Centennial Board of Education &
Mr. Tim DeWaard
Centennial Public School
1301 Centennial Avenue
Utica, NE 68456

Dear Centennial Board of Education and Mr. DeWaard,

Please accept this as the formal notification of my resignation of employment at the conclusion of the 2019-2020 school year. This resignation is contingent upon the Board of Education's acceptance of my participation in the Centennial Voluntary Early Retirement Incentive Program.

Serving the Centennial School District over the past thirty-eight years has been a distinct privilege. I want to thank you for the opportunities for professional and personal growth that have been offered to me over those years. It has been a pleasure to spend my entire teaching career at Centennial. During that time, I have had the good fortune to be a part of a dedicated group of professional educators. The Centennial District has not only provided me with a very rewarding career, but I have forged many lasting friendships with current and former colleagues, most importantly, the one with my husband.

I have always felt a great deal of pride and commitment as a member of the staff of Centennial. I wish the very best for continued success to the students of Centennial.

Sincerely,

A handwritten signature in cursive script that reads "Janice Buss". The signature is written in black ink and is positioned below the word "Sincerely,".

<https://iris.peabody.vanderbilt.edu/module/di/#content>

What is the difference between differentiated instruction and Universal Design for Learning (UDL)?

Both attempt to maximize the learning of all students by offering multiple ways to learn content or skills and to demonstrate that knowledge. Additionally, both emphasize learning environments that are engaging and utilize ongoing assessments to make adjustments to meet the instructional needs of students. So what is the difference? The difference is in when and how changes are made to address the needs of students. Differentiated Instruction is during instruction when the teacher notices the students' needs and makes changes or adjustments to the curriculum. Universal Design for Learning is when designing the curriculum and builds resources and options into the curriculum.
