**NEWCASTLE PUBLIC SCHOOLS AND
CITY OF NEWCASTLE
INTERLOCAL COOPERATIVE AGREEMENT**

This Agreement is entered into this 11th day of October, 2022 by and between Independent School District No. 1 of McClain County, Oklahoma a/k/a Newcastle Public Schools (“District”) and the City of Newcastle, Oklahoma (“City”), for the development and operation of new sidewalks to connect the existing Veteran’s Park pedestrian trails.

WHEREAS, the City is interested in constructing new sidewalks that will connect to the existing walking trails, the library, and the splash pad in the City’s Veteran’s Park, and will provide various health benefits to the community, including a safe route of travel for school children living in the large housing development on the adjoining land;

WHEREAS, the District has a need to create safe walking/biking paths to the Elementary School and the baseball and softball facilities, as well as for a safe route of travel by its students;

WHEREAS, as part of the development of the sidewalk, the parties have agreed that combining resources and capabilities will be the best approach to developing and maintaining the walking/biking paths to serve the community and the patrons of the District.

WHEREAS, the City and the District desire to mutually commit to the project for many years, to benefit the residents of the City and the District.

WHEREAS, pursuant to the Interlocal Cooperation Act, Title 74 Oklahoma Statutes, Section 1001 through 1008, the express purpose of this Agreement is to provide for the completion of a sidewalk that connects to the baseball/softball complex.

The following terms and conditions shall apply to this Agreement:

Purpose and Authority: City presently owns a 70-acre tract of land

near the Newcastle Public Schools' baseball and softball facilities in the City of Newcastle and the City's currently existing walking/biking trails are in need of connectivity via a sidewalk. District has the need to develop a walking/biking trail connection that can be used by all District schools in a centralized location, that will provide the necessary avenue for gaining easier access to the library, Elementary school, and baseball and softball facilities, as well as providing a safe avenue for students to travel to and from the school. District has the authority, pursuant to 70 O.S. §5-117, to construct such facilities on its own property, but has determined that its best interests and the interests of its students and patrons are best served by jointly developing and operating with the City, the sidewalk. This Agreement will allow both parties to make improvements to the sidewalk pursuant to the Interlocal Cooperation Act, 74 .S. §1001, *et seq.*.

1. Duration: This Agreement shall commence on the date of approval by the Attorney General of the State of Oklahoma. Thereafter, the parties shall have the option of ratifying and renewing this Agreement each fiscal year. If either or both parties does not renew this Agreement, it shall give prior written notice to the other party at least one-hundred and eighty (180) days of any vote not to renew this Agreement. No Agreement or Renewal Agreement shall be effective absent approval by all parties and contingent upon the availability of sufficient funds for each fiscal year. Notwithstanding any provisions to the contrary herein, this Agreement shall be subject to fiscal limitations imposed upon political subdivisions of this State pursuant to Article X, Section 26 of the Oklahoma Constitution. Furthermore, this Agreement shall not in any way bind any party beyond the current fiscal year.

Administration: District and City agree that it is not necessary to create a separate entity to carry out the cooperative functions specified in this Agreement. Rather, District's Board

of Education and the City Council shall each designate its respective representative to oversee the duties and responsibilities set forth in this Agreement. These duties or the duties of their designee shall include, but not be limited to, ensuring that the sidewalk is properly maintained, accounting for costs, overseeing the construction of improvements, and otherwise coordinating the cooperative efforts of the District and City.

Terms: The City is applying for a Transportation Alternatives Grant to assist the City in fulfilling the terms of its agreement with District wherein District has agreed to allow the City to connect the walking path by the baseball/softball complex to the new walking/biking path.

Use/Operation and Maintenance of Trails: Upon completion of development and construction of the sidewalk, the sidewalk will be operated on a day-to-day basis by City. District shall utilize the sidewalk for students walking and biking to and from school and/or other nearby activities. City shall be responsible for all regular maintenance of the sidewalk. At the conclusion of the term, the parties will re-evaluate the operational and maintenance costs derived from the use of the sidewalk. Provided, in accordance with Oklahoma law, District's obligation beyond any fiscal year is contingent upon District and City mutually ratifying this obligation each fiscal year. City may utilize the sidewalk, and related facilities or may authorize others to use the sidewalk, and related facilities as agreed upon by the parties, and provided that such use does not conflict with use of the sidewalk and related facilities by the District.

Improvements on Property: Subject to District's approval, District and/or City shall be authorized to make any improvements to the sidewalk deemed appropriate and necessary. Upon termination of this Agreement, City shall retain ownership of all real property presently owned and any improvements which cannot be removed without permanent damage to the real property or to the improvements. District may remove any improvements which it has constructed or paid

to be constructed if such removal will not permanently damage the real property owned by the City or damage the improvements made by City. In the event one party desires to terminate this Agreement, the parties agree that an independent appraisal will be conducted by a qualified appraiser agreed to by both the City and the District. The party not desiring to terminate this agreement will have the right to purchase the sidewalk from the other at the amount of the appraisal minus the amount of Construction Funds paid by the party not desiring to terminate this Agreement.

Insurance: In addition to other costs to be paid by City and District, City and District shall each be responsible for appropriate liability insurance with respect to each party's use of the sidewalk.

Property: The parties agree that residents of both the District and the City will utilize the sidewalk. Both parties are responsible for ensuring that their respective facilities are available and accessible at each site where services are to be provided.

Applicable Law: This Agreement shall be interpreted and governed by the laws of the State of Oklahoma. Pursuant to the applicable law, this Agreement shall be submitted to the Oklahoma Attorney General for review and approval.

To Whom It May Concern:

Newcastle Public Schools is committed to supporting the City of Newcastle and the comprehensive park and recreation plan for Veteran's Park. This park is a gathering place for our community. Events held at the park, including the Farmers Market, family fun events, and holiday events, are proving to be an integral part of bringing our community together.

Many improvements have been made to the park, and our next goal is to provide safe routes to school for students. The City is proposing construction of walkways to connect the school to walking trails and to the residential neighborhood surrounding the park.

This connectivity to newly constructed pedestrian and bicycle trails will be handicap accessible and will allow children and adults of all ages to walk or run safely throughout the park. The connectivity to our elementary school across the street from the park will allow safe access for students to the library or to their homes in nearby neighborhoods. Safety measures such as lighting, crosswalks, and additional school zone signals are also being proposed.

Connectivity and promotion of a caring community are focus areas for our city and our school district. I feel this project will have a long-lasting positive influence for the citizens of Newcastle and our business community. Improving this park will play an important role in meeting the recreational needs and improving the quality of life of our community.

I fully support this effort to provide improvements at Veteran's Park and the City of Newcastle's efforts to enhance existing park facilities and promote safe routes and ease of access to all our citizens, especially our students.

Thank you for supporting this very worthwhile effort.

Sincerely,

EQUAL OPPORTUNITY EDUCATION SCHOLARSHIP TAX CREDIT

For purposes of the Oklahoma Equal Opportunity Education Scholarship Act (“Act”) Newcastle Public Schools establishes policy regarding donations made to the school district [or any school foundation authorized to accept tax credit donations as established below] which may be eligible for a tax credit.

Pursuant to the Act, contributions made [on or after January 1, 2022] by any taxpayer to Newcastle Public Schools [or eligible school foundation authorized to accept tax credit donations] may be eligible for a tax credit. For any eligible donation during a single year, taxpayers may receive up to a 50% credit of the total amount of contributions, not to exceed One Thousand Dollars (\$1,000.00) for single individuals, Two Thousand Dollars (\$2,000.00) for married individuals filing jointly, or One Hundred Thousand Dollars (\$100,000.00) for any taxpayer which is a legal business entity as provided under the Act.

Taxpayers who make an eligible contribution to Newcastle Public Schools [or eligible school foundation authorized to accept tax credit donations] and make a written commitment to contribute the same amount for an additional year may be eligible for a credit of up to 75%. Any taxpayer making a contribution under this provision is responsible for providing evidence of the written commitment to the Oklahoma Tax Commission at the time of filing the refund claim.

Limitation of Credit

The amount of credit has a statewide cap of Twenty-Five Million Dollars (\$25,000,000.00) and a district wide cap of Two Hundred Thousand Dollars (\$200,000.00) annually. If total credits claimed exceeds either cap, the credit to the taxpayer will be a proportionate share of the cap for the taxable year after allocation of any amount of credits not claimed by other eligible organizations and taxpayers under the Act.

Credits earned but not allowed due to the application of the statewide cap will be considered suspended and authorized to be used in the next immediate tax year and applied to the next year’s statewide cap. Any credits authorized by the Act allowed but not used in any tax year may be carried over, in order, to each of the three (3) years following the year of qualification.

Public School Foundations

To be eligible to accept qualifying donations, any public school foundation for Newcastle Public Schools must be approved by the Newcastle Public Schools’ Board of Education prior to accepting qualifying donations for the taxable year. All such approvals by the board of education are made on an annual basis, and approval must be sought for each taxable year that the school foundation wishes to accept qualifying donations. Only school foundations which are a nonprofit

entity formed pursuant to the laws of this state and exempt from federal income taxation pursuant to either Section 501(c)(3) or Section 509(a) of the Internal Revenue Code of 1986, as amended, may be eligible for approval by the board of education.

For any year in which a public school foundation seeks approval from the Newcastle Public Schools' Board of Education, the foundation must submit to the board evidence of its nonprofit status along with a plan outlining the innovative educational programs for which the foundation will seek donations which are eligible for a tax credit. After approval, the foundation shall make regular reports to the board of education concerning the status of the innovative educational programs including the amounts raised toward the credit.

All approved school foundations must also maintain eligibility under the Act by first receiving approval from the Oklahoma Tax Commission then annually, by September 1 of each year, reporting required information to the Commission and publishing on its website the same eligibility information submitted to the Commission.

Reporting and Annual Notifications

For those contributions toward an innovative educational program that are eligible for credit, Newcastle Public Schools [or any approved school foundation] shall collect identifying information from the taxpayer including their full legal name, their address and sufficient other information which will allow the Oklahoma Tax Commission to accurately determine the identity of each contributor.

By January 10 of the year immediately following each calendar year, Newcastle Public Schools [and any approved school foundation accepting contributions under the Act] shall provide the Oklahoma Tax Commission information on each contribution accepted during the taxable year including the date and amount of each contribution and whether the taxpayer provided a written commitment to contribute the same amount for an additional year.

At least once each taxable year, Newcastle Public Schools [and any approved school foundation] will notify each contributor that Oklahoma law provides for a total, statewide and district cap on the amount of income tax credits allowed annually. Additionally, at least once each taxable year, Newcastle Public Schools [and any approved school foundation] will notify contributors of the percentage of their contribution that may be claimed as a credit as published by the Oklahoma Tax Commission. The notification regarding the percentage of the contribution that may be claimed should be provided to contributors only after the Commission has published the allowed percentage for the applicable tax year but in no case later than April 1.

On or before December 31, 2022, and once every four (4) years thereafter, Newcastle Public Schools [and any eligible school foundation authorized to accept tax credits contributions under

the Act] will submit an audited financial statement along with information detailing the benefits, successes or failures of the innovative educational programs to the Oklahoma Tax Commission, Governor, President Pro Tempore of the Senate and the Speaker of the House of Representatives.
