GUIDES TO SCHOOL/GROUP FUND RAISING PROJECTS

A school/group's money-earning methods should reflect basic values. Whenever your school or group is planning a money-earning project, this checklist should serve as your guide. If you answer "Yes" to all the questions that follow, it is likely the project conforms to district standards and will be approved.

1. **Do you really need a fund raising project?**
There should be a real need for raising money based on your school's programs. Groups should not engage in money-earning projects merely because someone has offered an attractive plan. Remember that individual students are expected to earn their own way. The need should be beyond normal budget items covered by building budgets.
2. **If any contracts are to be signed, will they be signed by an individual without reference to the Columbus Public Schools or the Board of Education?**
Before any person in your school/group signs a contract, he/she must make sure the venture is legitimate and worthy. If a contract is signed, he/she is responsible. He/she may not sign on behalf of Columbus Public Schools nor may he bind the Board of Education without its written authorization. If you are not sure, check with the Director of Business.
3. **Will your fund raiser prevent promoters from trading on the name and goodwill of Columbus Public Schools?**
Because of the district's good reputation, customers rarely question the quality or price of products we sell.
4. **Will the fund raising activity uphold the good name of Columbus Public Schools? Does it comply with the district's policy on games of chance and gambling?**
All items sold or awarded in connection with a fund raising activity must not detract from the ideals and principles of Columbus Public Schools and its Board of Education. Holding a lottery with gross proceeds in excess of \$1,000, a raffle with gross proceeds in excess of \$5,000, or other games of chance is a considered a violation of the district's policy on gambling. If you are not sure, check with the Director of Business/Human Relations.
5. **If a commercial product is to be sold, will it be sold on its own merits and without reference to the needs of Columbus Public Schools?**
All commercial products must sell on their own merits, not the benefit received by the school/group. The principle of value received is critical in choosing what to sell.
6. **If a commercial product is to be sold, will the fund raising activity comply with the intentions communicated by the fundraiser?**
Students must identify themselves by which group or school they represent and for what cause they are raising the money.
7. **Will the fund raising project avoid soliciting money or gifts?**
Columbus Public Schools students shall not be permitted to serve as solicitors of money for the Board of Education or district. No adults and students shall be permitted to serve as solicitors of money in support of personal gain.
8. **Does the fund raising activity avoid competition with other schools and other organizations such as the United Way?**
Check to make sure you are not in direct conflict with fund raising efforts of other schools or local agencies.

Requesting Individual: Jacob Ritter

Student Group for which the request is made: The New World Singers

Purpose of Trip: Participating in the Avi Kaplan A Cappella Choral Festival at Kansas State University.

Educational Benefit: Students will have the benefit of working directly with Avi Kaplan, one of the founding members of the a cappella group Pentitonix. He brings a wealth of knowledge and experience that will be invaluable to students both now and for those wishing to continue pursuing music after high school. Students will also have the benefit of hearing other a cappella groups from across the Midwest, hearing many groups that are potentially better than them for the first time. This event also brings an exciting prospect. Of the 8 schools that are participating on a clinical level, one school group will be chosen to perform as the opening act for Avi Kaplan's new a cappella group. This should give New World exceptional motivation in class to make our fall show as strong as possible for the chance to be selected for this honor.
