Minutes

1. Adjourn

2. Whole Child Discussions within District

Teachers talked with the Committee Members regarding how they have been implementing the Whole Child Concept within their classrooms and buildings. Whole Child includes not only the physical movement of children throughout the school day but the social and emotional well being of each. Healthy eating habits are emphasized through fresh fruits and vegetable snacks and encouragement of hydration.

3. Assessment Update

Update on the completion of Aimsweb and Dibels assessments in grades K-4.

NWEA MAP Growth in grades 2-9 is approximately 75% completed.

4. Next Meeting

October 5, 2017. We will meet at the Central Office.
