VALTS Director George Schlothauer provided an update on program enrollment, which is full.

6.4. Facilities Committee Meeting Report

Chairperson Dr. Jerry Upp said the committee received a second bid on HVAC control units at the Jr. High and High School. The first bids were \$25,000 for the Jr. High and \$18,000 for the High School. The second bid was higher, so the original bids will more than likely be accepted. The Jr. High unit will be replaced this year and the High School unit will be replaced next year. The committee also discussed the replacement of one of the large mowers. Bids are pending for this item.

6.6. Superintendent's Report

Superintendent Hastings reviewed important legislative dates. Hastings discussed the process of Senators prioritizing bills. Topics included a bill to change the requirements of the financial threshold before soliciting bids (from \$40,000 to \$100,000) as an inflationary adjustment with a built in inflationary adjustment every few years; property tax rate change for agricultural and horticultural land; a bill that combines 2 legislative bills to create a school financial review commission and make recommendations on an ongoing basis; a bill that would provide funding outside of TEOSA for career academies and funding distance education and broadcasting from larger districts; a bill that would require all votes by public officials to be on public record; and a bill that designates the use of lottery funds. Hastings stated that certification for state aid will occur soon. Hastings explained that each board committee has been provided with an overview of potential budget deficit over the next year. Current projections show a \$1,200,000,000 reduction for the next school year. Cuts are complicated by the fact that the district is not currently in a strong cash position. The administrative team was tasked with creating a plan to address cuts while saving jobs and maintaining program integrity. The ideas were then evaluated on instructional and financial impacts on the district. The plan, which has many parts, includes not filling vacant positions, filling openings in a fiscally responsible manner, elimination of elementary coaching positions, temporary cuts to the curriculum and technology budgets for two years, reallocation of federal money and other miscellaneous reductions. Priorities outlined in the strategic planning

process will continue to move forward. Gering's per pupil expenditures are the 6th lowest in the state.

7. **Action Items**

7.1. 2015-2016 School Calendar

Hastings explained that several items were taken into consideration while developing next year's calendar, including spring break, distance learning, staff development, other district calendars, holiday breaks, semester balancing, activity start dates and teacher contract days.

8. **Executive Session**

9. **Tentative Committee & Meeting Dates**

The Personnel Committee will meet at 7:00am on March 17th. The Facilities Committee will meet on the same day as the Curriculum Committee.

10. **Board Comments**

Copsey explained that it is always fun to have student from the various buildings attend Board meetings. He feels it is a great way to highlight a great group of kids who are active at all levels of school activities. He also expressed his appreciate to Bob, Tim and the staff for their hard work on the budget. Shaul reiterated Copsey's thoughts and said it is awesome to see talented kids perform. He also stated that Hastings did a good job on the budget. Upp said it was great to see the speech team perform. This Freshman group was the 3rd OID team in Gering and they did an awesome job. Upp stated that Coach Thompson is doing great job and many students are interested in joining the team. Peters reminded all of a past survey that showed two-thirds to three-fourths of Gering students are involved in extracurricular activities. He feels that this shows the value extra curricular activities. School is a place for academics but students also learn lessons due to extra activities. Peters said he would like to continue to see student presentations at the Board meetings. Doll expressed his appreciation to staff who are resigning or retiring this year. He reminded all that the district is under constant change and Gering has tremendous teachers in the system. The teachers are held in high regard by both students and board members.

6.3. Superintendent's Report

Superintendent Hastings provided an update on the new elementary language arts program. He met with K-6 staff last week to discuss the newly implemented curriculum and student performance on standardized tests. The district applied for and received a Reading First grant, however, because assessment systems have changed during the last 10 years Hastings feels that it is time to examine current programs and strategies, as these new measures of testing have pointed out areas where improvements can be made. Implementation of the new curriculum began last year in grades 3-12 and program adjustments were made in grades 3-5 and 6-12. Hastings has been pleased with the new direction and will now fully transition grades K-2 to Wonders for the 15-16 school year. The training process will occur in late April. Materials will be provided early so staff can become familiar with it prior to additional training that will take place this summer, fall and next spring.

6.4. Curriculum Committee

Peters stated that the Curriculum Committee is pleased with the excitement shown by students pertaining to the new Wonders program. The committee would ultimately like to see a K-12 continuum grading structure and feels that this is a step in that direction. High School Principal Eldon Hubbard presented information to the committee about moving forward with a career academy structure. Current vocational, business, health sciences and marketing programs can be transformed into the career academy. Discussions between GPS and the local community college are taking place. The academy will serve students who do not intend to move on to college after High School.

There is a long list of things to look at and develop over the next few years. Planning will assist in hiring future staff and working with the local college. An advisory group will be formed soon to determine what type of careers are needed. Hastings hopes to have the academy in place next year.

Peters informed everyone that LB343 will focus on career academies and funding attached to them. It is designed to help schools with start-up costs. It is still in the education committee but he encouraged the district to keep an eye on it as we move forward.

CLOSED SESSIONS

A closed, or executive, session will take place as part of an open meeting of the board. The item for discussion in the closed session shall be listed as part of the tentative agenda on the public notice. The motion for a closed session, stating the purpose for the closed session, shall be made and seconded during the open meeting, and approved by a majority of the voting members. The minutes shall state the reason for the closed session, the roll call vote to enter closed session, and the time the closed session began and ended.

The board shall restrict its considerations to only those matters set forth in the minutes as the reason for the closed session. The Board may hold a closed session if it is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. Reasons for the board entering into a closed session from an open meeting include, but are not limited to, the following:

1. Strategy sessions with respect to collective bargaining, real estate purchases, or litigation;
2. Discussion regarding the use of security personnel or devices;
3. Investigative proceedings regarding allegations of criminal misconduct;
4. Evaluations of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if that person has not requested a public meeting.

No formal action may be taken until the board has reconvened in open session.

Any board member may challenge the continuation of a closed session if he or she believes the session has exceeded the reason stated in the motion to hold the closed session. A majority vote of the board is required in order to overrule the challenge. The challenge and its disposition shall be recorded in the meeting minutes.

MEETING NOTICE

Reasonable advance public notice shall be given for meetings and work sessions held by the board by a method designated and recorded in the board minutes. Public notice shall indicate the time, place, date and tentative agenda of board meetings. The designated methods of giving advance notice of meetings of the Board of Education of the Gering Public School District shall be by publication or by posting. If notice is given by posting, such notice shall be given by posting notice in at least three (3) public places throughout the school district. The Central Administration Office, the post office and City Hall are designated posting places, though other or different places at which the public may reasonably be notified are also designated as permissible places. The notice shall be transmitted to the public and a copy kept readily available for public inspection in the office of the superintendent. Except for items of an emergency nature the agenda shall not be altered later than 24 hours before the meeting.

A copy of the public notice will be provided to those who have filed a request for notice with the secretary. These requests for notice must be in writing. A copy of the public notice will also be accessible to employees and students.

In the case of special meetings, public notice shall be given in the same manner as for a regular meeting unless it is an emergency meeting. In that case, public notice of the meeting shall be given as soon as notified of the emergency meeting. Attendance at a special meeting or emergency meeting by board members shall constitute a waiver of notice.

It shall be the responsibility of the board secretary to give public notice of board meetings and work sessions. The secretary shall maintain a list of the news media requesting notification of meetings and shall make reasonable efforts to provide advance notification of the time and place of each meeting and the subjects to be discussed.

PUBLIC PARTICIPATION IN BOARD MEETINGS

The board recognizes the importance of citizen participation in school district matters. In order to assure citizens are heard and board meetings are conducted efficiently and in an organized manner, the board shall set time aside for citizen participation, either at a specific time during the meeting or during the discussion of agenda items. The board has the discretion to limit the amount of time set aside for public participation.

If the pressure of business or other circumstances dictate, the board president may decide to eliminate this practice at a particular meeting. The board president will recognize these individuals to make their comments at the appropriate time. The orderly process of the board meeting shall not be interfered with or disrupted. Only those speakers recognized by the board president shall be allowed to speak. Comments by others are out of order. If disruptive, the individual making the comments or another individual causing disruption may be asked to leave the board meeting.

Citizens wishing to address the board on a certain agenda item must notify the superintendent prior to the board meeting. Citizens wishing to present petitions to the board may do so at this time. However, the board will only receive the petitions and not act upon them or their contents.

Subjects for comment should involve areas within the board's proper responsibility. Discussion on unrelated matters is to be discouraged.

Individuals who have a complaint about employees may bring their complaint to the board only after they have followed board policy addressing citizens' complaints. Students who have a complaint may only bring their complaint to the board after they have followed board policy addressing students' complaints.

Any written or printed materials to be circulated for a meeting of the school board must be submitted to the superintendent by the Wednesday preceding a Monday night meeting. This material will be transmitted to the members of the board for their consideration.

If the board adopts a policy in an emergency situation, a statement regarding the emergency and the need for immediate adoption of the policy shall be included in the minutes. The board shall have complete discretion to determine what constitutes an emergency situation.

The final action taken to adopt the proposed policy shall be approved by a simple majority vote of the board at the next regular meeting after the meeting allowing public discussion. The policy will be effective on the later of the date of passage or the date stated in the motion.

PUBLIC HEARINGS

Public notice of a public hearing shall be in the same manner as for a board meeting and shall be given at least five days before the hearing is to be held.

At public hearings, citizens of the district who register at the door will be allowed to speak on the issue for which the public hearing is being held. Others may be allowed to speak at the board's discretion. Speakers are asked to keep their remarks as brief as possible. Prior to the beginning of the hearing, speakers and spectators will be apprised of the rules of order to be followed regarding time limitations, questions, remarks and rebuttals. In no event will a speaker be allowed to take the time of another speaker.

The board shall conduct public hearings in an orderly fashion. At the beginning of the hearing, statements, background materials and public hearing rules and procedures will be presented by the board president or administrators. The board president will recognize the speakers. A board member may ask questions of the speakers after receiving permission from the board president. Only those speakers recognized by the chair will be allowed to speak. Comments by others are out of order. Individuals who interfere with or interrupt speakers, the board or the proceedings shall be asked to leave.
