Option 1 was a new intermediate building to house grades 4 and 5. Option 2 was to add mobile trailers at all five elementary schools. Dr. Kay amended the idea of adding trailers at the Middle School due to the student traffic each period and the inability for the cafeteria to handle additional students. This option does not determine a solution for 5th grade as of yet. Option 3 was to build a new K-5 3-Track Elementary School and additions for classrooms in each existing elementary to bring 5th grade back and for additional space.

Proposal for Zones of Regulation for Grades K-12 Social Emotional Learning (SEL) Curriculum

Presented to: Columbus Public School's Board of Education

Prepared by: Sara Colford, Assistant Director for Student Services

Date: April 7, 2025

Proposal Summary

This proposal recommends the adoption of Zones of Regulation as a curriculum resource for grades K - 12. Zones of Regulation framework and curriculum was developed from foundational research and practices in the fields of social emotional learning, neuroscience, curriculum development and psychological foundations. This curriculum aligns with the American School Counselor Association (ASCA) Standards and the NeMTSS Framework.

Rationale for Adoption

1. Zones of Regulation helps students increase self-awareness and social and emotional skills as they identify and regulate their emotions.
 2. Zones of Regulation is designed for elementary, middle and high school levels and can be used in all three Tiers of Interventions.
 3. Zones of Regulation will provide a common language for communication, problem solving and emotional understanding.
-

Resource Overview

Zones of Regulation is a digital curriculum to help students understand that feelings are complicated and come in different sizes, intensities and levels of energy. The program consists of:

- Ready to use interactive presentations, teaching guides, checking for understanding, group activities and summaries of lessons to share with families
 - Four self paced interactive professional development learning modules
 - Suggestions for differentiated instruction
 - Access to downloadable and printable resources
-

Alignment and Pilot Implementation

- **Standards Alignment:** Zones of Regulation are aligned with American School Counselor Association (ASCA) Standards and the NeMTSS Framework.
 - **Pilot Program:** Zones of Regulation was piloted by our K - 8 Counselors and LMHPs in the 2025 spring semester. These Social Emotional Team (SET) members recommended that this curriculum be used at all three Tiers of Intervention for Social Emotional Learning.
-

Cost Estimate

- **Annual Cost:** Approximately \$3000 per year to purchase a digital curriculum license for our K - 12 counselors, LMHPs and special education resource/behavior teachers (includes teacher professional development, instructional materials, and ongoing support).
-

Implementation Plan

1. **April 2025 BOE Meeting**
 - Recommend Zones of Regulation for a K - 12 SEL Curriculum addition
 2. **May 2025 BOE Meeting**
 - Ask BOE to take action to formally adopt Zones of Regulation for a SEL
 3. **Spring and Summer**
 - Have counselors update their curriculum folders as needed
 4. **August 2025**
 - Implement new lessons and proficiency scales
-

Conclusion & Recommendation

The adoption of Zones of Regulation for grades K - 12 represents a strategic investment in high-quality SEL education. By implementing this resource, we will provide students with SEL experiences that align with NeMTSS.

I recommend board approval to proceed with incorporation of Zones of Regulation as a resource for the 2025-26 academic year.

Respectfully Submitted,

Sara Colford

6. Competency and Licensing.

Company will make reasonable efforts to present only Consultants qualified for their discipline based on the applicable Department of Education licensing and certification requirements, professional standards, and Client requirements for the disciplines placed with Client. The Company will conduct pre-employment screenings to provide Consultants who meet the applicable standards and Client requirements. To assist in these efforts, Client will provide Company with all necessary standards and Client requirements for each discipline a Consultant may work in. Client acknowledges that it possesses the unique and necessary knowledge to assess the qualifications of any Consultant referred to work with Client, and Client agrees that it has the ultimate responsibility of approving a Consultant’s licensure, certifications, and qualifications as acceptable for Client in the assigned discipline. To this end, Company will make available to Client all necessary Consultant records that Company may disclose and may, at Client’s discretion, facilitate an interview between Client and Consultant to assist in the assignment decision. If Client becomes aware of any notices, findings, or information, including but not limited to fingerprint search results, that may negatively impact the start or continuation of an assignment, Client will notify Company in writing within three (3) business days of Client’s knowledge of such information and will provide Company with all relevant and necessary details regarding the situation. Failure to notify Company may result in the termination of this Agreement and any current or future assignments.

7. Credentialing and Onboarding.

Consultants assigned to Client must pass all required background checks, fingerprinting, and security screenings in accordance with federal, state, and local requirements as applicable to Client and the assigned discipline. Client will confirm that Consultants meet these requirements prior to the start of an assignment.

CLIENT SERVICES AGREEMENT

Education Division

Client acknowledges that Consultants must complete Company's onboarding and credentialing processes prior to the start of an assignment, and Client agrees that Consultants may not provide any services prior to their completion of onboarding and credentialing. Company will provide Client with written notice of Consultant's completion of onboarding and credentialing and Consultant's authorization to begin work. If Client authorizes a Consultant to begin work before completion of the onboarding and credentialing process, Client accepts full responsibility for such authorization. Client agrees to indemnify, defend, and hold harmless Company from all liabilities, losses, damages, costs, and expenses arising due to Consultant's performance of services during such period and agrees that in no instance is Company liable to Client for its decision to authorize work without Company's written approval and confirmation of completion of onboarding and credentialing.

8. On-Site Responsibility.

Client will provide Consultants with orientation to all Client specific policies, procedures, and processes necessary to provide services, including but not limited to safety policies and procedures, and Client will provide all necessary support, facilities, training, direction, and means for Consultants to satisfactorily complete the assignment. Client acknowledges that Company does not provide special education, therapy, nursing, or related services and only provides candidate identification and placement services. As such, the provision of Consultant's services is not supervised by Company. Client will provide Consultant and Company written notice and contact information of the Client supervisor assigned to each Consultant. At all times, Consultants are subject to Client's guidance, supervision, and control for the work performed and services provided. Client is responsible for Consultant's adherence to the applicable standards of practice and Client requirements, and only Client is responsible for determining the appropriate services to be provided by Consultant. Client will not allow Consultant, at any time, to perform work or provide services that are outside the scope of the duties and responsibilities of their assigned position, and Client will not allow Consultant to perform work at any location other than the location(s) agreed upon with Company. Client will not allow, request, or require that Consultants use any automobile, regardless of ownership, or Consultant's personal devices in performance of any work for Client without the written consent of Company. Client acknowledges that any deviation from Client's policies and procedures, as orientated to Consultants, should be immediately reported in writing and directly to Company so it may offer correction and/or counseling to the Consultant.

9. Administrative Responsibilities.

Client is responsible for orienting Consultants to Client's policies and procedures regarding the submission of any paperwork required for reimbursement by funding entities such as Medicare, Medicaid, or health insurance. Such paperwork may include, but is not limited to, patient care plans, comprehensive patient histories, individual education plans, or Client specific program plans. Should Consultant fail to submit paperwork as required by Client's policies and procedures, Client will notify Company in writing within three (3) business days of Client's knowledge of the alleged failure. Failure to timely notify Company or notify Company before an assignment ends negates any Client claim to withhold payment due to untimely work and/or paperwork non-compliance.

Where required by federal, state, or local law, Client acknowledges it is responsible for providing and administering meal and rest periods to Consultants in accordance with such laws because Company does not maintain control over Client's workplace. If Client operates in such a jurisdiction, Client will provide a written policy outlining Client's requirements and procedures to Company and Consultants, and Client will provide appropriate training to Consultants so they may comply with such policy. Client agrees to indemnify Company for any payments or other expenses incurred by Company relating to Client's failure to properly administer any legally required meal or rest breaks. Client will immediately notify Company in writing if it is unable or unwilling to provide or administer legally required meal and rest breaks. In such an event, Company may immediately terminate any or all current and future assignments with Client. In the event of any inquiries regarding meal and rest break compliance, Client and Company will cooperate in good faith to resolve the matter in accordance with applicable laws and best practices. If corrective action is necessary, the parties will work together to determine an appropriate resolution.

10. Workplace Conditions and Reporting of Work-Related Injuries.

Client will maintain a safe working environment and provide all appropriate personal protective equipment as deemed necessary for the positions to which Consultants are assigned. Client warrants that its facilities and operations comply with all applicable federal, state, and local safety and health laws, regulations, and standards, including but not limited to all applicable workplace safety standards. Client agrees it is responsible for providing all necessary safety training and equipment to Consultants, and for each Consultant's compliance with applicable health and safety requirements, including those instituted by Client. Client ensures compliance with all applicable workplace safety obligations, including general training on the reporting of work-place injuries or incidents, and occupational exposure to bloodborne pathogens. Records of such occurrences will be maintained by Client and will be accessible to Company. In the event of a workplace injury, incident, or exposure, each affected Consultant will contact their immediate Client-appointed supervisor and report to the appropriate treating department as per Client protocol. Consultant will concurrently report any workplace injury, incident, or exposure to Company for the purpose of reporting such event to Company's workers' compensation carrier. If Client's reporting requirements change during the term of this Agreement, Client is responsible for providing written notification of such change to both Company and Consultants.

CLIENT SERVICES AGREEMENT

Education Division

11. Employment of Consultants.

If, within one (1) calendar year of Company introducing or referring a Consultant to Client or the end of a Consultant's assignment with Client, whichever is later, Client hires, contracts with, or refers a Consultant to a third-party Client agrees this constitutes a permanent placement and agrees to compensate Company for its time and efforts.

The compensation owed to Company for a permanent placement as described in this section shall be the greater of:

- i. Twenty-Two Thousand Five Hundred Dollars (\$22,500), or
- ii. Thirty-Five Percent (35%) of the Consultant's first-year compensation from Client or third-party.

For purposes of this clause, "introduce" and "refer" shall include any instance where Client has received information about a Consultant from Company or has interviewed, communicated with, or otherwise engaged in discussions with a Consultant as a result of Company's services. The parties agree that this section is intended to provide fair compensation to Company for its services, and it does not, in any way, restrict Client's right to hire a Consultant introduced or referred by Company.

12. Equal Opportunity and Workplace Harassment.

Both parties agree to provide equal opportunity to all Consultants and agree that they will not discriminate against, harass, or retaliate against any Consultant based on race, religion, color, sex, national origin, age, disability, veteran status, or any other status or condition protected by applicable federal, state, or local laws. Client will promptly investigate all allegations of discrimination, harassment, and retaliation, and will immediately report to Company any such incident or suspected incident involving a Consultant and Client employees or agents or occurring at Client's worksites. Client will indemnify Company for all losses, liabilities, or damages associated with defending any charge, complaint, claim, cause of action or suit by any governmental or administrative agency and/or any Consultant or anyone acting on Consultant's behalf, arising in whole or in part due of Client or Client's employees or agents..

13. Timekeeping and Invoicing.

Client will ensure that Consultants accurately record the start and stop times for all hours worked in accordance with Client's policies and that Consultants utilize Client's designated method for submission of Company's timesheet. Timesheets and/or timesheet approvals are due weekly by 12:00 PM on the Monday following the end of Client's designated workweek.

Company will generate an invoice based on timesheets submitted. Each invoice will contain a unique invoice number, date(s) of services provided, Consultant name, job title, hourly bill rate, total hours billed, and total amount due. Company pays overtime in compliance with federal, state, and local laws. Client agrees to be billed at one and one-half (1.5) times the regular bill rate for all hours when Company is required to pay overtime. Client must notify Company in writing if pre-approval is required for overtime hours prior to any such hours being worked. Client attests that only Client employees with appropriate knowledge and authority will review and approve invoices and will notify Company of any errors within fifteen (15) days of the date of invoice, and Company agrees that all non-disputed amounts are due and payable according to the standard payment terms contained herein. Company and Client will work in good faith to resolve any errors, and Company will provide a corrected invoice mutually acceptable to both parties within ten (10) business days of a resolution. In the event Client fails to report errors within fifteen (15) days, disputes will not be accepted, and the invoice will be due and payable in full.

14. Payment Terms, Default Charges, and Minimum Wage Increases.

Company will submit invoices to Client on a weekly basis for all services provided during the previous week. **Client's payment is due within fifteen (15) days of receipt of invoice.**

Invoices are considered past due if not paid by the agreed upon due date. Client agrees to pay all necessary collection costs, including reasonable attorney's fees and costs. Company reserves the right to approve or discontinue any extension of credit and the terms governing such credit.

If Company is required to increase Consultant's compensation due to minimum wage increases or experiences an increase in compensation costs as a direct result of any law, order, or other government action, Client agrees that Company may increase the bill rates at a proportional level. Company agrees it may only increase bill rates up to a level that places Company in the same position it was prior to such law, order, or action. Company will provide fifteen (15) days written notice to Client prior to any such change taking effect.

15. Limitation of Liability.

NEITHER PARTY WILL BE LIABLE TO THE OTHER WHATSOEVER FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT, EXEMPLARY OR PUNITIVE DAMAGES, INCLUDING ANY DAMAGES ON ACCOUNT OF LOST PROFITS, LOST DATA, LOSS OF USE OF DATA, OR LOST OPPORTUNITY, WHETHER OR NOT PLACED ON NOTICE OF ANY SUCH ALLEGED DAMAGES AND REGARDLESS OF THE FORM OF ACTION IN WHICH SUCH DAMAGES MAY BE SOUGHT. THE FEES AND BILLINGS DUE UNDER THIS AGREEMENT ARE NOT CONSIDERED SPECIAL DAMAGES OR LOST PROFITS AND WILL NOT BE LIMITED BY THESE PROVISIONS.

16. Incident and Error Tracking.

Client will report to Company any performance issues, incidents, errors, or other similar events related to the work or services provided by Consultants. Company will document reported incidents and may track all such events for quality assurance purposes. All supporting documentation is required within seventy-two (72) hours of Client's knowledge of the occurrence.

17. Termination of Assignment With Cause.

Immediately upon Client's knowledge, Client will report to Company any behavior issue, deviation from the accepted standards of practice, policies, and procedures as orientated to Consultant, or incident that would be considered adverse to Client's operations. In such an event, Client may request, in writing, that Company facilitate the immediate removal of Consultant. Client agrees it will not immediately remove a Consultant or terminate an assignment unless Company has been notified in writing or, based on Client's good faith assessment, that immediate dismissal is necessary to protect Client's operations. Upon termination of assignment or removal of a Consultant, Client will provide documentation specifying the reasons and facts of the termination to Company within forty-eight (48) hours. If Client does not report such deviation(s) and terminates an assignment or does not provide the required documentation following a termination, Client will be assessed an amount equal to five (5) days of billings at the bill rates and minimum hours agreed upon in the applicable Client Assignment Confirmation. The parties agree that Consultants are an integral part of Company's operations and a resource that may have been developed over years, and Client acknowledges that Company may not be able to find another position for Consultant, ultimately leading to termination of Consultant's employment with Company. Accordingly, any delay or absence of written notice may result in lost revenue or other consequences not foreseen at this time. Therefore, the parties agree the liquidated damages in this Section are reasonable for the probable loss suffered by Company in the event of Client's breach of this provision.

Client is responsible for all costs and fees up to the point of termination. Client will provide Company a five (5) business days exclusivity period to refill the position in the event of termination with cause. Should Company identify a suitable Consultant, Client will agree to the original or extended terms of the terminated Consultant's assignment. In the event a replacement Consultant requires higher compensation, Client agrees that Company may proportionately increase the bill rate to put Company in the same position as it was before the termination.

18. Termination of Agreement and Termination of Assignment Without Cause.

Client may terminate an assignment or this Agreement upon thirty (30) days written notice. Client is responsible for all charges and fees prior to notice date and through the 30-day period of notice. If Client is unable to or does not provide thirty (30) days written notice, Client will be billed for thirty (30) days at the agreed upon regular bill rate and minimum hours for all terminated assignments. In the event of termination without cause, Client is responsible for any housing and travel costs actually incurred by Company because of such termination.

19. Minimum Hours.

Client will provide Consultants with the number of work hours per week specified in the applicable Client Assignment Confirmation. Cancellation of prescheduled workdays or reduction in work hours by Client will be billed reflecting the minimum work hours. Minimum work hours will be reduced to reflect scheduled closings for holidays and planning days.

20. Force Majeure and Unscheduled Facility Closure Policy.

Neither party is liable for failure or delay in performing its obligations, if such failure or delay is due to natural disasters, pandemics, acts of war, government regulations, or other events or causes beyond the parties' control. Further, the parties agree that Company is not liable for failure or delay in performing its obligations, if such failure or delay is due to termination of Consultant or Consultant's resignation. If services are interrupted, both parties will make reasonable efforts to resume operations.

Notwithstanding the foregoing, the parties agree that in the event of an unforeseen or unexpected interruption resulting from a complete or partial unscheduled closure of Client's facilities due to natural or manmade events, including but not limited to fires, storms, flooding, earthquake, labor unrest, riots, and/or acts of terrorism or war (each an "Unscheduled Closure"), Client will transition to virtual services all Consultants whose services can be performed in such a setting. Client agrees to be billed for virtual services at the regular contracted hourly bill rate for all hours worked by Consultant. Virtual service hours will be entered and processed according to the normal time submittal and approval process, unless otherwise requested in writing by Client and agreed upon by Company. Company and Client will work in good faith to determine which contracted disciplines qualify for virtual services, however Client may not decline virtual services of a Consultant if the same services are provided virtually by Client employee(s). For Consultants not eligible for virtual services, Client will be invoiced and will pay for each affected Consultant a rate of \$200 per day for each workday that the affected Consultant is unable to work due to an Unscheduled Closure.

21. Multiple Locations.

If Client requires Consultant to travel to and perform services at more than one location, Client will compensate Company for travel time between facilities at the regular hourly bill rate and for mileage not to exceed the then current IRS reimbursement rate.

22. Issue Resolution.

In the event Client encounters an issue that is not satisfactorily resolved by its Company representative, Client should escalate the issue to the appropriate Company manager by calling 800-849-5502. Please ask for your account representative's manager.

23. Indemnification.

To the fullest extent permitted by law, each party (the "Indemnifying Party") will indemnify, defend, and hold harmless the other party, and each of their respective officers, directors, agents, and employees (the "Indemnified Party") against all liabilities, losses, damages, costs and expenses ("Losses") to the extent caused by the actions or inactions of the Indemnifying Party. In no event will the Indemnifying Party's obligations extend to Losses resulting solely from the negligent act or omission, willful misconduct, breach of this Agreement, or unlawful act of an Indemnified Party.

The Indemnified Party will notify the Indemnifying Party promptly after receiving notice of a claim, lawsuit, demand, action, or threatened action ("Claim") covered by the indemnity obligations in this Agreement and will provide the Indemnifying Party with all necessary documentation for the Indemnifying Party to assess its obligations under the Agreement. The parties will keep each other reasonably informed regarding the status of any Claim, will work in good faith in the defense and settlement of Claims, will provide notice to and consult with each other prior to settling any Claim. Neither party will, without the other's written consent, settle or compromise any claim or consent to the entry of any judgment regarding any Claim which indemnification is being sought unless such settlement, compromise, or consent (i) includes an unconditional release of the other party from all liability arising out of such claim; (ii) does not include any admission or statement suggesting any wrongdoing or liability on behalf of the other party; (iii) does not contain any equitable order, judgment, or term that affects, restricts or interferes with the business of the other party; and (iv) does not place any monetary obligations or liabilities on the other party. Any omission or delay in complying with this paragraph by the Indemnified Party will relieve the Indemnifying Party of its obligations to the extent it is prejudiced by such omission or delay. This Section will survive any termination or expiration of this Agreement.

24. Confidentiality.

Each party acknowledges that, they (the "Receiving Party") will learn confidential information of the other party (the "Disclosing Party"). Confidential information (as defined here and below) is any information which is private to the Disclosing Party but is shared by to the Receiving Party as required to accomplish this Agreement and **includes bill rates, fees for permanent placements, and terms and conditions of this Agreement.** It is agreed that neither party will disclose any Confidential Information of the other party to any person or entity nor permit any person or entity to use Confidential Information, except as required to fulfill the party's obligations under this Agreement.

Confidential Information of Company also includes, but is not limited to, any and all information owned or controlled by Company and/or its employees, that relates to the clinical, technical, marketing, business or financial operations of Company and which is not generally disclosed to the public, including but not limited to employee and Consultant information and Company's technical data, policies, financial data, contract terms and provisions, billing rates, and permanent placement fees whether disclosed orally, in writing, or by inspection, and that should be reasonably understood to be confidential given the nature of the information.

If the Receiving Party attempts to use or dispose of any Confidential Information, or any duplication or modification thereof, in any manner contrary to the terms of this Agreement, the Disclosing Party has the right, in addition to other remedies which may be available to it, to obtain injunctive relief enjoining such acts or attempts as a court of competent jurisdiction may grant. The parties acknowledge and agree that monetary damages may not be a sufficient remedy for any breach or threatened breach of this Section and, therefore, such injunctive relief is appropriate as a remedy and the breaching party waives any requirement for the securing or posting of any bond showing actual monetary damages in connection with such breach.

The parties understand and agree that nothing in this Section is meant to prevent any disclosure of Confidential Information required under federal, state, or local law, regulation, or a valid order issued by a court or governmental agency (each a "Legal Order"). Before making such disclosure, the Receiving Party will provide the Disclosing Party with (i) prompt written notice of such Legal Order so the Disclosing Party may seek, at its own costs and expense, a protective order or other remedy; and (ii) reasonable assistance, at the Disclosing Party's costs and expense, in opposing such disclosure. If, after providing notice, the Receiving Party remains subject to a Legal Order to disclose any Confidential Information, the Receiving Party will disclose only the portion of Confidential Information that such Legal Order specifically requires to be disclosed.

25. Family Education Rights and Privacy Act, Data Protection, and Cybersecurity.

Where applicable, Company will comply with all laws, rules, and regulations pursuant to the Family Educational Rights and Privacy Act, 20 USC 1232g ("FERPA") and acknowledges that certain information about Client's students may be contained in records maintained by Company and the Consultant and that this information can be confidential by reason of FERPA and related Client policies. Both parties agree to protect relevant records in accordance with FERPA and Client policy. If necessary, Consultants assigned to Client will execute a FERPA Statement of Understanding outlining appropriate guidelines. Notwithstanding the foregoing, Client will not, unless necessary in furtherance of this Agreement, disclose such information to Company or Consultant, and Client will not, under any circumstances, allow Consultant to remove such information from Client facilities. If such removal occurs, Client will immediately notify Company, and the parties will work in good faith to remedy the situation. Except where required by law, Company will not disclose to any third party, without prior consent of a parent/guardian and written consent of Client, any information regarding students that Company may learn or obtain during this Agreement.

CLIENT SERVICES AGREEMENT
Education Division

The parties will implement and maintain reasonable security measures to protect data from unauthorized access, disclosure, or use and will comply with all applicable federal, state, and local laws regarding privacy and data protection. In the event of a data breach affecting the other party, the affected party must notify the other party within five (5) business days of its awareness of the breach. Upon termination of this Agreement or upon the other party's request, each party will return or securely destroy records and data in accordance with applicable laws. Client agrees Company is free from any liability arising from or relating to Client's failure to provide onsite supervision or to orient and train Consultant on Client's policies, procedures, or oversight related to data protection.

26. State Retirement System Notice.

This notice is intended to clarify the manner of payment in contemplation of a Consultant's mandatory or permissive participation in a state teacher retirement system, school employees' retirement system, and/or any similar or successor system applicable to the professionals provided by Company. Client agrees that if formal notice is required to be given to any Consultant that participation in any such retirement system/pension is either: 1) permitted by Consultant's election; or 2) is required by law, then Client is solely responsible for providing such notice to Consultant and fulfilling all associated administrative duties. The parties agree that the applicable employee share paid to the system by Client shall be deducted from the amount due to Consultant by Company. Client and Company expressly acknowledge and agree that if any Consultant is required to or elects to participate in a retirement system/pension, Client is solely responsible for: 1) creating an account for Consultant with the appropriate retirement system/pension; 2) all present and/or future obligations to make employee and employer cash payments/ contributions to the retirement system/pension as required by law and/or set by the retirement system/pension; and 3) otherwise administering all employer functions pertaining to the Consultant's interest in retirement system/pension. Client will immediately notify Company if any Consultant is required to or voluntarily elects to participate in any such system. In such event, Client will advise Company of the withholding obligation percentages (both employer and employee share) so that invoices to Client and payment to the Consultant may be adjusted accordingly. The parties agree that Client will withhold and pay to the retirement/pension both the employee and employer shares. The parties agree that the applicable employee and employer shares paid to the system by Client will be deducted from the amount owed to Company by Client.

27. Conflicts of Interest.

The parties acknowledge their respective obligation to report any conflict of interest and/or apparent conflict of interest that may interfere with the ability to perform under this Agreement. To that end, the parties hereby certify and represent that their officials, employees, and agents do not have any significant financial or other pecuniary interest in the other party's business or operations, and no inducements of monetary or other value were offered or given to any officer, employee, or agent of the other party. Each party agrees to promptly notify the other in the event it becomes aware of any conflict of interest or apparent conflict of interest.

28. Client Funding.

The parties acknowledge that Client's obligations under this Agreement may be subject to budgetary constraints and appropriations by government authorities. If funding for services under this Agreement is reduced or eliminated by governmental action, Client will immediately notify Company in writing. In such cases, the parties will negotiate in good faith to modify the Agreement to allow for continuation of services. However, if Company, in its sole discretion, determines that it is not feasible to continue providing services at reduced costs, Company may immediately terminate this Agreement and all current and future assignments, without liability to Client.

29. Survival.

The parties' obligations under this Agreement which by their nature continue beyond termination, cancellation, or expiration of this Agreement, will survive termination, cancellation or expiration of this Agreement.

Policies

Safety

The safety of every client, therapist, staff, and caregiver is of primary importance; therefore, the following policies have been developed to encourage and provide the safest environment possible.

- Staff are asked to accompany the student throughout the session. Sometimes a staff member will find that the client is able to have a more therapeutic experience without an audience, in which case it is at the discretion of the staff member and music therapist to make that determination.
- We work to provide the best possible life experiences for our clients and care deeply for their well-being. We have been trained to recognize the signs of abuse and neglect and are required by law to report to Social Services any suspected abuse or neglect of any client.
- If the therapist at any time feels unsafe, they have the right to immediately terminate the session. This includes (but is not limited to) intentional physical, emotional, spiritual harm from the patient, family, staff member, or caregiver directed at the therapist; lack of a safe environment in which to provide treatment; drug abuse; unsupervised animals; sexual advances; disrespectful behavior towards the therapist; etc. The full fee for the service will be billed. It will be at the discretion of therapist whether they feel safe to return after said session.
- The SCHOOL DISTRICT is choosing to receive music therapy services from OMAHA MUSIC THERAPY LLC and understands that the SCHOOL DISTRICT will be responsible for any injuries or incident that the client may sustain under any circumstances.
- The SCHOOL DISTRICT understands that they are liable for any injuries to OMAHA MUSIC THERAPY LLC contracted therapists or instructors when they are on the property of SCHOOL DISTRICT, i.e. injuries due to faulty steps, sidewalks, falling objects in the building, injuries from animals, icy sidewalks, etc.

Non-Discrimination

Omaha Music Therapy LLC will not discriminate based on race, gender, political affiliation, religious preference, sexual orientation, gender identity, ability level, nation of origin, age, or any other reason. We will be happy to work with any individual who can benefit from music therapy services.

Snow/Inclement Weather

OMAHA MUSIC THERAPY LLC will close for inclement weather along with Omaha Public Schools. If SCHOOL DISTRICT is still in session, it will be at the discretion of the therapist whether they are able to travel to the sessions. All attempts will be made to make up the sessions or provide services via a telehealth platform.

There will be no charge for a session cancelled due to inclement weather.

Social Media

If SCHOOL DISTRICT (or any staff of SCHOOL DISTRICT) would like to keep in touch via social media, please “Like” OMAHA MUSIC THERAPY LLC on Facebook or Instagram. Please do not send a personal friend request. It is important to maintain this boundary between therapist and

client/client family/district. A private friend request will not be approved. Thank you for understanding.

We will always ask permission before posting pictures/stories. However, feel free to post stories or pictures on the OMAHA MUSIC THERAPY LLC Facebook/Instagram page or tag us in your own feed.

Internship/Practicum Students

OMAHA MUSIC THERAPY LLC regularly hosts practicum students and interns. Occasionally, the student will lead part or all of a given session under the supervision of the Board Certified Music Therapist. There are policies and procedures in place for the intern or practicum student including signed confidentiality forms. If you would like more information on interns and practicum students, please let us know. We are happy to provide whatever you need.

Re: ServiceMaster 2025-26

It is my recommendation that CPS continue the yearly contract with ServiceMaster by Shevlin for the 2025-2026 school year in the amount of **\$572,772.00**. Our contract with them for the 2024-25 contract was in the amount of \$537,959.00. This is an increase based on the increase in operations and the cost for Kramer's new Admin Offices. We still have to clean the Rule 17 school (building west of current administration offices). Once the new Non-Traditional Learning and Support Center opens, we will be doing it month to month until the end of the 2025-26 contract. I feel that the partnership between CPS and Servicemaster has great value and want that to continue.

I have attached a Pricing analysis sheet for you to look over and ask any questions you may have. Let me know if you have any additional questions.

Thanks

Leonard

GUIDES TO SCHOOL/GROUP FUND RAISING PROJECTS

A school/group's money-earning methods should reflect basic values. Whenever your school or group is planning a money-earning project, this checklist should serve as your guide. If you answer "Yes" to all the questions that follow, it is likely the project conforms to district standards and will be approved.

- 1. Do you really need a fund raising project?**
There should be a real need for raising money based on your school's programs. Groups should not engage in money-earning projects merely because someone has offered an attractive plan. Remember that individual students are expected to earn their own way. The need should be beyond normal budget items covered by building budgets.
- 2. If any contracts are to be signed, will they be signed by an individual without reference to the Columbus Public Schools or the Board of Education?**
Before any person in your school/group signs a contract, he/she must make sure the venture is legitimate and worthy. If a contract is signed, he/she is responsible. He/she may not sign on behalf of Columbus Public Schools nor may he bind the Board of Education without its written authorization. If you are not sure, check with the Director of Business.
- 3. Will your fund raiser prevent promoters from trading on the name and goodwill of Columbus Public Schools?**
Because of the district's good reputation, customers rarely question the quality or price of products we sell.
- 4. Will the fund raising activity uphold the good name of Columbus Public Schools? Does it comply with the district's policy on games of chance and gambling?**
All items sold or awarded in connection with a fund raising activity must not detract from the ideals and principles of Columbus Public Schools and its Board of Education. Holding a lottery with gross proceeds in excess of \$1,000, a raffle with gross proceeds in excess of \$5,000, or other games of chance is considered a violation of the district's policy on gambling. If you are not sure, check with the Director of Business/Human Relations.
- 5. If a commercial product is to be sold, will it be sold on its own merits and without reference to the needs of Columbus Public Schools?**
All commercial products must sell on their own merits, not the benefit received by the school/group. The principle of value received is critical in choosing what to sell.
- 6. If a commercial product is to be sold, will the fund raising activity comply with the intentions communicated by the fundraiser?**
Students must identify themselves by which group or school they represent and for what cause they are raising the money.
- 7. Will the fund raising project avoid soliciting money or gifts?**
Columbus Public Schools students shall not be permitted to serve as solicitors of money for the Board of Education or district. No adults and students shall be permitted to serve as solicitors of money in support of personal gain.
- 8. Does the fund raising activity avoid competition with other schools and other organizations such as the United Way?**
Check to make sure you are not in direct conflict with fund raising efforts of other schools or local agencies.
