## **ADDENDUM**

This Addendum is a written amendment to the Agreement ("Agreement") made by and between the Board of Education ("Board") of Seward County School District No. 80-0567 ("District"), and Colt's Corral, LLC ("Colt's Corral"). Unless otherwise modified by this Addendum, all terms of the Agreement will govern the relationship between the parties.

NOW THEREFORE, in consideration of the foregoing recitals and mutual covenants and agreements set forth herein and in furtherance of the consideration contained in the Agreement signed by the parties, Colt's Corral and District agree as follows:

**1. Opening in Light of COVID-19.** The current directed health measures (DHM) applicable to Seward County based on the COVID-19 pandemic prohibit schools from engaging in "in-person instruction, and all extra-curricular activities," with few exceptions. For this reason, the District has moved to reduced hours and schedule for most operations, including custodial staff. One such exception in the DHM is "child care services." In light of this exception, and to assist the District's communities and patrons as much as possible during this trying time, the District has agreed to allow Colt's Corral to resume operations or modified operations consistent with laws, regulations, rules, guidance, and then-current DHMs.

**2. Limitations on Numbers and Applicability of Rules.** The DHM permits childcare services to operate so long as the provider does not "exceed the lesser of the current license limit or 15 children per room/space." Based on the DHM, all statutory and regulatory obligations continue to apply, and Colt's Corral agrees to comply with the DHM and all existing laws, rules, and regulations when operating during the COVID-19 pandemic.

**3. Specific COVID-19 Care Provisions.** The Centers for Disease Control, Nebraska Department of Health and Human Services, and others have issued additional rules and guidance with respect to childcare services being provided, social distancing, and others to assist with managing the spread of COVID-19. Colt's Corral agrees to comply with all such applicable rules and guidance, as may be updated or changed without notice to Colt's Corral, including ensuring that participating families comply at all times when on District property. Colt's Corral will pay for the cost of all cleaning and other obligations that come from those then-current rules and guidance, in addition to all other obligations already imposed by law. Occasionally the District's staff assists in providing some of those services, but for the remainder of the current Agreement (which runs through July 31, 2020), all of those obligations will be fulfilled and paid for by Colt's Corral. No District staff will assist with

any of Colt's Corral's operational obligations, unless authorized by the Superintendent. If Colt's Corral intends to contract with another service provider for those services, that must be approved by the Superintendent and arrangements made with the Superintendent for allowing access and other considerations.

**4. Unique Costs, Fines, Fees, Etc.** Colt's Corral agrees to bear the cost of any unique obligations, fines, fees, or other costs as a result of operating during the COVID-19 pandemic. Colt's Corral will indemnify, reimburse, and make the District whole in the event any such costs are assessed against the District or its officers, employees, or agents based on Colt's Corral's operations.

**5. Future Modifications and Considerations.** The Agreement requires the parties to confer on or before May 15 regarding whether to sign another agreement to extend beyond July 31, 2020. Without such an agreement, the current Agreement and the relationship between the parties would cease as of that date. Due to the unpredictable nature of COVID-19 and the impact it may have on the parties' individually and their relationship under the existing Agreement and any new agreement, the parties agree to extend the May 15 date and instead confer on or before July 15 regarding whether they will sign another agreement for the 20-21 year, and whether any additional obligations, changes, or restrictions may be necessary at that time.

## **Board Report**

### **May 2020**

1. During the month of April/May meetings we had:
  - a. 15 IEP meetings - all have been held for the 19-20 school year.
  
2. Continued to meet with special education teachers and related service providers every Monday morning. Held our last meeting this morning. Went through final checks for paperwork before leaving for the summer and assignments and planning for next year. Will do a final check out with them by May 20th.
  - a. Have one student receiving ESY for the summer and another student finishing up his program.
  
3. Assessment: Projected 3rd year Cohort ACT testing in September/October
  
4. Financials: Submitted Maintenance of Effort worksheet. Working on MOE Tracking Tool for expenditure for this year.
  
5. Preschool: Currently have 31 students enrolled in preschool. Still waiting on paperwork on two other children. With only 33 students it is my recommendation that we only run 3 sessions. Amanda is dually endorsed and can then provide services to students with disabilities in the afternoon. Six students are outside our district boundaries. A letter will be sent home this week letting parents know which teacher their child has been assigned and whether they are in the morning or afternoon class.
  
6. Para Educators: All evaluations have been completed and returned. Have offered positions to two new para educators. One has accepted the other I will know by the board meeting.
  
7. During the month of April I attended the NASES Virtual Spring Conference on April 23rd and attended the SEAC Virtual meeting on April 30th. I continue to listen in on the CASE Webinars on Friday, ESU 6 updates, KSB webinars and NASES Region 1 weekly ZOOM meetings.

## SUPERINTENDENT'S REPORT

May 11, 2020

1. I would like to look at getting proposals from other Auditors. We have been with Mierau for quite a few years, but in my opinion their services have declined. We can talk more at the meeting.
2. We received a grant for \$6,500 for COVID-19 expenses.
3. I will share the energy savings that we have seen.
