Section 1. Term of Contract. The Superintendent shall be employed for a period of 2 years beginning on **July 1, 2022** and expiring on **June 30, 2024**. The Board members agree, individually and collectively, to promptly refer all criticisms, complaints, and suggestions called to their attention to the Superintendent for action, study and/or recommendation, as appropriate.

Section 8. Cancellation or Mid-Term Amendment. The Board may cancel or amend this contract during its term for any of the following reasons: (a) the cancellation, termination, revocation, or suspension of the Superintendent's certificate (Nebraska Administrative and Supervisory Certificate, or the Nebraska Professional Administrative and Supervisory Certificate) by the State Board of Education; (b) any of the reasons set forth in this contract; (c) the breach of any of the material provisions of this contract; (d) incompetence; (e) neglect of duty; (f) unprofessional conduct; (g) insubordination; (h) conduct involving moral turpitude; (i) physical or mental incapacity; (j) immorality; (k) conviction of a felony; (l) any conduct that substantially interferes with the Superintendent's continued performance of the Superintendent's duties; (m) any arrest, criminal charge, or criminal conviction of Superintendent or the failure to report the same; (n) any filing against the Superintendent under NEB. REV. STAT. § 43-247 or any other provision of the Nebraska Juvenile Code for child abuse and/or neglect or the failure to report the same; (o) knowingly falsifying District records or documents; (p) misrepresentation of fact to the District and its personnel in the conduct of its official business; (q) the use or possession of illegal drugs or controlled substances except as prescribed by a physician; or (r) being under the influence of illegal drugs, controlled substances, or alcohol while on school grounds, at school events, or in a vehicle owned,

leased or contracted by the District except as prescribed by a physician. The procedures for cancellation or amendment shall be in accordance with state statutes. The parties agree that the Superintendent's failure to comply with the obligations in the Renewal of Contract or Evaluation provisions of this contract shall constitute a material breach of this contract.

Section 9. Disability. If the Superintendent is unable to perform any of the Superintendent's duties by reason of illness, accident or other disability beyond the Superintendent's control, and the disability continues for a period of more than 30 days, or if the disability is permanent, irreparable, or of such a nature as to make performance of the Superintendent's duties impossible, the Board may initiate action to cancel this contract, whereupon the respective rights, duties and obligations of the parties hereunder shall terminate, with the exception of any benefits to be paid to the Superintendent under any insurance coverage furnished by the District.

Section 10. Transportation. The Board shall provide the Superintendent with transportation. If a school vehicle is not available for use, the Board shall reimburse the Superintendent for mileage required in the performance of official duties at the then-current IRS rate.

Section 11. Fringe Benefits. The Board shall provide the Superintendent with the following fringe benefits:

- a. Health Insurance.** The Superintendent will have access to health insurance through the District's health insurance carrier for the employee; employee and children; employee and spouse; or employee, spouse, and children (as applicable).
- b. Dental Insurance.** The Superintendent will be provided family dental insurance that is available to certificated staff through the District's health insurance carrier.
- c. Vision Insurance.** The Superintendent will be provided single vision insurance that is available to certificated staff through the District's health insurance carrier.
- d. Life Insurance.** Term life insurance with a total death benefit of \$50,000.00 with the option to purchase additional coverage.

- e. **Housing.** The Board shall provide the Superintendent with access to a teacherage within the district, and utilities shall be paid by the District. Superintendent's use of the teacherage is conditioned upon the Superintendent's continued employment by the District, and the Superintendent is not subject to the requirements of the Nebraska Uniform Residential Landlord and Lessee Act, NEB. REV. STAT. §§ 76-1401 to 76-1449, as currently in effect and as may be amended during the term of this contract. Should the Superintendent's employment end by action of either the District or the Superintendent for any reason, then the Superintendent's use of the teacherage shall immediately terminate, and the Superintendent shall vacate the teacherage within two (2) days.
- f. **Disability Insurance.** The Superintendent may purchase long-term disability insurance from the District's carrier at the Superintendent's own expense. The board will increase the Superintendent's compensation by an amount equal to the premium for the disability insurance.
- g. **Professional Development.** The Superintendent is expected to continue and seek professional development and to participate in relevant learning experiences. With the approval of the Board, the Superintendent may attend appropriate professional meetings at the local, state, regional and national level, and the Board will pay for valid expenses of attendance.
- h. **Professional Dues.** The District will pay the annual dues for the Superintendent's membership in the following organizations: Nebraska Council of School Administrators (NCSA) and National Indian Education Association.
- i. **Cell Phone.** The Superintendent shall be required to purchase and maintain a cellular phone so that the Superintendent can be reached at all times for work-related emergencies or while away from school grounds during the work day. The District will reimburse the Superintendent up to a maximum of \$100.00 per month for the actual cost of a cellular phone service plan.
- j. **Expense Reimbursement.** The Board shall pay or reimburse the Superintendent for expenses that are

actually, necessarily, and reasonably incurred in attending educational seminars, conventions, and workshops; conferences; training programs; official school functions, hearings or meetings, provided that (1) such payment or expense is authorized by the Local Government Miscellaneous Expenditures Act (NEB. REV. STAT. § 13-2201 *et seq.*) or some other provision of law, and (2) the Superintendent shall secure the prior approval of the Board before incurring any such expense when the anticipated aggregate expense of any single event is \$500.00 or more.

Section 12. No Penalty for Release or Resignation. There shall not be a penalty for the release or resignation of the Superintendent from this contract; provided no resignation shall become effective until the expiration of the contract unless it is accepted by the Board, and the Board shall fix the date at which the resignation shall take effect.

Section 13. Compensation Upon Termination. Upon lawful termination of this contract for any reason, the compensation to be paid hereunder shall be an amount which bears the same ratio to the annual salary specified as the number of months or fraction thereof to the date of such termination bears to the 12 months in the annual salary period in which termination occurs. The Superintendent shall refund any portion of the salary paid but not earned prior to the date of termination of this contract.

Section 14. Evaluation. The Board shall evaluate the Superintendent at least twice during the 2022-23 school year and, if the Superintendent is employed during the 2023-24 school year, at least once during that and all subsequent school years. The Superintendent shall remind the Board members in writing of this obligation; shall make his evaluation an agenda item for two regular board meetings during the contract year; and shall provide the Board with a copy of the written evaluation instrument that is on file with the Nebraska Department of Education.

Section 15. Legal Actions. The Board will support the Superintendent if there is a legal dispute caused by carrying out the Superintendent's duties properly. If a legal action, including a professional practice complaint, is threatened or filed against the Superintendent as a result of the Superintendent's performance of duties or position as the Superintendent of the District, the Board will provide the Superintendent with a legal defense to the maximum extent permitted by law so long as the Superintendent acted in good faith and in a manner which the

Superintendent reasonably believed to be in or not opposed to the best interests of the District and, with respect to any criminal action or proceeding, had no reasonable cause to believe that the Superintendent's conduct was unlawful.

Section 16. Physical or Mental Examination. The Superintendent agrees that, at the request of the Board, the Superintendent will have a comprehensive physical and/or mental examination performed by one or more licensed physicians or psychologists of the Board's choosing during the term of this contract. In deference to the requirements of state and federal law, the physician's report to the Board must address whether the Superintendent is able to perform the "essential functions" of the position.

Section 17. Disciplinary Action. The parties agree that the Board president may place the Superintendent on paid leave by delivering written notice of the same when the Board president determines it is in the best interests of the District to do so. The paid leave shall continue unless and until a majority of the Board determines otherwise at a duly convened meeting. The Board may suspend the Superintendent without pay for a period not to exceed thirty (30) working days. Prior to suspending the Superintendent without pay, the Board president or secretary shall deliver a written notice to the Superintendent advising the Superintendent of the alleged reasons for the proposed action and provide the opportunity to present the Superintendent's version of the facts. Within seven calendar days after receipt of such notice, the Superintendent may make a written request to the secretary of the school board for a due process hearing under section 79-832. If such a request is not delivered within such time, the action of the Board shall become final.

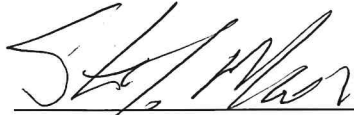

Section 18. Governing Laws. The parties shall be governed by all applicable state and federal laws, rules, and regulations in performance of their respective duties and obligations under this contract.

Section 19. Amendments to be in Writing. This contract may be modified or amended only by a writing duly authorized and executed by the Superintendent and the Board.

Section 20. Severability. If any portion of this contract is declared invalid or unenforceable by a court of competent jurisdiction, such declaration shall not affect the validity or enforcement of the remaining provisions of this contract.

Contract
2023-2024
2024-2025

Between
The
Isanti Community Schools
Board of Education
And
Isanti Education Association

PREAMBLE

This contract is for the 2023-2024 and 2024-2025 school years and was approved on February 15, 2023 by and between the Board of Education of the School District of Isanti Community School in the county of Knox, in the State of Nebraska (hereinafter referred to as the “Board” or “District” as the context may require) and the Isanti Education Association (hereinafter referred to as the “Association”).

GENERAL PURPOSE

The Board and the Association recognize that the development of a quality educational program for the children attending the public school of Isanti is a joint responsibility which can best be achieved by agreement that all parties work toward common goals. The Board and the Association enter into this Contract with mutual dedication, recognizing that the experience, creativity; and judgement of all parties is necessary to reach the educational needs of the community.

ARTICLE I Recognition

The Board recognizes the Association as the exclusive and sole collective bargaining representative for all full-time certificated personnel with no administrative duties employed by the District.

ARTICLE II Teacher Rights

- A. Nothing contained in this Contract shall be construed to deny any teacher those rights provided under Nebraska law or other applicable laws and regulations. Rights granted to teachers herein shall be deemed to be in addition to those provided in law.
- B. The Board will not discriminate against any teacher with respect to terms and conditions of employment by reason of membership in the Association and its affiliates, participation in collective negotiations with the Board, or institution of a grievance under the terms of this Contract.

ARTICLE III

Grievance Procedure

The purpose of this grievance procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise concerning the interpretation, application, or meaning of the terms and conditions of employment in this school district. An underlying principle of the grievance and procedure is to ensure fair and equitable treatment to the district's employees.

A. Definitions

- a. Grievance: Any claim or claims by a teacher, a group of teachers, or the Association that there has been a violation, misinterpretation, or misapplication of all District policies covering terms and condition of employment including, but not limited to, the terms of this Contract and any disciplinary action, non-renewal termination, or cancellation actions taken by way of the provisions of Neb. Rev. Stat. 79-1236 through 79-1239.
- b. Grievant: Teacher, group of teachers, or the Association making the claim as provided in Paragraph I. A.
- c. Time Limits: All time limits herein shall consist of teacher working days except when a grievance is submitted after the end of the school year; the time limits shall consist of all weekdays Monday through Friday. The number of days indicated at each level should be considered maximum and every effort shall be made at all levels to expedite the process. Failure of any grievant to comply with the time limits contained herein shall constitute a waiver of rights to appeal to the next step. Failure of the Board or its representatives to comply with the time limits at any level shall permit the grievant to appeal the grievance to the next level.
- d. Grievance Meetings or Hearing: All meetings and hearings under this procedure up to and including Step 2 shall be conducted in private and shall include only the administration's representatives, the grievant, and the grievant's designated representatives. All parties shall have the right to record the proceedings of any hearing or meeting at all formal levels of the grievance procedure. Hearings before the board shall be closed, at the discretion of the grievant.

B. Association Representation

e. A grievant shall have the right to have Association representatives present to represent the grievant at each level of the grievance procedure. Nothing herein shall be construed as limiting the right of any teacher to discuss their grievance informally with their immediate supervisor and having the grievance adjusted informally. The settlement shall not be inconsistent with the terms of the negotiated Contract.

C. Reprisals

No reprisal of any kind shall be taken against any employee who utilizes this grievance procedure.

D. Withdrawal of a Grievance

An employee may withdraw their grievance at any level of the procedure without fear of reprisal from any party.

E. Advanced Step Filing

The grievance shall be initially filed at the level where the decision resulting in the grievance was made.

F. The Procedure

The parties believe that it is usually most desirable for an employee and their immediate supervisor to resolve problems through free and informal communications. When requested by the teacher, a representative of the Association may assist in this resolution. However, when the grievance remains unresolved then the grievance shall be processed as follows:

STEP 1 The grievant shall present the grievance in writing to the employee's administrator. A hearing shall be held within three (3) days. Within two (2) days of the hearing the administrator shall provide a written answer to the grievance. Provisions shall be made for all parties in the case of unavoidable absences in the normal workdays of the administration or the grievant.

STEP 2 The grievant may appeal the decision in Step 1 within six (6) days of receipt of the answer. The administrator shall arrange for a hearing with grievant within five (5) days of receipt of the appeal. Each party shall have the right to call such witnesses as deemed necessary to develop the facts pertinent to the grievance. The administrator will have four (4) days from the date of the hearing to provide the grievant a written decision. Provisions shall be made for all parties in the case of unavoidable absences in the

normal workdays of the administration or the grievant.

STEP 3 If the grievance is not resolved at Step 2, the grievant may appeal the grievance in writing to the Board president. Within ten (10) days from the date the appeal is received the Board president shall schedule a hearing on the grievance before the Board of Education: the hearing shall be held not later than thirty (30) days from the receipt of the appeal. Each party shall have the right to call such witnesses as it deems necessary to develop facts pertinent to the grievance. The Board will have five (5) day from the date of the hearing to notify, in writing, the grievant of the Board's decision.

STEP 4 If the grievant is not satisfied with the disposition of the grievance at Step 3, or if a written decision has not been rendered within the time provided, the grievant within thirty (30) days of the Board's reply may notify the Board, in writing, of the intent to submit the grievance to binding arbitration. The arbitrator shall be chosen by the parties and shall be a person mutually acceptable to the Board and the grievant. If the Board of Education and the grievant are unable to agree on an arbitrator within ten (10) days after receipt of notice, an arbitrator shall be sought from the American Arbitration Association. The arbitrator shall have no power to alter the terms of any negotiated agreement but shall be empowered to include in any award such financial reimbursements or remedies judged by the arbitrator proper to resolve the grievance. No evidence or positions shall be submitted to the arbitrator by either party which was not previously disclosed to the other party. The cost of the arbitrator shall be equally borne by the Board and the grievant. All other expenses shall be borne by the party incurring the expense. The decision of the arbitrator shall be binding upon both parties.

ARTICLE XIII

Reduction in Force (RIF) Policy

Amendment Attached March 1, 2021

The Board of Education may determine that a reduction in force of certificated staff members is appropriate due to declining enrollment in a grade or grades, changes in financial support, changes in curricular programs, a decline in the taxable value of property located within the school district, increased costs of operating the school district, or another change or changes in circumstances. If the Board, in its sole discretion, determines that a reduction of certificated staff is necessary, the superintendent shall notify those employees whose contracts may be reduced. However, the employment of a permanent employee may not be terminated through a reduction in force while a probationary employee is retained to render a service that the permanent employee is qualified to

perform by reason of certification and endorsement, or when certification is not applicable, by reason of college credits in the teaching area.

1. **Definition of Reduction in Force.** A reduction in force shall consist of a reduction of one or more positions or a reduction in the percentage of employment of one or more certificated staff members, even if the number or percentage of employment of the certificated staff overall may be increased by other hirings or increases in the percentage of employment of other employees. Reduction in force may result in the termination of employment or an amendment to an employee's contract reducing the extent of the employee's employment.

2. **Restriction of Right to Administrative Position.** Due to the confidential and unique personal working relationship necessary between the administration and the Board of Education, a certificated employee who is not currently serving in a predominantly administrative capacity shall have no rights under this policy to any administrative position within the school system.

3. **Criteria for Reduction in Force.** The criteria set forth below shall be considered in selecting the personnel to be reduced. The criteria are not listed in any order of priority and shall be given the weight that the board considers appropriate.
 - a. Programs to be offered.
 - b. Areas of endorsement that are of present or future value to the district. This criterion shall be based upon the endorsement(s) shown on each teacher's Nebraska Teaching Certificate.
 - c. State and federal laws or regulations that may mandate certain employment practices.
 - d. Involvement in the programs and activities sponsored by the school district.
 - e. Special or advanced training consisting of college credit or other training that would be of present or future value to the district.

- f. The organizational and educational effect caused by multiple part-time certificated employees.
- g. Formal and informal evaluation of staff performance by supervising administrators, and if evaluations will be used as a criterion for a given reduction-in-force, the evaluation procedures shall be those adopted by board policy in effect at the time of the reduction and the evaluation forms shall be those on file with the Nebraska Department of Education for the district.
- h. Any other reasons that are rationally related to the instruction in or administration of the school district.

4. Consideration of Uninterrupted Service. If, after consideration of the criteria listed above, it is the opinion of the superintendent that there is no significant difference between or among certificated employees being considered for reduction, the employee(s) with the longest uninterrupted service to the district shall be retained.

- a. Uninterrupted length of service is defined as the number of continuous full-time equivalent years of employment in the district as a teacher.
- b. A full-time equivalent year is defined as employment on a full-time basis for an entire school year.
- c. Less than full-time employment reduces the teacher's full-time equivalent employment for a school year. For example, a teacher employed on a half-time basis would be credited with half a year full-time equivalent employment.
- d. A break in service will terminate a teacher's seniority and length of service under this provision. That period of time when a teacher is on a leave of absence shall not constitute a break in service; however, any years of absences or fractions of years of leave of absence will not count as years of employment for the purposes of determining the length of a teacher's uninterrupted service.

5. Rights of Recall.

- a. Any certificated employee whose contract has been

terminated shall be considered to have been dismissed with honor and shall, upon request, be provided a letter to that effect.

- b. Such employee shall have preferred rights to re-employment for a period of 24 months commencing at the end of the contract year, and the employee shall be recalled on the basis of length of service to the district to any position that he or she is qualified to teach by endorsement or college preparation.
- c. Upon re-employment, a recalled employee shall be placed on the salary schedule and provided fringe benefits based on existing district policies and the current negotiated agreement. Any year or years of absence from employment shall not be considered as a year or years of employment by the district.
- d. An employee under contract to another education institution may waive recall, but such waiver shall not deprive the employee of his or her right to subsequent recall.

6. Current Teaching Certificate.

- a. Upon initial employment with the district, each certificated employee shall file a copy of his or her teaching certificate, including endorsements, with the superintendent of schools.
- b. The employee shall be responsible for filing any changes in certification or endorsements with the superintendent.

7. Address Records.

- a. A certificated employee whose employment contract has been terminated because of a reduction in force shall, during the period which he or she is eligible for recall, be responsible for reporting any change of address to the superintendent of schools.
- b. If there is a vacancy to which a former employee has a right of recall, the district may communicate an offer of re-employment by telephone, by e-mail, or by United States mail sent to the former employee's last known address. If the school district does not receive written acceptance of the offer within seven days, the former employee shall be

deemed to have waived his or her rights to be recalled to the employment position.
