Nurse to the District during the course of or as a result of

the Nurse's employment, if such property or money have not properly been returned to the District. The school district shall withhold other deductions as the Nurse and Board may agree.

**Section 5. Professional Status.** The Nurse affirms that s/he is not under contract with any other board of education covering any part or all of the term provided in this contract. Throughout the contract term, s/he will hold a valid and appropriate certificate to act as a Nurse in the State of Nebraska which s/he will register and maintain on file in the school district's central administrative office. This contract shall not be valid and the Board will not compensate the Nurse for any service performed prior to the date that s/he registers his/her certificate.

**Section 6. Nurse's Duties.** The Nurse's duties shall be as prescribed by statute and by Board policies, job descriptions, rules, regulations and directives. The Nurse agrees to devote her time, skill, labor and attention to her duties throughout the contract term. She shall be subject to the direction and control of the Superintendent or his/her designee at all times and shall perform such administrative duties as the Superintendent or Board assigns to her. By agreement with the Superintendent, she may undertake consultative work, speaking engagements, writing, lecturing, or other professional duties and obligations as long as they do not interfere with carrying out her duties and obligations to the school district.

**Section 7. Nonrenewal, Termination, Cancellation or Mid-Term Amendment.** Nonrenewal, termination, cancellation, or amendment of this contract shall be in accordance with state statutes. During any applicable probationary period, the Board may nonrenew or amend this contract for any reason so long as it is not unconstitutional. At all other times, the Board may terminate, cancel or amend this contract for any of the following reasons: (a) the cancellation, termination, revocation, or suspension of the Nurse's certificate (Nebraska Administrative and Supervisory Certificate, or the Nebraska Professional Administrative and Supervisory Certificate) by the State Board of Education; (b) any of the reasons set forth in this contract; (c) the breach of any of the material provisions of this contract; (d) incompetence; (e) neglect of duty; (f) unprofessional conduct; (g) insubordination; (h) conduct involving moral turpitude; (i) physical or mental incapacity; (j) immorality; (k) conviction of a felony; (l) any conduct that substantially interferes with the Nurse's continued

performance of her duties; (m) any arrest, criminal charge, or criminal conviction of Nurse or the failure to report the same; (n) any filing against the Nurse under Neb. Rev. Stat. Section 43-247 or any other provision of the Nebraska Juvenile Code for child abuse and/or neglect or the failure to report the same; (o) knowingly falsifying school district records or documents; (p) misrepresentation of fact to the district and its personnel in the conduct of the district's official business; (q) the use or possession of illegal drugs or controlled substances except as prescribed by a physician; or (r) being under the influence of illegal drugs, controlled substances, or alcohol while on school grounds, at school events, or in a vehicle owned, leased or contracted by the district except as prescribed by a physician.

**Section 8. Disability.** If the Nurse is unable to perform her duties by reason of illness, accident or other disability beyond her control, and the disability continues for a period of more than sixty (60) days or if the disability is permanent, irreparable, or of such a nature as to make performance of her duties impossible, the Board may initiate action to cancel this contract, whereupon the respective rights, duties and obligations of the parties hereunder shall terminate, with the exception of any benefits to be paid to the Nurse under any insurance coverage furnished by the district.

**Section 9. Transportation.** The Board shall provide the Nurse with transportation or reimburse her for mileage required in the performance of her official duties at the rate approved by the Board.

**Section 10. Fringe Benefits.** The Board shall provide the Nurse with the following fringe benefits:

- a. Health Insurance.** Family health insurance that is provided to certificated staff through the District's health insurance carrier.
- b. Dental Insurance.** Single dental insurance that is available to certificated staff through the District's health insurance carrier.
- c. Paid Sick Leave.** Ten (10) days of paid sick leave are available for the current contract year and up to sixty-

five (65) unused days may carry over to the following year. All sick leave days may be used for absences due to illness, injury, or disability of the Nurse or members of her immediate family when such illness, injury, or disability requires the presence of the Nurse. Sick leave may also be used for medical and dental appointments or referrals that cannot be scheduled outside contract time for the Nurse or members of her immediate family.

“Immediate family” shall mean:

Spouse or domestic partner; and the Nurse or Nurse’s spouse’s or domestic partner’s:

- Children, step-children, or foster children;

The superintendent or his/her designee may require verification of the illness, injury, or disability from the health care provider for any sick leave request exceeding five (5) days. Nurse shall not

receive compensation for unused sick days upon severance. If employment is severed for any reason and the employee is later rehired, no previously accrued days sick leave shall be given upon rehire.

- d. Bereavement Leave.** Bereavement leave shall be granted for up to four (4) days plus reasonable travel time for each death of immediate family as defined under the Paid Sick Leave provision. One (1) additional bereavement day may be used annually in the event of the death of any person, including but not limited to, immediate family.
- e. Paid Personal Leave.** The Nurse shall be eligible for two (2) days of paid personal leave per year, cumulative to four (4). If the Nurse has three (3) or four (4) personal days remaining at the end of any contract year, she will not accrue more than is necessary to bring her total back to four (4). If the Nurse has four (4) personal days remaining, she will not receive any additional days the following contract year. If the Nurse has three (3) personal days remaining, the teacher will only be given one (1) additional day to bring the Nurse's total to the maximum accumulated amount of four (4) days. Payment upon severance for up to the maximum of four (4) accumulated personal days shall be at a rate of \$200 per day.
- f. Disability Insurance.** The Nurse shall purchase long-term disability insurance from the school district's carrier at her own expense. The Board will increase her salary by the amount of the premium cost.
- g. Professional Development.** The Nurse is expected to continue her professional development and to participate in relevant learning experiences. With the approval of the Superintendent or Board, she may attend appropriate professional meetings at the local, state, regional and national level; and the Board will pay for valid expenses of attendance. If the Nurse

attends a national convention and does not return following the initial year of employment as Nurse, the Nurse agrees to repay the District in full for national convention expenses paid by the District.

**h. Professional Dues.** The school district will pay the annual dues for the Nurse's membership in the National Association of School Nurses.

**i. Physical Examination.** The Nurse may voluntarily undergo a physical examination. The Nurse agrees that she will authorize the physician performing each such examination to provide the Board with all records, results and medical judgments of the examination. Up to \$100 of the cost of such physical examination and physician's reports which are not paid for by the Nurse's insurance coverage shall be paid by the District.

**j. Cell Phone.** The school district will provide the Nurse a cell phone for use in carrying out the business of the school district.

**k. Expense Reimbursement.** The Board shall pay or reimburse the Nurse for expenses that are actually, necessarily, and reasonably incurred in attending educational seminars, conventions, and workshops; conferences; training programs; official school functions, hearings or meetings, provided that such payment or expense is authorized by the Local Government Miscellaneous Expenditures Act (Neb. Rev. Stat. § 13-2201 *et seq.*) or some other provision of law.

**Section 11. No Penalty for Release or Resignation.** There shall not be a penalty for the release or resignation of the Nurse from this contract; provided no resignation shall become effective until the expiration of the contract unless it is accepted by the Board, and the Board shall fix the date at which the resignation shall take effect.

**Section 12. Evaluation.** The Superintendent or his/her designee shall evaluate the Nurse as required by state statute. The Nurse agrees that the full instructional/observational evaluation period, as required by

section 79-828, shall mean any observation of the Nurse's duties for at least 40 minutes, whether consecutive or as aggregated throughout the period applicable to the evaluation. The Nurse agrees that time spent working in conjunction with the Superintendent or other school district administrator(s) on school-related matters may be counted toward observation for a full instructional period.

**Section 13. Legal Actions.** The Board will support the Nurse if there is a legal dispute caused by her carrying out her duties properly. If a legal action, including a professional practice complaint, is threatened or filed against the Nurse as a result of her performance of her duties or her position as Nurse of the district, the Board will provide her with a legal defense to the maximum extent permitted by law so long as she acted in good faith and in a manner which she reasonably believes to be in or not opposed to the best interests of the district and, with respect to any criminal action or proceeding, had no reasonable cause to believe that her conduct was unlawful.

**Section 14. Physical or Mental Examination.** The Nurse agrees that, at the request of the Board or Superintendent, she will have a comprehensive physical and/or mental examination performed by one or more licensed physicians or psychologists of the Board's choosing during the term of this Contract. In deference to the requirements of the Americans with Disabilities Act and HIPAA, the physician's report to the Board and/or Superintendent must address whether the Nurse is able to perform the "essential functions" of her position.

**Section 15. Governing Laws.** The parties shall be governed by all applicable state and federal laws, rules, and regulations in performance of their respective duties and obligations under this contact.

**Section 16. Amendments to be in Writing.** This contract may be modified or amended only by a writing duly authorized and executed by the Nurse and the Board.

**Section 17. Severability.** If any portion of this contract is declared invalid or unenforceable by a court of competent jurisdiction, such declaration shall not affect the validity or enforcement of the remaining provisions of this contract.

---

DATE: January 18, 2023  
TO: Superintendents  
FROM: Jean Anderson, Special Education Director   
SUBJECT: Special Education Contract and Cooperative Service Agreements

A Special Education Contract for the 2023-2024 school year is enclosed for you to sign and return. The signature does not need to be notarized; however, your board should officially authorize the services at the next board meeting. This contract includes Speech Therapy Services. If your district contracts for this service, it will be indicated on the enclosed Schedule A. Also, enclosed are the cooperative service agreements for Deaf Education Services, Psychology Services, Audiology Services, Physical Therapy, Occupational Therapy, Vision Services, Mental Health and Vocational Services if you contract for these services. Please sign and date all of the cooperative service agreements and the contract and return them along with Schedule A to me **no later than March 1, 2023**. The ESU board will approve the contract, and a copy will be returned to you.

If you contract for ESU 10 special education staff but are not a part of the supervision cooperative, the service unit has an obligation to evaluate and supervise the special education staff that we employ and the programs in which they work, all districts that contract for staff will need to contribute to the supervision cooperative. For districts with their own special education supervisors, these costs are minimal and will be adjusted to account for staff supervision only and will not include charges for other supervision services. Please let me know if you have questions about this change. It will appear on your schedule A as a nominal percentage of supplemental supervision services.

Schedule A (enclosed) are the services and FTE provided for the 2022-23 school year and the anticipated service for the 2023-24 school year. If for any reason your district intends to change the service or FTE for 2023-24, **please make note of the change on the Schedule A**, sign and return it to me as part of the contract. The cost of service will be approximately 5% above the current year. A description of all services provided is available upon request.

Schedule B (enclosed) is a brief description of how each service is billed and the rationale for the different billing categories we use. Again, if you have any questions, please do not hesitate to contact me.

To recap, you need to return to ESU 10:

1. The Special Education Contract (1 contract, **sign back page**)
2. Schedule A (1 form, **sign on front**)
3. Cooperative Program Agreements (1 to 9 forms, **sign on front**)

**Approval by both boards indicate agreement and cannot be changed for the 23-24 school year after they have been approved.**

Please feel free to contact me if you have any questions.

**EDUCATIONAL SERVICE UNIT 10  
CONTRACT FOR  
SPECIAL EDUCATION SERVICES**

**THIS AGREEMENT**, made and entered into this 29th day of January, 2023, by and between **EDUCATIONAL SERVICE UNIT 10** of the State of Nebraska hereinafter called "**SERVICING AGENCY**," and **LEXINGTON PUBLIC SCHOOLS**, called "**DISTRICT**."

**WITNESSETH:**

The District does hereby agree to hire the Servicing Agency to service its age-eligible students with disabilities during the school year 2023-24, and the Servicing Agency agrees to act as such Servicing Agency, for the consideration and under the terms and conditions as hereinafter set forth:

1. A description of the program of special education and related services to be provided to District students shall be as set forth in Schedule "A" hereto attached, including full-time equivalency (FTE) provided in 2022-23 and anticipated in 2023-24 unless district notifies servicing agency otherwise.
2. The District shall pay the Servicing Agency for said special education and related services in accordance with Schedule A. This Schedule shall be in full force and effect during the school year of 2023-24, commencing not earlier than August 1, 2023, and ending not later than August 20, 2024. The total dollar amount of this contract will be submitted to the district on or before July 1, 2023, or as soon as the budgets are set for the Servicing Agency, whichever is later.
3. The District agrees that the costs for the actual services rendered will be reconciled by the Service Agency, and the amount payable for those special education services to be delivered by the Servicing Agency shall be paid in full. All programs and services will be billed based on the actual services delivered as outlined in Schedule A, based on the structure in Schedule B.
4. The District agrees that the amount payable for special education services the first month of the school year will be one-tenth (1/10) of the budgeted cost with payment due on or before October 16, 2023.
5. The Servicing Agency agrees to bill the District for the actual cost of special education services rendered and to reconcile prior overpayment or underpayment based on actual services rendered.
6. The Servicing Agency agrees to provide the District with the final billing, a complete reconciliation of the actual costs of services rendered, and the actual rate for cost of services. The final billing to the District shall serve as a final reconciliation of the amount of payment previously agreed upon in item two of this contract.
7. The District agrees that the final billing for special education services submitted to the District by the Servicing Agency for actual services rendered during the contract period shall be considered as an amendment to the original contract and shall be included in full by this reference. If the District does not dispute any of the amounts or services contained in the final billing within 30 days, the parties agree that it will be incorporated in full as an amendment to this contract.
8. Special education programs or services which extend beyond the regular school year will be provided by the Servicing Agency upon request by the District. Extended programs shall be covered by separate contract.
9. It is further agreed that in the event the District does not pay the Servicing Agency as herein set forth, the Servicing Agency may cancel this contract and refuse further service. In the event of such Cancellation, the Servicing Agency may recover any past due amounts and exercise any other rights that may exist by law.
10. The Servicing Agency shall record and supply to the District, upon request, information on each child for whom services are contracted, including time-and-effort logs detailing the services provided, the name of the provider, the duration of the services, and the date on which services were provided. The Servicing Agency agrees to confer with the District for purposes of evaluating such child's progress and the District's compliance with applicable laws.

11. The Servicing Agency shall assist the District with the preparation of plan and budget, financial reports and other procedures, artifacts, and obligations required by NDE Rule 51 or 52.
12. The District and the Servicing Agency agree to abide by the mandated procedures for identification, verification, placement, development of the individualized program, inspection and review of student records, and other requirements as specified in NDE Rules 51 and 52, Regulations and Standards for Special Education Programs, Nebraska State Department of Education, and the current Federal Regulations implementing IDEA.
13. The District hereby agrees that changes or modifications in the program or children served shall be mutually agreed upon before said change or modifications are implemented.
14. Should the Servicing Agency be unable to render the services contracted because of the Servicing Agency's inability to employ personnel who meet the criteria for employment of the Servicing Agency and/or the certification requirements of the State of Nebraska, or for other reasons which are determined by the Servicing Agency to be valid, the Servicing Agency has no obligation to provide services contracted for but not provided or reimburse the District for any additional cost incurred to procure those services. The Servicing Agency values its collaborative relationship with the District and will give reasonable efforts to assist the District in procuring those services. The District will be notified no later than September 1, 2023 of the Service Agency's inability to provide any services under this contract.
15. The District agrees that any act intentionally and unilaterally done which may cause litigation against the Servicing Agent shall be defended at the sole expense of the District and any damages assessed against the District for the Servicing Agency or either of them shall be borne entirely by the District. This paragraph shall not operate to indemnify or relieve the Servicing Agency of any liability otherwise attaching to it under any applicable state or federal law, nor to any action undertaken by the District in the provision of special education services or related services which are undertaken in consultation with the Servicing Agency or in a good faith effort by the District to comply with lawful obligations of the District.
- 16. The District agrees that in the event the District desires to change the services provided by this contract for a subsequent year whether by change in full-time equivalency, staffing, change in percentage FTE of any area of endorsement held by personnel presently assigned to the District, or to eliminate any program or service being provided pursuant to this contract, the District shall notify the Servicing Agency administrator in writing of such requested change on or before March 1, 2023 (next preceding the starting date of the school year to be affected by any changes) as are described in this paragraph.**
- 17. The District agrees that in the event that no such written notice is made to the Servicing Agency on or before March 1, that the Servicing Agency shall be entitled to assume that the District desires the same FTE in all areas of endorsement, certification or other qualification, and in all programs it had through this contract with the Servicing Agency, including in Schedule A. In the event the District should later notify the Servicing Agency of a diminished request for FTE in any area of endorsement, certification or other qualification, or in any program or service provided by this contract, the Servicing Agency shall use its best effort to find other employment for such affected personnel, provided, however, that in the event such personnel cannot be reassigned and to the extent that such personnel constitute a cost to the Servicing Agency that cannot be passed through by way of contract or otherwise, the District agrees to pay any cost incurred by the Servicing Agency for such personnel.**
18. This contract may be renegotiated or amended by mutual agreement.

## **Schedule B**

**Special Education Services are billed in 3 different ways. They are explained below including the rationale for the way the different services are billed.**

### **FTE**

Speech Language Pathology (SLP) is billed by FTE. The FTE amount is calculated by taking the total budget for the SLP program and dividing it by the amount of SLP FTE employed by the service unit for that fiscal year. Districts are billed based on the percentage of FTE they contract for.

Rationale for billing it this way: Historically, districts have requested a specific number of days of SLP time according to their districts' needs and duties of their SLP. Billing by FTE guarantees that they are able to secure the time they desire. SLPs spend more consistent time in a district than other disciplines.

### **ADM**

Audiology, Physical Therapy, Occupational Therapy, School Psychology, and Supervision are billed as cooperative programs. This means that the programs are joined by school districts and the cost of the program is billed to the school district based on their Average Daily Membership (ADM) as submitted annually to NDE.

Rationale for billing this way: The needs in these programs ebb and flow as often as week by week so billing them in this manner means that districts can have their needs met as they come up without budget adjustments week by week. It allows for flexibility for districts and ESU staff to respond more immediately to whatever needs arise. Logically, a district with more students is going to have more needs so they have more time in the staff member's schedule. Because districts pay based on ADM, larger districts will have higher charges and smaller districts will have lower charges.

### **Per Student**

Deaf Education (DHH) and Vision Education (VI) are billed on a per student cost according to the caseload of the provider. The budget or costs for the month are divided by the number of students on a service provider's caseload and that gives us the per student cost. The per student cost is multiplied by the number of students on the caseload in that specific district and then billed to the district.

Rationale for billing this way: Students who are DHH or VI are a very low incidence disability so there is not a need to bill by FTE and it is inequitable to bill by ADM. The low incidence of these disabilities and the size of ESU 10 districts make it unlikely that statistically it would fit the ADM pattern so we bill these programs on a per student basis to the districts who need the service.

# AGREEMENT

## CONTRACTED LEVEL I, II, AND III SPECIAL EDUCATION SERVICES

**THIS AGREEMENT**, made and entered into this *2nd* day of *March 2023* by and between Educational Service Unit 7 of the State of Nebraska, hereinafter called “Servicing Agency” and **Lexington Schools** hereinafter called “District.”

### **WITNESSETH:**

1. That the Serving Agency does hereby agree that it will furnish to the District the following described Special Education services which meet the requirements of the State Department of Education. All rates are subject to the approval of the State Department of Education, and will be provided to the district prior to the district’s budget preparation.
2. That the Serving Agency does hereby agree it will furnish to the District the following described special education services as follows:
3. Services shall be provided only to children who qualify for such services as specified in State Department of Education, Special Education Rules and Regulations (Rule 51).
4. The Servicing Agency shall supply recorded information on each child for whom services are contracted. The Servicing Agency agrees that it will confer with the School District personnel for purposes of evaluating each child’s progress.
5. The placing of a child in said program shall be made by joint decision of the Servicing Agency, the District, parents and/or guardians, and other members of the IEP team.
6. The Servicing Agency agrees to perform the services and the District agrees to pay in accordance with the Servicing Agency rate schedule as approved by the Nebraska State Board of Education. This schedule shall be in full force and effect during the school year of 23-24 commencing no earlier than August 1, 2023 and ending no later than July 31, 2024 .
7. The Servicing Agency retains the right to designate personnel to provide services. All personnel provided by the Servicing Agency shall be endorsed to provide their respective services.
8. Policies regarding sick leave, personal leave, and professional leave shall be determined by the negotiated agreement with the Servicing Agency for personnel providing services to the District.
9. In the event that school district’s programming requirements and needs change at any time subsequent to and during the term of this agreement, the costs to the school established by this agreement, shall in mutual agreement between ESU 7 and the school district be adjusted and prorated and the parties may agree. Nothing in this paragraph, however, shall be construed to entitle the school district to abrogate this contract or declare it void. The district shall be obligated to pay all sums specified by this contract as due and owing the ESU 7 regardless of changes in circumstances within the district during the course of this contract. The ESU 7 shall, however, be obligated to meet with the school district and discuss in good faith alternatives to mitigating expense, reallocating staff, and other resources within the bounds of the law and as the ESU 7 may

in its sole discretion determine to be in the best interest of ESU 7 and the school district. Any and all changes or expenses incurred by ESU 7 in the course of performing its obligations pursuant to this agreement, or in preparing to do so, shall become due and payable by school district to ESU 7 upon billing in a manner consistent with the billing provision of this agreement.

**10.** If, for any reason the District does not pay as agreed, the Servicing Agency may cancel this contract and forthwith, without notice, refuse further services, without notice, to said district, but the District shall not be relieved from paying for services rendered by the Servicing Agency to the said District to date of termination of service. The District hereby expressly agrees, acknowledges and affirms that its refusal to pay for services rendered will result in the Servicing Agency refusal to render services in the future and that, by refusing to pay, the District does not and will not expect the Servicing Agency to provide services of any kind to the District until payment has been made in full.

**11.** The School District agrees that its payments will be made upon receipt of billing from the Servicing Agency. If the District refuses to make payment within sixty(60) days upon its receipt of billing, the outstanding amounts owed shall accrue in interest of the 1.25% per month or the maximum permitted by law, whichever is less, plus the expenses of collection.

**12.** It is understood and agreed, that in the event of any reason this contract does not comply with the State's requirement, it will be changed in accordance therewith, upon written notice by the Servicing Agency to the District and advising the District of the required changes to meet State requirements.

**13.** It is agreed this contract between the Servicing Agency and district must be signed by the District Board or Representative and returned to the Servicing Agency by **March 25, 2023**. The Servicing Agency's Board will then sign and return a copy of the contract to the District.

This agreement shall be binding upon the parties hereto and their successors. The persons executing this Agreement on behalf of the respective parties specifically acknowledge and represent that they have value authority to bind the party to whose benefit this Agreement had been executed.

## Board Goals Update

March 21, 2022

August 1, 2022

March 13, 2023

### Academic:

Develop strategies and interventions to assist students in recovery of learning loss from the 2019-2020 COVID pandemic as reflected on criterion-referenced, norm-referenced, and state assessments.

Approximately 45 in-person instructional days were lost due to COVID-19 in the spring of 2020. Pilot NSCAS assessments administered in the spring of 2021 reflected LPS student proficiency rates in grades 3-8 ranging from 22-39% in English Language Arts (ELA) and 23-42% in Math. LHS ACT proficiency rates ranged from 28-37% in science, math, and ELA. McKinsey & Company research found “the impact of the pandemic on K–12 student learning was significant, leaving students on average five months behind in mathematics and four months behind in reading by the end of the school year. The pandemic widened preexisting opportunity and achievement gaps, hitting historically disadvantaged students hardest.”

The following strategies and interventions were undertaken to assist students in learning loss:

- LPS negotiated with LEA to add 5 instructional days in the 2021-2022 school year to recapture some of the lost instructional time from the spring 2020 shutdown.
- LPS negotiated with LEA to add 5 voluntary professional development days for teachers to the 2021-2022 and 2022-2023 school calendars to provide additional trainings and time to prepare for students.
- District summer school and after-school programming returned to normal operations in the 2021-2022 year after both were significantly limited the prior year.
- A grant for a mental health initiative provided for assessment of student and staff mental health needs and additional specialized personnel to address those needs.
- As a part of the District curriculum review process, LPS purchased instructional materials to provide highest quality, standards-aligned instruction.
- LPS added additional technology resources–hotspots for students without home internet access and devices for all students, teachers, and paras–with ESSER funds in preparation for any future pandemic-related shutdown.
- Payment for the 5 student and 5 voluntary PD days in 2021-2022 were made to teachers in the July 2022 payroll at a cost of just under \$700,000 per the ESSER III budget.

- Five additional PD days were incorporated into the 2022-2023 District calendar with the input of teachers.
- 2022 summer school participation was robust with over 900 students attending in grades K-12. Opportunities for academic recovery or enrichment were offered at every level.
- The District CIP team recently set goals concerning family engagement, student social-emotional health, and reading improvement. Buildings are developing action plans around these three goals with the intent to achieve them prior to our next external review in 2026.
- SEL Curriculum has been successfully piloted at Bryan and Morton. Sandoz and Pershing will begin implementing in September, 2023.
- The District has applied for and received a mini grant (\$1000) from NDE & NUPPC to provide curriculum for suicide awareness for students. This is a brief 90 minute curriculum with 4 units on suicide prevention, and will be implemented by the District LMHP/school counselor during health classes at LMS/LHS in 23-24, and then annually.

Obtain stakeholder input on the use of ESSER III funding that best assist students in recovery of learning loss, and develop an expenditure plan for these funds.

- The District surveyed community stakeholders and conducted hearings at school board meetings to obtain community input on ESSER III fund uses. An expenditure plan was developed and approved by the board in the fall of 2021.
- The approved expenditure plan continues to be executed. Added instructional and PD days were added and paid for, charter and route buses were purchased, iPads and MacBooks were purchased and are being distributed, construction projects were approved and are in development, tuition reimbursements are being made, a central HVAC control system was purchased and is being installed.

Maintain or increase high school graduation rates.

- The 2020-2021 LHS graduation rate was 96% compared to the state average of 89%.
- A return to normal attendance of LHS summer school in 2020-2021 assisted many students in recovering credits not earned during the regular school year.
- The most recent college-going rates were also nearly identical to the state average.
- The 2021-2022 graduation rate for the District was 98% compared to the state average of 87%.

Continue efforts to fulfill preK-12 college and career readiness standards utilizing high quality instruction and materials.

- LPS expanded and enhanced the teacher tuition reimbursement program in 2020-2021 to encourage more high school teachers to become eligible to teach dual (college) credit classes. LHS currently offers 19 dual credit classes to high school upperclassmen with a majority of those classes offered through Central Community College with a tuition rate of \$15.00 per credit hour.
- LPS allocated approximately \$120,000 in ESSER funds to provide new equipment to career and technical education programs.
- Adoption of Core Knowledge Language Arts (CKLA) K-5. The District will implement updated PK-5 math materials as well as adopt new 6-12 math materials in the fall of 2023. Also being updated are materials for several CTE courses.
- Students will continue to have access to career exploration classes at LHS. These students will continue to participate in regional transition opportunities allowing them to explore career fields, campus life, and student support systems.

Develop methods for monitoring and supporting the mental health needs of students and staff.

- The District hired a licensed mental health practitioner who has a caseload of K-12 students with the highest identified mental health needs. Additionally, the District hired a second social worker to assist in connecting families with resources. These added resources complement the multifold support resources already present in the District including a social worker, counselors, nurses, instructional coaches, reading specialists, school resource officers, home liaisons, migrant education staff, athletic trainers, school psychologists, and an attendance hearing officer.
- The District has implemented a social and emotional screener to monitor students who may be at risk for mental health needs.
- The District has begun participating in Project AWARE through SAMHSA (Substance Abuse and Mental Health Services Administration) and NDE in October, 2021, to address mental health needs of staff and students in education.
- The District has begun to focus on staff resiliency by partnering with EHA Wellness to encourage and support monthly challenges that support their self-care (physical/mental), and a sense of team.
- The District has formed a partnership with UNL, and Nebraska School Safety to review suicide assessment policies and procedures, as well as review and advocate for the need of additional policies when it comes to mental health and school safety.
- The District has implemented SEL screening K-12, and will refine that screening to include Self-Reports in grades 6-12 beginning in the Fall of 2023.

- The District will also be considering the purchase of the preschool version for SEL screening to incorporate all students at LPS beginning 2023.
- The District is in the 2nd year of Project AWARE and has provided multiple trainings and staff development on the importance of mental health. The grant will continue to provide District funding for SEL screeners, curriculum, and professional development through 2026.
- The District will continue to address the well-being of staff and students incorporating the Whole Child Grant beginning in 2023 and ending in 2028. This can assist with the cost of professional development, staff and student physical and mental health needs, as well as tools to measure staff well-being.

### **Professional Development:**

Continue consistent and deep implementation of best practices and research-based instructional models across the District.

- The District purchased new phonics materials and is currently in the implementation phase utilizing the District's explicit instructional framework. Early indications are that primary grades students are showing significant gains on academic performance assessments.
- The District continues to expand and refine instructional practices. The elementary staff are encouraged to participate in LETRS training which is a deep dive into reading research. Secondary staff continue to focus on implementing high quality student engagement strategies.

Develop strategies to improve teacher preparation in serving LPS's unique populations including English Learners, High Ability Learners, and Special Education students.

- The tuition reimbursement program was expanded to include cohorts of teachers wanting to pursue EL and SPED endorsements. Fifteen teachers are participating in the tuition reimbursement program for EL courses.
- Most of the EL cohort will be completing their endorsement work with their practicum experience either this summer or Fall of 2023.
- The Zones of Regulation is an evidence based training that has been provided to Bryan and Morton staff to assist with behavior prevention. Sandoz, Pershing and LMS will complete training in March, 2023.
- Rage to Reason is also an evidence based strategy being implemented to assist with severe behavior. The District will have trained 4 teams of 5 from each elementary building by November of 2023. Onsite support will be provided by the trainer during the 23-24 school year. These teams will support staff with behavioral support in respective buildings.

- Classroom WISE has also been incorporated into Bryan and Morton to assist teachers with mental health literacy (promoting and maintaining mental health) in their classrooms. Sandoz and Pershing will begin training in August, 2023, and all grades by 2025.

#### **Financial:**

Maintain an annual average cash reserve of at least three months of expenditures in the general fund to address cash flow fluctuations and to hedge against future funding shortfalls.

- At fiscal year-end 2020-2021, the General Fund had a \$12,256,310 cash balance or approximately 3.8 months of expenditures. It is anticipated that this balance will diminish in 2021-2022 due to state aid loss, flat valuation growth, increases in payroll costs, and the installation of field turf. State aid for 2022-2023, however, is anticipated to rebound.
- The District continues to monitor its cash position through the current 2022-2023 fiscal year, and has had sufficient cash on hand to cover ESSER reimbursement delays.

Study competitiveness in marketplaces for coaches, sponsors, and selected classified positions.

- A comp study continues to be performed annually to assess market competitiveness in teacher compensation and a negotiations settlement was reached with the LEA for the 2022-2023 contract year. A similar study for administrator compensation was also shared with the board. To respond to local market competition for classified personnel, classified wages for 2022-2023 are recommended to increase by \$1.50 for each hourly staff member and for newly hired staff representing an approximate 5-12% increase in pay depending on the employee's current pay rate. Hourly rate employees comprise 44% of the District's 509-member workforce.
- The District approved pay for student teachers for the 2022-2023 school year as a strategy to improve teacher recruitment.
- The District engaged the services of IER to identify and hire international teachers to fill positions that could not be filled through the traditional hiring process. Three foreign nationals were hired under J-1 visas for 2022-2023.
- The District utilized UNK's transition to teach program to secure transitionally certificated teachers to fill five teaching positions for 2022-2023.
- The Board approved a 4.21% package increase for all staff for 2023-2024 with a minimum \$1.00 hourly increase for classified staff.
- Contract renewal agreement deadlines were moved up a month in 2022-2023 to provide more time to secure suitable replacements for certified and licensed staff departures.

- The District expanded its employee advertising through a nationwide outlet for 2023-2024, attended several teacher hiring fairs, and communicated with area higher education institutions about job openings.

### **Facilities:**

Identify, prioritize, and consider approval of additions to District facilities to “de-densify” classrooms pursuant to ESSER III provisions.

- Morton, Pershing, and Sandoz Elementary additions were prioritized after board of education site visits and discussions about construction options. An architectural firm was hired and plans are under development with an anticipated bid deadline of June 1. A professional cost estimate received this month indicates anticipated costs are within budget. All payments must be made by September 2024 as required by federal ESSER regulations.
- Bids were solicited and received. Paulsen Construction was hired to construct the three additions at a cost within the ESSER III budget. Currently, modular buildings are being sold and relocated to make room for the additions.
- Construction at Bryan, Morton, and Sandoz are well underway with completion anticipated before or just after the start of the 2023-2024 school year. Expenses have been within budget.

Install synthetic turf on the football field to accommodate needs of football, soccer, band, and PE programs.

- An engineering firm was hired to design the turf project, develop bid specifications, and assist in advertising and soliciting bids. A bid opening was held on March 16, and two bids were received. A contract is being drafted for the lowest responsible bidder and work will commence in the spring and finish by the start of the fall sports season.
- Nemaha Sports Construction was hired to install the field turf. The concrete “D”s in the endzones have been poured, drainage pipes have been installed, and the field is currently being leveled with limestone. The project is reported to be on schedule for the fall football season.
- The project was completed in time for the start of the fall sports seasons.

### **Other:**

Continue efforts to advocate for the school District at the state and federal levels.

- The District continues its membership and active involvement in the Greater Nebraska Schools Association (GNSA), the Nebraska Association of School Boards (NASB), and the Nebraska Rural Community Schools Association (NRCSA), all of whom lobby for LPS interests in the state legislature.

- Board members continued to attend the State Education Conference in Omaha in both 2021-2022 and 2022-2023.
- Administrators continue their involvement in Nebraska Council of School Administrators (NCSA) meetings and opportunities afforded through the aforementioned school organizations.
- Administrators have met with Senator Matt Williams to share concerns and positions on various issues this year.
- New State Board of Education member Elizabeth Tegtmeier and new District 44 state senator Teresa Ibach were invited to tour the District and learn about its unique challenges. NDE Director of Accountability Vicky Munoz will be visiting the District on March 24.
