What is Tri-City Learning Academy?

TCLA is a public virtual school designed to serve families in the Tri-City area that desire:

- A customized, quality virtual education
- Oklahoma Certified teachers working within their grade level and subject area expertise. Like no other virtual school around!
- The best of a traditional education experience, coupled with the flexibility of an online program that can be accessed from anywhere, at any time
- A program that aligns with Oklahoma Academic State Standards with a self-paced education option
- The ability for middle and high school students to participate in on-site extracurricular activities with their peers.
- A virtual education combined with a sense of community and connection.

Tri-City Learning Academy provides an opportunity for an interactive learning environment created through technology, in which the student and teacher are separated by time, space or both. Students will access lessons, assignments and receive assessments virtually. Using technology, teachers will communicate with students and parents in many different ways. Our virtual school option meets all Oklahoma public school standards and graduation requirements. Instructors are Oklahoma certified teachers and employees of Newcastle Public Schools, however they serve students of Blanchard, Bridge Creek, Dibble, Minco, Newcastle, Tuttle and Washington Public Schools. Students completing graduation requirements will be awarded a high school diploma from their home district.

Our Mission

The mission of Tri-City Learning Academy is to help students achieve academic success in a virtual model utilizing web-based technology in conjunction with teacher support. We believe every student has the ability to learn and should be provided the opportunity to choose a learning pathway that meets their learning style so that students can reach their full academic potential.

Enrollment Process

All students wishing to enroll in Tri-City Learning Academy must complete all enrollment procedures with their home district *in addition* to the Tri-City Learning Academy enrollment process.

The TCLA Enrollment process can be found on our website, www.tricitylearning.org.

All enrollment requests must be approved by the student's home district TCLA Committee before the school year begins. Once approved to attend TCLA, a notification email will be sent to the parent/guardian.

TCLA Committee

The Tri-City Learning Academy Committee will consist of the TCLA Director, the student's home district counselor, principal and special education director (if applicable). TCLA teachers will also join the committee when necessary. All decisions made by the TCLA Committee will be final.

Admission to TCLA

The following are requirements of **all** students participating in courses offered through TCLA:

- Parents must complete the full TCLA enrollment process for each child
- Students must have reliable and consistent computer and Internet access at home. A device may be checked out through the child's home district if needed.
- Parents must provide TCLA with a working email address that is checked daily. Students will use their school email and agree to check it daily.
- Students must have a basic understanding of how to navigate the Internet (Chrome, Safari, Firefox, Internet Explorer, etc.).
- Students must be able to self-pace, work independently, and meet deadlines and/or have assistance from a parent/guardian in doing so.
- Students must have a Learning Coach present on a regular basis to ensure academic progress is met.

Commitment

Students who enroll with Tri-City Learning Academy will be committing to a full year of enrollment. There will be an enrollment cutoff date for each semester. No enrollments or adjustments will be accepted after those dates. There will be no exceptions to this policy unless the home district deems the situation an emergency.

Full-Time Virtual Enrollment

Full-time virtual enrollment is defined when a student takes all courses in the virtual environment and no courses on the home district campus. All courses will be provided through TCLA.

Blended Enrollment

Blended enrollment is defined when a student is participating in one or more courses on campus in addition to courses through TCLA. Blended is for students in 6-12 at this time. If a student chooses to enroll in the blended model, a schedule will be created at their home district to place them in the requested courses on campus as well as a schedule with virtual courses. All virtual learning will take place around scheduled courses on campus.

Participation in School Activities, Sports and Clubs

All students are encouraged to enroll in extracurricular activities offered to students through their home district that are appropriate for their current grade level. Students who participate in these activities are subject to the expectations of those specific programs. Students are also able to participate in the grade-level clubs and organizations offered at the home district sites. When students take advantage of these opportunities, they are expected to meet all behavior and attendance expectations as well as eligibility requirements of the corresponding district without question. Failure to follow directions and/or meet expectations will result in the revocation of the ability to participate in these offerings. If you wish to join any clubs on your home district campus, contact your counselor to determine the requirements and meeting times. According to HB 1826, it is the responsibility of the parent to notify the school in writing if he or she wishes for their child to NOT participate in any of the clubs associated with our schools.

NCAA

Student-athletes who wish to attend an NCAA Division I or II college or university must ensure courses offered using a digital curriculum for original credit or credit recovery meet NCAA guidelines. The National Collegiate Athletic Association (NCAA) has very strict guidelines regarding credit for courses taken online. TCLA courses have been approved by the NCAA, however be sure to consult with the Tri-City Learning Academy Director and your school counselor to confirm that the online course(s) you are taking are approved for credit by the NCAA within your account. For more information regarding NCAA Eligibility, go to www.ncaa.org and click on "Rules Compliance."

Communication with Parents and/or Guardians

We will communicate with parents routinely using email; however, other forms of communication will be utilized, such as phone calls, virtual meetings and other applications. It is the responsibility of the parent/guardian to check email daily for messages and updates from the teachers and staff members of TCLA. You may also follow the Tri-City Learning Academy Facebook Page and plug into the TCLA website at www.tricitylearning.org.

Teachers will routinely monitor the progress of your students and send out communications regarding their progress and attendance. Please understand that in our experience, the key to virtual learning success is communication with parents and students on their progress throughout their coursework. This policy is intended to engage all parties involved in the education of the student.

Student Communication

Teachers will communicate with students through email, live virtual meetings, Google Classroom, phone calls and approved applications. We will only communicate through the student's school issued email and it should be checked several times throughout the day. If a student fails to meet a deadline due to not checking their email, the responsibility lies with the student.

Access to TCLA Highly Qualified Teachers or Tutoring

Students who need assistance with a specific subject will have access to a highly qualified teacher. Tri-City Learning Academy teachers will have a designated time each week that they will be available in person at each of the four sites. Teachers may also require the students to attend the TCLA open lab for testing, test reviews, activities related to content, individual tutoring etc. This is to ensure that each student is set up for success throughout the school year. If you need additional assistance, please reach out to your teacher and they will set up a time to meet with the student at an open lab or virtually for additional support.

At Home Materials and Resources

All students in grades K-5 will receive the required hands-on materials and workbooks that will enhance their learning as they walk through the curriculum. Students in grades 6-12 may request Guided Notes to utilize throughout their courses, however these are not mandatory. These materials engage students in writing processes and learning outside of a screen and are crucial to working through Edgenuity successfully.

Attendance Policy

Tri-City Learning Academy will follow all regulations set forth by the Oklahoma State Department of Education regarding attendance policies for our students. This means that attendance policies will be in place and must be adhered to. Tri-City Learning Academy prides itself on parent/student communication for academic success, therefore the attendance policy will be strictly enforced.

Virtual Meetings - It is required for all TCLA students to attend the virtual class meetings with their teachers each week. Direct instruction and important information will be delivered that will be crucial to the students success in the course. If there is a school conflict with the time of your class meeting, let your teacher know and we will work on a solution together.

Attendance in Edgenuity/Coursework - Students are expected to complete 5 days worth of coursework each week (outside of holidays and scheduled breaks), within the 7 day time period to keep them in full attendance for that week. The seven day time period is defined as Monday through Sunday. Attendance for the week prior will be reported on each Monday to the TCLA Director and the student's home district. A student should plan for, but not limited to 5 hours per course, per week. A student who is more than 10% behind in progress will be counted as absent in those courses.

Open Lab - Students will have the opportunity to visit their teachers in person each week at one of our four open lab sites. This will open the door for interventions, tutoring, assessments and a variety of other classroom activities that a student may miss while not in a traditional classroom. Open labs are not required unless the student is consistent in not making adequate progress each week.

Those students that do not adhere to the attendance policies set forth by TCLA, the following may take place:

1. Parent/Student conference with the TCLA Director
2. A plan of improvement put in place for the student and parent
3. Truancy policy set forth by the home district's Board of Education will be followed.
4. Revocation of admission to Tri-City Learning Academy

Oklahoma State Testing Requirements

All students who attend Tri-City Learning Academy will be required to participate in the Oklahoma State Assessments at their home district. These assessments are not optional and the student must participate on the date set forth by the home district. Adequate notice and necessary information will be given to ensure the process goes smoothly.

Additional Assessment Requirements

There are a variety of other assessments and progress monitoring that must take place throughout the school year. These will vary by grade level, however all students will be required to participate. Some assessments may be completed virtually however there are some that must be completed in person during an open lab session. Teachers will prepare their students for these assessments and adequate notice will be given when the assessments are due.

Building Access at Open Lab Sites

Students are expected to report directly to the TCLA Open Lab location when arriving on site. Hanging around the area outside of the lab will not be allowed. Students will have access to restrooms and water fountains while attending open lab and a bottle of water will be allowed as well.

Cell phones will be required to be put away while in the lab as they are a distraction to the learning process. If the student refuses to adhere to the cell phone policy while in the lab, they will be asked to leave.

Academic Progress

All students are expected to maintain progress in all of their courses. Each student will receive a course assignment calendar for the week and/or semester that show due dates for each course. This will be included within the student's Edgenuity account and in the students virtual classroom for their class. These assignment calendars shall be referred to each week to determine what is required for completion to remain on target in the course. Edgenuity will allow you to review your progress and grades automatically and is updated each day as assignments are completed. TCLA teachers will also provide grades and progress feedback each week. Please visit www.tricitylearning.org to access a variety of Edgenuity resources for students and parents.

Failure to Meet Progress

Students who fail to meet progress standards will be required to attend the lab session with their teacher each week until the student is on track. Tutoring and interventions will be put in place to assist the student as needed. Continuously failing to meet progress expectations will result in a meeting with parents, teachers, TCLA Director and may result in the revocation of admission to the Tri-City Learning Academy. Students who fail to complete their courses by the end of the semester may receive a failing grade.

*A teacher may refer a student to return to the classroom in the home district if adequate progress is not being met on a continued basis.

Progress Reports

Parents of Tri-City Learning Academy students will receive a weekly email through Edgenuity that details their students' grades at that time. Parents must monitor these progress reports closely and reach out to TCLA teachers if there are questions or concerns.

Parents in grades 6-12 will also have access to the Edgenuity Parent Portal to have 24/7 access to their child's grades and activity within the curriculum.

Grades will be sent to the students home district each week to be put into that district's student information system, however monitoring the students' Edgenuity account will be most effective as it is calculated daily. The student's home district will use the grade that appears in their Student Information System to determine the eligibility of students who are participating in activities and/or athletics.

Please visit www.tricitylearning.org for more information on Edgenuity and understanding progress reports.

Course Completion Expectation:

Students are expected to finish courses by the end of the semester/year. This will be in alignment with the end date set at the beginning of the course. If a student fails to complete a course by the end of the semester/year, they will receive the grade they have at the end of the semester/year with incomplete work becoming zeros.

Academic Integrity & Plagiarism:

Each student enrolled in TCLA will adhere to the academic integrity policy outlined below. Any violation of this policy will result in a zero on the assignment, failure of the course in which the violation occurred and/or possible removal from TCLA in its entirety.

What is Academic Integrity? Academic integrity is a concept used to address the many facets of authenticity within a student's work. A student who upholds a high standard of academic integrity maintains that all work turned in is his or her own and is based on the knowledge he or she has acquired. To put it in very simple terms, do not cheat.

Academic Integrity means:

- Your work on each assignment is completely your own.
- You will not practice plagiarism in any form.
- You will not allow others to copy your work.
- You will not misuse the Internet.

What is plagiarism? Plagiarism is copying or using ideas or words from another person, a virtual classmate, or an Internet or print source and presenting them as your own. Edgenuity will flag teachers when copied material has been submitted and provide the source/site in which it came from.

Some examples of plagiarism are:

- Buying a paper from a research service or term paper mill.
- Turning in another student's work with or without that student's knowledge.
- Turning in a paper or assignment someone else has written for you.
- Copying from a source text without proper acknowledgment.
- Copying materials from a source text, supplying proper documentation, but leaving out quotation marks.
- Paraphrasing materials from any resource without appropriate documentation.
- Turning in a paper from a "free term paper" website.

Science Labs and Projects

Tri-City Learning Academy courses contain labs or projects. We have reviewed these labs and projects to ensure that they are aligned with the Oklahoma Academic Standards. These project labs must be completed. If the lab requires items that you do not have access to, then please contact your teacher and we will assist you in finding an appropriate placement. There may be times that the teacher will complete a lab or project with students in person during an open lab session for that class and teacher. Most labs are virtual and can be completed without additional supplies. All lab reports completed by students must be saved as a PDF document to be successfully uploaded.

Individual Career Academic Plan (ICAP)

ICAP activities are a graduation requirement by the Oklahoma State Department of Education. The term ICAP refers to both a process that helps students engage in academic and career development activities and a product that is created and maintained for students' academic, career and personal advancement. ICAP is a student-driven, ongoing process that actively engages students, enabling them to:

- Understand their own interests, strengths, values and learning styles
- Create a vision of their future
- Develop individual goals
- Prepare a personal plan for achieving their vision and goals

TCLA students in grades 6-12 will work on fulfilling their ICAP requirements and activities with TCLA teachers and staff partnered with the student's home district.

Graduation Requirements

Each Tri-City Learning Academy Student must complete the required graduation requirements set forth by their home districts board of education. These requirements may vary from school to school, although each district meets the required minimum requirements set forth by the Oklahoma State Department of Education. TCLA staff and each home school district will coordinate to ensure each student receives the appropriate credits set forth by their district.

Concurrent Enrollment

Students may earn credit for high school graduation and college credit at the same time. Please contact your home district counselor or administrator for more information on concurrent procedures.

Technology Centers

Juniors and Seniors are able to enroll in one of the many programs offered at Mid America Technology Center or Canadian Valley Technology Center. Students who enroll in career tech classes will be allowed to ride the bus to and from. Please check with your home district to determine the technology center that serves you and the times from pick up and drop off. Interested students should contact their high school counselor for admission criteria and forms.

Technology

Students who enroll in Tri-City Learning Academy that do not have access to a computer may request to checkout a device from their home district. If you need a device, please contact the TCLA Director to begin this process. Parents must arrive with the student to check out the device and sign the agreement set forth by the home districts policies. Please note, there will be fees for lost/broken devices or accessories. Students will return the device to their home district at the end of the school year or when a student leaves Tri-City Learning Academy. *Phones and tablets do not work well with the curriculum as many of the capabilities are restricted. A student must use a computer for full curriculum benefits.

Behavior Expectations

All students are to maintain their best behavior when conducting school online. This means that students are expected to always be respectful of the TCLA teachers and staff, as well as other students. This includes interaction via email, Google Classroom, phone calls, approved messaging apps, open lab sessions, and virtual class meetings. Virtual meeting expectations will be set forth by the teacher and must be adhered to at all times.

All students are expected to follow the home districts on campus rules while on campus. Students that fail to follow expectations may result in modifications of lab privileges.

Alcohol, Drugs, Tobacco and E-Cigarettes

Students are prohibited from being in possession of, consuming, or being under the influence of drugs or alcohol while on any campus. Violation of this policy will result in notification of the school resource officer and consequences set forth by the home district. A modification will also be made to the availability of the open lab.

Fighting

Students that get into a physical altercation or fight with another student while on campus will lose lab availability. The rules set forth by the home district will be adhered to and there is a possibility of removal from Tri-City Learning Academy.

School Closing Announcements

If Tri-City Learning Academy must “close” due to inclement weather, you will be notified as soon as possible. Radio and TV stations will be notified and you may remain updated via TCLA Facebook Page and website, www.tricitylearning.org.

Transfer Students

Due to state law, students who are enrolled in their home district on a transfer, must be enrolled in at least one course on campus to be eligible for TCLA. Transfer students are not eligible for full-virtual programs, per the Oklahoma State Department of Education.

Tri-City Learning Academy Notice

Students are required to follow these policies and procedures in regards to courses taken with Tri-City Learning Academy. These policies are *in addition to* the student’s home district policies and procedures that students must follow. To access the student handbooks for your home district, please visit tricitylearning.org or your home district’s web page.

Teacher Policies and Procedures

2022-2023

Virtual Education Serving:

Blanchard, Bridge Creek, Dibble, Minco, Newcastle, Tuttle and Washington

Overview

Teachers are charged with the education of the youth of this State. In order to perform effectively, teachers must demonstrate a belief in the worth and dignity of each human being, recognizing the supreme importance of the pursuit of truth, devotion to excellence, and the nurture of democratic principles.

In recognition of the magnitude of the responsibility inherent in the teaching process and by virtue of the desire of the respect and confidence of their colleagues, students, parents, and the community, teachers are to be guided in their conduct by their commitment to their students and their profession.

PRINCIPLE I

COMMITMENT TO THE STUDENTS

Oklahoma Administrative Code (OAC) 210:20-29-3 – Effective June 25, 1993

The teacher must strive to help each student realize his or her potential as a worthy and effective member of society. The teacher must work to stimulate the spirit of inquiry, the acquisition of knowledge and understanding, and the thoughtful formulation of worthy goals.

In fulfillment of the obligation to the student, the teacher:

1. Shall not unreasonably restrain the student from independent action in the pursuit of learning,
2. Shall not unreasonably deny the student access to varying points of view,
3. Shall not deliberately suppress or distort subject matter relevant to the student's progress,
4. Shall make reasonable effort to protect the student from conditions harmful to learning or to health and safety,
5. Shall not intentionally expose the student to embarrassment or disparagement,
6. Shall not on the basis of race, color, creed, sex, national origin, marital status, political or religious beliefs, family, social, or cultural background, or sexual orientation, unfairly
 - Exclude any student from participation in any program;
 - Deny benefits to any students; or
 - Grant any advantage to any student.

7. Shall not use professional relationships with students for private advantage,
8. Shall not disclose information about students obtained in the course of professional service, unless disclosure serves a compelling professional purpose and is permitted by law or is required by law.

PRINCIPLE II

COMMITMENT TO THE PROFESSION

Oklahoma Administrative Code (OAC) 210:20-29-4 – Effective June 25, 1993

The teaching profession is vested by the public with a trust and responsibility requiring the highest ideals of professional service.

ATTENDANCE

Attendance will be taken for each virtual class meeting AND for work within the online curriculum. A student will have Monday-Sunday to complete the weekly assignments in the courses.

Attendance will be due each Monday by noon and will then be sent to each home district.

Present: A student is considered **Present (P)** for all days during the week if the student is:

1. Within 10% of “On Track” in your course or
2. Logged in and worked at least 4 days in your course
 - a. attendance to your class meeting will also count as a day present in your course, totaling 5 days

Unverified Absence: If a student is further than 10% behind AND did not actively work in your course for at least 4 days that week or attend the class meeting, then an **Unverified Absence (UA)** will be given for each of the required days not in attendance.

Example: Student A is 12% behind in English and actively worked on English 2 days that week. Student A now has 2 Unverified Absences.

Verified Absence: If a student is absent to a class meeting and/or lack of activity in your curriculum and the parent verifies the reason for absence, a **Verified Absence (VA)** will be given. *Please note the reason for absence verified by the parent/guardian on the weekly report.

There are special circumstances that prevent some students from attending class meetings.

- These typically include career tech, courses taken on campus, work, appointments, medical situations.

TCLA will provide alternative opportunities for students to check-in with teachers and receive assistance, as well as to avoid an absence.

- Alternative opportunities may include attending a teacher’s Open Office, attending Open Lab, 1:1 Zoom session, and/or completing the special circumstances form weekly.

All special circumstance alternatives must be approved by the TCLA Director.

ABSENTEEISM/LACK OF ENGAGEMENT

Attendance Policy (Student/Parent Handbook)

Tri-City Learning Academy will follow all regulations set forth by the Oklahoma State Department of Education regarding attendance policies for our students. This means that attendance policies will be in place and must be adhered to. Tri-City Learning Academy prides itself on parent/student communication for academic success, therefore the attendance policy will be strictly enforced.

Virtual Meetings - It is required for all TCLA students to attend the virtual class meetings with their teachers each week. Direct instruction and important information will be delivered that will be crucial to the students success in the course. If there is a school conflict with the time of your class meeting, let your teacher know and we will work on a solution together.

Attendance in Edgenuity/Coursework - Students are expected to complete 5 days worth of coursework each week (outside of holidays and scheduled breaks). This means that the student must complete all 5 days of their assigned coursework within the 7 day time period to keep them in full attendance for that week. The seven day time period is defined as Monday through Sunday. Attendance for the week prior will be reported on each Monday to the TCLA Coordinator and the student's home district. A student should plan for, but not limited to 5 hour per course per week.

Open Lab - Students will have the opportunity to visit their teachers in person each week at one of our four open lab sites. This will open the door for interventions, tutoring, assessments and a variety of other classroom activities that a student may miss while not in a traditional classroom. Open labs are not required unless the student is consistent in not making adequate progress each week.

Those students that do not adhere to the attendance policies set forth by TCLA, the following may take place:

1. Parent/Student conference with the TCLA Coordinator
2. A plan of improvement put in place for the student and parent
3. Truancy policy set forth by the home district's Board of Education will be followed.
4. Revocation of admission to Tri-City Learning Academy

STUDENTS WITH ABSENTEEISM CONCERNS

(Document all communications)

1. Speak directly to the student
 - a. Use 3 modes of communication to attempt contact (email, phone, message)
2. Notify the parent/guardian of the student absenteeism
 - a. Ensure a successful contact
3. Report concerns to TCLA Director
4. Possible referral to return to campus

GRADES

Grades will be pulled for each course within the online curriculum. A student will have Monday-Sunday to complete the weekly assignments in the courses.

Grades will be sent on a weekly basis by the TCLA Director and/or TCLA Secretary.

The ACTUAL GRADE used in Edgenuity is what will be reported to the home district's and will be used for eligibility purposes (grades 6-12).

Parents will be notified by emailed weekly of their students progress and grades via Edgenuity progress reports as well as have access to the Edgenuity Parent Portal.

POOR ACADEMIC PERFORMANCE/FAILING GRADES

Academic Progress (Student/Parent Handbook)

All students are expected to maintain progress in all of their courses. Each student will receive a course assignment calendar for the week and/or semester that show due dates for each course. This will be included within the student's Edgenuity account and in the students Google Classroom for their class. These assignment calendars shall be referred to each week to determine what is required for completion to remain on target in the course. Edgenuity will allow you to review your progress and grades automatically and is updated each day as assignments are completed. TCLA teachers will also provide grades and progress feedback each week. Please visit www.tricitylearning.org to access a variety of Edgenuity resources for students and parents.

Failing to Meet Progress (Student/Parent Handbook)

Students who fail to meet progress standards will be required to attend the lab session with their teacher each week until the student is on track. Tutoring and interventions will be put in place to assist the student as needed. Continuously failing to meet progress expectations will result in a meeting with parents, teachers, TCLA Coordinator and may result in the revocation of admission to the Tri-City Learning Academy. Students who fail to complete their courses by the end of the semester may receive a failing grade.

*A teacher may refer a student to return to the classroom in the home district if adequate progress is not being met on a consistent basis.

STUDENTS FAILING TO MEET ACADEMIC PROGRESS

(Document all communications)

1. Speak directly to the student
 - a. Determine the “why” and attempt to create a solution together with the student
 - b. IEP/504 student? Communicate with the SPED teacher
 - c. Require in-person/virtual tutoring/intervention
2. Notify the parent/guardian of the student
 - a. Inform them of the steps taken thus far
 - b. Create a solution with the parent/guardian
3. Call a conference between student, teacher, parent/guardian
4. Report concern to TCLA Director

BEHAVIOR/DISCIPLINE

If continuous unwanted behaviors occur, the following steps should be taken:

1. One-on-one conference with the student regarding the unwanted behavior
 - a. Determine the “why” and a possible solution
2. One-on-one conference with the parent regarding the unwanted behavior
3. Call a conference between student, teacher, parent/guardian
4. Report continuous behavior concerns to the TCLA Director

Disciplinary steps are always taken with an understanding of the students individual needs and stage of development. It is our desire to develop self-control and respect for the rights of others; steps may be bypassed depending on the severity of the behavior.

Discipline will not include being denied access to grades or educational resources, although removal or regulation of student participation in social or collaborative class activities may occur if behaviors persist.

ANXIOUS/UPSET PARENT/GUARDIANS

There are times when parents/guardians become upset or anxious about a situation. Many of those situations can be held with simple conversations between the teacher and parent. If you have an upset parent/guardian, please follow these steps:

1. Speak with the parents - phone call is best
 - a. Document conversations
2. Contact the TCLA Director to alert them of the situation and obtain guidance if the situation has not been resolved.

SUSPECTED CHILD ABUSE/NEGLECT

Report concerns to the TCLA Director/Counselor immediately. Document all conversations and evidence. These concerns include but are not limited to:

1. Suspected abuse
2. Suspected neglect
3. Concerns of self-harm or harming others (often seen in written assignments or conversations)
4. Bullying

INDIVIDUALIZED EDUCATION PLANS/504 PLANS

TCLA teachers will follow all accommodations and modifications set forth in the student's IEP/504 plans. There will be a Special Education teacher on TCLA staff to assist teachers with these accommodations. Edgenuity is a curriculum that will allow for a variety of accommodations and supports for students with additional needs, however it is the teachers responsibility to ensure that all IEP/504 accommodations/modifications are implemented in your course/instruction.

*All teachers will be required to attend IEP/504 meetings for those students in your courses.

If you feel that a student may need to be referred for special education evaluation, contact the TCLA Special Education teacher for assistance.

FERPA - THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

The Family Educational Rights and Privacy Act (FERPA) is a federal law enacted in 1974 that protects the privacy of student education records. FERPA applies to any public or private elementary, secondary, or post-secondary school and any state or local education agency that receives funds under an applicable program of the US Department of Education. The Act serves two primary purposes. It gives parents or eligible students more control over their educational records, and it prohibits educational institutions from disclosing “personally identifiable information in education records” without the written consent of an eligible student, or if the student is a minor, the student’s parents (20 U.S.C.S. § 1232g(b)). An eligible student is one who has reached age 18 or attends a school beyond the high school level.

Parents’ or Eligible Students’ Rights

Parents or eligible students have the right to take the following actions:

- Inspect and review the student’s education records maintained by the school. Schools are not required to provide copies of records unless it is impossible for parents or eligible students to review the original records (e.g., they live far away).
- Request that a school correct records they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Halt the release of personally identifiable information.
- Obtain a copy of the institution’s policy concerning access to educational records.

Schools must have written permission from the parent or eligible student in order to release any information from a student’s education record. Schools that fail to comply with FERPA risk losing federal funding. Because parochial and private schools at the elementary and secondary levels generally do not receive funding under any program administered by the US Department of Education, they are not subject to FERPA. Private postsecondary schools, however, generally do receive such funding and are subject to FERPA.

Permitted Disclosures

FERPA allows schools to disclose information from a student’s education record, without consent, to the following parties or under the following conditions:

- School officials with legitimate educational interest
- Other schools to which a student is transferring
- Specified officials for audit or evaluation purposes
- Appropriate parties in connection with financial aid to a student
- Organizations conducting certain studies for, or on behalf of, the school
- Accrediting organizations

- Appropriate officials in cases of health and safety emergencies
- State and local authorities, within a juvenile justice system, pursuant to specific state law
- To comply with a judicial order or lawfully issued subpoena

TECHNOLOGY CONCERNS

If a student has a technical problem with their device that has been checked out to them by their home district, follow these steps:

1. Attempt to assist in troubleshooting the problem virtually
2. Refer the student/parent to www.tricitylearning.org to review the common troubleshooting tips
3. Refer the student/parent to the TCLA Director/secretary, who will then put them in contact with the home district tech support team.

OPEN LAB/IN-PERSON TUTORING AND INTERVENTIONS

Students

- Students that attend in-person tutoring must adhere to the home district's policies and procedures set forth in that home district's handbook. This includes but is not limited to dresscode, behavior, discipline, parking, etc...
- Students are to attend the TCLA Lab ONLY and are not permitted to enter other classrooms and hallways that do not directly involve TCLA.

Teachers

- Teachers must wear their TCLA Identification Badge and TCLA attire at all times while on site.
- Teachers must be on time and stay the full allotted time assigned to them each week
- Professional dress is expected at all times while on site.
- Track your mileage to and from sites only and turn in to TCLA Director at the beginning of each month
- Before your session each week, attempt to confirm the students who are planning to see you while you are on site, or request those that are struggling/failing to come in for assistance.

LEARNING MANAGEMENT SYSTEM

TCLA will utilize a Learning Management System for all Tri-City Learning Academy teachers. Each teacher must create a classroom within the LMS for each core course taught.

Classrooms in the LMA must be:

- Organized and easy to navigate
- All directions and expectations posted and easily accessible
- Weekly schedule of events/assignments posted
- Include resources for that course
- Contact information and office hours
- Include a link to your weekly virtual sessions that is easily accessible

COMMUNICATION FORMATS

Approved communication formats:

- Email
 - Student/teacher communication must be used by school issued email ONLY
- Phone Call/Text Message
 - Assigned Google Voice phone number ONLY
- Edgenuity messaging system
- Learning Management System
- Remind App

*Other communication formats may be approved by the TCLA Director.

Re: Surplus of outdated technology equipment

I am requesting the Board to declare as surplus the following technology items that have reached end-of-life or are damaged and in need of repair. This equipment will be donated to a metal recycling company at no cost to the district and processed as scrap materials instead of ending up in a landfill.

LAND LEASE AGREEMENT

This Land Lease Agreement (the "Agreement") made this ____ day of _____, 20__, between **Independent School District No. 1 of McClain County Oklahoma, a/k/a Newcastle Public Schools**, with its principal offices located at 101 North Main, Newcastle, Oklahoma 73065, hereinafter designated LESSOR and **Cellco Partnership d/b/a Verizon Wireless** with its principal offices at One Verizon Way, Mail Stop 4AW100, Basking Ridge, New Jersey 07920, hereinafter designated LESSEE. LESSOR and LESSEE are at times collectively referred to hereinafter as the "Parties" or individually as the "Party."

WITNESSETH

In consideration of the mutual covenants contained herein and intending to be legally bound hereby, the Parties hereto agree as follows:

1. GRANT. In accordance with this Agreement, LESSOR hereby grants to LESSEE the right to install, maintain and operate communications equipment ("Use") upon the Premises (as hereinafter defined), which are a part of that real property owned, leased or controlled by LESSOR at **TBD** Wright St, Newcastle, McClain County, Oklahoma 73065 (the "Property"). The Property is legally described on Exhibit "A" attached hereto and made a part hereof. The "Premises" are a portion of the Property and are approximately 10,000 square feet, and are shown in detail on Exhibit "B" attached hereto and made a part hereof. LESSEE shall survey the Premises. Upon completion, the survey shall replace Exhibit "B" in its entirety.

2. INITIAL TERM. This Agreement shall be effective as of the date of execution by both Parties ("Effective Date"). The initial term of the Agreement shall be for 5 years beginning on the Commencement Date (as hereinafter defined). The "Commencement Date" shall be the first day of the month that LESSEE begins installation of LESSEE's communications equipment. The Parties agree to acknowledge the Commencement Date in writing. Notwithstanding any provision of this Agreement to the contrary, if the Commencement Date has not occurred prior to the second (2nd) anniversary of the Effective Date, then at any time thereafter but prior to the occurrence of the Commencement Date, LESSOR may terminate this Agreement by giving written notice to LESSEE, in which event this Agreement shall terminate, without further notice, effective as of the date that is one (1) year after LESSOR gives such notice to LESSEE, provided, however, that if the Commencement Date occurs within such one (1) year period, then this Agreement shall not terminate but shall continue in full force and effect. Upon any termination of this Agreement under this Paragraph 2, neither Party shall have any further rights or obligations under this Agreement, except those obligations which expressly survive termination of this Agreement.

3. EXTENSIONS. This Agreement shall automatically be extended for 4 additional 5 year terms unless LESSEE terminates it at the end of the then current term by giving LESSOR written notice of the intent to terminate at least 3 months prior to the end of the then current term. The initial term and all extensions shall be collectively referred to herein as the "Term".

4. RENTAL.

(a) Rental payments shall begin on the Commencement Date and be due at a total annual rental of \$9,600.00, to be paid annually on or before the annual anniversary of the Commencement Date, and beginning with the Commencement Date, to LESSOR at 101 North Main, Newcastle, Oklahoma 73065 or to such other person, firm, or place as LESSOR may, from

time to time, in writing at least 30 days in advance of any rental payment date by notice given in accordance with Paragraph 20 below. LESSOR and LESSEE acknowledge and agree that the initial rental payment may not be delivered by LESSEE until at least 90 days after receipt of the written acknowledgment confirming the Commencement Date. Upon agreement of the Parties, LESSEE may pay rent by electronic funds transfer and, in such event, LESSOR agrees to provide to LESSEE bank routing information for such purpose upon request of LESSEE.

(b) For any party to whom rental payments are to be made, LESSOR or any successor in interest of LESSOR hereby agrees to provide to LESSEE (i) a completed, current version of Internal Revenue Service Form W-9, or equivalent; (ii) complete and fully executed state and local withholding forms if required; and (iii) other documentation to verify LESSOR's or such other party's right to receive rental as is reasonably requested by LESSEE. Rental shall accrue in accordance with this Agreement, but LESSEE may not deliver rental payments for up to 90 days after the requested documentation has been received by LESSEE.

(c) As additional consideration for this Agreement, LESSEE shall pay LESSOR a one-time, non-refundable, lump-sum signing bonus of \$500.00, which shall be considered additional rent for the Premises for the period from the Effective Date until the Commencement Date. The signing bonus shall be paid by LESSEE to LESSOR within 90 days of the Effective Date. LESSOR agrees the payment to be made by LESSEE under this Paragraph 4(c) is fair and adequate payment in exchange for LESSEE intentionally delaying installation of LESSEE's communications equipment, and LESSOR recognizes that Paragraph 2 of this Agreement governs the Commencement Date. This Paragraph 4(c) does not impact whether or not LESSEE chooses to install LESSEE's communications equipment and commence the Term.

(d) The annual rental for each five (5) year extension term shall be increased by 10% of the annual rental paid for the immediately preceding five (5) year term.

5. ACCESS. LESSEE shall have the non-exclusive right of ingress and egress from a public right-of-way, 7 days a week, 24 hours a day, over the Property to and from the Premises for the purpose of installation, operation and maintenance of LESSEE's communications equipment over or along a 30 foot wide right-of-way, or along one or more additional rights of way from the Property (the "Easement(s)"), which shall be depicted on Exhibit "B". LESSEE may use the Easement(s) for the installation, operation and maintenance of wires, cables, conduits and pipes for all necessary electrical, telephone, fiber and other similar support services. In the event it is necessary, LESSOR agrees to grant LESSEE or the provider the right to install such services on, through, over and/or under the Property, provided the location of such services shall be reasonably approved by LESSOR.

6. CONDITION OF PROPERTY. LESSOR represents and warrants to LESSEE that, to the best of LESSOR's knowledge, as of the Effective Date, the Premises is (a) in compliance with all Laws; and (b) in compliance with all EH&S Laws (as defined in Paragraph 24).

7. IMPROVEMENTS. The communications equipment including, without limitation, the tower structure, antennas, conduits, fencing and other screening, and other improvements shall be at LESSEE's expense and installation shall be at the discretion and option of LESSEE. LESSEE shall have the right to replace, repair, add or otherwise modify its communications equipment, tower structure, antennas, conduits, fencing and other screening, or other improvements or any portion thereof and the

frequencies over which the communications equipment operates, whether or not any of the communications equipment, antennas, conduits or other improvements are listed on any exhibit.

8. GOVERNMENT APPROVALS. LESSEE's Use is contingent upon LESSEE obtaining all of the certificates, permits and other approvals (collectively the "Government Approvals") that may be required by any Federal, State or Local authorities (collectively, the "Government Entities") as well as a satisfactory soil boring test, environmental studies, or any other due diligence LESSEE chooses that will permit LESSEE's Use. LESSOR shall cooperate with LESSEE in its effort to obtain such approvals and shall take no action which would adversely affect the status of the Property with respect to LESSEE's Use.

9. TERMINATION. LESSEE may, unless otherwise stated, immediately terminate this Agreement upon written notice to LESSOR in the event that (i) any applications for such Government Approvals should be finally rejected; (ii) any Government Approval issued to LESSEE is canceled, expires, lapses or is otherwise withdrawn or terminated by any Government Entity; (iii) LESSEE determines that such Government Approvals may not be obtained in a timely manner; (iv) LESSEE determines any structural analysis is unsatisfactory; (v) with 3 months prior notice to LESSOR, upon the annual anniversary of the Commencement Date; or (vi) at any time before the Commencement Date for any reason or no reason in LESSEE's sole discretion.

10. INDEMNIFICATION. Subject to Paragraph 11, LESSEE and/or any successor and/or assignees thereof, shall indemnify and hold harmless the LESSOR, and/or any successors and/or assignees thereof, against (i) any and all claims of liability or loss from personal injury or property damage resulting from or arising out of the negligence or willful misconduct of the LESSOR, its employees, contractors or agents, except to the extent such claims or damages may be due to or caused by the negligence or willful misconduct of the LESSEE, or its employees, contractors or agents, and (ii) reasonable attorney's fees, expense, and defense costs incurred by the indemnified Party. Where a claim is the result of the concurrent acts of the Parties, each Party shall be liable under this Paragraph 10 to the extent of its fault or liability therefor. The LESSOR will provide the LESSEE with prompt, written notice of any claim that is subject to the indemnification obligations in Paragraph 10. The indemnified Party will cooperate appropriately with the LESSEE in connection with the indemnifying Party's defense of such claim. The LESSEE shall defend the LESSOR, at the LESSOR's request, against any claim with counsel reasonably satisfactory to the LESSOR. The LESSEE shall not settle or compromise any such claim or consent to the entry of any judgment without the prior written consent of the LESSOR and without an unconditional release of all claims by each claimant or plaintiff in favor of the LESSOR. All indemnification obligations shall survive the termination or expiration of this Agreement.

11. INSURANCE. The LESSEE agrees that, at its own cost and expense, LESSEE will maintain commercial general liability insurance with limits of \$2,000,000 for bodily injury (including death) and property damage each occurrence. LESSEE agrees to include the LESSOR as an additional insured as their respective interests may appear under this Agreement.

The LESSOR agrees that, at its own cost and expense, LESSOR will maintain commercial general liability insurance with limits of \$1,000,000 for bodily injury (including death) and property damage each occurrence, subject to the Governmental Tort Claims Act. LESSOR agrees to include the LESSEE as an additional insured as their respective interests may appear under this Agreement.

12. LIMITATION OF LIABILITY. Except for indemnification pursuant to Paragraphs 10 and 24, or a violation of law, neither Party shall be liable to the other, or any of their respective agents,

representatives, or employees for any lost revenue, lost profits, diminution in value of business, loss of technology, rights or services, loss of data, or interruption or loss of use of service, incidental, punitive, indirect, special, trebled, enhanced or consequential damages, even if advised of the possibility of such damages, whether such damages are claimed for breach of contract, tort (including negligence), strict liability or otherwise, unless applicable law forbids a waiver of such damages.

13. INTERFERENCE.

(a) LESSEE agrees that LESSEE will not cause interference that is measurable in accordance with industry standards to LESSOR's equipment. LESSOR agrees that LESSOR and other occupants of the Property will not cause interference that is measurable in accordance with industry standards to the then existing equipment of LESSEE.

(b) Without limiting any other rights or remedies, if interference occurs and continues for a period in excess of 48 hours following notice to the interfering party via telephone to LESSEE'S Network Operations Center (at (800) 621-2622) or to LESSOR (at (405) 387-2890), the interfering party shall or shall require any other user to reduce power or cease operations of the interfering equipment until the interference is cured.

(c) The Parties acknowledge that there will not be an adequate remedy at law for noncompliance with the provisions of this Paragraph and therefore the Parties shall have the right to equitable remedies such as, without limitation, injunctive relief and specific performance.

14. REMOVAL AT END OF TERM. Upon expiration or within 90 days of earlier termination, LESSEE shall remove LESSEE's Communications Equipment (including footings to a depth of two feet) and restore the Premises to its original condition, reasonable wear and tear and casualty damage excepted. LESSOR agrees and acknowledges that the communications equipment shall remain the personal property of LESSEE and LESSEE shall have the right to remove the same at any time during the Term, whether or not said items are considered fixtures and attachments to real property under applicable laws. If such time for removal causes LESSEE to remain on the Premises after termination of the Agreement, LESSEE shall pay rent in accordance with Paragraph 15.

15. HOLDOVER. If LESSEE holds over after the expiration or earlier termination of the Term, then this Agreement shall continue on a month to month basis at the then existing monthly rental rate or the existing monthly pro-rata basis if based upon a longer payment term, until the removal of the communications equipment is completed.

16. Reserved for Future Use

17. RIGHTS UPON SALE. Should LESSOR, at any time during the Term, decide (i) to sell or otherwise transfer all or any part of the Property, or (ii) to grant to a third party by easement or other legal instrument an interest in and to any portion of the Premises, such sale, transfer, or grant of an easement or interest therein shall be under and subject to this Agreement and any such purchaser or transferee shall recognize LESSEE's rights hereunder. In the event that LESSOR completes any such sale, transfer, or grant described in this Paragraph without executing an assignment of the Agreement whereby the third party agrees in writing to assume all obligations of LESSOR under this Agreement, then LESSOR

shall not be released from its obligations to LESSEE under this Agreement, and LESSEE shall have the right to look to LESSOR and the third party for the full performance of the Agreement.

18. LESSOR'S TITLE. LESSOR covenants that LESSEE, on paying the rent and performing the covenants herein, shall peaceably and quietly have, hold and enjoy the Premises. LESSOR represents and warrants to LESSEE as of the Effective Date and covenants during the Term that LESSOR has full authority to enter into and execute this Agreement and that there are no liens, judgments, covenants, easement, restrictions or other impediments of title that will adversely affect LESSEE's Use.

19. ASSIGNMENT. Without any approval or consent of the LESSOR, this Agreement may be sold, assigned or transferred by LESSEE to (i) any entity in which the LESSEE directly or indirectly holds an equity or similar interest; (ii) any entity which directly or indirectly holds an equity or similar interest in LESSEE; or (iii) any entity directly or indirectly under common control with the LESSEE. LESSEE may assign this Agreement to any entity which acquires all or substantially all of LESSEE's assets in the market defined by the FCC in which the Property is located by reason of a merger, acquisition or other business reorganization without approval or consent of LESSOR. As to other parties, this Agreement may not be sold, assigned or transferred without the written consent of the LESSOR, which such consent will not be unreasonably withheld, delayed or conditioned. No change of stock ownership, partnership interest or control of LESSEE or transfer upon partnership or corporate dissolution of either Party shall constitute an assignment hereunder. LESSEE may sublet the Premises in LESSEE's sole discretion.

20. NOTICES. Except for notices permitted via telephone in accordance with Paragraph 13, all notices hereunder must be in writing and shall be deemed validly given if sent by certified mail, return receipt requested or by commercial courier, provided the courier's regular business is delivery service and provided further that it guarantees delivery to the addressee by the end of the next business day following the courier's receipt from the sender, addressed as follows (or any other address that the Party to be notified may have designated to the sender by like notice):

Notice shall be effective upon actual receipt or refusal as shown on the receipt obtained pursuant to the foregoing.

21. SUBORDINATION AND NON-DISTURBANCE. LESSOR shall obtain a Non-Disturbance Agreement (as defined below) from existing mortgagee(s), ground lessors and master lessors, if any, of the Property. At LESSOR's option, this Agreement shall be subordinate to any future master lease, ground lease, mortgage, deed of trust or other security interest (a "Mortgage") by LESSOR which from time to time may encumber all or part of the Property; provided, however, as a condition precedent to LESSEE being required to subordinate its interest in this Agreement to any future Mortgage covering the Property,

LESSOR shall obtain for LESSEE's benefit a non-disturbance and attornment agreement for LESSEE's benefit in the form reasonably satisfactory to LESSEE, and containing the terms described below (the "Non-Disturbance Agreement"), and shall recognize LESSEE's rights under this Agreement. The Non-Disturbance Agreement shall include the encumbering party's ("Lender's") agreement that, if Lender or its successor-in-interest or any purchaser of Lender's or its successor's interest (a "Purchaser") acquires an ownership interest in the Property, Lender or such successor-in-interest or Purchaser will honor all of the terms of the Agreement. Such Non-Disturbance Agreement must be binding on all of Lender's participants in the subject loan (if any) and on all successors and assigns of Lender and/or its participants and on all Purchasers. In return for such Non-Disturbance Agreement, LESSEE will execute an agreement for Lender's benefit in which LESSEE (1) confirms that the Agreement is subordinate to the Mortgage or other real property interest in favor of Lender, (2) agrees to attorn to Lender if Lender becomes the owner of the Property and (3) agrees to accept a cure by Lender of any of LESSOR's defaults, provided such cure is completed within the deadline applicable to LESSOR. In the event LESSOR defaults in the payment and/or other performance of any mortgage or other real property interest encumbering the Property, LESSEE, may, at its sole option and without obligation, cure or correct LESSOR's default and upon doing so, LESSEE shall be subrogated to any and all rights, titles, liens and equities of the holders of such mortgage or other real property interest and LESSEE shall be entitled to deduct and setoff against all rents that may otherwise become due under this Agreement the sums paid by LESSEE to cure or correct such defaults.

22. DEFAULT. It is a "Default" if (i) either Party fails to comply with this Agreement and does not remedy the failure within 30 days after written notice by the other Party or, if the failure cannot reasonably be remedied in such time, if the failing Party does not commence a remedy within the allotted 30 days and diligently pursue the cure to completion within 90 days after the initial written notice, or (ii) LESSOR fails to comply with this Agreement and the failure interferes with LESSEE's Use and LESSOR does not remedy the failure within 5 days after written notice from LESSEE or, if the failure cannot reasonably be remedied in such time, if LESSOR does not commence a remedy within the allotted 5 days and diligently pursue the cure to completion within 15 days after the initial written notice. The cure periods set forth in this Paragraph 22 do not extend the period of time in which either Party has to cure interference pursuant to Paragraph 13 of this Agreement.

23. REMEDIES. In the event of a Default, without limiting the non-defaulting Party in the exercise of any right or remedy which the non-defaulting Party may have by reason of such default, the non-defaulting Party may terminate this Agreement and/or pursue any remedy now or hereafter available to the non-defaulting Party under the Laws or judicial decisions of the state in which the Property is located. Further, upon a Default, the non-defaulting Party may at its option (but without obligation to do so), perform the defaulting Party's duty or obligation. The costs and expenses of any such performance by the non-defaulting Party shall be due and payable by the defaulting Party upon invoice therefor. If LESSEE undertakes any such performance on LESSOR's behalf and LESSOR does not pay LESSEE the full amount within 30 days of its receipt of an invoice setting forth the amount due, LESSEE may offset the full amount due against all fees due and owing to LESSOR under this Agreement until the full amount is fully reimbursed to LESSEE.

24. ENVIRONMENTAL. LESSEE shall conduct its business in compliance with all applicable laws governing the protection of the environment or employee health and safety ("EH&S Laws"). LESSEE shall indemnify and hold harmless the LESSOR from claims to the extent resulting from LESSEE's violation of any applicable EH&S Laws or to the extent that LESSEE causes a release of any regulated substance to

the environment. The Parties recognize that LESSEE is only leasing a small portion of the Property and that LESSEE shall not be responsible for any environmental condition or issue except to the extent resulting from LESSEE's specific activities and responsibilities. In the event that LESSEE encounters any hazardous substances that do not result from its activities, LESSEE may relocate its facilities to avoid such hazardous substances to a mutually agreeable location or, if LESSEE desires to remove at its own cost all or some the hazardous substances or materials (such as soil) containing those hazardous substances, LESSOR agrees to sign any necessary waste manifest associated with the removal, transportation and/or disposal of such substances.

25. CASUALTY. If a fire or other casualty damages the Property or the Premises and prevents LESSEE's Use, rent shall abate until LESSEE'S Use is restored. If LESSEE's Use is not restored within 45 days, LESSEE may terminate this Agreement.

26. CONDEMNATION. If a condemnation of any portion of the Property or Premises impairs LESSEE's Use, LESSEE may terminate this Agreement. LESSEE may on its own behalf make a claim in any condemnation proceeding involving the Premises for losses related to LESSEE's communications equipment, relocation costs and, specifically excluding loss of LESSEE's leasehold interest, any other damages LESSEE may incur as a result of any such condemnation.

27. APPLICABLE LAWS. During the Term, LESSOR shall, in respect to its use of the Property, comply with all applicable laws, EH&S Laws, rules, regulations, ordinances, directives, covenants, easements, consent decrees, zoning and land use regulations, and restrictions of record, permits, building codes, and the requirements of any applicable fire insurance underwriter or rating bureau, now in effect or which may hereafter come into effect (including, without limitation, the Americans with Disabilities Act and laws regulating hazardous substances) (collectively "Laws"). LESSEE shall, in respect to the condition of the Premises and at LESSEE's sole cost and expense, comply with (i) all Laws relating solely to LESSEE's specific and unique nature of use of the Premises; and (ii) all building codes requiring modifications to the Premises due to the improvements being made by LESSEE in the Premises.

28. TAXES.

(a). LESSOR shall invoice and LESSEE shall pay any applicable transaction tax (including sales, use, gross receipts, or excise tax) imposed on the LESSEE and required to be collected by the LESSOR based on any service, rental space, or equipment provided by the LESSOR to the LESSEE. LESSEE shall pay all personal property taxes, fees, assessments, or other taxes and charges imposed by any Government Entity that are imposed on the LESSEE and required to be paid by the LESSEE that are directly attributable to the LESSEE's equipment or LESSEE's use and occupancy of the Premises. Payment shall be made by LESSEE within 60 days after presentation of a receipted bill and/or assessment notice which is the basis for such taxes or charges. LESSOR shall pay all ad valorem, personal property, real estate, sales and use taxes, fees, assessments or other taxes or charges that are attributable to LESSOR's Property or any portion thereof imposed by any Government Entity.

(b). LESSEE shall have the right, at its sole option and at its sole cost and expense, to appeal, challenge or seek modification of any tax assessment or billing for which LESSEE is wholly or partly responsible for payment. In the event that as a result of any appeal or challenge by LESSEE, there is a reduction, credit or repayment received by the LESSOR for any taxes previously

paid by LESSEE, LESSOR agrees to promptly reimburse to LESSEE the amount of said reduction, credit or repayment.

29. Reserved for Future Use.

30. Reserved for Future Use

31. MISCELLANEOUS. This Agreement contains all agreements, promises and understandings between the LESSOR and the LESSEE regarding this transaction, and no oral agreement, promises or understandings shall be binding upon either the LESSOR or the LESSEE in any dispute, controversy or proceeding. This Agreement may not be amended or varied except in a writing signed by all Parties. This Agreement shall extend to and bind the heirs, personal representatives, successors and assigns hereto. The failure of either party to insist upon strict performance of any of the terms or conditions of this Agreement or to exercise any of its rights hereunder shall not waive such rights and such party shall have the right to enforce such rights at any time. The performance of this Agreement shall be governed, interpreted, construed and regulated by the laws of the state in which the Premises is located without reference to its choice of law rules. Except as expressly set forth in this Agreement, nothing in this Agreement shall grant, suggest or imply any authority for one Party to use the name, trademarks, service marks or trade names of the other for any purpose whatsoever. LESSOR agrees to execute a Memorandum of this Agreement, which LESSEE may record with the appropriate recording officer. The provisions of the Agreement relating to indemnification from one Party to the other Party shall survive any termination or expiration of this Agreement. LESSOR and LESSEE each warrant to the other that the person executing this Agreement on behalf of the warranting Party has the full right, power and authority to enter into, and execute, this Agreement on that Party's behalf, and that no consent from any other person or entity is necessary as a condition precedent to the legal effect of this Agreement.

Re: High School Stadium Turf Replacement

The following are bullet points regarding the turf project:

- Our current turf will be entering its 12th season this fall and is experiencing significant degradation.
- The base and the turf were installed by ATG. The base should still be in good shape.
- ATG has tentatively scheduled our turf replacement starting Monday April 25th. They can do this because of the April start date and not waiting until summer.
- The turf will be functionally complete, if not totally complete, before HS Graduation on May 26th.
- We are purchasing a 2 year Warranty Extension for a total warranty of 10 years.
- The turf will GMAX test in the low 100's upon completion.
- The warranty includes GMAX testing at or below 145 throughout the duration of the warranty.
- Because of the warranty on the GMAX score, there will not be an additional shock pad installed. A shock pad will add \$119,500, or 27%, to the cost of the project.
- The turf will be striped for soccer using gray lines.
- ATG has provided instructions for protecting the turf during events such as graduation.
- Estimated total cost is \$477,250. This cost includes an estimate for replacing nailer boards which cannot be inspected until the old turf is removed, and includes a \$15,000 contingency.
- The turf will be leased from Government Capital over a period of 10 years with a fixed interest rate of %. The payments will be made from the Building Fund.
- Our bond advisor has inserted language into our Resolution to Enter into a Lease Purchase Agreement (and will structure our Bond Resolution in the same manner) that will give us the flexibility to use bond proceeds to pay off the lease after a successful bond vote. This will allow us to continue using all Building Fund revenue to maintain our facilities.
- We are asking the Board to approve a Resolution enter into the Lease Agreement which will be completed and approved by retained counsel. The Resolution grants the Superintendent authority to execute the lease upon such approval.
