6. Reports & Discussions

6.1. Board Recognition

6.1.1. NSAA State Qualifiers--Wrestling & Swimming

Recognition of Gering Public Schools student-athletes who participated in an NSAA state competition during the winter sports season: Wrestling State Qualifiers with Coach Jj Behrens were Marcelino Ramos (106 weight class) and Aaron Tovar (120 weight class). Swimming State Qualifiers with Coach Mike Hayhurst were Cierra Weatherfield (200 Medley Relay & 400 Freestyle Relay, Makala Fogg (200 Medley Relay Alternate & 400 Freestyle Relay Alternate), Jon Hastings (100 Breaststroke & 200 Medley Relay), and John Stark (200 Freestyle, 500 Freestyle, 200 Freestyle Relay, & 400 Freestyle Relay). President Doll distributed certificates.

6.1.2. NSAA State Competition Placers--Swimming

6.2. Gering Freshman Academy Building Report

Students from the Gering Freshman Academy speech team performed their Oral Interpretation of Drama piece for the Board.

6.3. Curriculum Committee Meeting Report

Chairperson B.J. Peters explained that the committee spent time discussing budget cuts, including curriculum and staffing costs. Peters also shared that it was a busy week for the committee as VALTS held their Board meeting as well. There is a better turnout for noon meetings than there

is for evening meetings. VALTS Director George Schlothauer provided an update on program enrollment, which is full.

6.4. Facilities Committee Meeting Report

Chairperson Dr. Jerry Upp said the committee received a second bid on HVAC control units at the Jr. High and High School. The first bids were \$25,000 for the Jr. High and \$18,000 for the High School. The second bid was higher, so the original bids will more than likely be accepted. The Jr. High unit will be replaced this year and the High School unit will be replaced next year. The committee also discussed the replacement of one of the large mowers. Bids are pending for this item.

6.5. Business Committee Meeting Report

Chairperson Brady Shaul explained that the committee approved the bill listing and discussed impacts of budget cuts.

6.5.1. Trial Balance Summary

6.5.2. Fund Balances

6.5.3. Schedule of Investments Held

6.5.4. Financial Statement

Revenues: General Fund-\$1,671,402.61; Depreciation Fund-\$6.36; Cafeteria Fund-\$81,008.90; Activities Fund-\$39,854.93; Fees Fund-\$6,350.00; Bond Fund-\$11,672.43.

6.6. Superintendent's Report

Superintendent Hastings reviewed important legislative dates and discussed the process of Senators prioritizing bills. Topics included a bill to change the requirements of the financial threshold before soliciting bids (from \$40,000 to \$100,000) as an inflationary adjustment with a built in inflationary adjustment every few years; a property tax rate change for agricultural and horticultural land; a bill that combines 2 legislative bills to create a school financial review commission that will make recommendations on an ongoing basis; a bill that would provide funding outside of TEOSA for career academies, fund distance education and broadcasting from larger districts; a bill that would require all votes by public officials to be public record; and a bill that designates the use of lottery funds.

Hastings stated that certification for state aid will occur soon.

Hastings explained that each board committee was provided with an overview of a potential budget deficit over the next year. Current projections show a \$1,200,000 reduction for the next school year. Cuts are complicated by the fact that the district is not currently in a strong cash position. The administrative team was tasked with creating a plan to address cuts while saving jobs and maintaining program integrity. Ideas were then evaluated by instructional and financial impacts on the district. The plan, which has many parts, includes not filling vacant positions, filling openings in a fiscally responsible manner, elimination of elementary coaching positions, temporary cuts to the curriculum and technology budgets for two years, reallocation of federal money and other miscellaneous reductions. Priorities outlined in the strategic planning process will continue to move forward. Gering's per pupil expenditures are the 6th lowest in the state.

7. Action Items

7.1. 2015-2016 School Calendar

Hastings explained that several things were taken into consideration while developing next year's calendar, including spring break, distance learning, staff development, other district calendars, holiday breaks, semester balancing, activity start dates and teacher contract days.

Motion Passed: Approve the 2015-2016 school calendar. Passed with a motion by BJ Peters and a second by Brian Copsey.

Brian Copsey	Yes
Alan Doll	Yes
BJ Peters	Yes
Brady Shaul	Yes
Dr. Jerry Upp	Yes
Mary Winn	Absent

8. Executive Session

9. Tentative Committee & Meeting Dates

The Personnel Committee will meet at 7:00am on March 17th. The Facilities Committee will meet on the same day as the Curriculum Committee.

10. Board Comments

Copsey said that it is always fun to have students from various buildings attend Board meetings and feels it is a great way to highlight a great group of kids who are active at all levels of school activities. He also expressed his appreciation to Bob, Tim and the staff for their hard work on the budget.

Shaul reiterated Copsey's thoughts and said it is awesome to see talented kids perform. He also stated that Hastings did a good job on the budget.

Upp said it was great to see the speech team perform. This Freshman group was the 3rd OID team in Gering and they did an awesome job. Upp stated that Coach Thompson is doing great job and many students are interested in joining the team.

Peters reminded all of a past survey that showed two-thirds to three-fourths of Gering students are involved in extracurricular activities. He feels that this shows the value of extracurricular activities. School is a place for academics but students also learn lessons due to extra activities. Peters said he would like to continue to see student presentations at the Board meetings.

Doll expressed his appreciation to staff who are resigning or retiring this year. He reminded all that the district is under constant change and Gering has tremendous teachers in the system. The teachers are held in high regard by both students and board members.

CLOSED SESSIONS

A closed, or executive, session will take place as part of an open meeting of the board. The item for discussion in the closed session shall be listed as part of the tentative agenda on the public notice. The motion for a closed session, stating the purpose for the closed session, shall be made and seconded during the open meeting, and approved by a majority of the voting members. The minutes shall state the reason for the closed session, the roll call vote to enter closed session, and the time the closed session began and ended.

The board shall restrict its considerations to only those matters set forth in the minutes as the reason for the closed session. The Board may hold a closed session if it is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. Reasons for the board entering into a closed session from an open meeting include, but are not limited to, the following:

1. Strategy sessions with respect to collective bargaining, real estate purchases, or litigation;
2. Discussion regarding the use of security personnel or devices;
3. Investigative proceedings regarding allegations of criminal misconduct;
4. Evaluations of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if that person has not requested a public meeting.

No formal action may be taken until the board has reconvened in open session.

Any board member may challenge the continuation of a closed session if he or she believes the session has exceeded the reason stated in the motion to hold the closed session. A majority vote of the board is required in order to overrule the challenge. The challenge and its disposition shall be recorded in the meeting minutes.

MEETING NOTICE

Reasonable advance public notice shall be given for meetings and work sessions held by the board by a method designated and recorded in the board minutes. Public notice shall indicate the time, place, date and tentative agenda of board meetings. The designated methods of giving advance notice of meetings of the Board of Education of the Gering Public School District shall be by publication or by posting. If notice is given by posting, such notice shall be given by posting notice in at least three (3) public places throughout the school district. The Central Administration Office, the post office and City Hall are designated posting places, though other or different places at which the public may reasonably be notified are also designated as permissible places. The notice shall be transmitted to the public and a copy kept readily available for public inspection in the office of the superintendent. Except for items of an emergency nature the agenda shall not be altered later than 24 hours before the meeting.

A copy of the public notice will be provided to those who have filed a request for notice with the secretary. These requests for notice must be in writing. A copy of the public notice will also be accessible to employees and students.

In the case of special meetings, public notice shall be given in the same manner as for a regular meeting unless it is an emergency meeting. In that case, public notice of the meeting shall be given as soon as notified of the emergency meeting. Attendance at a special meeting or emergency meeting by board members shall constitute a waiver of notice.

It shall be the responsibility of the board secretary to give public notice of board meetings and work sessions. The secretary shall maintain a list of the news media requesting notification of meetings and shall make reasonable efforts to provide advance notification of the time and place of each meeting and the subjects to be discussed.

AGENDA

The tentative agenda for each board meeting shall state the topics for discussion and action at the board meeting. The agenda is part of the public notice of the board meeting and will be posted and distributed.

Persons requesting to place an item on the agenda must make a request to the superintendent prior to the drafting of the tentative agenda. The person making the request must state the person's name, address, purpose of the presentation, action desired and pertinent background information. Requests from the public may be added to the tentative agenda at the discretion of the superintendent after consultation with the board president. Requests received after the deadline may only be added to the agenda for good cause.

The tentative agenda and supporting documents shall be sent to the board members five days prior to the scheduled board meeting. These documents are the private property of the board member. Persons wishing to view the tentative agenda and supporting documents may do so at the office of the superintendent.

The board shall take action only on the items listed on the tentative agenda posted with the public notice. Items added to the agenda may be discussed or taken under advisement by the board. If an added item is acted upon, the minutes of the board meeting shall state the reason justifying the immediate action. Only items of an emergency nature may be added to the agenda later than twenty-four hours before the scheduled meeting.

It shall be the responsibility of the board president and superintendent to develop the agenda for each board meeting.

A consent agenda may be used by the board for noncontroversial business. The consent agenda will consist of routine business that requires action but not necessarily discussion. These items may all be approved at the same time. A board member may ask that any item be removed from the consent agenda. The removed item will then be placed on the regular agenda.

MEETING MINUTES

The board shall keep and maintain permanent records of the board including, but not limited to, records of the minutes of board meetings, documentation received or disclosed in open session of the meetings, and other required records of the board.

It shall be the responsibility of the board secretary to keep the minutes of the board meetings. The minutes of each board meeting shall include as a minimum the following items: a record of the date, time, place, members present, action taken and the vote of each member, and the schedule of bills allowed shall be attached. This information shall be available within 10 days of the board meeting or prior to the next convened meeting, if earlier. Minutes shall be forwarded to the newspaper designated as the official newspaper for publication. The schedule of bills allowed may be published on a once monthly basis in lieu of publication with the minutes. The permanent records of the board minutes may include more detail than is required for the publication of the minutes.

Minutes awaiting approval at the next board meeting will be available for inspection at the office of the superintendent after the board secretary transcribes the notes into written material.

PUBLIC PARTICIPATION IN BOARD MEETINGS

The board recognizes the importance of citizen participation in school district matters. In order to assure citizens are heard and board meetings are conducted efficiently and in an organized manner, the board shall set time aside for citizen participation, either at a specific time during the meeting or during the discussion of agenda items. The board has the discretion to limit the amount of time set aside for public participation.

If the pressure of business or other circumstances dictate, the board president may decide to eliminate this practice at a particular meeting. The board president will recognize these individuals to make their comments at the appropriate time. The orderly process of the board meeting shall not be interfered with or disrupted. Only those speakers recognized by the board president shall be allowed to speak. Comments by others are out of order. If disruptive, the individual making the comments or another individual causing disruption may be asked to leave the board meeting.

Citizens wishing to address the board on a certain agenda item must notify the superintendent prior to the board meeting. Citizens wishing to present petitions to the board may do so at this time. However, the board will only receive the petitions and not act upon them or their contents.

Subjects for comment should involve areas within the board's proper responsibility. Discussion on unrelated matters is to be discouraged.

Individuals who have a complaint about employees may bring their complaint to the board only after they have followed board policy addressing citizens' complaints. Students who have a complaint may only bring their complaint to the board after they have followed board policy addressing students' complaints.

Any written or printed materials to be circulated for a meeting of the school board must be submitted to the superintendent by the Wednesday preceding a Monday night meeting. This material will be transmitted to the members of the board for their consideration.

POLICY DEVELOPMENT

The board has jurisdiction to determine the policies that will govern the operations of the school district with the force and effect of law.

The written policy statements contained in this manual provide guidelines and goals to the citizens, administration, employees and students in the school district community. The policy statements shall be the basis for the formulation of regulations by the administration. The board shall determine the effectiveness of the policy statements by evaluating periodic reports from the administration.

Policy statements may be proposed by a board member, administrator, employee, student or member of the school district community. Proposed policy statements or ideas shall be submitted to the superintendent's office for possible placement on the board agenda. It shall be the responsibility of the superintendent to bring these proposals to the attention of the board.

POLICY ADOPTION

The board shall give notice of proposed policy changes or adoption of new policies by placing the item on the agenda of two regular board meetings. The proposed policy changes shall be distributed and public comment will be allowed at each meeting prior to final board action. This notice procedure shall be required except for emergency situations. If the board adopts a policy in an emergency situation, a statement regarding the emergency and the need for immediate adoption of the policy shall be included in the minutes. The board shall have complete discretion to determine what constitutes an emergency situation.

The final action taken to adopt the proposed policy shall be approved by a simple majority vote of the board at the next regular meeting after the meeting allowing public discussion. The policy will be effective on the later of the date of passage or the date stated in the motion.

In the case of an emergency, a new or changed policy may be adopted by a majority vote of a quorum of the board. The emergency policy shall expire at the close of the third regular meeting following the emergency action, unless the policy adoption procedure stated above is followed and the policy is reaffirmed.

1. This landscape island would serve to capture stormwater from roof drain.
2. These trees would provide shade to the south side of the building and could be surrounded by a seating wall.
3. This little courtyard would be a seating/seclusion area for 6th graders. Two picnic tables on the gravel in the middle. Trees would be planted at the south edge of the modular classroom for shade.
4. This area slopes down to the east away from the modular classroom. Perhaps plant sumac/another shrub or ground cover here.
5. Trellises can border the basketball court providing a backstop and also a growing space for vining or edible plants.
6. Sedge swale for high traffic

Re: School Lunch Prices

As part of the Healthy, Hunger-Free Kids Act of 2010 (Public Law 111-296), Section 205 addresses equity in school lunch pricing. Effective July 1, 2011, School Food Authorities (SFA) participating in the National School Lunch Program are required to provide the same level of support for their paid student lunches as they are for lunches served to students eligible for free and reduced price meals.

With the ongoing modifications required by USDA, our menus continue to change. These changes include serving more fresh fruit and vegetables, serving more products with whole grains and not utilizing breaded meat food products, reduction in sodium and fat, all of which increase our costs. To help ensure we can address our costs and meet these compliance requirements, USDA provides a "Lunch Price Calculator" tool to establish meal prices. Based on the recommendation from the tool we propose the following:

	2014-15 Lunch	2015-16 Lunch	2014-15 Breakfast	2015-16 Breakfast
Elementary	\$2.50	\$2.60 (increase)	\$1.50	\$1.60 (increase)
Secondary	\$2.75	\$2.85 (increase)	\$1.75	\$1.85 (increase)
Adult	\$3.25	\$3.65 (increase)	\$3.25	\$3.40 (increase)

Recommendation: The increase in the secondary lunch and breakfast prices to \$2.85 and \$1.85, elementary lunch and breakfast prices to \$2.60 and \$1.60 and adult lunch and breakfast prices to \$3.65 and \$3.40 respectively is recommended for approval.
