WHEREAS, Lexington Public Schools is committed to providing an education of high quality to its students in an economically efficient manner; and

WHEREAS, the school district's faculty, facilities, and equipment can serve only a limited number of students effectively; and

WHEREAS, the Lexington Board of Education, in consultation with the administration, has reviewed the school district's faculty, facilities, equipment, interdisciplinary efforts and interrelationships of grades, subjects, and faculty; and has determined the maximum number of students it can serve effectively at any given grade level and in total;

The Federal Educational Rights and Privacy Rights Act (FERPA) (20 U.S.C. § 1232g) permits the release of education records when a student seeks or intends to enroll in a different school district.
