LAND LEASE AGREEMENT

This Land Lease Agreement (the "Agreement") made this ____ day of _____, 20__, between **Independent School District No. 1 of McClain County Oklahoma, a/k/a Newcastle Public Schools**, with its principal offices located at 101 North Main, Newcastle, Oklahoma 73065, hereinafter designated LESSOR and **Cellco Partnership d/b/a Verizon Wireless** with its principal offices at One Verizon Way, Mail Stop 4AW100, Basking Ridge, New Jersey 07920, hereinafter designated LESSEE. LESSOR and LESSEE are at times collectively referred to hereinafter as the "Parties" or individually as the "Party."

WITNESSETH

In consideration of the mutual covenants contained herein and intending to be legally bound hereby, the Parties hereto agree as follows:

1. GRANT. In accordance with this Agreement, LESSOR hereby grants to LESSEE the right to install, maintain and operate communications equipment ("Use") upon the Premises (as hereinafter defined), which are a part of that real property owned, leased or controlled by LESSOR at 398 NE 2nd Street, Newcastle, McClain County, Oklahoma 73065 (the "Property"). The Property is legally described on Exhibit "A" attached hereto and made a part hereof. The "Premises" are a portion of the Property and are approximately 10,000 square feet, and are shown in detail on Exhibit "B" attached hereto and made a part hereof. LESSEE shall survey the Premises. Upon completion, the survey shall replace Exhibit "B" in its entirety.

2. INITIAL TERM. This Agreement shall be effective as of the date of execution by both Parties ("Effective Date"). The initial term of the Agreement shall be for 5 years beginning on the Commencement Date (as hereinafter defined). The "Commencement Date" shall be the first day of the month that LESSEE begins installation of LESSEE's communications equipment. The Parties agree to acknowledge the Commencement Date in writing. Notwithstanding any provision of this Agreement to the contrary, if the Commencement Date has not occurred prior to the second (2nd) anniversary of the Effective Date, then at any time thereafter but prior to the occurrence of the Commencement Date, LESSOR may terminate this Agreement by giving written notice to LESSEE, in which event this Agreement shall terminate, without further notice, effective as of the date that is one (1) year after LESSOR gives such notice to LESSEE, provided, however, that if the Commencement Date occurs within such one (1) year period, then this Agreement shall not terminate but shall continue in full force and effect. Upon any termination of this Agreement under this Paragraph 2, neither Party shall have any further rights or obligations under this Agreement, except those obligations which expressly survive termination of this Agreement.

3. EXTENSIONS. This Agreement shall automatically be extended for 4 additional 5 year terms unless LESSEE terminates it at the end of the then current term by giving LESSOR written notice of the intent to terminate at least 3 months prior to the end of the then current term. The initial term and all extensions shall be collectively referred to herein as the "Term".

4. RENTAL.

(a) Rental payments shall begin on the Commencement Date and be due at a total annual rental of \$9,600.00, to be paid annually on or before the annual anniversary of the Commencement Date, and beginning with the Commencement Date, to LESSOR at 101 North Main, Newcastle, Oklahoma 73065 or to such other person, firm, or place as LESSOR may, from

time to time, designate in writing at least 30 days in advance of any rental payment date by notice given in accordance with Paragraph 20 below. LESSOR and LESSEE acknowledge and agree that the initial rental payment may not be delivered by LESSEE until at least 90 days after receipt of the written acknowledgment confirming the Commencement Date. Upon agreement of the Parties, LESSEE may pay rent by electronic funds transfer and, in such event, LESSOR agrees to provide to LESSEE bank routing information for such purpose upon request of LESSEE.

(b) For any party to whom rental payments are to be made, LESSOR or any successor in interest of LESSOR hereby agrees to provide to LESSEE (i) a completed, current version of Internal Revenue Service Form W-9, or equivalent; (ii) complete and fully executed state and local withholding forms if required; and (iii) other documentation to verify LESSOR's or such other party's right to receive rental as is reasonably requested by LESSEE. Rental shall accrue in accordance with this Agreement, but LESSEE may not deliver rental payments for up to 90 days after the requested documentation has been received by LESSEE.

(c) As additional consideration for this Agreement, LESSEE shall pay LESSOR a one-time, non-refundable, lump-sum signing bonus of \$500.00, which shall be considered additional rent for the Premises for the period from the Effective Date until the Commencement Date. The signing bonus shall be paid by LESSEE to LESSOR within 90 days of the Effective Date. LESSOR agrees the payment to be made by LESSEE under this Paragraph 4(c) is fair and adequate payment in exchange for LESSEE intentionally delaying installation of LESSEE's communications equipment, and LESSOR recognizes that Paragraph 2 of this Agreement governs the Commencement Date. This Paragraph 4(c) does not impact whether or not LESSEE chooses to install LESSEE's communications equipment and commence the Term.

(d) The annual rental for each five (5) year extension term shall be increased by 10% of the annual rental paid for the immediately preceding five (5) year term.

5. ACCESS. LESSEE shall have the non-exclusive right of ingress and egress from a public right-of-way, 7 days a week, 24 hours a day, over the Property to and from the Premises for the purpose of installation, operation and maintenance of LESSEE's communications equipment over or along a 30 foot wide right-of-way, or along one or more additional rights of way from the Property (the "Easement(s)"), which shall be depicted on Exhibit "B". LESSEE may use the Easement(s) for the installation, operation and maintenance of wires, cables, conduits and pipes for all necessary electrical, telephone, fiber and other similar support services. In the event it is necessary, LESSOR agrees to grant LESSEE or the provider the right to install such services on, through, over and/or under the Property, provided the location of such services shall be reasonably approved by LESSOR.

6. CONDITION OF PROPERTY. LESSOR represents and warrants to LESSEE that, to the best of LESSOR's knowledge, as of the Effective Date, the Premises is (a) in compliance with all Laws; and (b) in compliance with all EH&S Laws (as defined in Paragraph 24).

7. IMPROVEMENTS. The communications equipment including, without limitation, the tower structure, antennas, conduits, fencing and other screening, and other improvements shall be at LESSEE's expense and installation shall be at the discretion and option of LESSEE. LESSEE shall have the right to replace, repair, add or otherwise modify its communications equipment, tower structure, antennas, conduits, fencing and other screening, or other improvements or any portion thereof and the

frequencies over which the communications equipment operates, whether or not any of the communications equipment, antennas, conduits or other improvements are listed on any exhibit.

8. GOVERNMENT APPROVALS. LESSEE's Use is contingent upon LESSEE obtaining all of the certificates, permits and other approvals (collectively the "Government Approvals") that may be required by any Federal, State or Local authorities (collectively, the "Government Entities") as well as a satisfactory soil boring test, environmental studies, or any other due diligence LESSEE chooses that will permit LESSEE's Use. LESSOR shall cooperate with LESSEE in its effort to obtain such approvals and shall take no action which would adversely affect the status of the Property with respect to LESSEE's Use.

9. TERMINATION. LESSEE may, unless otherwise stated, immediately terminate this Agreement upon written notice to LESSOR in the event that (i) any applications for such Government Approvals should be finally rejected; (ii) any Government Approval issued to LESSEE is canceled, expires, lapses or is otherwise withdrawn or terminated by any Government Entity; (iii) LESSEE determines that such Government Approvals may not be obtained in a timely manner; (iv) LESSEE determines any structural analysis is unsatisfactory; (v) with 3 months prior notice to LESSOR, upon the annual anniversary of the Commencement Date; or (vi) at any time before the Commencement Date for any reason or no reason in LESSEE's sole discretion.

10. INDEMNIFICATION. Subject to Paragraph 11, LESSEE and/or any successor and/or assignees thereof, shall indemnify and hold harmless the LESSOR, and/or any successors and/or assignees thereof, against (i) any and all claims of liability or loss from personal injury or property damage resulting from or arising out of the negligence or willful misconduct of the LESSOR, its employees, contractors or agents, except to the extent such claims or damages may be due to or caused by the negligence or willful misconduct of the LESSEE, or its employees, contractors or agents, and (ii) reasonable attorney's fees, expense, and defense costs incurred by the indemnified Party. Where a claim is the result of the concurrent acts of the Parties, each Party shall be liable under this Paragraph 10 to the extent of its fault or liability therefor. The LESSOR will provide the LESSEE with prompt, written notice of any claim that is subject to the indemnification obligations in Paragraph 10. The indemnified Party will cooperate appropriately with the LESSEE in connection with the indemnifying Party's defense of such claim. The LESSEE shall defend the LESSOR, at the LESSOR's request, against any claim with counsel reasonably satisfactory to the LESSOR. The LESSEE shall not settle or compromise any such claim or consent to the entry of any judgment without the prior written consent of the LESSOR and without an unconditional release of all claims by each claimant or plaintiff in favor of the LESSOR. All indemnification obligations shall survive the termination or expiration of this Agreement.

11. INSURANCE. The LESSEE agrees that, at its own cost and expense, LESSEE will maintain commercial general liability insurance with limits of \$2,000,000 for bodily injury (including death) and property damage each occurrence. LESSEE agrees to include the LESSOR as an additional insured as their respective interests may appear under this Agreement.

The LESSOR agrees that, at its own cost and expense, LESSOR will maintain commercial general liability insurance with limits of \$1,000,000 for bodily injury (including death) and property damage each occurrence, subject to the Governmental Tort Claims Act. LESSOR agrees to include the LESSEE as an additional insured as their respective interests may appear under this Agreement.

12. LIMITATION OF LIABILITY. Except for indemnification pursuant to Paragraphs 10 and 24, or a violation of law, neither Party shall be liable to the other, or any of their respective agents,

representatives, or employees for any lost revenue, lost profits, diminution in value of business, loss of technology, rights or services, loss of data, or interruption or loss of use of service, incidental, punitive, indirect, special, trebled, enhanced or consequential damages, even if advised of the possibility of such damages, whether such damages are claimed for breach of contract, tort (including negligence), strict liability or otherwise, unless applicable law forbids a waiver of such damages.

13. INTERFERENCE.

(a) LESSEE agrees that LESSEE will not cause interference that is measurable in accordance with industry standards to LESSOR's equipment. LESSOR agrees that LESSOR and other occupants of the Property will not cause interference that is measurable in accordance with industry standards to the then existing equipment of LESSEE.

(b) Without limiting any other rights or remedies, if interference occurs and continues for a period in excess of 48 hours following notice to the interfering party via telephone to LESSEE'S Network Operations Center (at (800) 621-2622) or to LESSOR (at (405) 387-2890), the interfering party shall or shall require any other user to reduce power or cease operations of the interfering equipment until the interference is cured.

(c) The Parties acknowledge that there will not be an adequate remedy at law for noncompliance with the provisions of this Paragraph and therefore the Parties shall have the right to equitable remedies such as, without limitation, injunctive relief and specific performance.

14. REMOVAL AT END OF TERM. Upon expiration or within 90 days of earlier termination, LESSEE shall remove LESSEE's Communications Equipment (including footings to a depth of two feet) and restore the Premises to its original condition, reasonable wear and tear and casualty damage excepted. LESSOR agrees and acknowledges that the communications equipment shall remain the personal property of LESSEE and LESSEE shall have the right to remove the same at any time during the Term, whether or not said items are considered fixtures and attachments to real property under applicable laws. If such time for removal causes LESSEE to remain on the Premises after termination of the Agreement, LESSEE shall pay rent in accordance with Paragraph 15.

15. HOLDOVER. If LESSEE holds over after the expiration or earlier termination of the Term, then this Agreement shall continue on a month to month basis at the then existing monthly rental rate or the existing monthly pro-rata basis if based upon a longer payment term, until the removal of the communications equipment is completed.

16. Reserved for Future Use

17. RIGHTS UPON SALE. Should LESSOR, at any time during the Term, decide (i) to sell or otherwise transfer all or any part of the Property, or (ii) to grant to a third party by easement or other legal instrument an interest in and to any portion of the Premises, such sale, transfer, or grant of an easement or interest therein shall be under and subject to this Agreement and any such purchaser or transferee shall recognize LESSEE's rights hereunder. In the event that LESSOR completes any such sale, transfer, or grant described in this Paragraph without executing an assignment of the Agreement whereby the third party agrees in writing to assume all obligations of LESSOR under this Agreement, then LESSOR shall not be released from its obligations to LESSEE under this Agreement, and LESSEE shall have the right to look to LESSOR and the third party for the full performance of the Agreement.

18. LESSOR'S TITLE. LESSOR covenants that LESSEE, on paying the rent and performing the covenants herein, shall peaceably and quietly have, hold and enjoy the Premises. LESSOR represents and warrants to LESSEE as of the Effective Date and covenants during the Term that LESSOR has full authority to enter into and execute this Agreement and that there are no liens, judgments, covenants, easement, restrictions or other impediments of title that will adversely affect LESSEE's Use.

19. ASSIGNMENT. Without any approval or consent of the LESSOR, this Agreement may be sold, assigned or transferred by LESSEE to (i) any entity in which the LESSEE directly or indirectly holds an equity or similar interest; (ii) any entity which directly or indirectly holds an equity or similar interest in LESSEE; or (iii) any entity directly or indirectly under common control with the LESSEE. LESSEE may assign this Agreement to any entity which acquires all or substantially all of LESSEE's assets in the market defined by the FCC in which the Property is located by reason of a merger, acquisition or other business reorganization without approval or consent of LESSOR. As to other parties, this Agreement may not be sold, assigned or transferred without the written consent of the LESSOR, which such consent will not be unreasonably withheld, delayed or conditioned. No change of stock ownership, partnership interest or control of LESSEE or transfer upon partnership or corporate dissolution of either Party shall constitute an assignment hereunder. LESSEE may sublet the Premises in LESSEE's sole discretion. In the event of any assignment, LESSEE shall remain liable for the performance of all terms and conditions of this Agreement, unless otherwise agreed to in writing by the Parties at the time of the assignment including, but not limited to, removal of communication equipment in the event of Assignee's default as detailed in Paragraph 14 of this Agreement.

20. NOTICES. Except for notices permitted via telephone in accordance with Paragraph 13, all notices hereunder must be in writing and shall be deemed validly given if sent by certified mail, return receipt requested or by commercial courier, provided the courier's regular business is delivery service and provided further that it guarantees delivery to the addressee by the end of the next business day following the courier's receipt from the sender, addressed as follows (or any other address that the Party to be notified may have designated to the sender by like notice):

Notice shall be effective upon actual receipt or refusal as shown on the receipt obtained pursuant to the foregoing.

21. SUBORDINATION AND NON-DISTURBANCE. LESSOR shall obtain a Non-Disturbance Agreement (as defined below) from existing mortgagee(s), ground lessors and master lessors, if any, of the Property. At LESSOR's option, this Agreement shall be subordinate to any future master lease, ground lease, mortgage, deed of trust or other security interest (a "Mortgage") by LESSOR which from time to time may encumber all or part of the Property; provided, however, as a condition precedent to LESSEE

being required to subordinate its interest in this Agreement to any future Mortgage covering the Property, LESSOR shall obtain for LESSEE's benefit a non-disturbance and attornment agreement for LESSEE's benefit in the form reasonably satisfactory to LESSEE, and containing the terms described below (the "Non-Disturbance Agreement"), and shall recognize LESSEE's rights under this Agreement. The Non-Disturbance Agreement shall include the encumbering party's ("Lender's") agreement that, if Lender or its successor-in-interest or any purchaser of Lender's or its successor's interest (a "Purchaser") acquires an ownership interest in the Property, Lender or such successor-in-interest or Purchaser will honor all of the terms of the Agreement. Such Non-Disturbance Agreement must be binding on all of Lender's participants in the subject loan (if any) and on all successors and assigns of Lender and/or its participants and on all Purchasers. In return for such Non-Disturbance Agreement, LESSEE will execute an agreement for Lender's benefit in which LESSEE (1) confirms that the Agreement is subordinate to the Mortgage or other real property interest in favor of Lender, (2) agrees to attorn to Lender if Lender becomes the owner of the Property and (3) agrees to accept a cure by Lender of any of LESSOR's defaults, provided such cure is completed within the deadline applicable to LESSOR. In the event LESSOR defaults in the payment and/or other performance of any mortgage or other real property interest encumbering the Property, LESSEE, may, at its sole option and without obligation, cure or correct LESSOR's default and upon doing so, LESSEE shall be subrogated to any and all rights, titles, liens and equities of the holders of such mortgage or other real property interest and LESSEE shall be entitled to deduct and setoff against all rents that may otherwise become due under this Agreement the sums paid by LESSEE to cure or correct such defaults.

22. DEFAULT. It is a "Default" if (i) either Party fails to comply with this Agreement and does not remedy the failure within 30 days after written notice by the other Party or, if the failure cannot reasonably be remedied in such time, if the failing Party does not commence a remedy within the allotted 30 days and diligently pursue the cure to completion within 90 days after the initial written notice, or (ii) LESSOR fails to comply with this Agreement and the failure interferes with LESSEE's Use and LESSOR does not remedy the failure within 5 days after written notice from LESSEE or, if the failure cannot reasonably be remedied in such time, if LESSOR does not commence a remedy within the allotted 5 days and diligently pursue the cure to completion within 15 days after the initial written notice. The cure periods set forth in this Paragraph 22 do not extend the period of time in which either Party has to cure interference pursuant to Paragraph 13 of this Agreement.

23. REMEDIES. In the event of a Default, without limiting the non-defaulting Party in the exercise of any right or remedy which the non-defaulting Party may have by reason of such default, the non-defaulting Party may terminate this Agreement and/or pursue any remedy now or hereafter available to the non-defaulting Party under the Laws or judicial decisions of the state in which the Property is located. Further, upon a Default, the non-defaulting Party may at its option (but without obligation to do so), perform the defaulting Party's duty or obligation. The costs and expenses of any such performance by the non-defaulting Party shall be due and payable by the defaulting Party upon invoice therefor. If LESSEE undertakes any such performance on LESSOR's behalf and LESSOR does not pay LESSEE the full amount within 30 days of its receipt of an invoice setting forth the amount due, LESSEE may offset the full amount due against all fees due and owing to LESSOR under this Agreement until the full amount is fully reimbursed to LESSEE.

24. ENVIRONMENTAL. LESSEE shall conduct its business in compliance with all applicable laws governing the protection of the environment or employee health and safety ("EH&S Laws"). LESSEE shall indemnify and hold harmless the LESSOR from claims to the extent resulting from LESSEE's violation of any applicable EH&S Laws or to the extent that LESSEE causes a release of any regulated substance to

the environment. The Parties recognize that LESSEE is only leasing a small portion of the Property and that LESSEE shall not be responsible for any environmental condition or issue except to the extent resulting from LESSEE's specific activities and responsibilities. In the event that LESSEE encounters any hazardous substances that do not result from its activities, LESSEE may relocate its facilities to avoid such hazardous substances to a mutually agreeable location or, if LESSEE desires to remove at its own cost all or some the hazardous substances or materials (such as soil) containing those hazardous substances, LESSOR agrees to sign any necessary waste manifest associated with the removal, transportation and/or disposal of such substances.

25. CASUALTY. If a fire or other casualty damages the Property or the Premises and prevents LESSEE's Use, rent shall abate until LESSEE'S Use is restored. If LESSEE's Use is not restored within 45 days, LESSEE may terminate this Agreement.

26. CONDEMNATION. If a condemnation of any portion of the Property or Premises impairs LESSEE's Use, LESSEE may terminate this Agreement. LESSEE may on its own behalf make a claim in any condemnation proceeding involving the Premises for losses related to LESSEE's communications equipment, relocation costs and, specifically excluding loss of LESSEE's leasehold interest, any other damages LESSEE may incur as a result of any such condemnation.

27. APPLICABLE LAWS. During the Term, LESSOR shall, in respect to its use of the Property, comply with all applicable laws, EH&S Laws, rules, regulations, ordinances, directives, covenants, easements, consent decrees, zoning and land use regulations, and restrictions of record, permits, building codes, and the requirements of any applicable fire insurance underwriter or rating bureau, now in effect or which may hereafter come into effect (including, without limitation, the Americans with Disabilities Act and laws regulating hazardous substances) (collectively "Laws"). LESSEE shall, in respect to the condition of the Premises and at LESSEE's sole cost and expense, comply with (i) all Laws relating solely to LESSEE's specific and unique nature of use of the Premises; and (ii) all building codes requiring modifications to the Premises due to the improvements being made by LESSEE in the Premises.

28. TAXES.

(a). LESSOR shall invoice and LESSEE shall pay any applicable transaction tax (including sales, use, gross receipts, or excise tax) imposed on the LESSEE and required to be collected by the LESSOR based on any service, rental space, or equipment provided by the LESSOR to the LESSEE. LESSEE shall pay all personal property taxes, fees, assessments, or other taxes and charges imposed by any Government Entity that are imposed on the LESSEE and required to be paid by the LESSEE that are directly attributable to the LESSEE's equipment or LESSEE's use and occupancy of the Premises. Payment shall be made by LESSEE within 60 days after presentation of a receipted bill and/or assessment notice which is the basis for such taxes or charges. LESSOR shall pay all ad valorem, personal property, real estate, sales and use taxes, fees, assessments or other taxes or charges that are attributable to LESSOR's Property or any portion thereof imposed by any Government Entity.

(b). LESSEE shall have the right, at its sole option and at its sole cost and expense, to appeal, challenge or seek modification of any tax assessment or billing for which LESSEE is wholly or partly responsible for payment. In the event that as a result of any appeal or challenge by LESSEE, there is a reduction, credit or repayment received by the LESSOR for any taxes previously

paid by LESSEE, LESSOR agrees to promptly reimburse to LESSEE the amount of said reduction, credit or repayment.

29. Reserved for Future Use.

30. Reserved for Future Use

31. MISCELLANEOUS. This Agreement contains all agreements, promises and understandings between the LESSOR and the LESSEE regarding this transaction, and no oral agreement, promises or understandings shall be binding upon either the LESSOR or the LESSEE in any dispute, controversy or proceeding. This Agreement may not be amended or varied except in a writing signed by all Parties. This Agreement shall extend to and bind the heirs, personal representatives, successors and assigns hereto. The failure of either party to insist upon strict performance of any of the terms or conditions of this Agreement or to exercise any of its rights hereunder shall not waive such rights and such party shall have the right to enforce such rights at any time. The performance of this Agreement shall be governed, interpreted, construed and regulated by the laws of the state in which the Premises is located without reference to its choice of law rules. Except as expressly set forth in this Agreement, nothing in this Agreement shall grant, suggest or imply any authority for one Party to use the name, trademarks, service marks or trade names of the other for any purpose whatsoever. LESSOR agrees to execute a Memorandum of this Agreement, which LESSEE may record with the appropriate recording officer. The provisions of the Agreement relating to indemnification from one Party to the other Party shall survive any termination or expiration of this Agreement. LESSOR and LESSEE each warrant to the other that the person executing this Agreement on behalf of the warranting Party has the full right, power and authority to enter into, and execute, this Agreement on that Party's behalf, and that no consent from any other person or entity is necessary as a condition precedent to the legal effect of this Agreement.

CERTIFIED PUBLIC ACCOUNTANTS

April 5, 2022

Newcastle Public School
101 N Main
Newcastle, OK 73065

We are pleased to confirm our understanding of the services we are to provide **Newcastle Public School** for the year ended June 30, 2022.

Audit Scope and Objectives

We will audit the combined fund type and account group financial statements-regulatory basis, including the disclosures and including budget and actual, of **Newcastle Public School** as of and for the year ended June 30, 2022, which collectively comprise the school's financial statements using Oklahoma State Department of Education audit guide format #3. Accounting standards generally accepted in the United States of America (GAAP) provide for certain required supplementary information (RSI) to supplement the school's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. However, because the school's financial statements are presented in a regulatory format, no RSI is presented.

We have also been engaged to report on supplementary information other than RSI that accompanies **Newcastle Public School's** financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America (GAAS), and we will provide an opinion on it in relation to the financial statements as a whole.

- Schedule of Expenditures of Federal Awards
- Combining Financial Statements
- School's Corrective Action Plan (if required)

In addition, we will compile the following additional information that will not be subjected to the auditing procedures applied in our audit of the financial statements:

- Estimate of Needs

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinions about whether your combined fund type and account group financial statements, including budget and actual, are fairly presented, in all material respects, in conformity with the regulatory basis of accounting prescribed or permitted by the Oklahoma State Department of Education (using audit guide format #3), and report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements taken as a whole. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would

influence the judgement of a reasonable user made based on the financial statements. The objective also includes reporting on:

- Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.

If federal expenditures exceed \$750,000, the objective will also include reporting on:

- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

Auditor's Responsibilities for the Audit of the Financial Statements and Single Audit (if required)

We will conduct our audit in accordance with GAAS; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and will include tests of the accounting records and other procedures we consider necessary to enable us to express such opinions. As part of an audit in accordance with GAAS and *Government Auditing Standards*, we exercise professional judgement and maintain professional skepticism throughout the audit. In addition, if federal expenditures exceed \$750,000, our audit will also be conducted in accordance with the Single Audit Act Amendments of 1996; and the provisions of the Uniform Guidance, and will include tests of the accounting records, a determination of major program(s) in accordance with Uniform Guidance, and other procedures we consider necessary to enable us to express such opinions.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluating the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government. Because the determination of waste and abuse is subjective, *Governmental Auditing Standards* do not expect auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

Because of the inherent limitation of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements or noncompliance may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or on major programs (if required). However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. If federal expenditures exceed \$750,000, we will include such matters in the reports required for a Single Audit. Our responsibility as auditors, is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

In connection with this engagement, we may communicate with you or others via email transmission. As emails can be intercepted and read, disclosed, or otherwise used or communicated by an unintended third party, or may not be delivered to each of the parties to whom they are directed and only to such parties, we

cannot guarantee or warrant that emails from us will be properly delivered and read only by the addressee. Therefore, we specifically disclaim and waive any liability or responsibility whatsoever for interception or unintentional disclosure of emails transmitted by us in connection with the performance of this engagement. In that regard, you agree that we shall have no liability for any loss or damage to any person or entity resulting from the use of email transmissions, including any consequential, incidental, direct, indirect, or special damages, such as loss of revenues or anticipated profits, or disclosure or communication of confidential or proprietary information.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the government's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We may also request written representations from your attorneys (if any), as part of the engagement, and they may bill you for responding to this inquiry.

We have identified the following significant risk of material misstatement as part of our audit planning: management override of controls.

We may from time to time, and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers, but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

Our audit of the financial statements does not relieve you of your responsibilities.

Audit Procedures – Internal Control

We will obtain an understanding of the government and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinions. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

If federal expenditures exceed \$750,000, as required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and the Uniform Guidance (if required).

Audit Procedures – Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the **Newcastle Public School's** compliance with provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance, and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

If federal expenditures exceed \$750,000, the Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal statutes, regulations, and the terms and conditions of federal awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the school's major programs. For federal programs that are included in the Compliance Supplement, our compliance and internal control procedures will relate to the compliance requirements that the Compliance Supplement identifies as being subject to audit. The purpose of these procedures will be to express an opinion on the school's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

Other Services

We will also assist in preparing the financial statements, schedule of expenditures of federal awards, and related notes of **Newcastle Public School** in conformity with the regulatory basis of accounting prescribed or permitted by the Oklahoma State Department of Education (using audit guide format #3) and (if required) the Uniform Guidance based on information provided by you. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statements, schedule of expenditures of federal awards, and related notes services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

You agree to assume all management responsibilities for the financial statements, schedule of expenditures of federal awards, and related notes, and any other nonaudit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements, schedule of expenditures of federal awards, and related notes and that you have reviewed and approved the financial statements, schedule of expenditures of federal awards, and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

Responsibilities of Management for the Financial Statements and Single Audit (if required)

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for (1) designing, implementing, establishing, and maintaining effective internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including internal controls over federal awards, and for evaluating and monitoring ongoing activities, to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements; and (4) ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles; for the preparation and fair

presentation of the financial statements, schedule of expenditures of federal awards, and all accompanying information in conformity with the regulatory basis of accounting prescribed or permitted by the Oklahoma Department of Education (using audit guide format #3) and for compliance with the applicable laws and regulations (including federal statutes), rules, and provision of contracts and grant agreements (including award agreements). Your responsibilities also include identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.

You are responsible for including all informative disclosures that are appropriate for the regulatory basis of accounting. Those disclosures will include (1) a description of the regulatory basis of accounting, including a summary of significant accounting policies, and how the regulatory basis of accounting differs from GAAP, (2) informative disclosures similar to those required by GAAP, and (3) additional disclosures beyond those specifically required that may be necessary for the financial statements to achieve fair presentation.

You are responsible for making drafts of financial statements, schedule of expenditures of federal awards, all financial records, and related information available to us and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) access to personnel, accounts, books, records, supporting documentation, and other information as needed to perform an audit under the Uniform Guidance, (if required); (3) additional information that we may request for the purpose of the audit; and (4) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence. At the conclusion of our audit, we will require certain written representations from you about the financial statements; schedule of expenditures of federal awards; federal award programs; compliance with laws, regulations, contracts, and grant agreements; and related matters.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements of each opinion unit taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the government complies with applicable laws, regulations, contracts, agreements, and grants. You are also responsible for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements that we report. Additionally, if federal expenditures exceed \$750,000 as required by the Uniform Guidance, it is management's responsibility to evaluate and monitor noncompliance with federal statutes, regulations, and the terms and conditions of federal awards; take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings; promptly follow up and take corrective action on reported audit findings; and prepare a summary schedule of prior audit findings and a separate corrective action plan. The summary schedule of prior audit findings should be available for our review on our first day of field work.

You are responsible for identifying all federal awards received and understanding and complying with the compliance requirements and for the preparation of the schedule of expenditures of federal awards (including notes and noncash assistance received, and COVID-19-related concepts, such as lost revenues, if applicable) in conformity with the Uniform Guidance. You agree to include our report on the schedule of

expenditures of federal awards in any document that contains and indicates that we have reported on, the schedule of expenditures of federal awards. You also agree to include the audited financial statements with any presentation of the schedule of expenditures of federal awards that includes our report thereon OR make the audited financial statements readily available to intended users of the schedule of expenditures of federal awards no later than the date the schedule of expenditures of federal awards is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the schedule of expenditures of federal awards in accordance with the Uniform Guidance; (2) you believe the schedule of expenditures of federal awards, including its form and content, is stated fairly in accordance with the Uniform Guidance; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedule of expenditures of federal awards.

You are responsible for the preparation of the other supplementary information, which we have been engaged to report on, in conformity with the regulatory basis of accounting. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon OR make the audited financial statements readily available to users of the supplementary information no later than the date the supplementary information is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with the regulatory basis of accounting; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with the regulatory basis of accounting; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Scope and Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions, for the report, and for the timing and format for providing that information.

Engagement Administration, Fees, and Other

We understand that your employees will prepare all cash or other confirmations we request and will locate any invoices or other documentation selected by us for testing.

If federal expenditures exceed \$750,000, upon the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form that summarizes our audit findings. We will provide an original of our reports to the school; however, it is management's responsibility to electronically submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditors' reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse. We will coordinate with you the electronic submission and certification. The Data Collection Form and the reporting package must be submitted within the earlier of 30 days after receipt of the auditor's reports or nine months after the end of the audit period, unless a longer period is agreed to in advance by the cognizant or oversight agency for audits. At the conclusion of the engagement, we will provide information to management as to where the reporting packages should be submitted and the number to submit.

We will provide copies of our reports to **Newcastle Public School** and the Oklahoma State Auditor and Inspector; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of Angel, Johnston & Blasingame, P.C. and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to various regulatory agencies or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Angel, Johnston & Blasingame, P.C. personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date or for any additional period requested by various regulatory agencies. If we are aware that a federal awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

Steve Blasingame, Evan Blasingame, or Cameron Johnston will be the engagement partner and they will be responsible for supervising the engagement and signing the reports or authorizing another individual to sign them.

Our fee for the audit and compilation of the Estimate of Needs should not exceed **\$12200**. However, if federal expenditures exceed \$750,000, and thus a single audit is required, there will be an additional **\$6,000** fee. Any additional work outside the scope of the audit will be based on the actual time spent at our standard hourly rates. Our invoices for the fees will be rendered periodically as work progresses and are payable on presentation. If we are able to perform your final board exit conference remotely, we will discount our fee by \$200. These estimates are based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit.

Reporting

We will issue a written report upon completion of our audit, and if a Single Audit is required, then we will issue additional written reports. Our report(s) will be addressed to the governing board of **Newcastle Public School**. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or issue reports, or we may withdraw from this engagement.

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will state that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the school's internal control or on compliance, and (2) the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the school's internal control and compliance. If federal expenditures exceed \$750,000, the Uniform Guidance report on internal control over compliance will state that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

Governmental Auditing Standards require that we provide you with a copy of our most recent external peer review report which are required every three years as well as any subsequent peer review report received during the period of the contract. Our 2020 peer review report can be accessed through our website.

We appreciate the opportunity to be of service to **Newcastle Public School** and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us.

Very truly yours,

Angel, Johnston & Blasingame, P.C.

State of Oklahoma

SECTION 3. That each of said Bonds shall be signed by the manual or facsimile signature of the President of the Board of Education, have the corporate seal of said School District affixed thereto in manual or facsimile form, and be attested by the manual or facsimile signature of the Clerk of the Board of Education; that said officers are hereby authorized and directed to cause said Bonds to be prepared and to execute the same for and on behalf of said Board; have the same registered by the Treasurer of said School District, endorsed by the District Attorney(s) and County Clerk(s) and presented to the Attorney General, *Ex Officio* Bond Commissioner, together with a certified transcript of all proceedings had in connection with their issuance, for his approval and endorsement; that thereafter said Bonds shall be delivered to the purchasers, upon payment of the purchase price thereof, which shall not be less than par and accrued interest. The proceeds derived from the sale of said Bonds shall be placed in a special fund and used solely for the purpose of providing funds for the purposes set out in the Bond in Section 2 hereof. The

School District certifies and covenants that none of the proceeds of the Bonds described herein will be used to pay interest on any lease, lease-purchase contract, lease purchase installments or other obligations, nor will Bond proceeds be used in violation of applicable provisions of the Oklahoma Constitution and Laws.

SECTION 4. Whenever any registered Bond or Bonds shall be exchanged for another registered Bond or Bonds of different denomination, the Registrar shall cancel the Bond or Bonds surrendered in such exchange on the face thereof and on the Registration Record. If the supply of registered Bonds for making exchanges shall have been exhausted, the Registrar shall cause additional registered Bonds to be prepared, at the expense of School District. The School District covenants that upon request of the Registrar, its appropriate officers promptly will execute such additional registered Bonds on behalf of the School District.

SECTION 5. The Registrar for all registered Bonds issued pursuant to this Resolution shall be UMB Bank, n.a., which shall maintain a Registration Record for the purpose of registering the name and address of the Registered Holder of each registered Bond. The Registrar will keep the Registration Record open for registrations during its business hours. In the event of a change of Registrar, notice thereof shall be mailed, registered or certified United States Mail, postage prepaid, to the Registered Holder of each registered Bond. The name and address of the Registered Holder as the same appears on the Registration Record shall be conclusive evidence to all persons and for all purposes whatsoever and no person other than the Registered Holder shown on the Registration Record shall be entitled to any right or benefit in relation to the Bond so registered; provided, that the foregoing shall not apply to any successor by operation of law of such Registered Holder. Registered Bonds shall be transferable only upon delivery of such Bonds to the Registrar, duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Registrar, executed by the Registered Holder thereof or his attorney duly authorized in writing, and such transfer registered on the Registration Record. If the Form of Assignment on such Bonds is exhausted, such Registered Bonds delivered to the Registrar for registration of transfer shall be canceled by the Registrar on the face thereof and the Registrar shall authenticate and deliver to the transferee Bonds in aggregate principal amount equal to the unpaid principal of the surrendered Bonds in new registered Bonds, in denominations of \$5,000 or any whole multiple thereof. The Registrar shall not be required to make such transfer after the fifteenth (15) day preceding any interest payment date until after said latter date.

SECTION 6. There is hereby created and established a system of registration for uncertificated registered public obligations with respect to the Bonds as provided in the Registered Public Obligations Act of Oklahoma, Title 62 Oklahoma Statutes, Section 582(13)(b), whereby books shall be maintained on behalf of the School District by the Depository Trust Company, New York, New York, for the purpose of registration of transfer of the uncertificated registered public obligations with respect to the Bonds, which specify the persons entitled to the Bonds and the rights evidenced thereby shall be registered upon such books, and the President and Clerk (or in their absence or incapacity, the Vice President and Deputy Clerk, respectively) are hereby authorized and directed to execute such documents and instruments as may be required to implement the foregoing system of registration.

SECTION 7. That beginning in the year 2023 a continuing annual tax sufficient to pay the interest on said Bonds when due and for the purpose of providing a sinking fund with which to

pay the principal of said Bonds when due shall be and is hereby ordered levied upon all taxable property of said School District, in addition to all other taxes, said sinking fund to be designated "General Obligation Building Bonds, Federally Taxable Series 2022, Sinking Fund." Said tax shall be and is hereby ordered certified, levied, and extended upon the tax rolls and collected by the same officers in the same manner and at the same time as the taxes for general purposes in each of said years are certified, levied, extended and collected; that all funds derived from said tax shall be placed in said sinking fund, which, together with all interest collected on same, shall be irrevocably pledged to the payment of the interest on and principal of said Bonds when and as the same fall due.

SECTION 8. The Preliminary Official Statement dated April 28, 2022 (the "Preliminary Official Statement") outlining the terms, conditions and security for the Bonds, is hereby adopted and approved and the President of the Board of Education is authorized to approve any corrections, additions or deletions thereto for and on behalf of the Board of Education and is further authorized and directed to execute and deliver same for and on behalf of the Board of Education; provided further, that the information contained in said Preliminary Official Statement with respect to the School District is correct in all material respects and such information does not contain any untrue statements of a material fact and does not omit to state a material fact necessary to make the statements made in such Preliminary Official Statement, in light of the circumstances in which they were made, not misleading. The Board of Education hereby deems the Preliminary Official Statement "near final" in accordance with the requirements of Rule 15c2-12 of the Securities and Exchange Commission promulgated pursuant to the Securities and Exchange Act of 1934. The Board of Education authorizes the Underwriter to distribute the Preliminary Official Statement in connection with the sale of the General Obligation Building Bonds, Federally Taxable Series 2022.

SECTION 9. The Board of Education determines and intends to provide, for the benefit of the Bondholders, certain financial information and operating data relating to the School District by not later than ten months following the end of its fiscal year (the "Annual Financial Information"), and to provide notices of the occurrence of certain enumerated events. The Annual Financial Information will be filed by the School District with each Nationally Recognized Municipal Securities Information Repository (NRMSIR). The notices of material events will be filed by the School District with either each NRMSIR or the Municipal Securities Rulemaking Board and each State Repository. The specific nature of the information to be contained in the Annual Financial Information or the notices of material events is included in the Continuing Disclosure Agreement adopted by the Board. These covenants have been made in order to assist the Underwriters in complying with SEC Rule 15c2-12(b)(5). Concurrent with the approval of the Resolution Authorizing Issuance of Bonds, the School District will execute a Continuing Disclosure Agreement detailing its disclosure obligations to Bondholders.

ADOPTED AND APPROVED THIS 10TH DAY OF MAY, 2022.
