9.1. The Board recognizes the importance of citizen participation in school business. In order to assure citizens are heard and board meetings are conducted efficiently and in an organized manner, the Board shall set a 3 minute time limit per patron, not to exceed a total of 30 minutes for all comments.

10. **Reports & Discussions**

10.1. Recognition of Accomplishments

10.1.i. High School Construction Class Project go to: <http://t.co/qVAsEBbS1C> to view video

High School Principal Eldon Hubbard encouraged the Board to visit the High School's web page to check out a local media link that provides information on the High School construction class constructing two houses on the old McKinley Elementary School property as a class project. Vocational Teacher Bob Anderson has participated in these projects for about twenty years.

10.2. Curriculum Committee Report

Peters explained that the Curriculum Committee held it's annual Americanism Committee Meeting in September. Peters explained that state statute requires each district to recognize the role of the constitution and it's importance in day to day lives. The committee will review test scores and share information as it becomes available next month.

10.3. Facilities Committee Report

Upp explained that the Facilities Committee met at the High School to review maintenance work that had been done over the summer months, areas of concern and short and long term goals. The committee examined the new weight room floor, new tiles in the hallways and the auditorium sound system. The committee feels that a fundraiser may be a good option to assist in the purchase of new seating in the auditorium. The committee also discussed district-wide technology speeds.

10.4. Business Committee Report

Brunner stated that the Business Committee met on September 9th, however Chairperson Copsey was unavailable to attend. Freshman Academy Assistant Principal Kraig Weyrich presented information on a keyless entry/swipe system for security purposes. A system is expected to be installed at the Jr. High over the December student break and the Jr. High will serve as a pilot building for this project. The committee reviewed the August bill listing and financial records.

- 10.4.i. Financial Report - The Business Committee reviewed all bills for this consent agenda. Bills unique to this month were discussed for clarification. The total amount of bills approved in the consent agenda for the month of August, 2013 by specific funds are as follows:

Meisner reviewed the fund balances.

10.4.i.1. Trial Balance Summary

10.4.i.2. Fund Balances

10.4.i.3. Schedule of Investments Held

10.4.i.4. Financial Statement

10.4.i.5. Revenues: General Fund=\$232,764.01; Depreciation Fund=\$442.74; Cafeteria Fund=\$26,144.98; Activities Fund=\$8,422.37; Fees Fund=\$0.

10.5. Personnel Committee Report

Winn sent out summary to the Board after the September Personnel Committee meeting. The committee determined that the district should review its human resources department and processes so Administrative Assistant Frahm has been contacting other districts within the state to examine their practices. The committee also discussed employee evaluations.

10.6. Superintendent's Report

Hastings stated that he plans to meet with ESU's Penny Businga to discuss a state pilot program that focuses on employee evaluations. Training will be a big piece of this program. Hastings informed the Board that a Committee of State Senators is studying the way taxes are implemented in Nebraska. This study will have an impact on state funding. Hastings invited anyone who is interested to a hearing at the Harms Center on September 23rd from 4pm to 7pm. The Education Committee is working to determine a better way to implement State Aide in education. Hearings will be held in October. Hastings reminded the Board to let Frahm know if they want to attend the State Education Conference by Wednesday so she can get everyone registered.

11. **Action Items**

11.1. Recommendation to Approve the 2013-2014 Budget

Peters read this document aloud.

11.2. Recommendation to Approve 2013-2014 Levy

Peters read the tax resolution into record.

11.3. Recommendation to Appoint Rex Schultze of Perry, Guthery, Haase & Gessford, P.C., LLO, to assist the Gering Public School District with Certificated Staff Negotiations

12. **Tentative Committee & Meeting Dates**

Winn recommended that the Personnel Committee meetings be moved to the first Wednesday of each month. Upp will send out an email to determine the next meeting date for the Facilities Committee. Doll encouraged everyone to find a substitute if someone is unable to attend a committee meeting.

13. **Board Comments**

Upp stated that he loves seeing Government class students in attendance and invited them to attend anytime. Winn asked that district administration inform Hastings or Frahm of any significant items taking place at the building level so that it can be shared with the board. The quarterly VALTS meeting took place and Winn stated that she is excited by the direction VALTS is taking under newly appointed George Schlothauer. Winn informed the board that Schlothauer is available to attend a board meeting if desired to discuss the VALTS program. Peters reminded everyone that the district's vocational classes provided excellent lessons for students and thanked the vocational class teachers for their contributions and team efforts.

14. **Executive Session**

6. Patron Comments

6.1. The Board recognizes the importance of citizen participation in school business. In order to assure citizens are heard and board meetings are conducted efficiently and in an organized manner, the Board shall set a 3 minute time limit per patron, not to exceed a total of 30 minutes for all comments.

7. Reports & Discussions

7.1. Recognition of Accomplishments

Jr. High School Principal Dora Olivares provided praise for the Jr. High custodians and their hard work at the building over the summer. Olivares stated that the building is the cleanest that she has ever seen it and returning staff noticed the difference, which seems to have boosted staff morale.

7.2. Curriculum Committee Report

Peters informed the Board that the Curriculum Committee discussed test scores. The committee's intent this year is to focus on the Language Arts Program. Superintendent Hastings also shared his philosophy and plans for new district technology with the committee. The committee will be reviewing specific test scores in-depth at their next meeting and will provide a follow up to the full Board.

7.3. Facilities Committee Report

Upp stated that the Facilities Committee met at the Jr. High and Freshman Academy in August. A tour of the facility was provided and summer work was reviewed, including the window project and the boy's locker room ventilation. Doll feels that outsourcing specific summer projects freed up district staff for other projects.

7.4. Business Committee Report

Copsey provided a recap of the Business Committee Meeting, where they reviewed the district's bill listing, financial statements, discussed a custodial contract, and discussed budget goals and long range planning. The Board wishes to involve Administrators during this planning so they can hear first-hand how the budget affects their needs and desires.

7.4.1. Financial Report - The Business Committee reviewed all bills for this consent agenda. Bills unique to this month were discussed for clarification. The total amount of bills approved in the consent agenda for the month of July, 2013 by specific funds are as follows:

Meisner provided a verbal recap of district revenues and expenditures. He stated that he would review and provide additional information on a different fund each month. This month the cafeteria fund was reviewed in detail. Free and Reduced lunch reimbursements will increase during the 2013-2014 school year and the quantity of free lunches provided to various staff has been reduced.

7.4.1.1. Trial Balance Summary

7.4.1.2. Fund Balances

7.4.1.3. Schedule of Investments Held

7.4.1.4. Financial Statement

7.4.1.5. Revenues: General Fund=\$507,027.38; Depreciation Fund=\$573.83; Cafeteria Fund=\$3.94; Activities Fund=\$8,847.77; Fees Fund=\$0.

7.5. Personnel Committee Report

Winn provided a summary of the Personnel Committee Meeting to the Board. Time was spent reviewing the negotiated agreement. Superintendent Hastings provided a new perspective and suggested removing unnecessary policies from the agreement. Winn asked for suggestions from non-committee members. Meisner provided information on a 2.5% classified staff pay raise. A draft copy of the classified staff handbook was distributed for review.

7.6. Student Services Report

Student Services Director Candy Hubbard distributed an update to the Board prior to the meeting. Specific items covered included information about a secretarial staff meeting regarding student registrations. Hubbard also provided class size estimates.

7.7. Summer School Report

Northfield Elementary Principal Betty Smith shared a Summer School Program summary, including the overall cost of summer school (\$26,235.66) and attendance figures. Smith explained the identification process which is done in March of each year by reading coaches, teachers and/or principals. An invitation is then extended and parents determine if their student will participate or not. Staffing needs are determined by the number of participants. Summer School was held for 3 weeks in June and for 3 weeks in July at Lincoln Elementary this year instead of holding it at multiple sites and it worked well according to Smith. Subjects taught at Summer School include reading and math. A test is provided at the end of the program to determine growth. Smith explained that less than half who are invited actually attend the Summer School Program.

7.8. Superintendent's Report

Superintendent Hastings hosted a Welcome Back Meeting for all staff on August 15th. He mentioned that he was excited to meet and speak with staff. Hastings shared his vision for education in Gering and his plans to integrate more technology. His intentions are to utilize and adopt Google Apps to replace the district's current email system. This switch would provide the district with access to collaboration and free tools that can be used to better develop a 21st Century education. Hastings plans to meet with the Board of Education, community members, staff and students to determine specific district needs.

Hastings stated that the Gering District will continue its support of the TeamMates Mentoring Program. This is a program where adults meet with their mentees at least once a week to help develop the student's strengths and career plans. The Gering District will provide \$6,000 in funding this year. Gering is approaching 50 matches between adults and students.

Hastings reminded board members that the State Education Conference will be held in LaVista on November 20th through the 22nd and asked that they contact Lisa Frahm before Labor Day if they wish to attend.

Discussions about budgets and goal planning have begun. Hastings asked that the Board meet at 5:30pm on Monday, September 9th after the Business Committee Meeting to begin goal setting for a 12 month, and a 3 to 5 year plan.

Hastings reminded the Board that NASB's Marcia Herring will be in Gering in October or November to continue work with the Board and Superintendent to better define roles and to assist in goal setting. This meeting will likely take place during evening hours or on a Saturday morning and is expected to last approximately 4 hours.

8. Recommendation to Enter into a Hearing for Fee Waivers

Hastings explained statutory requirements necessitate that the district have a public hearing to discuss fee waivers on an annual basis. Meisner provided information on fee waivers and distributions, which included the fee fund for various activities. Included in his materials was a listing of waivers for students at the High School and Jr. High. There were no fee waivers at the elementary level.

11. Tentative Committee & Meeting Dates

Winn informed the Board of a VALTS Board Meeting scheduled at 6pm on September 12th at the Harms Center. Dr. Jerry Upp has been added to this Board since Gering is the largest participant now.

It was determined that the Facilities Committee will meet at Cedar Canyon in September.

Doll reminded all Board Members to find a sub if they are unable to attend their committee meeting(s).

12. Board Comments

Upp welcomed Superintendent Hastings and stated that, from what he has heard and seen, he is impressed and appreciates Hasting's efforts.

Brunner said that he has seen a new level of enthusiasm from staff since the Welcome Back Meeting. He feels good, as a Board Member, for hiring someone who can make this district as great as it can be and looks forward to seeing morale and school spirit get back to where it once was.

Winn explained that she had the opportunity to attend the Welcome Back Meeting and enjoyed Superintendent Hasting's message. She appreciates his sense of humor, his spontaneity and how he brings up issues and acknowledges them. Winn also commended Brad Staman of the Gering Courier for their positive coverage of

the district and for assembling another annual calendar that is distributed free of charge.

Doll expressed his gratitude for Superintendent Hastings and informed the Board that he and the Superintendent are having lunch together once a week. He feels that Hastings has outstanding visions for short term, medium term and long term plans.

**CONSTRUCTION MANAGEMENT AT RISK SCHOOL CONSTRUCTION
ALTERNATIVE**

The school district adopts this policy in the event it resolves to use the construction management at risk (CM at risk) construction delivery process. Prior to using the CM at risk process on a specific construction project, the school district shall contact the State Department of Education to determine the current eligibility of the proposed project under limitations established by the Nebraska Schools Construction Alternatives Act. The Board shall then adopt such a resolution by a seventy-five percent affirmative vote.

Following the acquisition of professional architectural or engineering services as required for the project, the Board shall utilize this policy to evaluate, select and contract with a construction manager for the delivery of construction services.

Definitions

1. Construction management at risk contract means a contract by which a construction manager (a) assumes the legal responsibility to deliver a construction project within a contracted price to the school district, (b) acts as a construction consultant to the school district during the design development phase of the project when the school district's architect or engineer designs the project, and (c) is the builder during the construction phase of the project;
2. Construction manager means the legal entity which proposes to enter into a construction management at risk contract under this policy;
3. Letter of interest means a statement indicating interest to enter into a construction management at risk contract for a project under this policy;
4. Project performance criteria means the performance requirements of the project suitable to allow the construction manager to make a proposal. Performance requirements include the following, if required by the project: Capacity, durability, standards, ingress and egress requirements, description of the site, surveys, soil and environmental information concerning the site, interior space requirements, material quality standards, design and construction schedules, site development requirements, provisions for utilities, storm water retention and disposal, parking requirements, applicable governmental code requirements, and other criteria for the intended use of the project;
5. Proposal means an offer in response to a request for proposals by a construction manager to enter into a construction management at risk contract for a project under this policy;
6. Request for letters of interest means the documentation or publication by which the school district solicits letters of interest;
7. Request for proposals means the documentation by which the school district solicits proposals.

Procedural Regulations

The Board directs the superintendent to promulgate regulations detailing the following procedures:

1. Procedures and standards to be used to prequalify construction managers. The procedures and standards shall provide that the school district in consultation with its architect/engineer will evaluate prospective construction managers based on the information submitted to the school district in response to a request for letters of interest and will select construction managers who are prequalified and consequently eligible to respond to the request for proposals;
2. Procedures for the preparation and content of requests for proposals;
3. Procedures for preparing and submitting proposals;
4. Procedures for evaluating proposals;
5. Procedures for negotiations between the school district and the construction managers submitting proposals prior to the acceptance of a proposal if any such negotiations are contemplated;
6. Procedures for filing and acting on formal protests relating to the solicitation or execution of construction management at risk contracts.

Letters of Interest

The school district shall prepare a request for letters of interest for CM at risk proposals and shall prequalify construction managers in accordance with this section. The request for letters of interest shall describe the project in sufficient detail to permit a construction manager to submit a letter of interest.

The request for letters of interest shall be (a) published in a newspaper of general circulation within the school district at least thirty days prior to the deadline for receiving letters of interest and (b) sent by first-class mail to any construction manager upon request.

Letters of interest shall be reviewed by the school district in consultation with the architect/engineer. The school district shall select prospective construction managers in accordance with the procedures described above. The school district shall select at least three prospective construction managers except that if only two construction managers have submitted letters of interest, the school district shall select at least two prospective construction managers. The selected construction managers shall then be considered prequalified and eligible to receive requests for proposals.

Requests for Proposals

The school district shall prepare a request for proposals for each construction management at risk contract in accordance with this section. At least thirty days prior to the deadline for receiving and opening proposals, notice of the request for proposals shall

be published in a newspaper of general circulation within the school district and filed with the State Department of Education.

The request for proposals shall be sent only to the construction managers selected under the prequalification procedures of this policy.

The request for proposals shall contain, at a minimum, the following elements:

1. The identity of the school district for which the project will be built and the school district that will execute the contract;
2. Policies adopted by the school district governing the CM at risk construction process;
3. The proposed terms and conditions of the contract, including any terms and conditions which are subject to further negotiation. The proposed terms and conditions may set forth an initial determination of the manner by which the construction manager selects any subcontractor and may require that any work subcontracted be awarded by competitive bidding. The proposed general terms and conditions shall be consistent with the standard model general terms and conditions issued by one of the following:
 - a) The American Institute of Architects (AIA);
 - b) The Engineer's Joint Contract Documents Committee (EJCOC); or
 - c) The Association of General Contractors of America (AGC);
 - d) The Design-Build Institute of America (DBIA).
4. Any bonds and insurance required by law or as may be additionally required by the school district;
5. General information about the project which will assist the school district in its selection of the construction manager, including a project statement which contains information about the scope and nature of the project, the project site, the schedule, and the estimated budget;
6. The criteria for evaluation of proposals and the relative weight of each criterion; and
7. A description of any other information which the school district chooses to require.

Receiving and Evaluating Proposals

Proposals shall be sealed and shall not be opened until expiration of the time established for making proposals as set forth in the request for proposals.

Proposals may be withdrawn at any time prior to acceptance. The school district shall have the right to reject any and all proposals except for the purpose of evading the provisions and policies of the Nebraska Schools Construction Alternatives Act. The school district may then solicit new proposals using the same or different project performance criteria.

The school district shall evaluate and rank each proposal on the basis of best meeting the criteria in the request for proposals and taking into consideration the recommendation of the selection committee.

Selection Committee

In evaluating proposals the school district shall refer the proposals for recommendation to a selection committee. The selection committee shall be a group of at least five persons designated by the Board and shall include the following:

1. members of the school Board;
2. members of the school administration or staff;
3. the school's architect or engineer;
4. any person chosen by the Board for providing expertise relevant to selection of a construction manager under the Nebraska Schools Construction Alternatives Act; and
5. a resident of the school district not included in the four preceding subsections.

A member of the selection committee designated under subdivision (4) or (5) of this subsection shall not be employed by or have a financial or other interest in a construction manager who has a proposal being evaluated and shall not be employed by the school district or the district's architect/engineer.

The selection committee and the Board shall evaluate proposals taking into consideration the criteria enumerated below when applicable, with the maximum percentage of total points for evaluation which may be assigned to each as shown:

1. The financial resources of the construction manager to complete the project, ten percent;
2. The ability of the proposed personnel of the construction manager to perform, thirty percent;
3. The character, integrity, reputation, judgment, experience, and efficiency of the construction manager, thirty percent;
4. The quality of performance on previous projects, thirty percent;
5. The ability of the construction manager to perform within the time specified, thirty percent;
6. The previous and existing compliance of the construction manager with laws relating to the contract, ten percent; and
7. Such other information as may be secured having a bearing on the selection, twenty percent.

The selection committee shall keep and maintain permanent records of the committee proceedings including, but not limited to, records of the minutes of meetings, and documentation received or disclosed in open session of the meetings.

The committee shall appoint a Board member or district employee to keep the minutes of the committee meetings. The minutes of each meeting shall include as a minimum the following items: a record of the date, time, place, members present, action taken and the vote of each member. The records of the committee shall be placed on public file with the central administration office.

DESIGN-BUILD SCHOOL CONSTRUCTION ALTERNATIVE

The school district adopts this policy in the event it resolves to use the design-build construction process. Prior to using the design-build process on a specific construction project, the school district shall contact the State Department of Education to determine the current eligibility of the proposed project under limitations established by the Nebraska Schools Construction Alternatives Act. The Board shall then adopt such a resolution by a seventy-five percent affirmative vote.

The Board shall utilize this policy to evaluate, select and contract with a design-build firm for the delivery of design and construction services.

Definitions

1. Design-build contract means a contract which is subject to qualification-based selection between a school district and a design-builder to furnish (a) architectural, engineering, and related design services for a project under this policy and (b) labor, materials, supplies, equipment, and construction services for a project under this policy;
2. Design-builder means the legal entity which proposes to enter into a design-build contract which is subject to qualification-based selection under this policy;
3. Letter of interest means a statement indicating interest to enter into a design-build contract for a project under this policy;
4. Performance-criteria developer means any person licensed or any organization issued a certificate of authorization to practice architecture or engineering pursuant to the Engineers and Architects Regulation Act who is selected by a school district to assist the school district in the development of project performance criteria, requests for proposals, evaluation of proposals, evaluation of the construction under a design-build contract to determine adherence to the performance criteria, and any additional services requested by the school district to represent its interests in relation to a project;
5. Project performance criteria means the performance requirements of the project suitable to allow the design-builder to make a proposal. Performance requirements include the following, if required by the project: Capacity, durability, standards, ingress and egress requirements, description of the site, surveys, soil and environmental information concerning the site, interior space requirements, material quality standards, design and construction schedules, site development requirements, provisions for utilities, storm water retention and disposal, parking requirements, applicable governmental code requirements, and other criteria for the intended use of the project;
6. Proposal means an offer in response to a request for proposals by a design-builder to enter into a design-build contract for a project pursuant under this policy;

7. Qualification-based selection process means a process of selecting a design-builder based first on the qualifications of the design-builder and then on the design-builder's proposed approach to the design and construction of the project;
8. Request for letters of interest means the documentation or publication by which the school district solicits letters of interest;
9. Request for proposals means the documentation by which the school district solicits proposals.

Procedural Regulations

The Board directs the superintendent to promulgate regulations detailing the following procedures:

1. Procedures for selecting and hiring on its behalf a performance-criteria developer when soliciting and executing a design-build contract. The procedures shall be consistent with the Nebraska Consultants' Competitive Negotiation Act and shall provide that the performance-criteria developer is ineligible to be included as a provider of any services in a proposal for the project on which it has acted as performance-criteria developer and is not employed by or does not have a financial or other interest in a design-builder or construction manager who will submit a proposal;
2. Procedures and standards to be used to prequalify design-builders. The procedures and standards shall provide that the school district will evaluate prospective design-builders based on the information submitted to the school district in response to a request for letters of interest and will select design-builders who are prequalified and consequently eligible to respond to the request for proposals;
3. Procedures for the preparation and content of requests for proposals;
4. Procedures for preparing and submitting proposals;
5. Procedures for evaluating proposals;
6. Procedures for negotiations between the school district and the design-builders submitting proposals prior to the acceptance of a proposal if any such negotiations are contemplated;
7. Procedures for filing and acting on formal protests relating to the solicitation or execution of design-build contracts; and
8. Procedures for the evaluation of construction under a design-build contract by the performance-criteria developer to determine adherence to the performance criteria.

Letters of Interest

The school district shall prepare a request for letters of interest for design-build proposals and shall prequalify design-builders in accordance with this section. The request for letters of interest shall describe the project in sufficient detail to permit a design-builder to submit a letter of interest.

The request for letters of interest shall be (a) published in a newspaper of general circulation within the school district at least thirty days prior to the deadline for receiving letters of interest and (b) sent by first-class mail to any design-builder upon request.

Letters of interest shall be reviewed by the school district in consultation with the performance-criteria developer. The school district shall select prospective design-builders in accordance with the procedures described above. The school district shall select at least three prospective design-builders except that if only two design-builders have submitted letters of interest, the school district shall select at least two prospective design-builders. The selected design-builders shall then be considered prequalified and eligible to receive requests for proposals.

Requests for Proposals

The school district shall prepare a request for proposals for each design-build contract. Notice of the request for proposals shall be published in a newspaper of general circulation within the school district and filed with the State Department of Education at least thirty days prior to the deadline for receiving and opening proposals.

The request for proposals shall be sent only to the design-builders selected under the prequalification procedures of this policy.

The request for proposals shall contain, at a minimum, the following elements:

1. The identity of the school district for which the project will be built and the school district that will execute the design-build contract;
2. Policies adopted by the school district governing the design-build process;
3. The proposed terms and conditions of the design-build contract, including any terms and conditions which are subject to further negotiation. The proposed terms and conditions may set forth an initial determination of the manner by which the design-builder selects any subcontractor and may require that any work subcontracted be awarded by competitive bidding. The proposed general terms and conditions shall be consistent with the standard model general terms and conditions issued by one of the following:
 - a) The American Institute of Architects (AIA);
 - b) The Engineer's Joint Contract Documents Committee (EJCOC);
 - c) The Association of General Contractors of America (AGC); or
 - d) The Design-Build Institute of America (DBIA).
4. A project statement which contains information about the scope and nature of the project;
5. Project performance criteria
6. Budget parameters for the project;
7. Any bonds and insurance required by law or as may be additionally required by the school district;
8. The criteria for evaluation of proposals and the relative weight of each criterion;
9. A requirement that the design-builder provide a written statement of the design-builder's proposed approach to the design and construction of the project, which may include graphic materials illustrating the proposed approach to design and construction but shall not include price proposals;

10. A requirement that the design-builder agree to the following conditions:
 - (a) An architect or engineer licensed to practice in Nebraska will participate substantially in those aspects of the offering which involve architectural or engineering services;
 - (b) At the time of the design-build offering, the design-builder will furnish to the school Board a written statement identifying the architect or engineer who will perform the architectural or engineering work for the design-build project;
 - (c) The architect or engineer engaged by the design-builder to perform the architectural or engineering work with respect to the design-build project will have direct supervision of such work and may not be removed by the design-builder prior to the completion of the project without the written consent of the school Board;
 - (d) A design-builder offering design-build services with its own employees who are design professionals licensed to practice in Nebraska will (i) comply with the Engineers and Architects Regulation Act by procuring a certificate of authorization to practice architecture or engineering and (ii) submit proof of sufficient professional liability insurance; and
 - (e) The rendering of architectural or engineering services by a licensed architect or engineer employed by the design-builder will conform to the Engineers and Architects Regulation Act and the Nebraska Schools Construction Alternatives Act; and
11. Other information which the school district chooses to require.

Receiving and Evaluating Proposals

Design-builders shall submit proposals as required by the request for proposals. The school district may only proceed to negotiate and enter into a design-build contract if there are at least two proposals from prequalified design-builders.

Proposals shall be sealed and shall not be opened until expiration of the time established for making proposals as set forth in the request for proposals.

Proposals may be withdrawn at any time prior to acceptance. The school district shall have the right to reject any and all proposals except for the purpose of evading the provisions and policies of the Nebraska Schools Construction Alternatives Act. The school district may then solicit new proposals using the same or different project performance criteria.

The school district shall rank in order of preference the design-builders pursuant to the criteria in the request for proposals and taking into consideration the recommendation of the selection committee.

Selection Committee

In evaluating proposals, the district shall refer the proposals for recommendation to a selection committee. The selection committee shall be a group of at least five persons designated by the Board and shall include the following:

1. members of the school Board;
2. members of the school administration or staff;
3. the performance-criteria developer;
4. any person chosen by the Board for providing special expertise relevant to selection of a design-builder under the Nebraska Schools Construction Alternatives Act; and
5. a resident of the school district not included in the four preceding subdivisions.

A member of the selection committee designated under subdivision (4) or (5) of this subsection shall not be employed by or have a financial or other interest in a design-builder who has a proposal being evaluated and shall not be employed by the school district or the performance-criteria developer.

The selection committee and the Board shall evaluate proposals taking into consideration the criteria enumerated below when applicable, with the maximum percentage of total points for evaluation which may be assigned to each as shown:

1. The financial resources of the design-builder to complete the project, ten percent;
2. The ability of the proposed personnel of the design-builder to perform, thirty percent;
3. The character, integrity, reputation, judgment, experience, and efficiency of the design-builder, thirty percent;
4. The quality of performance on previous projects, thirty percent;
5. The ability of the design-builder to perform within the time specified, thirty percent;
6. The previous and existing compliance of the design-builder with laws relating to the contract, ten percent; and
7. Such other information as may be secured having a bearing on the selection, twenty percent.

The selection committee shall keep and maintain permanent records of the committee proceedings including, but not limited to, records of the minutes of meetings, and documentation received or disclosed in open session of the meetings.

The committee shall appoint a Board member or district employee to keep the minutes of the committee meetings. The minutes of each meeting shall include as a minimum the following items: a record of the date, time, place, members present, action taken and the vote of each member. The records of the committee shall be placed on public file with the central administration office.

Contract Negotiations

The school district may attempt to negotiate a design-build contract with the highest ranked design-builder selected by the school district and may enter into a design-build contract after negotiations. The negotiations shall include a final determination of the manner by which the design-builder selects a subcontractor. If the school district is

SECURITY

The Board encourages cooperation with local law enforcement and fire authorities and insurance company personnel in planning and carrying out proper security measures to preserve and protect the district's investment in its physical plant.

Buildings constitute one of the greatest capital investments of the district and should be protected. Security includes minimizing fire or other safety hazards, reducing the probability of faulty equipment, and keeping records and funds in a safe place. Security also includes having available floor plans of buildings and site plans showing campus boundaries and access points.

A key control system shall be established and maintained limiting building access to district personnel thus safeguarding against potential entry by unauthorized persons.

Protective devices designed as safeguards against illegal entry and vandalism shall be installed where appropriate. A security guard may be employed when special events or activities are scheduled, or in situations involving special risks.

The superintendent is directed to establish regulations as may be needed to provide for security of buildings and grounds.

Incidents of illegal entry, theft of school property, vandalism or damage to school property from any cause shall be reported to the office of the superintendent and to the appropriate law enforcement agency as soon as discovered. A timely written report of the incident shall be made and forwarded to the superintendent's office.

ACCESS TO BUILDINGS

Security for district buildings and grounds (during regular school hours as well as non-school hours) contributes to the well being and safety of students and staff as well as to that of the sites themselves.

The superintendent will control access to district buildings as appropriate and necessary to protect property, students and personnel.

Principals will control access to school buildings and will provide safeguards against unauthorized access to these buildings. Each principal, with the superintendent's approval, will develop regulations designed to control the use of building keys and to ensure that buildings are adequately closed and locked when no authorized personnel are present. Staff or students who fail to obey such regulations may be disciplined, suspended or dismissed.

During regular school hours, flow of traffic into and out of buildings shall be closely monitored and limited to certain doors. Visitors shall be required to check in to show proper identification and reason for being at the school and shall wear name tags identifying them as visitors. ~~At the principal's discretion, this may~~~~This will~~ not apply when parents/guardians have been invited to a classroom or assembly program.

Access to school buildings and grounds outside of regular school hours shall be limited to personnel whose work requires it and to sponsors of approved student activities.

GERING, NE**

MAINTENANCE SCHEDULE

The school district buildings and sites, including the grounds, buildings and equipment, will be kept clean and in good repair. Employees should notify the building principal when facilities are in need of repair or the removal of litter or graffiti.

| It shall be the responsibility of the superintendent or his/her designee to maintain the school district buildings and sites. As part of this responsibility, a maintenance schedule shall be created and adhered to in compliance with this policy.

REQUESTS FOR IMPROVEMENTS

Generally, except for emergency situations, requests for improvements or repairs shall be made to the superintendent by building principals and the head custodian. Requirements for requests outlined in the district's maintenance procedures shall be followed.

~~Minor improvements, not exceeding a cost of \$10,000.00, may be approved by the superintendent. The Superintendent shall have the authority to authorize purchases in a manner consistent with the purchasing procedures outlines in Policy 706.01. Improvements exceeding \$10,000.00 must be approved by the Board.~~ Routine maintenance and repairs outlined in the maintenance schedule shall be followed.

BUILDINGS AND GROUNDS — RECORDS AND REPORTS

Losses incurred through fire, theft, accident or vandalism will be reported to the business manager as soon as they are discovered. The business manager may report such losses to an appropriate agency as well as to the Board.

The Board expects the superintendent through the supervisor of buildings and grounds to prepare and maintain maintenance services records and reports. Such records and reports will include, but not be limited to:

- maintenance work orders for non-contract work;
- maintenance work orders and costs records of all contract maintenance work;
- utility records and invoices;
- heating, ventilating and air conditioning equipment maintenance records and reports; and
- annual costs analysis of the maintenance program specific to each district building.

TRAFFIC AND PARKING PROCEDURES

Driving and parking on school property are privileges granted by the Board to persons who have reasons to be in the schools or on school property. The superintendent shall authorize parking areas and post notices on district property designated for staff, student, visitor parking and parking for persons with disabilities and other classifications of parking areas as may be necessary.

Any vehicle not parked in authorized areas may be cited and/or towed away and stored. All charges for towing and storing will be the responsibility of the owner or operator of the vehicle.

Any person failing to abide by the district's parking regulations may be further prohibited from bringing any vehicle on school property.

Building principals will establish regulations as necessary for the use and control of staff and student parking areas around their buildings. Such regulations will be made available to staff, students and parents.

VANDALISM

The Board believes everyone should treat school district buildings and sites and property with respect for the benefit of the education program. Users of school district property shall treat it with care. Employees discovering vandalism should report it to the building principal as soon as possible.

Persons suspected, found or proven to have destroyed or otherwise harmed school district property may be subject to discipline by the school district, if the person is under the jurisdiction of the school district, and may be reported to local law enforcement officials. Persons who are not under the jurisdiction of the school district and who are suspected, found or proven to have destroyed or otherwise harmed school district property shall be reported to the local law enforcement authorities.

The superintendent, the principal or their designees are authorized to sign a criminal complaint against persons suspected of vandalism against school property. It is the intent of the board to seek damages as permitted by law from anyone who vandalizes school property and/or their parents or guardians.

ENERGY CONSERVATION

In concert with the Board's goal to utilize public funds in an effective and efficient manner, employees and students shall practice energy conservation methods when utilizing the school district's buildings and sites. These methods include, but are not limited to, turning off lights and equipment when not in use, reducing the temperature of the facility, particularly when it is not in use, and keeping windows and doors properly closed or open, depending upon the weather.

| It shall be the responsibility of the superintendent or his/her designee to develop energy conservation guidelines for employees and students. Employees and students shall abide by these guidelines.

Facilities Committee Meeting

September 11, 2013 7:00 AM
Gering High School

Attendance Taken at 7:00 AM:

Present Board Members:

Alan Doll
BJ Peters
Dr. Jerry Upp

1. Attendance

Also in attendance were Business Manager Tim Meisner and High School Principal Eldon Hubbard.

2. Facility Tour

Hubbard provided a recap of shared staff between the Freshman Academy, the Jr. High and the High School.

The Committee examined the new weight room floor and boys locker room. Hubbard led a discussion about the building's cooling system, specifically options for the gymnasium area. Locker room renovation ideas and movement of bleachers were discussed.

Hallway floor tiles were examined and the costs associated with the addition of the science classroom wing were reviewed. Estimated costs to construct a Freshman Academy on site were discussed.

The sound system in the auditorium was discussed, as was a potential fundraiser to assist in costs of replacing seating in the auditorium. Hubbard was tasked with obtaining bids for a new sound system.

Hubbard informed the Committee that a new school sports record board will soon be in place.

Peters asked for a technology update at the building level, and it was determined that there are issues with the network between buildings. Hubbard stated that he would perform a speed test after the meeting.

Central Office

Attendance Taken at 4:30 PM:

Present Board Members:

Mike Brunner

Alan Doll

Absent Board Members:

Brian Copsey

1. Attendance

Also in attendance were Freshman Academy Assistant Principal Kraig Weyrich, Business Manager Tim Meisner and Superintendent Bob Hastings.

2. Access Points for Jr. High

Weyrich presented information on a push button entrance system for security reasons. Specific door access and entry points, card readers and locking doors were discussed. Weyrich reviewed bids and a range of system services, software and cameras available for use. The low bid came from Nebraska Fire and Safety and included installation and the software license. Associated costs, installation, control access, community use and door access control systems were discussed. A video entrance system with buzzers and cameras was also reviewed. Total cost of this project is expected to be around \$14,400, less \$1,170 if in-house staff pulls the cables, and will be paid through the depreciation fund. Hastings inquired about fire drills, emergency procedures and power outages. The fire department will still have access to the buildings through the lock box on each facility. Hastings suggested that any door locks remaining after the installation of this new system be re-cored. Brunner and Doll stated that they feel this is a good first step, as the system would be tested at the Freshman Academy and then implemented via phases district-wide. The estimated time of installation would be during December while students are on break. Weyrich will get with IT Director Lionel Newberry to determine if in-house staff is able to run needed cables, however Doll recommended letting Nebraska Fire & Safety run the cables. Costs associated with re-coring locks, the installation of crash bars and the mounting spot for cameras were discussed. Weyrich will present additional information to the Committee or at the next Board Meeting, depending on when the information arrives. Meisner was tasked with contacting the City of Gering to find out if they can help re-core district locks.

3. Recommendation to Approve the August Bill Listing

The Committee reviewed questions and answers about the August bill listing, such as janitorial supply costs, choreography costs and coaching positions associated with cheerleading. The purchase of heart rate monitors, costs associated with the moving of the district's IT department, wireless internet support, maintenance, software & upgrade costs at Lincoln Elementary, accounting software and backup services (annual costs) for IVisions were also discussed. The Committee would like to see the district fully utilize IVisions and have staff better trained on how to fully use the system. Doll suggested that Meisner contact other districts who fully utilize IVisions to better understand our access to information, such as reports. The lunch program was reviewed and free lunches have been re-structured, which will cut costs significantly. The lunch write off policy was discussed and qualifications for free and reduced meals were reviewed.

4. Financial Review

The Committee reviewed monthly financial reports prior to the meeting.

5. Negotiations

Hastings stated that he will send out additional information on this topic soon.
