2. OSSBA TO CONDUCT WHOLE BOARD TRAINING

Melonie Hau and Joe Siano from the OSSBA conducted the board training. They spoke with the board regarding them (the board) and the superintendent having a partnership, and working together to build a better team. Other topics talked about were The Board & the Mission, Elements of Trust, District Vision and Goals, Staff Relations, Assessing Teaching and Learning, Student Services, Community Engagement, Budget, and Policies. It was discussed that the school's policies have not been reviewed for many years, so that needs to be done. Melonie suggested having Julie Miller come out because she is good with policies, and can also go over the "Open Meeting Act" with the board. The board agreed it was a good idea to have Julie Miller come so Mr. Thompson will contact her and see what dates she is available and let the board know.
