8. **Discussion Items**

8.1. Second Reading of Board Policy 502.03 - Entrance Admissions

8.2. First Reading of Board Policy 410.09 - SICK LEAVE BANK

The district's Sick Leave Bank was brought to the Personnel Committee's attention during negotiations with certified staff. Winn recently corrected grammatical usage and made the policy clearer to understand. The policy has been reviewed by the Policy Committee and the Personnel Committee and it is now being brought to the Board for approval. A second reading will occur at the April Board Meeting. Copsey asked that the number of Ad Hoc members referenced in section e be clarified. After discussion, it was determined that the wording would be changed to state "Non Voting (Ad Hoc) members at the team's request".

8.3. Drug and Alcohol Testing Policy

Brunner inquired as to the testing of coaches according to the draft policy. Miles explained that the Personnel Committee discussed that topic, along with whether it should include grades 7-9, and whether extra-curricular coaches should be included in the pool. Legal council has advised that, because a coach/sponsor is often the sole individual who supervises, monitors, and ensures that students get where they need to be, it may be considered a safety issue. Miles, as Chairperson of the Personnel Committee, would like to include coaches and sponsors in the policy. The committee would also like to include grades 7-12 in the policy. Gering coaches have already volunteered to be included in the testing pool. The full board supports both the inclusion of grades 7-12 and the inclusion of coaches and sponsors in the testing policy. High School Principal Eldon Hubbard and Activities Director Dave Pauli will submit a revised policy to the Personnel Committee, who will recommend action to the full board. A revised draft is expected to be presented at the April Board Meeting.

8.4. Building Committee Meeting

Doll recapped the Building Committee Meeting, which included a review of change orders, turf options and signage. Doll stated that progress is being made at the site and the district is right where it had forecasted to be at this point. There have been no significant cost overruns. Two tours were offered during the previous weekend and they both went very well.

8.5. Curriculum Committee Meeting

Winn recapped an interventions presentation to the committee by Eldon Hubbard. Curriculum and Assessment Director Terri Martin explained the district's testing procedures to the committee. At the meeting Hubbard also discussed a NeSA prep boot camp and testing dates at the High School.

8.6. Business Committee Meeting

Copsey recapped the Business Committee meeting, which included options for turf at the Lincoln Building. Hillyard Custodial Services will be included on the

April agenda. The purchase of new round cafeteria tables for the Jr. High was discussed and approved.

8.7. Personnel Committee Meeting

Miles recapped the personnel Committee meeting, which where substitute teacher pay was reviewed and analyzed. Minor changes may be made and the procedure for updating the extra duty schedule was discussed. The evaluation schedule procedures and time frame were reviewed. Miles explained that the Board will be looking at a minimum of two Superintendent Search companies in the future.

8.8. Facilities Committee Meeting

Doll stated that the Facilities Committee met at the Freshman Academy in March and received a presentaiton from Kim Busby's 9th grade Geometry Class on the need for new cafeteria tables at the Jr. High. The master facilities plan was reviewed and prioritized. High School projects, including the track and auditorium seating, were specifically discussed. The upcoming surplus sale was also discussed. Miles suggested contacting smaller panhandle districts to see if they could utilize any of the district's surplus items. Haig will also be cleaned out and returned to the owners at that time.

9. **Superintendent's Report**

Hague reminded the board othat he will be attending the GNSA/GNS meeting later this week. Hague will direct Hubbard to rework the proposed drug policy.

10. **Board Comments**

Peters said he enjoyed Mary Winn as the guest speaker at the National Honor Society Induction. Copsey gave congratulations to High School Teacher Broc Brown and the DECA class, who had three students qualify for nationals in Salt Lake City in their first year attending. Winn would like to continue board recognition by providing a certificate to Brown and the DECA group. Winn also mentioned that Gering won the District Speech Competition for first time in over 20 years. Also recognized will be Kim Busby and her 9th grade Geometry class for their cafeteria presentation. Winn stated that she enjoyed the tour of Lincoln Elementary and is amazed at the details and how well thought out the designs are.

8. Discussion Items

Winn mentioned that Scottsbluff has set their graduation date and time as the same as Gering and asked if the calendar was adopted by the board if that date would be flexible, and it would. High School Principal Hubbard will work with Scottsbluff district next year to ensure that the times are staggered even if graduation is held on the same day. Lisa will change the 2012-2013 School Calendar to reflect the time as "TBD". It was pointed out that Gering's date has remained consistent throughout the years and that Scottsbluff has changed their date. Miles requested information about early release days.

8.1. Project Extra Mile Presentation

Lynette Richards, Project Coordinator for Project Extra Mile, extended an invitation to the Board to participate in an American Athletic Institute training session. A brief biography of the presenter was given. This is the 3rd year he has been presenting and this year focuses on policy makers. The training will be offered via distance learning on Tuesday, March 20 from 11:30am to 1:00pm. The training can be received through any distance learning room in the school system. Richards reviewed the agenda and encouraged everyone on the board to participate. Brunner stated that he feels this is a timely topic and Richards confirmed that the presenter would be able to answer questions pertaining to the district's new drug testing procedures. There is no cost to attend the training, as funding is provided through Region I Prevention.

8.2. First Reading of Board Policy 502.03 - Entrance Admissions

Brunner referred to Board Policy 205.02 - Policy Adoption - and declared the adoption of Board Policy 502.03 - Entrance Admissions - be considered emergency under 205.02 as it has a deadline of March 1st. The delay on approval stems from a language change in the fourth paragraph. Policy 502.03 will be included on the March agenda for a second and final reading.

Motion Passed: be approved under emergency policy clause of policy 205.02. Passed with a motion by BJ Peters and a second by Mary Winn.

Mike Brunner	Yes
Brian Copsey	Absent
Alan Doll	Absent
Jody Miles	Yes
BJ Peters	Yes
Mary Winn	Yes

8.3. Building Committee Meeting

Peters recapped two building committee meetings. The first meeting consisted of a morning walkthrough for the committee. Peters stated that he is pleased with the progress at the Lincoln construction site. Peters informed the Board that the 2nd floor classroom side is moving along quickly. The ceiling grid is in place and now the data lines are being pulled. Most of the rock work is completed and the crew is now painting. The windows have been installed and there will be lots of color throughout the facility.

8.3.1. Turf Options

Discussions were held pertaining to the playground area at the new Lincoln Elementary. Peters personally prefers real grass but understands that other options may be considered. Used artificial turf, which may be cost effective, is also being examined. Hague stated that the Building Committee could make the decision or the full board could make the call. Concerns in using real grass include traffic, winter maintenance, sprinklers, daily use and wear, maintenance expenses, etc. Concerns in using turf include a lack of warranty, cost of installation and drainage systems. The district may receive a donation from KENO if they work with turf. Buffalo Grass has been considered but has been deemed unable to stand up to the rigors of daily traffic on the playground area but will be utilized in other aspects of landscaping. Miles questioned Principals Mary Kay Haun from Geil and Pam Barker from Northfield, as one has grass and one has turf. Haun stated that the turf is working well and is easy to maintain. The area is primarily used for soccer, but does serve other purposes for students. Barker stated that the grass is a cost issue. The grass has held up to the traffic but required quite a bit of maintenance during the summer months and weeds are also an issue. Brunner determined that the Board will leave the decision up to the Building Committee, but would like the committee to gather advice from outside sources, as well as previously worked with contractors. Winn suggested utilizing the Panhandle Extension Center. Schlothauer expressed his desire for turf, as it would allow for a cleaner entry into the building from the playground, thus avoiding mud, gravel, etc.

8.4. Curriculum Committee Meeting

Winn stated that the Curriculum Committee met twice in February. On February 2, the committee received presentations from Tyler Thompson and Broc Brown. Thompson's topics included essay information and literature coordination with other classes. Brown presented a summary of the first year of marketing class

and DECA. A clearing house report was given by High School Principal Eldon Hubbard. Data on past Gering classes was also examined. The school calendar for 2012-2013 was reviewed, as was the requested movement of 9 third graders from Geil Elementary. The second meeting was held on February 14th, when Curriculum & Assessment Director Terri Martin provided information on interventions at various levels in preparation for numerous tests this spring. District travel and conference attendance was discussed. After a joint meeting with the Scottsbluff Board of Education, the district learned that Scottsbluff may withdraw from VALTS. Winn stated that the committee has asked Hubbard and Assistant Principal Shawn Seiler to determine alternative programs for Gering.

8.5. Business Committee Meeting

Brunner informed the board that the Business Committee received a visit from a Booster Club representative who shared concerns about the Club attaining their own 501(c)3. District auditors have requested these club funds be separated from district finances. An After School Program Quarterly Report was submitted from Cedar Canyon Principal Betty Smith. District bills and financial reports were reviewed. Also discussed was the purchase of playground equipment, furniture, BenQ's, antivirus software and turf. Lincoln change orders and the 2012-2013 school calendar were also examined.

8.6. Personnel Committee Meeting

Miles stated that the Personnel Committee met on February 8th. Brunner sat in for Peters, who was absent that day. Winn has also joined this committee. Miles explained that legal counsel for the district was in attendance to answer questions regarding changes in teacher negotiations and to provide clarification. The sick leave bank was discussed, which may flow thru the Policy Review Committee. Booster Club accounts were discussed and the district is on schedule with staff evaluations.

9. Superintendent's Report

Hague told the Board that there will be some important meetings next week, including Policy Review, and a joint meeting between the Business Committee and the Scottsbluff Board of Education to determine the future of bussing within both districts.

10. Board Comments

Winn enjoyed the joint meeting with the Scottsbluff Board of Education and found it helpful. Winn was a judge at a speech meet in Alliance and encouraged anyone who is interested to tour their fine arts facility.

Miles co-chaired a Lions Club game and thanked both Gering and Scottsbluff districts for their support.

Peters thanked Martin for her work in bringing a climate survey to district parents, staff and students. The last survey was taken approximately two to three years ago. This instrument will assist in gauging how the district is doing "in their eyes".

Brunner expressed his disappointment that Miles did not re-file for another term on the Board. Brunner encouraged anyone who was interested to serve on the Board of Education to file at the courthouse.

11. Tentative Committee & Meeting Dates

The rolling calendar was reviewed.

OPTION ENROLLMENT RESOLUTION

2012-2013 School Year

Pursuant to Sec. 79-232-79-246 Rule 19, Gering Public School District #16 does hereby adopt the following specific standard for acceptance and rejection.

Gering Public Schools has determined based upon the criteria set forth in Sec. 79-238, and further based upon Board Policy #502.03, ENTRANCE & ADMISSIONS, that the maximum number of students per grade level or program is as follows:

<u>Regular Instruction</u>	<u>Per Classroom</u>	<u>Projected Enrollment</u>	<u>Option Students</u>
Kindergarten	20	160	10
Grade 1	20	178	0
Grade 2	20	178	0
Grade 3	20	137	0
Grade 4	25	162	5
Grade 5	25	165	5
Grade 6	25	168	3
	<u>Per Grade</u>	<u>Projected Enrollment</u>	<u>Option Students</u>
Grade 7	170	153	7
Grade 8	170	157	3
Grade 9	170	153	7
Grade 10	170	169	0
Grade 11	170	156	4
Grade 12	170	125	35
<u>Special Education Optimal Numbers</u>	<u>Per Certified Staff</u>	<u>Projected Enrollment</u>	<u>Option Students</u>
Speech	30	130	0
Occupational Therapy	20	56	0
Physical Therapy	20	16	2
Resource – Levels I & II			
Elementary	15	75	10
Jr. High	15	32	0
High School	15	50	0
Level III – Multicategorical	5	9	0

The Board specifically finds that no additional option students will be accepted due to classroom capacity. The Board directs that previous academic achievement, athletic, or other extracurricular ability, handicap conditions, proficiency in the English language, or previous disciplinary proceedings shall not be considered in determining whether a student be accepted or rejected. Capacity shall be determined by setting a maximum number of option students that a district will accept in any program, class, grade level, or school building, based upon available staff, facilities, projected enrollment of resident students, projected number of students with which the option school district will contract based on existing contractual arrangements, and availability of appropriate special education programs.

ENTRANCE - ADMISSIONS

Children in the school district community will be allowed to enroll in the school district's regular education program beginning at age five. The child must be age five on or prior to July 31st to participate in the school district's kindergarten program

Prior to March 1st, families may request early admission for children whose birthdate falls on or after August 1st and on or before October 15th.

The board shall require evidence of age and residency in the form of a birth certificate or other evidence before the student may enroll in the school district's education program. It shall be within the discretion of the superintendent to determine what is satisfactory evidence for proof of age.

Prior to enrollment, the child's parent/guardian must provide the administration with proof of a physical examination and immunizations as required by law and the respective policies of this district. Failure to provide this information shall be reason for denying admission to the student.

The parent/guardian of any child younger than six years of age prior to January 1st of the current school year who is enrolled may discontinue that enrollment according to procedures provided by the district.

DRUG AND ALCOHOL TESTING POLICY

1. Need for Random Testing.

The Board of Education is responsible for maintaining discipline, health and safety. The Board recognizes that substance abuse presents a continuing challenge and a danger to the student population as a whole. The Board is committed to maintaining school sponsored activity programs in a safe, healthy and secure environment. The Board is further committed to being proactive in ensuring that students who participate in extracurricular activities represent the District in a positive manner.

2. Eligibility for Random Testing.

Students who participate in school sponsored competitive extracurricular activities at the high school (Grades 9-12) level are eligible for random testing. Students who do not consent to participate in the testing program shall not be eligible to participate in school sponsored competitive extracurricular activities. Students may volunteer for participation in the testing program even if they do not participate in a school sponsored competitive extracurricular activity.

3. Testing Procedure.

a. Random Testing.

A confidential testing schedule will be created by the Superintendent or designee to ensure that the testing of eligible students is conducted in a manner that is random.

b. Collection.

The testing collection process will be conducted in a manner that protects student privacy, guards against tampered specimens and ensures an accurate chain of custody. It is intended that the procedures be modeled on those applicable to the testing of CDL employees, though methods other than testing of urine samples may be used. The tests are to be designed to detect only the use of alcohol and illegal drugs, not medical conditions or the presence of authorized prescription medications.

4. Confidentiality.

All activities related to the testing policy will be carried out in accordance with the requirements of the Family Educational Rights and Privacy Act (FERPA), the Protection of Pupil Rights Amendment (PPRA), and any other applicable confidentiality laws.

5. Consequences for Positive Tests.

Any of the following shall be considered to be a positive test result:

- A confirmed positive alcohol or drug test;
- Refusal to participate in testing when selected; and/or
- Tampering with the specimen collection process.

The following shall result from a positive test result:

- The student's parents or guardians will be contacted and a meeting will be held to discuss the positive test result, with the object of collaborating on a plan to assist the student in avoiding future substance abuse.

- The student's privilege of participating in extracurricular activities will be restricted as follows:
 - For a first positive test, the student is ineligible to participate in any extracurricular activities for two weeks or three events, whichever is longer. The student may not return to participate in extracurricular activities until the student shows proof that the student: (a) is participating in substance abuse counseling with a qualified professional and is following the recommendations of the counselor and (b) tests negative in a District-administered drug test.
 - For a second positive test, the student is ineligible to participate in any extracurricular activity for 9 weeks. The student may not return to participate in extracurricular activities until the student shows proof that the student: (a) is participating in substance abuse counseling with a qualified professional and is following the recommendations of the counselor and (b) tests negative in a District-administered drug test, and (c) agrees to submit to monthly District-administered drug test during the next twelve month period.
 - For a third positive test, the student is ineligible to participate in any extracurricular activity for one calendar year. The student may not return to participate in extracurricular activities until the student shows proof that the student: (a) is participating in substance abuse counseling with a qualified professional and is following the recommendations of the counselor and (b) tests negative in a District-administered drug test, and (c) agrees to submit to monthly District-administered drug test during the next twelve month period.
 - For a fourth positive test, the student is ineligible to participate in any extracurricular activity for the remainder of the student's high school career.

The parents or guardians are responsible for the costs of the rehabilitation program, which includes the substance abuse counseling and follow-up.

Positive results will not lead to the imposition of any academic consequence or disciplinary action, other than the above described limitations on the privilege to participate in extracurricular activities.

6. Appeal Procedures.

A student or the student's parents or guardians may challenge the results of a positive test through an appeal process to be developed by the Superintendent or designee. In the event a student or the student's parents or guardians wish to challenge a positive test on a basis other than the veracity of the test result, an appeal may be made in accordance with the policy on extracurricular activity discipline.

7. Process.

The Superintendent or the Superintendent's designee is directed to develop specific testing procedures consistent with this policy.

Drug and Alcohol Testing Procedures

1. Eligibility for Random Testing.

Students who participate in school sponsored competitive extracurricular activities at the high school (Grades 9-12) level are eligible for random testing. School sponsored competitive extracurricular activities are activities which are sponsored or approved by the Board, but are not offered for credit towards graduation, and which involve competition, comparison, or judging of the individuals or groups with other individuals or groups as part of selection or participation. School sponsored competitive extracurricular activities include, but are not limited to, athletic programs, cheerleading, dance team, band, Student Council, National Honor Society, academic teams, One-Act, choir, Quiz Bowl, and Speech Team.

To participate in a school sponsored competitive extracurricular activity, students must submit a completed Consent to Test Form on or before the first practice or on or before the first event or meeting, whichever is applicable. The form must be signed by the student and the student's parent or guardian.

Failure to submit a completed Consent to Test Form will result in ineligibility for participation in school sponsored competitive extracurricular activities until the form is submitted.

Students remain eligible for testing from the date the Consent to Test Form is turned in until a Drop Form is completed, or until the student graduates or is otherwise no longer enrolled in the District. A student for whom a Drop Form has been submitted shall be ineligible for participation in school sponsored competitive extracurricular activities for twelve months from the date the Drop Form is submitted. Students have a fifteen (15) day grace period for reconsideration of a Drop Form.

Students who are not participants in a school sponsored competitive extracurricular activity may volunteer for participation in the testing program by submitting a completed Consent to Test Form.

2. Testing Procedure.

a. Random Testing.

A confidential testing schedule will be created by the Superintendent or designee to ensure that the testing of eligible students is conducted in a manner that is random. To maintain confidentiality and to maintain the integrity of the randomness of this program, the students eligible for testing will be identified by a unique personal identifier that does not make the student known to persons other than the school officials who are directly involved in the testing program.

No less than twenty percent (20%) of the pool of eligible students will be tested each school year. The Superintendent or designee shall have the authority to determine the percentage to test, subject to the minimum 20% level, dependent on the nature and extent of the prevailing problem with drug usage in the school community from time to time. Testing will take place throughout the school year.

b. Collection.

The testing collection process will be conducted in a manner that protects student privacy, guards against tampered specimens and ensures an accurate chain of custody of the specimen. The method of testing

may involve the use of breath, saliva, urine, or hair samples. To the extent the testing involves the collection of urine, an adult monitor is to wait outside a closed restroom stall and listen for the normal sounds of urination.

It is intended that the procedures be modeled on those applicable to the testing of CDL employees, which include the testing of specimens for alcohol and unlawful substances. The tests are to be designed to detect only the use of alcohol or illegal drugs, including but not limited to amphetamines, marijuana, cocaine, steroids, opiates, and barbituates, not medical conditions or the presence of authorized prescription medications.

3. Confidentiality.

All activities related to the testing policy will be carried out in accordance with the requirements of the Family Educational Rights and Privacy Act (FERPA), the Protection of Pupil Rights Amendment (PPRA), and any other applicable confidentiality laws.

Test results will be shared only with staff who have a legitimate educational interest in having access to the information, on a "need to know" basis. Test results will not be turned over to any law enforcement authority in the absence of a court order, subpoena, or other legal process requiring such.

Test results will be kept in confidential files separate from the students' other records. The test results will be destroyed when no longer needed for individual student situations or for the overall testing program.

4. Re-Testing.

A student or the student's parent or guardian may challenge the veracity of a positive test. If a positive test is proven to be false, the student will not be subject to the consequences of a positive test, provided that the consequences shall remain in place until the positive test is proven to be false.

The student or the student's parent or guardian shall make a request to challenge a positive test with the Superintendent or designee within 72 hours of the student being notified of the positive test. The Superintendent or designee shall determine whether the challenge shall involve a retest of the specimen or a second test.

If the challenge will involve a retest of the specimen, the specimen previously submitted will be forwarded to a testing laboratory for confirmatory testing. The laboratory must be approved by the Superintendent or designee and adhere to federal Substance Abuse and Mental Health Services Administration (SAMHSA) standards concerning drug testing protocols and procedures. Results of the re-test will be provided to the Superintendent or designee by the approved laboratory. The re-testing shall be at the expense of the student or the student's parent or guardian. To be a valid non-positive, the Superintendent or designee must be provided with information that establishes that the substance(s) detected in the initial test would remain detectable in the specimen at the time of the retest.

If the challenge will involve a second test, it will be completed using the District's standard procedures. The second test shall be at the expense of the student or the student's parent or guardian. To be a valid non-positive, the Superintendent or designee must be provided with information that establishes that the substance(s) detected in the initial test would remain detectable via the testing method chosen as of the time of the second test.

Drug Testing

Shawn Scott, Superintendent
Adams Central Public Schools

Gregory H. Perry
Perry, Guthery, Haase & Gessford, P.C., L.L.O.

1. Student Drug Testing Cases

Ordinarily, the constitutionality of a student search is reviewed under the “reasonable suspicion” standard established in *T.L.O.* (1985). Under the reasonable suspicion standard, a school search is lawful where there is “a moderate chance of finding evidence of wrongdoing” and “the measures adopted are reasonably related to the objectives of the search and not excessively intrusive in light of the age and sex of the student and the nature of the infraction.”¹

Nonetheless, drug testing of students has been upheld even when there is no “reasonable suspicion” that the particular student has engaged in wrongdoing.

a. Student Athletes

In *Vernonia* (1995), the U.S. Supreme Court held that random, suspicionless, drug testing of students involved in interscholastic athletics was constitutionally permissible.²

b. Participants in Competitive Extracurricular Activities

In *Earls* (2002), the U.S. Supreme Court held that random, suspicionless, drug testing of students participating in competitive extracurricular activities was constitutionally permissible.³ The Court in *Earls* described the scope of the school's drug testing policy as follows:

¹ *Safford Unified Sch. Dist. #1 v. Redding*, 129 S. Ct. 2633 (2009) (quoting *New Jersey v. T. L. O.*, 469 U.S. 325 (1985)).

² *Vernonia Sch. Dist. v. Acton*, 515 U.S. 646 (1995).

³ *Board of Education of I.S.D. No. 92 of Pottawatomie County, Okla. v. Earls*, 536 U.S. 822 (2002).

A random drug testing program was also upheld by the 8th Circuit in *Miller v. Wilkes*, 172 F.3d 574 (8th Cir.1999). The drug testing program at issue applied to all school activities. The program was challenged by a student who wanted to participate “in such school activities as the Radio Club, prom committees, the quiz bowl, and school dances, among others.” The decision was subsequently vacated as moot.

Recently, in *Hageman v. Goshen County Sch. Dist. No. 1*, 2011 WY 91 (Wyo. 2011), a drug testing policy that applied to students participating in any extracurricular activity, competitive or not, was held to be lawful. The court struggled with extending drug tests to students who were not participating in competitive activities, particularly since a majority of the students at the high school would be subjected to testing. “By a narrow margin,” the court determined there was a reasonable connection between the testing of all such students and the school’s drug deterrence objective.

[T]he School District adopted the Student Activities Drug Testing Policy (Policy), which requires all middle and high school students to consent to drug testing in order to participate in any extracurricular activity. In practice, the Policy has been applied only to competitive extracurricular activities sanctioned by the Oklahoma Secondary Schools Activities Association, such as the Academic Team, Future Farmers of America, Future Homemakers of America, band, choir, pom pon, cheerleading, and athletics. Under the Policy, students are required to take a drug test before participating in an extracurricular activity, must submit to random drug testing while participating in that activity, and must agree to be tested at any time upon reasonable suspicion. The urinalysis tests are designed to detect only the use of illegal drugs, including amphetamines, marijuana, cocaine, opiates, and barbituates, not medical conditions or the presence of authorized prescription medications.

The Court in *Earls* concluded that such a drug testing is permissible based on: (1) the diminished privacy interests of students, (2) the limited intrusion of drug tests, and (3) the school's interest in conducting drug tests. The Court observed that a faculty member monitored students giving urine samples, but did so while outside a restroom stall, that measures were taken to protect confidentiality, and that the "the only consequence of a failed drug test is to limit the student's privilege of participating in extracurricular activities."

c. Students Not Participating in Extracurricular Activities

The courts have held that suspicionless drug testing of students who are not involved in extracurricular activities is unlawful.⁴

2. Drug Testing Policy

Most drug testing policies include the following:

- Statement of the substance(s) for which students will be tested;
- Designation of school activities covered by drug testing;
- Requirement of a consent form;
- Procedure for determining how students are to be selected randomly;
- Procedure to be followed in collecting and testing the samples [(including confidentiality of results)];
- Defenses available to students testing positive [(e.g. prescription medications)]; and,
- Consequences of positive test.⁵

⁴ See e.g. *Willis v. Anderson Comm. Sch. Corp.*, 158 F.3d 415 (7th Cir.1998) (drug testing policy applied to all students who were suspended or violated specified rules; court ruled policy was unconstitutional); *Tannahill v. Lockney Indep. Sch. Dist.*, 133 F.Supp.2d 919 (N.D.Tex.2001) (drug testing policy applied to all students; court ruled policy was unconstitutional).

In *Joy v. Penn-Harris-Madison Sch. Corp.*, 212 F.3d 1052 (7th Cir. 2000), a drug testing policy was applied to all students who requested a school parking permit. The court ruled that testing such students for drug usage was permissible; but that testing such students for nicotine usage was not). In a related case, the court ruled the school could not test for nicotine use even if there was no adverse consequence to students who tested positive for nicotine use. *Penn-Harris-Madison, School Corp. v. Joy*, 768 N.E.2d 940 (Ind. App. 2002).

Building Committee Meeting

March 06, 2012 07:30AM

Lincoln Construction Site

Attendance Taken at 7:30 AM:

Present Board Members:

Jody Miles

BJ Peters

Alan Doll arrived at 7:50am.

1. Attendance

Also in attendance were Ryan Stearns, Don Hague, Paul Frohman and Brian Sweeney.

2. Old Business

2.1. Lincoln Change Order Summary

Hague explained that there is a breakdown of change orders attached to the back of Anderson & Shaw's monthly billing invoices. Change orders were reviewed and discussed.

The committee requested that the basketball court be shifted two feet to the west to allow for additional wall space. Stearns will ensure proper basketball hoop placement.

3. Review Budget Update

Contingency funds were reviewed. Future change orders were discussed. Fencing costs were discussed. The budget for the staff parking lot was discussed.

The base of the sign will cost approximately \$2,400 and will include the foundation and two columns.

4. Discussion/Decision on Turf and Landscaping Plans

The committee reviewed the blueprints and discussed enlarging the turf area. Doll was polled via telephone to vote on artificial turf or grass for the site. It was determined that turf will be used and the turf will be made out of recycled materials. \$50,000 has been budgeted for turf and \$20,000 has been budgeted for additional landscaping.

5. Site Tour

The committee went on a tour of the facility.

6. Adjournment

The next Building Committee meeting has been scheduled for April 3, 2012 at the Lincoln Elementary Construction Site.

Brian Copsey

Jody Miles

1. Attendance

Discussion:

Also in attendance at the curriculum committee meeting were Eldon Hubbard, Don Hague, and Terri Martin.

2. Interventions at the Secondary Level

Discussion:

Eldon Hubbard spoke to the Curriculum Committee regarding the Pyramid of Interventions at the High School.

3. Testing Update

Discussion:

Terri Martin gave a status report for the Terra Nova, ELDA and upcoming NeSA tests. The Terra Nova window will close on March 8. All tests will be picked up Thursday and prepared for submission. The ELDA test window is until March 23; however, most schools are finishing this week.

Test Administrator manuals have arrived and were distributed to Administrators. After an orientation next week, schedules will be established and each principal will have an orientation with their building testing teams.

4. Travel Requests during February 2012

Discussion:

All travel requests were reviewed.

5. Budget Review

Discussion:

The budget detail was reviewed. It was noted that Gering Public Schools serve only as a fiscal agent for the Title I Delinquent Funds.

6. Next Curriculum Meeting

Discussion:

The next curriculum committee meeting will be held on April 12, 2012 at 7:00 a.m. in the Central Office Board Room.

Business Committee Meeting

March 12, 2012 04:30PM

Board Room

Attendance Taken at 4:30 PM:

Present Board Members:

Mike Brunner

Brian Copsey

Jody Miles

1. Attendance

Also in attendance were Don Hague and Tim Meisner.

2. Review Bills

Costs associated with a high school dishwasher were discussed. Drinking fountain maintenance costs and hydration station functions were also reviewed. Source Gas charges were assessed. The Business office will contact Windsor to see if Payee notations can be updated. The process of checking out building keys was reviewed. Custodial costs were discussed. Concerns about the process for apparel purchases and codes/sub-codes were studied. Meisner explained IVison updates that the district will implement in the future. Direct deposits will also be mandatory in the near future.

Motion Passed: passed with a motion by Jody Miles and a second by Mike Brunner.

Mike Brunner Yes

Brian Copsey Yes

Jody Miles Yes

3. Review Financials

Fund balances were discussed. Lincoln costs and change orders were examined. Future building projects and summer projects were reviewed.

4. Transportation Recommendation

Hague recommended the district contracting bussing services with First Student. They can provide a higher level of mechanical maintenance, better equipment, better on-going training for drivers, vehicle cameras and GSP availability. The Committee would like to recommend that the Board be allowed to enter into contract negotiations with First Student. The district would like to have a negotiated contract approved at the April meeting. Tim will ensure that all district concerns are addressed in the contract. An Interlocal Agreement will also be needed.

Motion Passed: passed with a motion by Jody Miles and a second by Mike Brunner.

Mike Brunner Yes

Brian Copsey Yes

Jody Miles Yes

5. Anderson & Shaw Application for Payment #10

Corrected amounts were reviewed.

Motion Passed: passed with a motion by Mike Brunner and a second by Jody Miles.

Mike Brunner Yes

Brian Copsey Yes

Jody Miles Yes

6. Hewgley & Associates Application for Payment

The bill was reviewed.

Motion Passed: passed with a motion by Jody Miles and a second by Mike Brunner.

Mike Brunner	Yes
Brian Copsey	Yes
Jody Miles	Yes

7. Approval of Turf for New Lincoln Building

Hague explained that the Building Committee had approved turf as a landscaping option. That committee wants to make the Business Committee aware of an upcoming bill in the amount of \$30,000. This bill will likely be presented as a change order.

8. Hillyard Custodial Services

Meisner explained that Hillyard, a custodial company, offers training, materials and pre-determined processes to school districts. Costs are determined by square footage served. The company can provide guidance and staff training and will be in Gering on March 21st and March 22nd. Their systems will be in place by next school year.

9. ASP 3rd Quarterly Report

Cedar Canyon Principal and After School Coordinator Betty Smith submitted the 3rd Quarterly After School Report to the committee.

10. Jr. High Cafeteria Tables

The Facility Committee received a presentation from Kim Busby's Freshman Academy Geometry class on the purchase of round tables for the Jr. High facility. Tim received three quotes that he reviewed. Costs will be approximately \$950 per table and 23 tables are needed. These tables will be portable so they can be moved for events. Funding would come from the depreciation fund. Future remodeling plans for the commons area at the Freshman Academy were discussed.

A surplus sale will be held at the Aurora location in June of 2012.

1. Attendance

Also in attendance were Don Hague and Tim Meisner.

2. Substitute Teacher Pay Schedule

Hague distributed an array of substitute teacher pay. Variations were reviewed and discussed. Hague explained how Gering's rates are determined and/or revised. Recommendations and suggestions were provided by committee members.

3. Extra Duty Schedule

Procedures regarding pay increases to the extra duty schedule were discussed. Individual positions were reviewed. The committee wishes the Activities Director to be involved in the process of updating the schedule when needed.

3.1. Coach Drug Testing

A response about the random drug testing of coaching staff from Greg Perry was reviewed. This will be a topic of discussion at the next Board meeting. The district is creating a policy for random drug testing for students involved in extra-curricular activities.

4. Evaluation Schedule

Hague explained the schedule and procedures for evaluations of district staff. The evaluation check list was reviewed and will be updated and included on each committee meeting for review. Procedure recommendations and suggestions were discussed to allow current updating of evaluation information on the check list. The time frame for evaluations was reviewed.

5. Administrator Compensation

Hague discussed the grouping of district administrators pertaining to category/classification. Details and specifics were discussed. The Committee will review administrator compensation in June of 2012.

6. Superintendent Goals

Discussion: Hague distributed a copy of his goals for 2012-2013. The goals were developed from his evaluation. Hague asked that any changes and/or additions be provided to him so he can add them to his list.

7. Superintendent Search

Winn is working on developing criteria for this position. The committee will recommend interviewing two search firms and hear their proposals. The committee will recommend a workshop before July's 2012 Board meeting to interview search firms NASB's Search Service and McPherson & Jacobson. The full board will vote on the search firm at the August 2012 Board Meeting. Superintendent interviews should be completed by January 2013.

8. Meal Expenses for Travel

Meisner informed the committee that a policy needs to be developed regarding meal stipends for staff when traveling. One daily per diem was suggested by the committee instead of per meal. Meisner pointed out that breakfast is included with room charges at hotels and that most seminars and conferences provide meals as well.

9. Old Business

9.1. Status Update on Committee Goals

Evaluations and Superintendent Goals were reviewed.

10. Adjournment

The next Personnel Committee meeting was not scheduled.

1. Attendance

Also in attendance were Don Hague and Jerry Ostdiek.

2. Review Sick Leave Bank Changes

The sick leave bank is in both Board policy and the negotiated agreement. The intent of the sick leave bank was recently reviewed and clarified. Frahm will update one more language clarification prior to seeking Board approval.

3. Review Drug Testing Policy

The committee discussed details regarding who will be tested with the implementation of a new drug testing policy.

4. Review Negotiations Proposal

The committee will be presenting a proposal to the Teacher's negotiating unit on February 29th. Details of the proposal were reviewed.

4.1. DECA

Hague explained that DECA needs to be included in extra duty assignment negotiations. The category for this position will be discussed in negotiations. It is a year round activity, but does have a season. It will likely be category II or III.

4.2. Tennis

Tennis will be handled similar to the golf extra duty assignment as category II. If more than one individual is interested in becoming a tennis coach, that position may be shared.

5. Old Business

5.1. Update on Evaluations

Hague explained that evaluations are being kept current according to the schedule.

6. Adjournment

1. Attendance

Also in attendance were Don Hague, Tim Meisner, Kraig Weyrich and Kim Busby.

2. Jr. High/Freshman Academy Student Presentation on Round Tables (15 minutes)

Weyrich introduced Busby's Freshman Geometry Class, who provided a presentation on round cafeteria tables. Topics covered by their presentation included dimensions, scale drawings and room layouts. The students also provided examples of tables and explained how the tables could be utilized in study hall sessions, fundraisers and activities in addition to lunch time. Current capacity numbers were compared to potential numbers. Twenty three tables have been requested and, if approved, would be installed for use by next school year. The Facilities Committee supports the concept and will forward the request to the Business Committee, which meets next week.

3. Master Facilities Plan

A copy of the Master Facilities Plan was distributed and reviewed. The moving of the Jr. High bleachers to the High School was added to the summer work list. Each building principal will be submitting a list of summer work to Hague within the next two weeks.

Lighting replacement and track resurfacing were also discussed. The committee suggested developing a 5 year plan. The next priority project may be the high school locker/weight room. Auditorium seating at the high school could also become a priority.

The district will host a sale in June to dispose of surplus items. The sale will be held at the Aurora facility.

4. Adjournment

The next meeting will be held on April 5th at Cedar Canyon Elementary.
