Good Morning Nathan!

We would need \$150 per person (\$50 for the regular deposit and \$100 for airline deposit). So, for example, if you think you will have 90 travelers, the initial deposit will be \$13500. At this point, we always prefer that you estimate high on your passenger count because it is easier to drop a few than it is to add a few. Unless there is some unusual situation, you would not have another payment due until 90 days prior to your trip departure. Have you selected dates of travel yet?

Please see the attached flyer which explains our "Early Bird Discount". We hope you can take advantage of it!

Let me know if you need anything else for now.

Looking forward to working with you!

4. Reports from Staff Members and Committees

The Finance Committee reported on the meeting held on May 9, 2019. Topics of discussion were progress on budget and receipts, Federal payments, Legislative topics, Depreciation Fund priorities, classroom upgrades, the political side of school finance, and the optics of various school activities and how they relate to public perception.

5. Board and Administrative Comments

Mr. Norgaard reported on a couple of legislative bills, LB670 and LB289. LB670 creates income tax credits for non-public school scholarships. The bill siphons funds away from the tax rolls to create the scholarship fund. If McCook students were to use the scholarship funds, there would not be enough movement to cause MPS to reduce staff, but the reduced number of students would affect our state aid which is a negative result for MPS.

LB289 is a property tax relief and school funding bill. The bill provides for a base funding of 33% of Formula Needs in the TEEOSA state aid formula to all schools. The bill also limits the tax levy to six cents above the rate established by the formula. It also reduces property taxes and increases sales taxes. This bill puts more control of school funding in the hands of the state and is reliant on a sales tax base that is difficult to predict.

The Board was provided information on the participation and coach/student ratio for school activities. The information will be used to appropriately staff the activities for the 19-20 school year.

The Board was provided copies of the student handbooks for 19-20 school year. The handbooks will be on the agenda for approval at the June board meeting.

The Board was informed that the band is planning a trip to New York City in the summer of 2020. They will be coming to the June Board meeting to seek approval for the trip.

Mr. Brazell commented on some updates to staff benefits. A new voluntary vision plan will be available next school year. Voluntary life insurance will be available next year. The 403b plan will be reorganized to allow for additional investment opportunities and allow staff to select their own financial advisor.

A custodial RFP has been sent out to the two local vendors. Proposals are due at the end of May.

Curriculum

- Work is being completed for the upcoming school year for August. New teachers will be coming in August 5-9th for their orientation into the district.
- August 6: Mike Schmoker is coming to McCook! See below for more details. BOE is invited!
- Check out mccookplc.com for our mentoring resources and document vault for all our important resources our teachers use every week during PLC's.
- We will be in year 5 of our School Improvement Process Cycle. We will have an external team visit this coming year in the Spring. More details will come in the Fall.

Central Elementary

- Today (6.3.19) was our first day of Summer Extended Learning Opportunity or "Summer School". We had over 135 kids the first day and 111 kids at a free lunch. Central Elementary is the site location for free breakfast/lunch program b/c we had over 50% Free and Reduced Lunch.
- Our Schedule for 19-20 school year is almost complete. It has been a challenge to create a schedule that works for both buildings sharing Music, Media, and Art. Greg and I both think we have something that will work for both of us.
- Our school year quickly came to an end. It's been good to reflect upon the changes made and some tweaks that need to be made going forward at Central Elementary. It's been a challenging but rewarding year. We have excellent teachers/staff here at Central!

McCook School Board Report
June 10, 2019
Special Education Dept., John Hanson, Director

- 1) Little Bison Preschool Summer sessions will run Tuesdays and Wednesdays from 9-11 AM for two weeks in June and two weeks in July.
- 2) DLC Summer sessions will run Mondays-Wednesdays from 8-12 for three weeks in June and three weeks in July. Both programs take the week of the 4th of July off.
- 3) Our annual SPED District Determinations have been released by the state. The highest level a district can get is "meets requirements." Then there's needs assistance, needs improvement and needs substantial improvement. McCook was once again given the highest rating possible-"meets requirements." Some things that the state looks at when determining a district's sped rating includes graduation rate, participation and performance on the state test, at what rate are your students with disabilities being educated in the regular classroom, and do you get your required reports filed with the state in a timely and accurate fashion. If you are interested in seeing our actual report, send me an email.
- 4) Thanks to Mrs. Lynne Kinne, HS Life Skills Teacher, for opening her doors and allowing a couple contract students to attend her transition program...one from Southwest and one from Medicine Valley. It is up to those districts to bus the kids to McCook daily.
- 5) I will be presenting information about our district's SPED program to the McCook Rotary Club on Tuesday, June 18th...MCC student union building at 12:00 PM if anybody is interested.
- 6) Working on enrolling McCook staff, some not sped, into the Maximus system so we can access more Medicaid in the Public Schools (MIPS) funding.
- 7) I will be out of the state on vacation-taking Jayceea to WA state as a graduation present the first 10 days of July.

Activities Committee Meeting

April 12, 2019 @ 7:00 in Conference Room A

- The rationale for only allowing choir students into select choir
 - The rationale for allowing this in other activities such as speech and FFA
 - FFA does require students to take one class a year
 - Choir requires some small group class time in order to learn more music
- Extra duty pay for choir music teacher
 - Yes - for summer work and work in the evenings
 - Compensation did not change when select choir was added several years ago
- Travel time considerations for junior high, freshman and JV sports
 - Logistics, time zones, willing competition, and facilities have a large part to play in this type of decision making
- Are track athletes allowed/encouraged/forced to stay in class as long as possible if they don't have early events?
 - Athletes can stay in school longer and work and more will be done to communicate this to athletes and coaches
- Students missing class
 - Competition
 - Helping at track meets at the events
 - Community volunteers as an alternative to students missing class
 - We do use as many volunteers as we can, but most adults have to take time off from work to support the track events. This leaves us short of support.
- Expense for using the YMCA for swim team
 - The rent on the pool is \$2,500 years a year, which is considered a fair amount especially when compared to what some other schools pay.
 - Costs of pools \$\$\$
- Getting sponsorships/donations for items needed and what foundation can we run those through.
 - Several avenues to do this
 - Athletics have boosters
 - Activities we can take donations in place in activity accounts
 - McCook Foundation, but we need to have requests submitted by Oct 1
- Bathroom facilities for track and tennis
 - Costs of additional facilities is expensive
 - Look at current facilities
 - Less than 10 track meets a year
- Coaches attending state tourneys
 - Part of the coaches compensation
 - Common practice
 - Set amount of dollars is provided and anything beyond that is picked up out of pocket
- Activity sponsorship to student Ratio
 - To be presented at a future date

<p>Select choir--more control over students, some work needs to be done beyond tuesdays, honor choir selections must be in choir class FFA--students must be in one class each year according to National FFA, Speech class only one semester</p>	
<p>Travel time--yes all things are considered. AD's Principals talk regularly about activities and what's best for students. Time is considered, for example, at the JH we don't like contests starting before 4:30 because of interruptions with class if teams were to show up earlier. Also, it allows our coaches to stay in class all day on home contests. Travel is a concern we would like to play our JH and JV contests as close as possible because they fall on school nights and we have younger students involved. Some schools will not play us which has some influence, some schools are not flexible on start time because of getting people out of class to</p>	

<p>work or people off of work to work. Some schools play their games at 2:30 in the afternoon which means we leave at 12 or earlier in order to play these contest which means less class time.</p>	
<p>Home Track Meets we love them and hate them. Hosting home track meets takes a minimum of 40 + workers at the LeRoy Hoehner we have 60. Many of these helpers take off work in order to help and some of our students are used. The rest of the track meets we use more students than volunteers mainly because it takes them away from their jobs. I am not for sure where we find more volunteers I do try to call as many people i know, i have had Rich put it out on the radio and its the same people rarely anyone new. Some of my helpers are getting pretty old. If we are going to have a track team we need to allow them to compete. If we are going to compete they are going to lose class time. We do have a number of people that says they would like to help but can't get off of work.</p>	
<p>We pay the YMCA \$2500 per year which is reasonable Sponsorship donations can go through the Booster Club if they are for athletics.</p>	
<p>Many years we talked about bleachers and has repeatedly told me he didn't them or they are not needed. It wouldn't be a problem to move some bleachers down there--i do think people like being able to sit in their lawn chairs. We would need to place them where it wouldn't interfere with them. A new bathroom would be outstanding, also more sidewalk, also more parking, also ticket booths also a better way to take tickets for track meets.</p>	
<p>Coaches attending state is part of their salary in my opinion. Its a place to get information from other coaches, its a place to network, its a place to learn. I don't know of another district that doesnt use this as part of the coaches salary. It is difficult to find coaches, we expect them to coach their sport year round, on a salary that is based on only the season. We hired Dennis Troester who took a \$2,000 pay cut to coach our kids and then we are going to take the state tournament away from them. I guarantee the only one losing sleep over losses is the head coach and maybe a parent that can't let it go. Coaches put their life into their sport. We host outside activities such as Cattle Trail, District Basketball and Volleyball and some of the money we make from that is used for this. I purchase two rooms for two nights for volleyball, basketball, and football also attends. I am at boys state basketball from Tuesday to Thursday for meetings and i do stay until Saturday. This is the only state tournament i attend some years i help with the Sportsmanship selection for the different classes. I usually room with another AD one or two of those nights.</p>

MPS APPROPRIATE USE AGREEMENT FOR TECHNOLOGY

The use of technology and the Internet at school is a privilege, not a right. In addition, students have no right of privacy to any Internet communications or other electronic files. The network is owned by the school district. As with any school property, any electronic files on the system are subject to search and inspection at any time. Technology privileges may temporarily be revoked at any time for inappropriate behavior, conduct or vandalism. Repeated misuse may result in permanent loss of technology privileges. All users are expected to abide by the generally accepted rules of school policy and network etiquette. These include but are not limited to the following:

- Students may use technology and the internet for appropriate educational purposes; the primary function of such use is to further educational goals and objectives.
- Students shall not share their passwords with fellow students, school volunteers or any other individual, and shall not use, or try to discover, another user's password.
- Students shall not use school computers to gain access to material that is obscene, pornographic, harmful to minors, or otherwise inappropriate for educational use.
- Students shall not use electronic mail, chat rooms, instant messaging or other forms of direct electronic communications on school devices without the direct permission of the building administrator and/or their designee.
- Students are expected to maintain high integrity when using the Internet, applications, devices and other technology tools provided by the district.

Care of Equipment

- Classroom or Lab devices, including but not limited to iPads, Computer Towers, Keyboards, Mice, and Chromebooks, should be handled gently and with care. Students will follow established classroom/building procedures for checking out and checking in equipment used at school.
- Accidental damages shall be reported immediately to supervising teachers or the main office of the building.
- Students may be held financially responsible for damage to school devices up to the cost of replacement as determined by the school administrator and/or their designee.

Google: G Suite for Education (13 and Under) - McCook Elementary

G Suite for Education is a set of education productivity tools used by tens of millions of students and teachers around the world. McCook Public Schools provides a G Suite account for all students grades K-12. At McCook Elementary School, students will use their G Suite accounts to sign into Chromebooks, to complete assignments and to learn 21st century digital citizenship skills. Using their G Suite for Education accounts, students may access the following services:

Google Docs, Sheets, Slides, Forms, Google Drive and Gmail.

When a student uses Google services, Google collects information based on the use of those services. This information includes device information, log information, location information, and search histories. Google uses this information to provide, maintain and protect the services. Google may also use this information to offer tailored content, such as more relevant search results. Google does not serve ads in the Core Services or use personal information collected in the Core Services for advertising purposes. The complete G Suite for Education Notice to Parents and Guardians is available upon request.

Students at McCook Elementary will **ONLY** be able to communicate and share documents with individuals inside our organization. Outside emails and other content are filtered and will not reach the students. The district also utilizes web filtering systems to further protect web searches and detect inappropriate or potentially harmful situations. McCook Public Schools works to maintain COPAA and FERPA compliance. Protecting student safety and their information is a district priority.

By signing the signature page at the back of this handbook, I agree to the terms and conditions of this Appropriate Use Agreement and give permission for McCook Public Schools to create and maintain a G Suite for Education account for my child.

HEALTH RECORDS

Privacy of student records is protected by the Family Education Rights and Privacy Act (FERPA). Only school personnel with a legitimate educational need to know will have access to records. **Staff members who have a need to know specific health information for the safety of the student will be informed of necessary adaptations.** Signed release of information will be obtained from parents before information is shared or requested by any outside agency. Health records are considered to be education records. The Privacy Rule of the Health Insurance Portability and Accountability Act (HIPAA) will only apply when records are requested from a covered entity.

INDIVIDUAL HEALTHCARE PLANS (IHP)

Students that requires an IHP for a medical condition in which they need accommodations at school, please contact the school nurse. IHP's are developed by the school nurse and parents and shared with staff/administration on a need to know basis only, with the sole purpose to keep your student safe while at school.

EMERGENCY ACTION PLANS

Students that have a medical condition (asthma, seizures, diabetes, etc.) in which they need an emergency action plan in place at school, will need to have all paperwork and documentation to the school at the beginning of the school year. All action plans for emergency procedures and medications must be signed by the students physician. **No medications will be given or action plans put in place without a physician signature/authorization.** If a student has a new condition and needs an action plan in place, please contact the school nurse.

FOOD ALLERGIES

Students with food allergies must have a doctors note. Severe food allergies require an action plan. See the school nurse. Parents of students with food allergies should notify the School Health Office. Students requiring dietary modifications from our Food Services Program must have clear, written documentation from a recognized medical authority (licensed physician, physician's assistant, nurse practitioner, registered dietitian, or doctor of osteopathy).

STUDENT HEALTH

The school's goal is to keep students in school where they will benefit from their attendance, while not putting themselves or other students at risk. Students feeling unwell, to the extent that the student is unable to accomplish normal activities, should not be in school. Contagious or infectious diseases transmitted by airborne particles or droplets may require exclusion from school until uncontrolled coughing subsides.

Students with health concerns should be evaluated individually to determine if school attendance is appropriate. The Nebraska State Health Guidelines will be used:

1. Students with a temperature of 100 degrees or more may not be in school. Students may not return until they have been without a fever (less than 100 degrees) for 24 hours **without the use of fever-reducing medication.**

2. Students with serious communicable/infectious diseases must have a doctor's permission slip to return to school and be in accordance with the Nebraska Department of Health and Human Services 173 NAC 3, Attachment 1--Contagious and Infectious Diseases/Conditions. Diseases would include but not limited to:

Diphtheria, Hepatitis A, Meningitis, Pertussis (Whooping cough), Polio, Tuberculosis.

3. Students with the following contagious and infectious diseases/conditions cannot return to school until the following conditions are met:

- a. Chicken pox: Exclude until all lesions are crusted.
- b. Conjunctivitis (pink eye): Exclude symptomatic cases. May return when eye is normal in appearance or with documentation from physician that child is no longer infectious.
- c. Enterobiasis (pinworm, threadworm, seatworm): Exclude until treated as documented by physician.
- d. Fifth Disease: Exclude until fever and malaise are gone. May return with rash; no longer contagious once rash appears.
- e. Hand, Foot and Mouth Disease: Exclude during acute phase and until fever-free for 24 hours without the use of fever-reducing medication.
- f. Impetigo: Exclude until brought under treatment and acute symptoms resolved, at least 24 hours.
- g. Influenza: Exclude for duration of illness and fever free for 24 hours without the use of fever-reducing medications.
- h. Measles: Exclude for duration of illness and for no less than four (4) days after onset of rash.
- i. MRSA (staph bacterial infection): Exclusion unnecessary unless directed by physician.
- j. Mumps: Exclude five (5) days from onset of swelling in the neck. Return with documentation from physician.
- k. Pediculosis (infestation with head or body lice): Students with live lice will be sent home and parents notified. The child must be treated prior to return to school. Students will be evaluated individually by the school nurse regarding head lice. It is recommended that all nits (eggs) be removed, as the removal of nits provides parents and school personnel with a baseline for re-examination to determine possible reinfestation during the weeks following treatment.
If live lice are detected or if an untreated student is infested with nits (eggs), a parent/guardian will be notified of the need to check all household members. Complete nit removal will be emphasized as effective management of head lice. A student who has been sent home from school due to head lice must come accompanied by a parent/guardian to the health office the following morning before school for inspection. If live lice are detected, the student will be sent home with the parent/guardian. If minimal nits are detected that do not appear to be viable, the student will be allowed to return to class and rechecked in 7-10 days.
In the event that a student has TWO cases of live lice in one semester, he or she will be sent home until free of both live lice and all nits.
- l. Ringworm (tinea infections): Exclude until treatment is started, at least 24 hours. Areas must be covered while at school until the lesions are dried.
- m. Rubella (German measles): Exclude for duration of illness and for no less than four (4) days after onset of rash.
- n. Scabies: Exclude until 24 hours after treatment is started.

- o. Shingles/Herpes Zoster: Exclude children with shingles/zoster if the vesicles cannot be covered until after the vesicles have dried.
 - p. Streptococcal infection (scarlet fever, scarlatina, strep throat): Exclude until fever free and under treatment for 24 hours.
4. Students with an unidentified rash **may require immediate exclusion and proof of medical evaluation**. When a rash is observed, school personnel must be notified of the rash.
5. Students will be sent home if they are vomiting or have diarrhea, regardless of whether or not they have a fever. They may not return until 24 hours after their last episode.

MEDICATION

School/trained personnel cannot give medication unless there is a signed medication authorization form from the parent/guardian. Prescription medication must be labeled by the pharmacy and remain in the original container. Medication must be labeled with current prescription. Any changes to the dosage of a daily prescription will require written authorization from the physician. Over-the-counter medication can only be given with a signed medication authorization form from the parent/guardian. Medication must be in the original container and clearly marked with the student's name. Medication authorization must follow label instructions unless a physician's order is received. All medication is to be kept in the school office. An adult is responsible for transporting medicine to and from school. Medication must be picked up by a parent by the last day of school, or it will be disposed of by the nurse.

The school will provide acetaminophen and cough drops to students as needed, and at the nurse's discretion. A medication authorization must be signed and returned to school from the parent/guardian. The student may carry asthma inhalers, auto-injectable epinephrine, diabetic medications or other emergency medication if all the following conditions are met: (Please see the school nurse.)

- A. A signed request from the parent/guardian for the student to self-manage.
- B. Authorization of the student's physician or, for asthma and anaphylaxis, a health care professional who prescribed the medication for treatment of the student's condition.
- C. A written and signed management plan for the condition has been filed with the school nurse, including procedures for storage and access to backup supplies of the medication.
- D. A signed "no-liability" statement from the parent/guardian.
- E. A form to record student-required reports of self-administration.

Breathing emergency medication will be available to be given, in accordance with state policy, if necessary. The Emergency Response to Life-Threatening Asthma or Systemic Allergic Reactions (anaphylaxis) Protocol will be implemented in a school building if there is a breathing emergency while school is in session. Please refer to Rule 59, 79-305 and 79-318, Appendix A. If the protocol is used, 911 will be called. The student must then be transported for medical evaluation.

Any questions or concerns regarding the use of this protocol should be directed to the school nurse at the start of each school year. EpiPens and albuterol provided by the school in compliance with the Emergency Response to Life Threatening Asthma or Systemic Allergic Reactions protocol do not leave the school building and **are not intended to replace a child's own prescribed medication** for asthma or allergies. Only individually prescribed medications will accompany students on field trips or events outside the school building.

Automated External Defibrillators (AEDs) are available in all McCook Public Schools for use in emergency situations. Each site has staff trained to use the AED. Each site has staffed trained in CPR.

For a student either to be excused from physical education or readmitted to physical education activity from any injury and/or illness for more than three (3) consecutive days, a doctor's note will be **required**.

In case of an accident which causes injury to a student, the building administrator, and/or a designee, in consultation with the school nurse, should notify the parent guardian and/or designated responsible person immediately. If the parent and/or designated person cannot be reached, the building administrator, consulting with the school nurse, shall be responsible for determining the course of action. EMS must be utilized if a student:

- is unconscious.
- is in a situation deemed emergent by the school nurse and building administrator, in the event a parent cannot be reached
- has severe bleeding
- is not breathing or having respiratory distress.
- has possible neck or spinal injury.
- has a possible compound fracture.

Law enforcement may be contacted to help locate parents.

3. Copy of records request for transfer students.

A registration packet for a student enrolling will contain:

1. Personal data sheet

EMERGENCY CARD

In cases of emergency, the parent/guardian or a responsible person you have designated on the **EMERGENCY INFORMATION CARD** will be notified. Therefore, it is most important that you complete the information card and return it to school as soon as possible.

It is important that the school office be notified immediately of a change of address, home or office telephone number, family name, or of a change in emergency information during the academic school year.

ATTENDANCE

Effective Date: July 19, 2012

- Parents/guardians need to notify the school office by 8:30 a.m. when a child will be absent. If a student is not in school as expected, the principal's office will attempt to contact the parent or guardian. If the parent or guardian cannot be contacted, the office will contact the proper law enforcement authorities to investigate the absence. For parent convenience, an answering machine will take calls prior to 8:00 a.m.
- Absences are not categorized as excused or unexcused; absent is absent.
- When possible, assignments should be completed before an absence.
- Two school days are allowed for make-up for every day absent.
- Absences due to long-term illnesses will be considered on a case-by-case basis.
- Tardiness is defined as when a student is late to any class. It is not categorized as excused or unexcused; tardy is tardy.

An individual student absent 5 days or more per quarter, or tardy 15 times or more per quarter, will be reviewed by administration and a parent/guardian meeting may occur.

PARENTAL INVOLVEMENT IN SCHOOL

The McCook Public School District hereby finds and declares: Parental involvement is a key factor in the education of child; that parents need to be informed of educational practices affecting their children; and that the school district should foster and facilitate, to the extent appropriate, parental information about, and involvement in, the education of their children. Along these lines:

1. Textbooks, tests and other curriculum materials used in this school district are, and shall be available for review by parents at school upon request. Since textbooks, tests and other curriculum materials constantly change, and may be discarded when no longer needed by the school district, parents wishing to review such items must govern their requests accordingly.
2. Parents/guardians are encouraged to visit school. Please check with your child's teacher regarding the best time to visit. We request that parents not plan visits

during the first two weeks or the last two weeks of school and during specific assessment periods. It is also requested that visits be limited to a reasonable amount of time to refrain from becoming a distraction to the learning environment. All parents and visitors must enter and exit the building through the main doors during school hours. Before visiting a classroom visitors will need to check in at the office and obtain a visitor's badge.

Children not attending the school may not visit unless accompanied by an adult and prior arrangements are made with the classroom teacher. For the least amount of disruption we encourage visits to be no longer than one hour in length.

Parents, grandparents, etc. are welcome to eat school lunch with their child, but are asked to inform office personnel prior to 8:30 a.m. Persons wishing to post bulletins, announcements, or distribute information in the school building must receive permission from the building principal.

3. The school district will excuse students from testing, classroom instruction, and other school experiences, upon parental request, only under circumstances required by law. Parental requests must be in writing and submitted to the proper teacher and administrator a reasonable time prior to the testing, classroom instruction, or other school experience, and must be accompanied by written proof, acceptable to the school district, that the action is required by law. A plan for an acceptable alternative shall be approved by the proper teacher and administrator prior to, or as part of the granting of any parent request.

SCHOOL HOURS FOR ELEMENTARY SCHOOLS

School hours are from 8:00 a.m. until 3:30 p.m. with every Wednesdays being a 2:00 p.m. Students may enter the building beginning at 7:30 a.m. Children should NOT arrive earlier than 7:30 a.m. or remain on the school grounds later than 3:40 p.m. unless they are participating in a supervised activity (breakfast, homework club, etc.). Supervision WILL NOT be provided for students who arrive before 7:30 a.m. or remain later than 3:40 p.m. The above procedures are designed for the safety and well-being of your children. Breakfast is offered at both locations. Please contact your school for more details regarding breakfast.

SCHOOL BUSES

Bus schedules are made through the business manager's office and questions or concerns should be directed to the Business Manager, 344-4400, Ext. 1.

STUDENT INSURANCE

All students have the opportunity to purchase an accident insurance policy. The school district will act as a processing agent for a commercial company.

ELECTRONIC COMMUNICATION DEVICES

We encourage electronic communication devices to remain at home. If you feel that your child needs one of these devices during the day it will be required to remain in the bookbag/locker and powered off during the day to eliminate the possibility of it becoming a distraction to learning environment.

ANIMALS AND TOYS AT SCHOOL

Children and parents must be given permission from their teachers before bringing animals to school.

Personal items are the student's responsibility. The school is not responsible for damage to, or the theft of, items brought to school. Children are not to bring any items which might be potentially dangerous to themselves or others. This might include such things as matches, knives, toy guns and any type of toy which can be readily converted to expel any projectile, etc.

INVITATIONS TO STUDENTS FOR PERSONAL PARTIES

Invitations to selected friends for personal parties will **not be handed out in school**. It is not the responsibility of the school to manage social events not directly related to school.

BIRTHDAY/CLASSROOM SNACKS/TREATS

The safety of our children is of utmost importance. We have students with a wide range of food allergies that may become severe or life-threatening. Therefore, food brought into the classroom for celebrations must be store purchased so ingredient lists may be checked. Parents are also encouraged to make healthy snack choices for your children when purchasing items for them to bring to school.

HOLIDAY CELEBRATIONS

Parents who wish not to have their child participate in holiday celebrations/room parties should inform the classroom teacher and we will make other arrangements for the child during that time.

STUDENT APPEARANCE AND CLOTHING

Students will be expected to keep themselves well groomed and neatly dressed at all times. Clothing and hair that tend to distract the student and his/her classmates from their school work, will not be allowed. Clothing which depicts illegal drug use or advertisements of tobacco or alcohol, obscene gestures or language is specifically prohibited.

Please, see that your child is adequately dressed with warm clothing during cold weather. This includes a heavy winter coat or a snowsuit, cap, mittens or gloves, and snow boots. During

playground times in winter when snow is on the ground, students not wearing snow boots are asked to stay on areas with no snow. (Hard surfaced area if snow is removed.) School personnel have the discretion to not allow a student outside if not properly protected with coat, gloves, etc.

Boots, coats, mittens, stocking caps and other personal belongings should be clearly marked with the owner's full name. Unmarked items that are found will be placed in the lost and found box/area. Clothing that is not claimed at the end of the year will be given to charity. The school is not responsible for lost, stolen or damaged items.

Hats are to be removed when entering the building.

During cold winter weather students will not be taken outside for playground breaks if either the wind chill index or temperature is below 10 degrees F. On physical education days, parents should see that students are wearing comfortable clothing and shoes that will enable them to perform all the P.E. activities. This should include clothing that is not too tight and tennis shoes rather than flip-flops, sandals or hard soled shoes.

SCHOOL BUS EXPECTATIONS

Keep hands, feet and objects to yourself.

No name calling, cussing, teasing or fighting.

Follow behavior directions the first time given; no talking back.

Talk softly.

No eating or drinking on the bus.

Respect school property.

Stay in assigned seat.

Be on time.

McCook Public Schools reserves the right to suspend the bus privileges of any student.

Parents/guardians who wish their children dropped off at another student's home (on the regular bus route) MUST submit this request in writing to the route driver. (24 hour notice MUST be given.)

Any McCook Public Schools' student who wishes to ride the bus to a regular route student's home MUST first have the written permission of his/her parent and the route driver. (24 hours notice MUST be given.)

SCHOOL EXPECTATIONS

Clearly defined rules are necessary for an orderly and successful school. Teachers spend the first few days of the school year teaching the students the rules of their classrooms, playground and lunchroom.

Parents are asked to read the rules and to review them with your child(ren). It is also important that parents model the rules, such as walking on the sidewalk rather than on the lawn and removing hats when in the building.

As circumstances warrant, the principal may deviate from procedures on rules found within this handbook and may establish additional procedures and rules to fit circumstances not included in this handbook.

PBIS EXPECTATIONS

McCook Elementary and Central Elementary both have high behavioral expectations. To help with success both schools implement Positive Behavior Interventions and Supports (PBIS) as a tool to help set expectations for various locations throughout the school. Parental support is extremely important for success with this process. Areas that schoolwide expectations are established include hallways, playground, restrooms, lunchrooms, bus, assemblies, and classrooms. A schoolwide matrix with each area's expectations will be sent home at the beginning of each school year to parents.

STUDENT CONDUCT/CLASSROOM DISCIPLINE

Classroom discipline is the responsibility of the teacher. Both McCook Elementary and Central Elementary utilize Positive Behavior Interventions and Supports. Students will be expected to conform to reasonable standards of speech and conduct in a respectful, courteous manner. Students will refrain from violating or impairing the rights of others and not engage in conduct that deprives other students of an orderly atmosphere for learning. Parents may be notified in the event of behavioral or attitudinal problems. If problems persist, a conference will be requested.

Classroom disciplinary procedures are determined by the classroom teacher in accordance with PBIS. Disciplinary procedures address the inappropriate behavior and are to be reasonable, related and respectful. On occasion a misbehaving student will be required to stay after school. If a parent of the child cannot be contacted that day, the student will be given one day's notice to make arrangements with his/her parents to stay after school.

SCHOOL CONCERNS

There is a chain of command when dealing with problems/concerns. Should there be a concern about something that may have happened or is happening, please follow these steps:

1. Contact the child's teacher first. If it cannot be resolved on this level, then . . .
2. Contact the principal for a conference. If you do not feel the situation has been given proper consideration or resolved after this step, then you may seek further recourse by contacting the Superintendent of schools.

DISCIPLINE

The purpose of discipline is to change the undesired behavior, not to punish the student. The common goal of students, parents, faculty and administration of McCook Public Schools is to maintain a school atmosphere that is conducive to learning. In order to achieve this, McCook Public Schools will continue to review and distribute a set of reasonable and fair rules and policies. Violation of the McCook Public School's rules and policies will result in disciplinary action. The building administrator has the right to modify expectations and consequences based upon unknown situations that may arise.

McCook Public Schools follows the Nebraska School Discipline ACT [LINK](#)

Disciplinary Action. If a student engages in Prohibited Conduct, the Student will be disciplined by expulsion, long-term suspension, mandatory reassignment, short-term suspension, or other disciplinary action. After taking into account the nature and circumstances of the Prohibited Conduct, it is the intent of the District to discipline students to the fullest extent allowed by law.

Procedural Requirements. Short-term suspension or other disciplinary action for Prohibited Conduct may be imposed only after the principal or designee has made an investigation of the alleged Prohibited Conduct. Before such disciplinary action shall take effect, the student shall be given oral or written notice of the alleged Prohibited Conduct and an explanation of the evidence the principal or designee has to support the allegations and the student shall be given an opportunity to present his or her version. The principal or designee shall send a written statement to the student and to the student's parents or guardian describing the Prohibited Conduct and the reasons for such disciplinary action. The principal or designee shall make a reasonable effort to hold a conference with the parents or guardian before or at the time a student returns to school after a short-term suspension.

Any long-term suspension, expulsion, and mandatory reassignment for Prohibited Conduct shall be subject to the procedural requirements set forth in the Student Discipline Act of the Nebraska statutes, as such sections now provide and as may be subsequently amended from time to time.

"Discipline" shall mean all forms of corrective action taken by school personnel, other than suspension and expulsion. The following methods are among those forms considered as "discipline": conferences, detention and acts such as the withholding of privileges or the assignment of tasks. For students with verified disabilities served in special education – all applicable federal and state regulations and rules will be followed.

DUE PROCESS FOR DISCIPLINE

Any student, parent or guardian who is aggrieved by any disciplinary action shall have the right to an informal conference with the appropriate school authority. At such a conference, the student, parent or guardian shall respond to questions by school personnel and shall be entitled to question them in return. Any student, parent or guardian seeking further considerations after this conference shall, upon two school days prior notice, have the right to make a formal protest, either in writing or in person, to the Board of Education at its next regular meeting. Such protests shall be heard in an open meeting unless a closed session is specifically requested by the student and/or his/her parent/guardian. The Board of Education shall notify the student and/or his/her parent/guardian in writing of the decision within ten school days.

SCHOOL OFFENSES DEFINED

- c. Student must be given oral or written notices of charges, an explanation of the evidence against him/her, and an opportunity to present his/her version.

BULLYING

Bullying will not be tolerated. Students who are bullied or witness bullying need to report a complaint of bullying or cyber bullying, orally or in writing, to a staff member. If a parent initiates the complaint, the appropriate staff member will follow-up with the student. After the information has been gathered, the building principal shall be notified of the complaints. The building principal will determine the need for further investigation or the appropriate intervention, which may result in administrative discipline to ensure that the conduct ceases.

Students who engage in bullying of any type are subject to administrative discipline. The form of discipline deemed appropriate by the school administrator may include, but is not limited to, loss of privileges, short term suspension, long term suspension and /or expulsion. A school administrator may also find it necessary to require the perpetrator to undergo counseling or some other form of bullying prevention training. Authorities may be contacted based upon the administrator's discretion. The parents/guardians of any student who engages in bullying will be notified orally or in writing concerning the bullying incident and the disciplinary action taken.

The goal of any disciplinary action is to change the inappropriate behavior. The consistency, scope and degree of bullying employed by the perpetrator will have bearing on an administrator's disciplinary decision.

WEAPONS IN SCHOOL POLICY

On June 1, 1995, the Nebraska Legislature passed LB 658 relating to gun free schools. The gun free schools provision refers to the federal requirement that districts expel a student for one calendar year if they possess or transmit a firearm on school grounds. Superintendents may modify this requirement on a case by case basis. No weapons are to be brought to school.

Students are forbidden to knowingly and voluntarily possess, handle, transmit or use any instrument in school, on school grounds or at a school function that are a weapon, looks like a weapon, or is determined to be illegal or dangerous.

Items which have no school-related purpose should not be brought to school or onto school grounds. Students who are in possession of the aforementioned articles will be subject to suspension or expulsion procedures.

Laws that are covered in this policy:

- Elementary and Secondary Education Act of 1965 (ESEA) as amended (4/31/94) to include the Gun-Free School Act
- Nebraska Student Disciplinary Code as amended by LB 1250 (1994)
- Nebraska Criminal and Juvenile Codes as amended by LB 988 (1994)
- Administrative Procedures for Weapons in School: This procedure shall cover any objects or items which could be used to injure another person or whose clear intent is to resemble an item which could cause injury and which has no school related reason for being in school or on school grounds. Such items will be considered "weapons" for the purpose of this policy.

Lack of student awareness or student intent will not be considered a defense in the McCook School's Weapons in School Policy.

I Guns

Any student who knowingly and voluntarily possesses, handles or transmits a gun in school, on school grounds, or at a school function will be excluded from school for a period of not less than one calendar year. Due process procedures will be followed.

2. The frame or receiver of any such weapon
3. A firearm muffle or silencer
4. Starter pistol
5. B-B gun, pellet or air gun
6. Any destructive device:

II Dangerous Weapons

Any student who knowingly and voluntarily possesses, handles or transmits a dangerous weapon (other than Section I above) shall be excluded from school for a period of not less than one whole semester. If any portion of a semester remains, the exclusion will include that portion plus one complete semester. Due process procedures will be followed.

Other than Section I above, dangerous weapons shall include:

1. knives - any dagger, dirk or stiletto with a blade of over two and one half inches
2. knuckles - any instrument that consists of finger rings or guards made of hard substances that is designed, made or adapted for the purpose of inflicting serious bodily injury by striking a person with a fist enclosed in the knuckles
3. lead pipes
4. chuck-sticks
5. throwing stars
6. darts
7. blackjacks

III Potentially Dangerous and Look Alike Weapons

Any student who knowingly and voluntarily possesses, handles or transmits any potentially dangerous weapons not addressed in Sections I and II above, or a look alike weapon, shall be subject to a short-term exclusion of five days or less during which time a review panel will be convened to review the incident and determine possible continuance of exclusion. The review panel will consist of 1) the administrator of the school of attendance; 2) an administrator from another district facility; and 3) Superintendent of Schools or his/her designee. The panel shall review the facts of the case including the article in question, circumstances of discovery, use of article and intent. Upon completion of the review, the panel may choose to continue the exclusion for a period of up to the remainder of the semester, unless ten or less days remain in the semester, in which case the exclusion will include the following semester.

Items in this category may include but not be limited to:

1. Knives with blades of less than two and one half inches
2. Chains

Books issued by the teacher shall be covered at the request of the teacher.

FEES AND CHARGES

The Board of Education of McCook Public Schools adopts the following student fees policy in accordance with the Public Elementary and Secondary Student Fee Authorization Act.

The District's general policy is to provide for the free instruction in school in accordance with the Nebraska Constitution. This generally means that the District's policy is to provide free instruction for courses which are required by state law or regulation and to provide the staff, facility, equipment and materials necessary for such instruction, without charge or fee to the students.

The District does provide activities, programs, and services to children that extend beyond the minimum level of constitutionally required free instruction. Students and their parents have historically contributed to the District's efforts to provide such activities, programs and services. Such student and parent contributions have included: 1—students coming to school with the basic clothing and personal supplies necessary to be successful in the classroom (clothing, shoes, pencils, pens, paper, notebooks, calculators and the like); 2—students bringing their own or paying the reasonable cost of specialized equipment or supplies for the personal preference or personal retained benefit of students (for example, band equipment, locker deposit or rental fees, shop class materials where the student keeps the product, and college tuition or fees for college credit for advanced placement courses or correspondence courses); 3—students providing their own specialized clothing and equipment to be prepared for the extracurricular activities in which they choose to participate (sporting apparel, including shoes, undergarments and the like); 4—assisting with special programs, such as field trips, summer school, school dances and plays. The District's general policy is to continue to encourage and to require, to the extent permitted by law, such student and parent contributions to enhance the educational program provided by the district.

Under the Public Elementary and Secondary Student Fee Authorization Act, the district is required to set forth in a policy its guidelines or policies for specific categories of student fees. The District does so by setting forth the following guidelines and policies: this policy is subject to further interpretation or guidance by administrative or Board regulations which may be adopted from time to time. Parents, guardians and students are encouraged to contact their building administration or their teachers' activity coaches and sponsors for further specifics.

1. Guidelines for clothing required for specified courses and activities

Students have the responsibility to furnish and wear non-specialized attire meeting general District grooming and attire guidelines, as well as grooming and attire guidelines established for the building or programs attended by the students or in which the students participate. Students also have the responsibility to furnish and wear non-specialized attire reasonably related to the programs, courses and activities in which the students participate where the required attire is specified in writing by the administrator or teacher responsible for the program, course or activity.

The District will provide or make available to students such safety equipment and attire as may be required by law, specifically including appropriate industrial-quality eye protective devices for courses of instruction in vocational, technical, industrial arts, chemical or chemical-physical classes which involve exposure to hot molten metals or other molten materials, milling, sawing, turning, shaping, cutting, grinding or stamping of any solid materials, heat treatment, tempering or kiln firing of any metal or other materials, gas or electric arc welding or other forms of welding processes, repair or servicing of any vehicles, or caustic or explosive materials, or for laboratory classes involving caustic or explosive materials, hot liquids or solids, injurious radiations or other similar hazards. Building administrators are directed to assure that such equipment is available in the appropriate classes and areas of the school building. Teachers are directed to instruct students in the usage of such devices and assure that students use the devices as required, and students have the responsibility to follow such instruction and use the devices as instructed.

2. Personal or consumable items

Students have the responsibility to furnish any personal or consumable items for participating in the courses and activities provided by the District. This includes the responsibility to furnish minor personal or consumable items including, but not limited to, pencils, paper, pens, erasers and notebooks. Equipment or supplies of a specialized nature for certain courses (for example, protractors and math calculators) may be available to students by the District, but students may also be encouraged to purchase their own such equipment or supplies for their own use after school hours or for use during the school day due to the limited number of District items available to the students. A specific class supply list will be published annually in a Board-approved student handbook or supplement or other notice. This list may include refundable damage or loss deposit required for usage of certain District property.

While the District will provide students with the use of facilities, equipment, materials and supplies, including books, the students are responsible for the careful and appropriate use of such property. Students and their parents or guardian will be held responsible for the reasonable replacement cost of school property, which is placed in the care of and lost by the student. Where students are provided school property of a significant value, which may easily be unintentionally damaged, the instructor should give the parent advance notice of the student being given responsibility for the item and the parent may then direct the student not be given the item.

3. Materials required for course projects

Students have the responsibility to furnish or pay the reasonable cost of any materials required for course projects where, upon completion, the project becomes the property of the student. Such materials are subject to the District's fee waiver policy (Section 12). Students must furnish musical instruments for participation in optional music courses that are not extra curricular activities. Use of a musical instrument without charge is available under the District's fee waiver policy (Section 12); however, the District is not required to provide for the use of a particular type of musical instrument for any student.

4. Extracurricular activities—specialized equipment or attire

Extracurricular activities means student activities or organizations which are supervised or administered by the District, which do not count toward graduation or advancement between grades, and in which participating is not otherwise required by the District.

The district will generally furnish students with specialized equipment and attire for participation in extracurricular activities. The District is not required to provide for the use of any particular type of equipment or attire. Equipment or attire fitted for the student and which the student generally wears exclusively, such as dance, squad, cheerleading, and music/dance activity will be required to be provided by the participating student. The cost of maintaining any equipment or attire, including uniforms, which the student purchases or uses exclusively, shall be the responsibility of the participating student. Equipment which is ordinarily exclusively used by an individual student participant throughout the year, such as golf clubs, softball gloves, and the like, are required to be provided by the student participant. Items for the personal medical use or enhancement of the students (braces, mouth pieces, and the like) are the responsibility of the student participant.

Students have the responsibility to furnish personal or consumable equipment or attire for participation in extracurricular activities or for paying a reasonable usage cost of such equipment or attire.

For music courses that are extra curricular activities, students may be required to provide specialized equipment, such as musical instruments, or specialized attire, or for paying a reasonable usage cost of such equipment or attire.

5. Extracurricular activities—fees for participation

The District may charge fees for participation in extracurricular activities. Admission fees are charged for extra curricular activities and events.

6. Post secondary education costs

Direct questions to high school guidance counselor.

7. Transportation costs

Students are responsible for fees established for transportation services provided by the District as, and to the extent, permitted by federal and state laws and regulations.

8. Copies of student files or records

The superintendent or the superintendent's designee shall establish a schedule of fees representing a reasonable cost of reproduction for copies of a student's files or records for the parents or guardians of such student. A parent, guardian or student who requests copies of files or records shall be responsible for the cost of copies reproduced in accordance with such fee schedule. The imposition of a fee shall not be used to prevent parents or students from exercising their right to inspect and review the student's' files or records and no fee shall be charged to search for or retrieve any student's files or records. The fee schedule shall permit one copy of the requested records be provided for or on behalf of the student without charge and shall allow duplicate copies to be provided without charge to the extent required by federal or state laws or regulations.

9. Participation in before- & after-school or pre-kindergarten services

Students are responsible for fees required for participation in before- and after-school or pre-kindergarten services offered by the District, except to the extent such services are required to be provided without cost.

10. Participation in summer school or night school

Students are responsible for fees required for participation in summer school or night school. Students are also responsible for correspondence courses.

11. Breakfast and lunch programs

Students shall be responsible for items which they purchase from the District's breakfast, milk break and lunch programs. The cost of items to be sold to students shall be consistent with applicable federal and state laws and regulations.

Students are also responsible for the cost of food, beverages and personal or consumable items which the students purchase from the District or at school, whether from a "school store," a vending machine, a booster club or parent group sale, a book order club, or the like. Students may be required to bring money or food for field trip lunches and similar activities.

12. Waiver policy

The District's policy is to provide fee waivers in accordance with the Public Elementary and Secondary Student Fee Authorization Act. Students who qualify for free or reduced price lunches under United States Department of Agriculture child nutrition programs shall be provided a fee waiver or be provided the necessary materials or equipment without charge for: (1) participation in extracurricular activities, (2) admission fees and transportation charges for student spectators attending extracurricular activities (3) materials for course projects, and (4) use of a musical instrument in optional musical courses that are not extracurricular activities. Participation in a free-lunch program or reduced-price lunch program is not required to qualify for free or reduced-price lunches for purposes of this section. Students or their parents must request a fee waiver prior to participating in or attending the activity, and prior to purchase of the materials. Materials for course projects to be provided to free or reduced-price lunch eligible students shall be approved by the administration in advance; and shall be comparable in quality and sufficient in quantity to allow the student to demonstrate the required skills.

13. Distribution of policy

The superintendent or the superintendent's designee shall publish the District's student fee policy in the Student Handbook or the equivalent (for example, publication may be made in an addendum or a supplement to the student handbook). The student handbook or the equivalent shall be provided to students of the District at no cost.

14. Student fee fund

The School Board hereby establishes a Student Fee Fund. The Student Fee Fund shall be a separate school district fund not funded by tax revenue, into which all money collected from students and subject to the Student Fee Fund shall be deposited and from which money shall be expended for the purposes for which it was collected from students.

Funds subject to the Student Fee Fund consist of money collected from students for: (1) participation in extracurricular activities, (2) post-secondary education costs, and (3) summer school or night school.

PHOTOGRAPHS/PRESS RELEASES

The media (print and internet) in local and regional publications may periodically photograph students and their names may be released to the media to accompany these photographs unless parents request in writing to the building principal that their student should **not** be included.

Title I Highly Qualified Staff

In Title I schools, it is our goal to keep parents informed and involved in preparing our students academically. Each year, we hold an Annual Title I meeting for parents to learn about Title I and how we administer funds in our buildings and district to provide supplemental academic and support resources for students. We also ask for parent input regarding our Parent Involvement Policy. We share a School Compact form with parents and students in the fall to clarify the role that each of us plays in supporting the academic needs of our students. Finally, you also have the opportunity to request information about the professional qualifications of the teachers and paraprofessionals that work with your child(ren).

Our entire staff is working diligently to ensure that every child meets high academic standards in a safe and caring learning environment. You are welcome to contact me for further information or to find out how you can become involved.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

FERPA is a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.

Parents or eligible students have the right to request that the school correct records, which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.

Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records without consent, to the following parties or under the following conditions:

School officials with legitimate educational interest;
Other schools to which a student is transferring;
Specified officials for audit or evaluation purposes;
Organizations conducting certain studies for or on behalf of the school;
Appropriate parties in connection with financial aid to a student;
To comply with a judicial order or lawfully issued subpoena;
Accrediting organizations;
State and local authorities, within a juvenile justice system, pursuant
of specific state law; and
Appropriate officials in cases of health and safety emergencies.

NON-DISCRIMINATION POLICY

Discriminatory behaviors are those actions which negatively affect another individual because of their race, color, national origin, sex, sexual orientation, disability, age, marital status, pregnancy, conditions related to pregnancy or childbirth, or genetic background. It shall be the policy of the McCook Public Schools to provide an environment free of discrimination. Any behavior of a discriminatory nature that offends anyone under the auspice of the school district shall be subject to the enforcement of this policy.

If a complaint is made regarding discrimination whether by a student, an employee or anyone else on the school premises, the person being discriminated against should immediately inform the principal. The complaint should be placed in writing and presented to the principal. Witnesses will also be asked to make written statements. The principal or his/her designee will begin an investigation. If the principal finds that the complaints are true and accurate, then immediate and appropriate actions or consequences will take place. If the individual making the complaint isn't satisfied with the outcome of the investigation, then he/she should contact the superintendent of schools.

- Foods and beverages sold or served at school will meet the nutrition recommendations of the U.S. Dietary Guidelines for Americans.
- Qualified child nutrition professionals will provide students with access to a variety of affordable, nutritious and appealing foods that meet the health and nutrition needs of students; and will provide clean, safe and pleasant settings and adequate time for students to eat.
- To the extent practicable, our district will participate in available federal school meal programs.

It should include parents, students, representatives of the school food authority, members of the school board, school administrators, teachers, health professionals and members of the public.)

4. **As Punishment:** Physical activity (recess, etc.) will not be used as punishment and will not be withheld as punishment. This guideline shall not apply to extracurricular activities. Educators may use appropriate professional discretion to make exceptions to this guideline. In no event, however, will physical activity be used as a form of corporal punishment.

8. **Staff Wellness:** McCook Public School District highly values the health and well-being of every staff member and will plan and implement activities and policies that support personal efforts by staff to maintain a healthy lifestyle. This wellness team will develop, promote and oversee a multifaceted plan to promote staff health and wellness. The plan should be based on input solicited from school staff and should outline ways to encourage healthy eating, physical activity and other elements of a healthy lifestyle among school staff. MPS staff members are encouraged to serve as healthy role models for students. School employees serve as positive role models by adhering to vending guidelines adopted for students.

INTRODUCTION TO MCCOOK PUBLIC SCHOOLS

Welcome to McCook Public Schools. The Board of Education has provided excellent facilities and an excellent staff. Guidance counselors, teachers, and administrators will provide all the assistance possible, but the individual student must provide the effort and the determination for success.

An education from McCook Public School will provide a balanced academic foundation for post-secondary endeavors. McCook Public Schools students compete very successfully with other Nebraska students in all activities and athletics.

It is the mission of McCook Public Schools' community to equip all students to succeed in a complex global society. This mission is based on the following beliefs about how students learn and what they must know to be responsible and contributing citizens in a global society.

We believe all students can learn and it is the responsibility of educators to ensure all students meet or exceed state and national standards.

We believe educators are responsible for providing all students with the opportunity to learn in a mutually respectful, safe, orderly, and caring learning environment.

We believe educators are responsible for establishing high expectations to promote success and challenge all students.

We believe educators are responsible for developing a partnership based on two-way communication between the school, community, and home.

We believe educators are responsible for ensuring students develop critical thinking, creative thinking, problem solving, and technological skills to prepare them for the 21st century workplace.

We believe parent and community involvement is an important factor in student success.

A. REGISTRATION

The counseling department will pre-register all students for the upcoming year. From this pre-registration, the schedule will be built for the next school year. Seniors will enroll in five (5-7) classes, freshmen, sophomores and juniors will enroll in seven (7) classes.

Students are encouraged to take college classes during their high school careers. Those classes will be counted as dual credit **ONLY** if the college instructor is a high school certified teacher in the state of Nebraska. All college class fees are the responsibility of the student and/or parent/guardian. For classes that are available and information about said classes, please contact the guidance office.

B. SCHEDULE CHANGES

Any schedule change requests must be on the recommendation by the teacher of the class in which the student is enrolled and be approved by the principal/assistant principal and a counselor. ALL parents are to be notified of ALL schedule changes. Except in special situations, classes may be added or dropped only during the first five school days of the first semester or first three school days of the second semester. Classes and instructors are assigned by the administration. Due to a variety of reasons, requests for a specific instructor or class period may not be honored. If a student chooses to drop a class after the five-day limit, but before the end of the nine weeks of the semester, they will receive either a **WP** for withdrawn passing or **WF** for withdrawn failing.

Any student that withdraws (except for the reasons listed below) from a class after the ninth week of a semester will receive an F (failing) for the semester on their permanent transcript regardless of their actual percentage. This F (failing) will be utilized in computing the student's grade point

average (GPA). If a student has had to withdraw from a class due to illness or injury, placement in a residential treatment program, homebound program, transferred to another school, or made prior arrangements with the teacher, counselor, and administration, he or she may receive a WP or WF.

H. SEMESTER EXAMS

All courses may conclude with a semester exam. The exam may count up to ten percent of the semester grade.

I. REPORTING STUDENT PROGRESS

The following are the three primary ways in which the school attempts to report the evaluation of the student's progress and achievement in school to the parents:

1. Report cards - The report card indicates the teacher's appraisal of the student's accomplishments. They will be issued within two weeks after the end of each semester at the high school, and end of quarter at the junior high.

2. Progress reports -- When a student is doing unsatisfactory work in school, i.e., failing or doing work below his/her ability in a given subject, the teacher will send home in the middle of each nine-week marking period a progress report indicating why this situation exists, at the junior high. Progress reports at the high school will be available twice during each semester. This allows the student a chance to improve before report cards are issued as well as informing the parents of what is happening. If student academic progress drops significantly any point after progress reports, the student's parents will be notified.

3. Conferences - The third method of reporting the student's progress is Parent-Teacher Conferences. All parents are urged to attend these conferences. Individual conferences may be set up at any time during the year at the request of the parent. Parent/Teacher conferences for individual students will be arranged at anytime if requested by a parent or teacher.

The junior high school mails out report cards and progress reports to parent/guardians. The senior high sends an electronic notification that grades have been posted. Grades are available district wide on Infinite Campus. To set up a parent portal in Infinite Campus, parents will need to contact the high school registrar for a username and password. The link for Infinite Campus is available on the McCook Bison website (mccookbison.org), under menu choose Infinite Campus and put in your username and password. Parents may also download the Infinite Campus App on their smartphones. Parents use "Campus Parent" and students use "Campus Student".

K. STUDENT PERMANENT RECORDS

Student permanent records contain the following information:

1. Personal Data
 - a) family information
 - b) health record
 - c) scholastic record
 - d) extra-curricular activities record
 - e) vocational interests and preferences
 - f) standardized test scores

INDIVIDUAL HEALTHCARE PLANS (IHP)

Students that requires an IHP for a medical condition in which they need accommodations at school, please contact the school nurse. IHP's are developed by the school nurse and parents and shared with staff/administration on a need to know basis only, with the sole purpose to keep your student safe while at school.

EMERGENCY ACTION PLANS

Students that have a medical condition (asthma, seizures, diabetes, etc.) in which they need an emergency action plan in place at school, will need to have all paperwork and documentation to the school at the beginning of the school year. All action plans for emergency procedures and medications must be signed by the students physician. **No medications will be given or action**

plans put in place without a physician signature/authorization. If a student has a new condition and needs an action plan in place, please contact the school nurse.

FOOD ALLERGIES

STUDENT HEALTH

The school's goal is to keep students in school where they will benefit from their attendance, while not putting themselves or other students at risk. Students feeling unwell, to the extent that the student is unable to accomplish normal activities, should not be in school. Contagious or infectious diseases transmitted by airborne particles or droplets may require exclusion from school until uncontrolled coughing subsides.

Students with health concerns should be evaluated individually to determine if school attendance is appropriate. The Nebraska State Health Guidelines will be used:

1. Students with a temperature of 100 degrees or more may not be in school. Students may not return until they have been without a fever (less than 100 degrees) for 24 hours **without the use of fever-reducing medication.**
2. Students with serious communicable/infectious diseases must have a doctor's permission slip to return to school and be in accordance with the Nebraska Department of Health and Human Services 173 NAC 3, Attachment 1--Contagious and Infectious Diseases/Conditions. Diseases would include but not limited to:
Diphtheria, Hepatitis A, Meningitis, Pertussis (Whooping cough), Polio, Tuberculosis.
3. Students with the following contagious and infectious diseases/conditions cannot return to school until the following conditions are met:
 - a. Chicken pox: Exclude until all lesions are crusted.
 - b. Conjunctivitis (pink eye): Exclude symptomatic cases. May return when eye is normal in appearance or with documentation from physician that child is no longer infectious.
 - c. Enterobiasis (pinworm, threadworm, seatworm): Exclude until treated as documented by physician.
 - d. Fifth Disease: Exclude until fever and malaise are gone. May return with rash; no longer contagious once rash appears.
 - e. Hand, Foot and Mouth Disease: Exclude during acute phase and until fever-free for 24 hours without the use of fever-reducing medication.

- k. Pediculosis (infestation with head or body lice): Students with live lice will be sent home and parents notified. The child must be treated prior to return to school. Students will be evaluated individually by the school nurse regarding head lice. It is recommended that all nits (eggs) be removed, as the removal of nits provides parents and school personnel with a baseline for re-examination to determine possible reinfestation during the weeks following treatment.

If live lice are detected or if an untreated student is infested with nits (eggs), a parent/guardian will be notified of the need to check all household members. Complete nit removal will be emphasized as effective management of head lice.

A student who has been sent home from school due to head lice must come accompanied by a parent/guardian to the health office the following morning before school for inspection. If live lice are detected, the student will be sent home with the parent/guardian. If minimal nits are detected that do not appear to be viable, the student will be allowed to return to class and rechecked in 7-10 days.

In the event that a student has TWO cases of live lice in one semester, he or she will be sent home until free of both live lice and all nits.

- l. Ringworm (tinea infections): Exclude until treatment is started, at least 24 hours. Areas must be covered while at school until the lesions are dried.

- p. Streptococcal infection (scarlet fever, scarlatina, strep throat): Exclude until fever free and under treatment for 24 hours.

4. Students with an unidentified rash **may require immediate exclusion and proof of medical evaluation.** When a rash is observed, school personnel must be notified of the rash.

5. Students will be sent home if they are vomiting or have diarrhea, regardless of whether or not they have a fever. They may not return until 24 hours after their last episode.

The school will provide acetaminophen and cough drops to students as needed, and at the nurse's discretion. A medication authorization must be signed and returned to school from the parent/guardian.

The student may carry asthma inhalers, auto-injectable epinephrine, diabetic medications or other emergency medication if all the following conditions are met: (Please see the school nurse.)

- A. A signed request from the parent/guardian for the student to self-manage.
- B. Authorization of the student's physician or, for asthma and anaphylaxis, a health care professional who prescribed the medication for treatment of the student's condition.
- C. A written and signed management plan for the condition has been filed with the school nurse, including procedures for storage and access to backup supplies of the medication.
- D. A signed "no-liability" statement from the parent/guardian.
- E. A form to record student-required reports of self-administration.

Breathing emergency medication will be available to be given, in accordance with state policy, if necessary. The Emergency Response to Life-Threatening Asthma or Systemic Allergic Reactions (anaphylaxis) Protocol will be implemented in a school building if there is a breathing emergency while school is in session. Please refer to Rule 59, 79-305 and 79-318, Appendix A. If the protocol is used, 911 will be called. The student must then be transported for medical evaluation.

Any questions or concerns regarding the use of this protocol should be directed to the school nurse at the start of each school year. EpiPens and albuterol provided by the school in compliance with the Emergency Response to Life Threatening Asthma or Systemic Allergic Reactions protocol do not leave the school building and **are not intended to replace a child's own prescribed medication** for asthma or allergies. Only individually prescribed medications will accompany students on field trips or events outside the school building.

Automated External Defibrillators (AEDs) are available in all McCook Public Schools for use in emergency situations. Each site has staff trained to use the AED. Each site has staffed trained in CPR.

For a student either to be excused from physical education or readmitted to physical education activity

from any injury and/or illness for more than three (3) consecutive days, a doctor's note will be **required**.

In case of an accident which causes injury to a student, the building administrator, and/or a designee, in consultation with the school nurse, should notify the parent guardian and/or designated responsible person immediately. If the parent and/or designated person cannot be reached, the building administrator, consulting with the school nurse, shall be responsible for determining the course of action. EMS must be utilized if a student:

- is unconscious.
- is in a situation deemed emergent by the school nurse and building administrator, in the event a parent cannot be reached
- has severe bleeding
- is not breathing or having respiratory distress.
- has possible neck or spinal injury.
- has a possible compound fracture.

Law enforcement may be contacted to help locate parents.

REVISED NEBRASKA STATUTES 71-6902-04, 09

Nebraska Revised Statute 71-6909 requires that on or before October 1 of each school year, each school district shall provide written information to all students explaining the provisions of Neb. Rev. Stat. 71-6902 with regard to the requirements for parental notification as a condition for obtaining an abortion and the provisions of Neb. Rev. Stat. 71-6903 and 71-6904 with regard to seeking a judicial waiver of notification.

If a woman under the age of 18 who is not self-supporting or married becomes pregnant and decides to have an abortion in Nebraska, certain laws apply to her.

NOTICE FROM DOCTOR TO PARENT OR GUARDIAN

Nebraska law requires that one parent (chosen by the pregnant woman) or a legal guardian must be told by her doctor that an abortion is scheduled. The doctor must personally deliver or mail the notice. The parent or guardian does not have to give permission; the parent or guardian simply has to be told. The doctor must wait at least 48 hours after written notice has been delivered to the parent or guardian before the abortion can be performed.

WAIVER OF NOTICE

If the pregnant woman doesn't want her doctor to notify one of her parents or legal guardian, she must request that a judge authorize the abortion without written notice to a parent or guardian. This process is referred to as a judicial waiver of notification.

JUDICIAL WAIVER OF NOTIFICATION

FORMS AND INSTRUCTIONS

The pregnant woman must fill out a special form to ask for a waiver. The Waiver of Notification form can be found at any courthouse in Nebraska in a place where anyone can pick it up without asking. The form has instructions on how to fill it out and where and how to turn it in.

LEGAL HELP

The pregnant woman can get free legal help. If she asks, the court will provide her with an attorney at no cost to her.

MEETING WITH THE JUDGE

The judge will meet privately with the pregnant woman, her attorney, and any other person she wants to be present.

JUDGE GRANTS OR DENIES THE WAIVER

The judge will authorize the abortion without notifying a parent or guardian if the judge determines that the pregnant woman is mature and capable of giving informed consent to the abortion or that the abortion would be in her best interest. If the judge does not grant the waiver, then the doctor must notify the pregnant woman's parent or guardian of the pending abortion.

APPEAL TO THE NEBRASKA SUPREME COURT

If the judge does not authorize the abortion without notifying a parent or guardian, the pregnant woman may appeal to the Nebraska Supreme Court to authorize the abortion without notification to her parent or guardian.

PRIVACY AND CONFIDENTIALITY

All records, forms, and court proceedings regarding the waiver or an appeal are private, confidential, and will not be made public without the pregnant woman's permission. For additional

information regarding the law dealing with parental notification of an abortion, refer to Nebraska Revised Statutes 71-6901 to 71-6909

PREGNANT OR PARENTING STUDENTS

The District recognizes that pregnant or parenting students have the right and responsibility to attend school. This attendance right and responsibility applies to students regardless of their marital or parental status. The District will educate pregnant or parenting students and will provide reasonable accommodations to support and encourage all pregnant or parenting students to obtain their high school diploma. No student will be excluded from, denied the benefit of, or discriminated against under any educational program or activity because of pregnancy or parenting responsibilities.

Attendance and Leave of Absences

Pregnant or parenting students will be permitted to attend to their own health care, their child's medical care, or other appointments related to pregnancy or parenting with the benefit of having any such absences or tardiness excused. A student will be permitted to take a leave of absence for pregnancy, childbirth, and any other prenatal and postnatal related medical needs, along with related recovery for the duration that is considered medically necessary by the student's licensed health care provider. At the conclusion of the leave of absence, a student will be immediately enrolled in the District at the same grade and status as when the leave began. Pregnant or parenting students shall be allowed to participate in all activities including extracurricular activities throughout the student's pregnancy and following unless administrators determine such participation poses a significant risk of injury to the student or to others. A pregnant or parenting student may be asked to obtain certification from the student's licensed health care provider regarding the student's safe participation in an extracurricular activity when such certification may be required of students for other conditions which require the attention of a licensed health care provider.

Any absences accumulated due to pregnancy or pregnancy-related conditions, or care for an ill child, should not count towards any district policies in effect under compulsory attendance requirements. Pregnant or parenting students with excused absences or tardiness shall be treated like all other students with excused absences or tardiness for any other medical reasons.

Pregnant or parenting students will be provided with assignments, classwork and any additional support needed to help the student keep up with class requirements due to absences related to pregnancy or parenting.

Alternative means to complete course work

The District will provide at least one alternate method, in addition to traditional classroom instruction to keep pregnant or parenting students in school. Such accommodation(s) may include accessing coursework online, home-based independent study, or at-home

tutoring. Alternative methods of instruction or other alternative programs for pregnant or parenting students are voluntary for the student who may elect whether to engage in an alternative method of instruction or the traditional methods of instruction available to their peers. Pregnant or parenting students shall be allowed to attend their regular classrooms and complete regular coursework.

Lactation

The District will provide reasonable time and space to accommodate lactating students to express breast milk or breastfeed during the school day. Such accommodations will be in a location, other than a bathroom or closet, that is private, clean, has an electrical outlet, a chair and is reasonably accessible. Students shall also be provided a food-safe refrigerator to store breast milk.

Child Care

If in-school child care is not provided, a list of qualified licensed child care providers will be provided when requested by pregnant or parenting students. The list will be updated annually and include providers that participate in the quality rating and improvement system and meet all of the quality rating criteria for at least a stepthree rating in keeping with the Step Up to Quality Child Care Act. Nothing in this policy is intended to prohibit or limit any referral for a student or a student's child to an early Head Start program or any other available community resources.

Privacy and Confidentiality

Pregnant or parenting students have the right to have their health and personal information kept confidential in accordance with law. School staff will make every effort to keep personal information and health records confidential and in compliance with Nebraska and federal law.

Information about students' pregnancies and related conditions will not appear in their cumulative record and will not be used when they are being considered for educational or job opportunities, awards or scholarships.

Other Accommodations

Pregnant or parenting students are here notified that they may request additional reasonable accommodations to ensure continued participation and enrollment in school. Accommodation requests will be evaluated on a case-by-case basis by the building principal. Such accommodations may include but are not limited to: additional frequency allowed for bathroom breaks, additional time allowed in between class periods, a larger desk or additional work space, and adjustments to requirements for physical education as needed.

Bullying and Harassment

Pregnant or parenting students have the same rights as other students to be free from discrimination, bullying, and harassment. Such school policies are in place and apply to all students.

C. INSURANCE

The school district does not carry insurance on students in school or at school activities. However, for your convenience, the school district does offer you a reliable insurance company that will insure your student. An application will be sent home with your student. If you want coverage, complete the application and return it to school with the premium. No cash will be accepted, please pay by either a check or money order. Forms must be returned to the principal's office as soon as possible.

D. GUIDANCE SERVICES

The Guidance Counselors will be available to assist students in scheduling, testing, vocational and college choices. The counselors are available to assist in planning and preparation of all types of goals and can be very helpful to students with personal as well as academic problems. If you wish to talk to the counselor, stop by the office and arrange a conference. A school counselor, school nurse, or school psychologist may have contact with your child sometime throughout the year.

E. TESTING

Grades three through eleven (3-11) will be given a standardized achievement test during the school year. Information concerning registration for various tests, will be provided by the counselors.

F. PHYSICAL EDUCATION

Physical Education is required of all students in the appropriately scheduled grade levels. A note from a parent presented to the office can temporarily excuse a student from physical exercise for reasons of injury or illness. **At the junior high, if a student is medically removed from Physical Education they cannot participate in noon recreation, sports, intramurals, and 6th grade track day.** Grade 6-12 each student is responsible for providing his/her own physical education clothes. Recommended clothing are: tennis shoes (should not have black soles), sweat socks, gray shorts, gray t-shirt, towel and undergarments. It is recommended that student's P.E. clothes and towels be marked with his/her name in permanent ink. Lockers are provided for street clothes and can be locked. Students need to provide their own locks. Students need to take P.E. clothes and towels home each weekend for laundering. Students are not permitted to borrow P.E. clothes or towels from another student. It is expected that each student will have his/her own clothes and towels each day that class is in session -- failure to bring these items is the same as failure to bring books, paper or pencils to other classes. Students are not permitted to attend other classes in P.E. clothes. At the junior high, the PE shirt can be purchased at the Sports Shoppe or McCook Lettering.

G. FOREIGN EXCHANGE STUDENTS

We welcome the foreign students we have each year in our school. They are entitled to and are given the rights and responsibilities of all students.

H. LOCKERS

The school district provides hall lockers in which pupils may store personal belongings. The school also furnishes lockers in the gym for the purpose of giving students a place to put their street clothes when changing for gym classes. Locks are furnished for hall lockers. Although the school supplies a place for students to store their belongings, it cannot take the responsibility of these belongings. The student is responsible for his/her own property and therefore, should make sure that his/her locker is kept locked at all times, that he/she does not share his/her locker, and that he/she does not let anyone else know the combination to his/her lock or loan his/her keys to another student. Designated areas will be assigned for each grade level and

students are asked to place their belongings in the lockers that have been assigned to their grade level. All students will be assigned lockers by the principal. All lockers are property of the school and may be inspected at any time.

I. PERSONAL PROPERTY

The principal's office does maintain a lost and found department. Lost items should be reported to the teacher and/or office immediately once its absence is discovered. Any item that is found by a student must be turned into the teacher where it was found or to the office. Lost and found items not claimed at the end of the school term will be discarded. The school does not accept responsibility for any lost or stolen personal property.

J. FIRE /TORNADO DRILL PROCEDURES

Every precaution is taken to ensure the safety of your child during normal school hours. Periodic fire and tornado drills are executed to make certain students learn proper safety procedures and adhere to all safety guidelines.

K. DAILY ANNOUNCEMENTS

Junior high announcements are made in the first and sixth period classes. Students should pay close attention so they know what is going on. Senior high announcements will be made at the beginning of WIN period.

L. DAILY AND WEEKLY BULLETINS

Written bulletins will be sent to the teachers as needed. Much of the information on these bulletins will be for the teachers, however, some of the more important student announcements will be on these, also. Teachers will read these announcements to the students from time to time.

M. BREAKFAST/LUNCH

McCook Public Schools offers breakfast and lunch through food services. Each student will have a four digit number he/she can memorize to purchase food. Each school has a computer with a key pad for the students to enter their number before making a purchase.

At the junior high, food service offers breakfast to students before class starts each day. Students do have a second chance opportunity for breakfast during the second period passing time to be eaten in their classroom. Students may bring sack breakfasts, but they must be eaten in the cafeteria before school or the 2nd period classroom. Those bringing sack breakfast may purchase milk from food services. Breakfast is not served on late start days.

The junior high operates on a closed campus. This means that the student must be in an assigned area over the lunch period. The lunch schedule is changed each week so that all students have the opportunity to eat first. Parents wanting students dismissed for lunch need to physically come to the office and sign students out over the lunch period. Parents are encouraged to deposit money in their lunch account on a monthly basis. Students may bring sack lunches, but they are to be eaten in the cafeteria. Those bringing sack lunches may

purchase items such as milk, potato chips and ice cream from the ala carte' line. Students are not to bring candy or pop to school unless it is to be eaten with the sack lunch. Food and/or beverages are not to be brought in the halls, classes or stored in lockers. Students are allowed to store water bottles in their locker and take them to class provided the bottle is translucent, the contents can be viewed, and not a distraction.

An activities program is offered for students during the junior high lunch break. This is a supervised program. It does offer students an opportunity to participate in some team activities during the lunch break. Tennis shoes are required for participation on the gym floor. They must not have black soles. When a student is excused from participating in PE, they are also restricted from participating in noon rec.

Senior high students can go home for lunch, to the junior high cafeteria or downtown. If you eat lunch in the Senior High School building, you must eat in the Commons Area. If a teacher has called a lunch meeting and the teacher is present, you may eat in a classroom with the supervising teachers (sponsors) permission. During the lunch break at Senior High School, all students are to be in the lower halls. When leaving the school area in cars and returning, it is important that everyone practices safe driving procedures.

MAINTAINING STUDENT LUNCH ACCOUNT FUND ACCOUNTS

McCook Public Schools offers both a breakfast and a lunch program in conjunction with Opaal Food Management Inc. The school district uses an electronic accounting system to assist us in keeping accurate records. The school lunch program is supported by Federal and State Funding and is operated as revenue neutral. This means the School shall not operate the program to make a profit, but the cost of the meals should pay for the expense of operating the program.

Each student will be issued an account with the McCook Public Schools Lunch Program. Parents/Guardians should make deposits to their students lunch account and are responsible to maintain a positive student lunch fund account balance. The School will notify students and parents/guardians when an individual student's account needs deposits to maintain the account in a positive balance.

All students will be notified verbally and a written note will be sent home to inform parents/guardians that additional deposits need to be made to the student's account.

Once a student's lunch account has a negative balance that student will continue to be able to purchase a Type A regular school lunch until the account reaches a -\$20 balance. Negative lunch accounts will NOT be allowed to purchase ala carte or "C" items. The only "C" items for grade K-4 is extra milk. Grades 5-12 have additional "C" items.

After five days that an individual student's account is in a negative balance, the office of the school that the student attends will contact the parents/guardians either by phone or in writing and let them know that a deposit will need to be made immediately.

If an individual Junior or Senior High student's lunch account remains in a negative balance for 10 days or when it reaches the maximum of -\$20, then the student will be refused lunch service until the student's lunch account has a positive balance.

If an individual elementary student's lunch account remains in a negative balance for 21 days or when it reaches the maximum of -\$20, then the school shall have the right to refuse services for the school lunch until the student's lunch account is brought back into a positive balance.

If an individual elementary student's lunch account remains in a negative balance for 10 days, then the school may substitute menu items from the regular lunch account until their lunch account balance is brought back into a positive balance.

When an individual student's lunch account remains in a negative balance for more than 15 days, the District Office will contact the parents/guardians to resolve the student's account balance.

Applications for free and reduced meals may be obtained from any building principal's office or the superintendent's office. Keep in mind you are still responsible for any charges incurred on your account prior to any free or reduced application approval. A new free and reduced form is required every year. Also, any students on free or reduced lunches are charged FULL PRICE for any second breakfast or lunch they take and you are responsible for that payment.

N. CAFETERIA

Student cafeteria accounts are managed within a computerized account tracking system. Cafeteria account balances may be viewed on Infinite Campus. Parents are requested to deposit money in the lunch account for meals one month in advance. A student must have a positive balance to participate in the Lunch Program. Students will be notified when their account reaches a balance of less than \$5.00. If an account falls in the negative, the student will be denied a lunch. After 10 meals without payment, a student will be denied the use of the cafeteria. Deposits to your lunch account must be delivered to the school office no later than 9 AM in the morning to be credited to your account that day. The cafeteria does not cash checks nor will change be given when a check is presented. Statements will be provided to your parents upon request. It is the student's responsibility to tell parents when you have been notified of a low balance. Students may bring their own lunch if they plan to eat in the cafeteria during lunch break.

Free and reduced price lunches cannot be issued until the correct forms are filled out by parents, returned to the office and approval given. Any student qualified for free or reduced meals the previous year will be able to start school with this qualification but the proper forms need to be filled out and returned to the office as soon as possible.

(Forms are available in the principal's office for fund-raising activities). No student shall be permitted to engage in such activities during regular school hours and while classes are in session.

Q. TELEPHONE

School telephones are considered business phones, with limited use by students. The telephone on the counter of the junior high office is for student use before or after school only. Student calls during the day will be on an emergency basis only. Students will not be called out of class for a telephone call except in case of extreme emergency and only at the request of parent or guardian. The office staff will take and deliver messages to students at the end of a class period. We do ask your cooperation in receiving messages during the school day.

It is necessary to keep our mailing lists and records up-to-date in order to keep parents/guardians informed of school happenings.

S. ACTIVITY TICKETS

Activity tickets for junior and senior high school students will be available in the principal's offices. All students grades 7-12 participating in an activity governed by the NSAA will be required to purchase an activity ticket with the exception of Junior High Band and Choir. NSAA activities include journalism, band, music, speech, drama, cheerleading, dance, and all sports. An activity ticket will allow a student into all McCook Public School athletic events, excluding conference, district and state events, and can also be used as an identification card when attending events out of town.

T. VISITORS

All visitors to the McCook Public School buildings are asked to report to the office. Solicitors and friends will not be permitted to visit students or teachers during school time. Students who wish to bring guests must seek approval from the principal/assistant principal twenty-four hours before doing so. Parents are welcome and encouraged to come visit school at any time.

U. SCHEDULING OF EVENTS

Students are reminded that any activity of any organization needs to be cleared by the sponsor, approved by the principal and the activities director, then placed on the school calendar in the office. These matters need to be taken care of at least a week (five school days) in advance of the event. Building use Forms are available in the Activity Director's office. If this procedure is not followed, school time and/or facilities will not be used.

Video cameras may be used in locations as deemed appropriate by the Superintendent. Notice is hereby given that video surveillance may occur on District property. In the event a video surveillance recording captures a student or other building user violating school policies or rules or local, state or federal laws, the video surveillance recording may be used in appropriate disciplinary proceedings against the student or other building user and may also be provided to law enforcement agencies. No cameras will be used in restrooms and/or locker rooms.

Z. FEES AND CHARGES

The Board of Education of McCook Public Schools adopts the following student fees policy in accordance with the Public Elementary and Secondary Student Fee Authorization Act.

The District's general policy is to provide for the free instruction in school in accordance with the Nebraska Constitution. This generally means that the District's policy is to provide free instruction for courses which are required by state law or regulation and to provide the staff, facility, equipment, and materials necessary for such instruction, without charge or fee to the students. The District does provide activities, programs, and services to children that extend beyond the minimum level of constitutionally required free instruction. Students and their parents have historically contributed to the District's efforts to provide such activities, programs, and services. Such student and parent contributions have included: students coming to school with the basic clothing and personal supplies to be successful in the classroom (clothing, shoes, pencils, pens, paper, notebooks, calculators, and the like), students bringing their own or paying the reasonable cost of specialized equipment or supplies for the personal preference or personal retained benefit of students (for example, band equipment, locker deposit or rental fees, shop class materials where the student keeps the product, and college tuition or fees for college credit for advanced

placement courses or correspondence courses), students providing their own specialized clothing and equipment to be prepared for the extracurricular activities in which they choose to participate (sporting apparel, including shoes, undergarments, and the like), and assisting with special programs, such as field trips, summer school, school dances and plays. The District's general policy is to continue to encourage and to require, to the extent permitted by law, such student and parent contributions to enhance the educational program provided by the District.

Under the Public Elementary and Secondary Student Fee Authorization Act, the District is required to set forth in a policy its guidelines or policies for specific categories of student fees. The District does so by setting forth guidelines and policies: which may be subject to interpretation or guidance by administrative or Board regulations. Parents, guardians, and students are encouraged to contact their building administration or their teachers or activity coaches and sponsors for further specifics.

(1) Guidelines for clothing required for specified courses and activities.

Students have the responsibility to furnish and wear non-specialized attire meeting general District grooming and attire guidelines, as well as grooming and attire guidelines established for the building or programs attended by the students or in which the students participate. Students also have the responsibility to furnish and wear non-specialized attire reasonably related to the programs, courses and activities in which the students participate where the required attire is specified in writing by the administrator or teacher responsible for the program, course or activity. The District will provide or make available to students such safety equipment and attire as may be required by law, specifically including appropriate industrial-quality eye protective devices for courses of instruction in vocational, technical, industrial arts, chemical or chemical-physical classes which involve exposure to hot molten metals or other molten materials, milling, sawing, turning, shaping, cutting, grinding, or stamping of any solid materials, heat treatment, tempering, or kiln firing of any metal or other materials, gas or electric arc welding or other forms of welding processes, repair or servicing of any vehicles, or caustic or explosive materials, or for laboratory classes involving caustic or explosive materials, hot liquids or solids, injurious radiations, or other similar hazards. Building administrators are directed to assure that such equipment is available in the appropriate classes and areas of the school buildings, teachers are directed to instruct students in the usage of such devices and assure that students use the devices as required, and students have the responsibility to follow such instruction and use the devices as instructed.

(2) Personal or consumable items.

Students have the responsibility to furnish any personal or consumable items for participating in the courses and activities provided by the District. This includes the responsibility to furnish minor personal or consumable items including, but not limited to, pencils, paper, pens, erasers, and notebooks. Equipment or supplies of a specialized nature for certain courses (for example, protractors and calculators) may be available to students by the District, but students may also be encouraged to purchase their own such equipment or supplies for their own use after school hours or for use during the school day due to the limited number of District items available to the students.

While the District will provide students with the use of facilities, equipment, materials and supplies, including books, the students are responsible for the careful and appropriate use of such property. Students and their parents or guardian will be held responsible for the reasonable replacement cost of school property, which is placed in the care of and lost by the student. Where students are provided school property of a significant value, which may easily be unintentionally damaged, the instructor should give the parent advance notice of the student being given responsibility for the item and the parent may then direct the student not be given the item.

(3) Materials required for course projects.

Students have the responsibility to furnish or pay the reasonable cost of any materials required for course projects where, upon completion, the project becomes the property of the student. Such materials are subject to the District's fee waiver policy (Section 12). Students must furnish musical instruments for participation in optional music courses that are not extra-curricular activities. Use of a musical instrument without charge is available under the District's fee waiver policy (Section 12); however, the District is not required to provide for the use of a particular type of musical instrument for any student.

(4) Extracurricular Activities-Specialized equipment or attire.

Extra curricular activities means student activities or organizations which are supervised or administered by the District, which do not count toward graduation or advancement between grades, and in which participating is not otherwise required by the District. The District will generally furnish students with specialized equipment and attire for participation in extracurricular activities. The District is not required to provide for the use of any particular type of equipment or attire. Equipment or attire fitted for the student and which the student generally wears exclusively, such as dance squad, cheerleading, and music/dance activity (e.g. choir or show choir uniforms and outfits, along with T-shirts for teams or band members), will be required to be provided by the participating student. The cost of maintaining any equipment or attire, including uniforms, which the student purchases or uses exclusively, shall be the responsibility of the participating student. Equipment which is ordinarily exclusively used by an individual student participant throughout the year, such as golf clubs, softball gloves, and the like, are required to be provided by the student participant. Items for the personal medical use (braces, mouth piece, and the like) are the responsibility of the student participant. Students have the responsibility to furnish personal or consumable equipment or attire for participation in extracurricular activities or for paying a reasonable usage cost of such equipment or attire. For music courses that are extracurricular activities, students may be required to provide specialized equipment, such as musical instruments, or specialized attire, or for paying a reasonable usage cost of such equipment or attire.

(5) Extracurricular Activities-Fees for participation.

The District may charge fees for participation in extracurricular activities. Admission fees are charged for extra curricular activities and events.

(6) Postsecondary education costs.

Students are responsible for postsecondary education costs. The Federal Government and the State of Nebraska require that all patrons and staff of each school building be notified each year of the asbestos conditions within each building. This requirement is to insure a safe and wholesome environment for our children and employees. Asbestos is a harmful substance when the fibers become airborne. Properly managed, this material will not become friable and the fibers airborne. The federal and state government requires each school to have an asbestos management plan in place, the contents of which is on file in the main office of each building. This plan is open to the public and can be reviewed at any time with proper notice. This plan must be updated on a three-year basis or when any changes occur in the asbestos material in the building.

All buildings in the McCook Public Schools have asbestos.

These areas are being managed by a required operation and maintenance plan and areas pose no threat to the safety and welfare of the patrons, staff or students in these buildings.

A six month surveillance program is in place whereby the asbestos containing materials is reviewed and inspected. This is to insure there is no change in its status since the last inspection. If you have concerns, please call the superintendent's office at 345-2510, or come in and discuss the management plan. It is the school's intention to keep the environment safe and wholesome for all the children, staff and patrons.

P. AFFIRMATIVE ACTION, ANTI-DISCRIMINATION AND SEXUAL HARASSMENT POLICY

1. Affirmative Action and Anti-Discrimination.
The McCook Public School District hereby gives this statement of compliance and intends to comply with all state and federal laws prohibiting discrimination. This school district intends to

take any necessary measures to assure compliance with such laws against any prohibited form of discrimination.

2. Preventing Harassment and Discrimination of Employees and/or Students.

A. Purpose:

McCook Public Schools is committed to offering employment and educational opportunity to its employees and any student based on ability and performance, in a climate free of discrimination. Accordingly, unlawful discrimination or harassment of any kind by administrators, teachers, co-workers or other persons is prohibited. In addition, the McCook Public Schools will try to protect employees or students from reported discrimination or harassment by non-employees or others in the workplace and educational environment.

For purposes of this policy, discrimination or harassment based on, for example, a person's race, color, religion, national origin, sex, sexual orientation disability or age is prohibited. The following are general definitions of what might constitute prohibited harassment.

(1) In general, ethnic or racial slurs or other verbal or physical conduct relating to a person's race, color religion, disability or national origin constitute harassment when they unreasonably interfere with the person's work performance or create an intimidating work, instructional or educational environment.

(2) Age harassment has been defined by federal regulations as a form of age discrimination. It can consist of demeaning jokes, insults or intimidation based on a person's age.

(3) Sexual harassment has been defined by federal and state regulations as a form of sex discrimination. It can consist of unwelcome sexual advances, requests for sexual favors, or physical or verbal conduct of a sexual nature by supervisors or others in the workplace, classroom or educational environment.

(a) Sexual harassment exists when:

(i) Supervisors or managers make submission to such conduct either an explicit or implicit term and condition of employment (including hiring, compensation, promotion, or retention);

(ii) Submission to or rejection of such conduct is used by supervisors or managers as a basis for employment related decisions such as promotion, performance evaluation, pay adjustment, discipline, work assignment, etc.

(iii) The conduct has the purpose or effect of unreasonably interfering with an individual's work or educational performance or creating an intimidating, hostile, or offensive working, classroom or educational environment.

(b) Sexual harassment may include explicit sexual propositions, sexual innuendo, suggestive comments, sexually oriented "kidding" or "teasing", "practical jokes", jokes about gender-specific traits, foul or obscene language or gestures, displays of foul or obscene printed or visual material, and physical contact, such as patting, pinching or brushing against another's body.

(4) An employer may be held responsible for continuing harassment of employees or students by non-employees in the workplace, classroom or educational environment, if the problem is reported to a supervisor or manager and no corrective action is taken.

B. Procedures

- (1) Employees or students should initially report all instances of discrimination or harassment to their immediate supervisor or teacher. However, if the employee or student is uncomfortable in presenting the problem to the supervisor or teacher, or if the supervisor or teacher is the problem, the employee or student is encouraged to go to the next level of supervision.
- (2) If the employee or student's complaint is not resolved to his or her satisfaction within (10) working days, or if the discrimination or harassment continues, please report your complaint to the Superintendent of McCook Public Schools. If a satisfactory arrangement cannot be obtained through the Superintendent of McCook Public Schools, the complaint may be processed to the Board of Education.
- (3) The supervisor, teacher or the Superintendent of McCook Public Schools, for complaints which are brought to and reach the Superintendent, will thoroughly investigate all complaints. These situations will be treated with the utmost confidence, consistent with resolution of the problem. Based on the results of the investigation, appropriate corrective action, up to and including discharge of offending employees may be taken. Under no circumstances will a supervisor or teacher threaten or retaliate against an employee or student for alleging a violation of this policy.

Q. BULLYING POLICY

McCook Public Schools defines bullying as: When a person (s) intentionally and repeatedly directs physical, verbal, social, and/or psychological aggression or harassment toward others, with the goal of gaining power or dominating another individual which interrupts or disrupts the educational environment regardless of where it occurs.

Students who are bullied or witness bullying need to report a complaint of bullying or cyber-bullying, orally or in writing, to a staff member. If a parent initiates the complaint, the appropriate staff member will follow-up with the student. After the information has been gathered, the building principal shall be notified of the complaint. The building principal will determine the need for further investigation or the appropriate intervention, which may result in administrative discipline to ensure that the conduct ceases. This policy reserves the right to discipline students for actions taken off campus if the action adversely affects safety and/or educational environment of students at school.

Students who engage in bullying of any type are subject to administrative discipline. The form of discipline deemed appropriate by the school administrator may include, but is not limited to, loss of privileges, short-term suspension, long-term suspension and/or expulsion. A school administrator may also find it necessary to require the perpetrator to undergo counseling or some other form of bullying prevention training. The school resource or D.A.R.E. officer may also be

notified. The parents/guardians of any student who engages in bullying will be notified orally or in writing concerning the bullying incident and the disciplinary action taken.

The consistency, scope and degree of bullying employed by the perpetrator will have bearing on an administrator's disciplinary decision.

R. PARENTAL INVOLVEMENT IN SCHOOL

The McCook Public School District hereby finds and declares: Parental involvement is a key factor in the education of children; parents need to be informed of educational practices affecting their children; and the school district should foster and facilitate, to the extent appropriate, parental information about, and involvement in, the education of their children. Along these lines:

1. Textbooks, tests, and other curriculum materials used in this school district are, and shall be, available for review by parents at school upon request. Since textbooks, tests, and other curriculum materials constantly change, and may be discarded when no longer needed by the school district, parents wishing to review such items must govern their requests accordingly.
2. Parents wishing to attend and monitor courses, assemblies, counseling sessions, and other instructional activities must obtain prior approval of and from the proper teacher, counselor, and administrator, or they will be asked to leave. Parents attending or monitoring courses, assemblies, counseling sessions, and other instructional activities with prior approval who, by their conduct or presence, interfere with the educational process or constitute an interference with school purposes, will be asked to leave.
3. The school district will excuse students from testing, classroom instruction, and other school experiences, upon parental request, only under circumstances required by law. Parental requests must be in writing and submitted to the proper teacher and administrator a reasonable time prior to the testing, classroom instruction, or other school experience, and must be accompanied by written proof, acceptable to the school district, that the action is required by law. A plan for an acceptable alternative shall be approved by the proper teacher and administrator prior to, or as part of, the granting of any parent request.
4. Parents and others will be provided access to records of students according to law (e.g., Family Educational Rights & Privacy Act, 20 U.S.C. s123g or s79-4, 157, R.R.S., et seq.).
5. To assure proper measurement of educational progress and achievement, testing shall occur in this district. District staff shall determine appropriate methods of testing and frequency of occurrence.
6. Participation in surveys of students shall occur in this district from time to time when determined appropriate by district staff for educational purposes. Notification to parents will be made prior to a survey being taken. Parents may remove students from such surveys only under circumstances required by law. Parental requests must be in writing and submitted to the proper teacher and administrator a reasonable time prior to the survey, and must be

accompanied by written proof, acceptable to the school district, that the action is required by law.

S. CARE OF BUILDING AND EQUIPMENT

Pride in our building, the grounds and our facilities is the responsibility of each student and faculty member. All trash and debris should be thrown in the trash cans available. Intentional destruction of school property will not be tolerated. Students will be required to pay replacement costs in destruction cases. Possible suspension or expulsion might also be forthcoming.

If you unintentionally break something, report it immediately to the Principal or Assistant Principal. Posting of signs, billboards, or posters without administrative approval is prohibited. Unauthorized postings will be destroyed.

T. ATTENDANCE POLICY

(Absences, Tardies and Truancy)

This is a mandatory policy. The statement in #3 below meets requirements for a policy describing notification of excessive absenteeism to the county attorney. For notification purposes only, the district will no longer differentiate between excused and unexcused absences.

ABSENCES/MAKE-UP POLICY

1. Academic work should have priority over all other activities.
2. All students will be limited to twenty (20) absences per year per class except with further restrictions for absence due to truancy or class skipping.
 - a. Absences will not be categorized as excused or unexcused.
 1. When meeting with a health care provider, ask the provider to complete an appointment confirmation summary to submit to the school office.
 - b. Assignments missed due to any absence must be made up. A grade of "0" may be given for assignments not handed in within the allotted number of days allowed for make-up. When appropriate, make-up assignments should be completed before the absence.
3. Notification of absences will be given to parents upon the 5th absence per quarter by the teacher or the office staff. After ten (10) absences, a conference between the administration, teachers, parents, SRO, and student may be scheduled. With the 20th day of absence the County attorney and local law enforcement will be notified.
4. Parents are to call the building office any time that their child is absent or intends to be absent. The call should be made prior to 9:00 a.m. the day of the absence and earlier, whenever possible.
5. With the twentieth (20th) absence in any class, the student may be excluded from the class and registered as dropped with no grade given unless extenuating circumstances exist such as:

a. The majority of the absences were for sickness or of the nature that the student or parent could not control.

b. All make-up work (except in cases of truancy and class-skipping) has been completed to the teacher's satisfaction and handed in.

1. There will be two days of classes allowed for make-up of the first day of class missed and one additional day per day for every day missed thereafter, except for truancy, class skipping, or school activities.

a. The teacher may assign all make-up work missed at one time and require it due at the end of the make-up period.

b. The teacher may assign make-up work due in order of being missed; if the first assignment was missed the first day of absence, the student must have it done within two days after returning to school. The second assignment due on the third day missed must be in on the sixth day after returning.

c. In cases of extreme circumstances, administrators may grant additional time for the student to make up work but will not expect the instructor to decrease or alter the make-up work.

2. Any assignment due the day of truancy or class skip (that isn't handed in when due) may result in a "zero" grade for that assignment. Any assignment given on the day of the truancy or during the class skip must be handed in on the day due or may result in a "zero."

3. Participation in school activities does not constitute an absence.

a. Any student may be asked by the teacher to hand in all work or make up all tests prior to the day missed for a school activity, or any absence planned in advance, or to make up the work missed when the student returns.

4. All work previously assigned that is due the day the student is absent, will be due the day the student returns. This includes tests. EXAMPLE: a worksheet is assigned on Tuesday to be due Wednesday; the student who missed Wednesday must have it completed and handed in the day the student returns to school.

5. Absence on a review day prior to a test will allow the student, upon returning to school on test day, not to take the test that day but the test will be taken the following day. This allows the student a day to get review notes, etc., missed at the review.

6. The only use of an "incomplete" will be when a student absence comes so late in the nine-week period that his/her make-up would extend into the next nine weeks.

7. In no case, other than extreme illness, will make-up time extend over ten school days past the end of each quarter.

8. With the fourth (4th) truancy and/or class skip, the student may be expelled for the remainder of the semester if the following procedure is not adhered to:

Time missed for truancy or class skip at the Senior High may be made up in detention or at times arranged by the Administration. Failure to show up at a designated make-up session will result in double make-up time. Failure to make up time owed will result in out-of-school suspension or expulsion.

1. Each suspension will not exceed five (5) school days.
2. The student and his/her parents are to have a conference with the principal before returning from out-of-school suspension. (The parents can satisfy this requirement by calling the principal.)

Time missed for truancy or class skip at the Junior High will result in noon detention for the first offense, in school suspension for the second offense, out of school suspension for the third offense followed by recommendation for expulsion. Failure to serve detention constitutes truancy.

- A. Truancy is defined as when the student misses school without the school's permission.
1. Truancy for failure to serve detention at the Junior High.

1st Offense	1 week of noon restriction
2nd Offense	1 week of noon restriction
3rd Offense	1 day of ISS
4th Offense	1 day of ISS
5th Offense	1 day of ISS: No Dances
6th Offense	5 days PASS
7th Offense	5 Days PASS
8th Offense	Suspended from School

- B. Class skipping is defined as when a student fails to attend class, but remains in the building or on the school premises.
- C. Parents are to call the school each time their child is absent. In case of suspected truancy, if no call is received within 24 hours, an administrator **or other designee** will make every reasonable attempt to notify the parent of the absence before declaring the absence a truancy.
- D. Remediation -- Before a student is expelled due to excessive truancy, remediation efforts by the school will be undertaken. These efforts may include but not be limited to such things as:
1. Meetings between the school officials and parents.
 2. Educational counseling of the student.

3. Educational evaluation, which may include a psychological evaluation of the student.
4. Complete investigation of circumstances by the school. (LB 1250 Guidelines, passed in 1994)

E. At the junior high, students who are serving in school suspension are not dismissed until approximately fifteen(15) minutes after the dismissal bell.

TARDIES

Tardy = late 10 minutes or less to a class.

1. Tardy will not be categorized as excused or unexcused.
2. Tardiness shall be defined as when a student is late to any class without a reasonable explanation. (The teacher will determine "reasonable".) The penalty for such tardies is up to the teacher with notification of an administrator if necessary. Tardies that exceed 5 may be counted as an absence. On the fourth tardy per class per semester, detention time will be assigned. On the sixth, in-school suspension, eighth, PASS, and tenth out of school suspension.
3. First and Sixth period students who are tardy at the Junior High School should report to the office. Do not go to your classroom until you have a permit from the office.
4. Failure to show up at a designated make-up session may result in an in-school suspension. If students persist in not making up time, they will be given out-of-school suspension, or ultimately, expulsion may be recommended.

U. PERMITS TO LEAVE CLASSES OR BUILDING

Junior High students will not be excused from the building without the parent/guardian entering the building and personally presenting themselves at the office and signing the sign-out sheet. Students should not leave their assigned class during any period of the school day. Students should be in their assigned class and seat when the tardy bell rings and not leave until the end-of-class bell rings.

If students are out of their assigned area for any reason they must carry a "student pass" with them. This pass must be written out by the teacher releasing the student and must also be signed by the teacher of the area to which the student passed. If leaving school the student must get permission from the office and sign the "sign-out" sheet in the office. Students should always return to the room to which they are assigned before the end of the period.

Students who become ill or are injured during the school day, must go to the office or report to the nurse. If it is decided that they should go home, the office staff will make contact with a parent or appropriate adult to notify them of the problem and a possible need of transportation.

The school does not provide supervision regarding who may or may not pick-up students following dismissal.

V. APPOINTMENTS

Business, medical, or dental appointments should be scheduled after school or on weekends whenever possible. If an appointment is scheduled during school time, it is necessary for the student to present a note from his parents to the office requesting the student's release. If reasonable, the student will be issued a checkout slip, which must be signed by the teachers of those classes he will miss during the duration of his/her appointment. The checkout slip must be returned to the office before the student leaves the building. The student will also be expected to check out and in at the office. Naturally, emergencies could result in exceptions to the afor-mentioned procedures.

W. STUDENT WITHDRAWAL

If a student plans to drop out of school or transfer to another school, he/she must report to the principal for a withdrawal slip. He/she then asks teachers to sign this slip to indicate he/she has checked in all books and met all other obligations. The slip is then returned to the principal/assistant principal's office for administrative clearance.

X. STUDENT PARKING

The proximity of our residential district, as well as safety factors make it imperative that students park only in designated areas.

Students are prohibited from parking in the following areas:

1. Circle drive at the south end of the senior high school (teacher parking and visitor parking).
2. Between the Senior and Junior High School. No driving between the schools from 7:45 a.m. and 3:45 p.m.
3. The area south and west of the Junior high, next to the school and between the weight room and gym.

Seventh (7th) Street "cruising" is prohibited by students driving cars between 7:45 a.m. and 4:00 p.m. One pass on 7th Street to park or go to the parking lot will be permitted. This also applies to the parking lot. When a student enters the parking lot, it can only be for parking. Reckless driving in the parking lot is prohibited and breaking this policy will merit suspension from school. "POWER STALLS" or "BURN OUTS" are prohibited in the parking lot and any place on West 7th Street. Students who violate the parking/driving policies and park or drive in restricted areas may be suspended from school. Student parking at all times around the school needs to be cautious. One of the strongest arguments against "Open Campus" is reckless driving.

Junior high students who drive to school are to notify the junior high office so parking instructions can be given.

Y. BICYCLES/SKATEBOARDS/SCOOTERS

Bicycles are to be parked in the racks provided. Students are not to ride bikes, use skates, roller blades, skateboards, scooters or other such modes of transportation on school property. All bicycles should be locked. The student riding the bicycle to school is responsible for the safety of the bike. The school is not responsible for any bicycle. Skateboards, skates, and roller blades

should be kept in your locker or secured as instructed. Motorized scooters are not allowed on school grounds.

EXTRA-CURRICULAR ACTIVITIES

Participation in extra-curricular school activities is encouraged and desirable for all students. At the same time, the primary mission and responsibility for each student is to establish a firm academic foundation. McCook Public Schools promotes the principle that its students are scholars first and that participation in activities is contingent upon success in the classroom.

All students who participate in activities must maintain passing grades in all but one class in order to remain eligible for participation or competition. Ineligible students will not be allowed to participate in any activity to include but not limited to; athletic contests, dances, prom, homecoming and color day royalty, non-academic performances, club activities until the eligibility requirement has been met.

Thereafter, no "grace period" will apply and the student will be deemed ineligible immediately.

Students who are deemed ineligible will be placed on the ineligible list and barred from participation or competition from Monday to Sunday the following week.

During the ineligible period and "grace period" students will be required to attend Assignment Recovery Sessions after school from 3:30 to 3:55. Students must also meet with the teacher of the failing class so the teacher and student may form a plan for the student to improve his/her grade.

Students are expected to practice and/or meet with their associated extracurricular activity after completing the Assignment Recovery Session.

McCook Jr. High School

Participation in extra-curricular school activities is encouraged and desirable for all students. During the ineligible period and "grace period" students will be required to meet at a time as arranged by the teacher and student. Assignment Recovery will be conducted by the teacher of the failing class so the teacher and student may form a plan for the student to improve his/her grade.

Students are expected to practice and/or meet with their associated extracurricular activity after completing the Assignment Recovery Session.

A. ATHLETICS

McCook Junior/Senior High Schools offer a wide variety of girls and boys athletics. Students are encouraged to participate in one or more of the offerings. The Athletic Department has various rules and regulations that apply to all students participating. These rules and regulations are policy of the McCook School District and are in the athletic handbook that all participants receive.

NOTICE REGARDING PARTICIPATION IN EXTRA-CURRICULAR ACTIVITIES:

According to the Nebraska School Activities Association, any student who turns nineteen years of age prior to August 1st of each school year is not eligible to participate in extra-curricular activities. Contact the school Activities Director for additional information.

To be eligible for varsity competition, a student must be enrolled in at least 4 solid subjects and must have passed 4 subjects the immediate previous semester.

These ideals will be transmitted to those who watch you perform and will be reflected in a constructive way in the lives of others.

ACTIVITY GOALS AND OBJECTIVES

The activity programs of the McCook Public Schools are designed to provide wholesome opportunities for those students who desire interscholastic competition.

It is our desire to instill in each participant the image of a true BISON participant. He or she will:

1. Consider all opponents as guests at McCook Public Schools and treat them with all the courtesy due friends and guests.
2. Accept the decisions of the officials without question.
3. Never use abusive or irritating remarks from the sideline.
4. Applaud good sportsmanship from opponents and teammates.
5. Strive for victory through fair play according to the rules of the game.
6. Love the competition for its own sake, not for what winning may bring through publicity.
7. Do everything possible to encourage enthusiasm for the game and courtesy and respect for the players, coaches and fans.

8. Win without boasting, and lose without excuses.
9. Do all within his/her power to make the entire activity program something of which we will always be proud.

Any student is welcome to try out for any of the interscholastic teams available to them, providing they meet the requirements established by the Nebraska School Activities Association and the school, and he/she agrees to adhere to the guidelines established in this handbook.

The guidelines established herein for the activity programs of McCook Public Schools were established by the cooperative efforts of the students, the coaching staff, the administration, and the Board of Education. All students engaged in activities, such as: Interscholastic activities, including but not limited to journalism, speech, band, choir, orchestra, Thespians, FFA, FBLA, and athletics. Elected to a position of responsibility, including but not limited to, class officer and student council; Representing the school including but not limited to drama, band, dance team, and cheerleader; Honor positions, including but not limited to Homecoming, Color Day and Prom will be governed by the following guidelines. These guidelines apply to students beginning the first day of fall practice as established by the Nebraska School Activities Association (NSAA) and will end on the last official day of school in a given year as established by the McCook Board of Education, unless the activity extends beyond the last official day of school.

RESPONSIBILITIES OF PARTICIPANTS

It will not be easy to contribute to such a great tradition. To compete for your school may mean that you will have to say "no". When you wear the colors of your school, we assume that you not only understand our traditions, but are willing to assume the responsibilities that go with them. However, the contributions you make should be a satisfying accomplishment for you and your family.

Responsibilities To Yourself

The most important of these responsibilities is to broaden yourself and develop strength of character. You owe it to yourself to get the greatest possible good from your school experiences.

Your studies, your participation in other extra-curricular activities as well as in sports, prepare you for your life as an adult.

Responsibilities To Your School

Another responsibility you assume as a team member is to your school. McCook cannot maintain its position as having an outstanding school unless you do your best in whatever activity you wish to engage. By participating in interscholastic competitions to the maximum of your ability, you are contributing to the reputation of your school. You assume a leadership role when you are a Bison. The student body and citizens of the community know you. You are on stage with the spotlight on you. The student body, the community and other communities judge our school by your conduct and attitudes, both on and off the field. Because of this leadership role, you can

contribute greatly to school spirit and community pride. Make McCook proud of you, and your community proud, and your community proud of your school, by your faithful exemplification of these ideals.

Responsibilities To Others

As a team member, you also bear a heavy responsibility to your home. If you never give your parents anything to be ashamed of, you will have measured up to the ideal. When you know in your heart that you have lived up to all of the training rules, that you have practiced to the best of your ability every day, and that you have played the game "all out", you can enhance your self-respect and your family can be justly proud of you.

The younger students in the McCook Schools are watching you! They will copy you in many ways. Do not do anything to let them down. Set good examples for them.

RULES AND REGULATIONS

A. Each student is expected to make positive contributions to the team of which he/she is a member. These contributions should be in the areas of training, cooperation, competition, and the maintenance of a positive attitude toward the activity, other participant, and the sponsor/coaching staff. It is essential for the betterment of the program that insubordination and lack of cooperation be dealt with by the sponsor/coach-in-charge. Dismissal could result if conferences with the team member do not produce positive results.

B. The possession of smoking or chewing tobacco will not be tolerated. Discipline procedure: **1st offense**: Should a team member be observed in possession of smoking or chewing

tobacco by a member of the coaching staff of McCook Public Schools or is observed in possession of smoking or chewing tobacco on school property or at a school activity by a member of the school staff, the team member will be held from the next contest in which the team member is scheduled to participate.

2nd offense: Should a team member be observed in possession of smoking or chewing tobacco by a member of the coaching staff of McCook Public Schools or is observed in possession of smoking or chewing tobacco on school property or at a school activity by a member of the school staff for a second time during a season, the team member will be dismissed from the squad for the remainder of the season. The student shall be advised of his right to appear before a meeting of the Violation Board for purposes of presenting mitigating facts in support of a denial as explained in the hearing procedure which is covered later in these guidelines.

C. NO ALCOHOL OR DRUGS--A team member may be dismissed from the activity if it is determined that he/she was in possession of or using alcoholic beverages or drugs. Discipline Procedure:

1st offense: A team member whose conduct constitutes a violation of the above rule may be denied participation in any contest for McCook Public Schools for up to three (3) weeks of competition. The team member shall continue to practice with the team during that period. This is

only a general guideline. If it is the opinion of the Violations Board and the Principal involved that a first offense is of a flagrant nature, dismissal from the team for the remainder of the sport season may result.

2nd offense: Should a team member be in violation of the above rule for a second time during the season, the team member will be dismissed from the team for the remainder of that season.

ADDITIONAL OFFENSES: Any additional violation of the above rule in a subsequent sport season during the current school term may be disciplined as if it were a second offense. The enforcement of this policy will begin with the official starting day of the fall sport season

established by the Nebraska School Activities Association and will end on the last official day of school in a given year as established by the McCook Board of Education, unless the activity extends beyond the last official day of school.

Any exclusion or dismissal investigation will begin when the Activities Director determines that a violation has occurred, regardless of the amount of time elapsed between the violation and actual discovery. If a sponsor/coach or activities director makes a decision to discipline a student because of the violation of the above-listed training rules, or makes a determination that there may be cause to discipline a student, the following procedures shall be followed:

1. The student shall be notified by the Activities Director or Coach/Sponsor or a designee of the Activities Director or Coach. The student shall be advised of the facts upon which the complaint is based and given an opportunity to deny or explain the matter. The student shall be advised of his right to appear before a meeting of the Violations Board for purposes of presenting mitigating facts in support of a denial.

2. The Activities Director, the coach/sponsor of the athlete involved, and one other coach/sponsor appointed by the Activities Director (total of 3) or a designee of any one or more shall constitute the Violation Board. If the violation involves a junior high student, the Violation Board will consist of junior high personnel in addition to the Activities Director; if the violation involves a senior high student, the Violation Board will consist of senior high personnel in addition to the Activities Director.

The Activities Director will assume the chairmanship of the Violation Board. His duties as chairperson will include the setting of the date, time and place of the hearing and designating all personnel to serve on the Violation Board.

3. The Violation Board shall meet within two days after the student has been notified. The student and a parent or guardian shall be advised by telephone, in person, or in writing of the time, place and purpose of the hearing. The hearing may be postponed for a reasonable time not to exceed two additional school days at the request of the student. The hearing shall be informal. The student may present witnesses in his/her behalf. The Violation Board shall have the right to deliberate and reach its decision in closed meeting and shall have the right to limit the number and testimony of witnesses as necessary to preclude unreasonable repetitive or irrelevant testimony.

4. If the decision of the Violation Board is that no violation occurred the head coach/ sponsor has the responsibility to tell the student of the determination.

5. If the decision of the Violation Board is that a violation occurred which calls for the possible long-term suspension or exclusion from the sport, the Activities Director shall inform the Principal involved (junior or senior high school) of the Violation Board's findings and recommendation. The Principal will then determine the discipline to be administered and promptly visit with the student and a parent or guardian to state the decision and explain the discipline.

6. The student shall have the right to appeal the decision of the Violation Board and discipline of the Principal to the Superintendent of Schools, who shall appoint a hearing officer in compliance with the law. If the situation is not resolved to the student's satisfaction, the student shall have the right of further appeal to the Board of Education by presenting a written request for a hearing the Secretary of the School Board. The appeal hearing will be conducted not later than the next regular meeting of the Board after receipt of the request. Such request for appeal shall not delay the effective time of the suspension or expulsion.

7. Should a question arise regarding a rule of regulation of the Nebraska School Activities Association and the need arises for an individual to know the due process procedures of the NSAA, they may be found in the NSAA Yearbook which can be obtained from the Superintendent, Senior High Principal, Junior High Principal or Activities Director of the McCook Public Schools.

8. These rules and procedures shall, in no way, restrict the Principal from carrying out appropriate disciplinary responsibilities involving students under the Principal's jurisdiction whether those students be athletes or not.

DUE PROCESS

Due Process Procedures shall govern all alleged violations of rules and regulations of the McCook Public Schools and the Constitution, By-Laws, or Approved Ruling of the Nebraska School Activities Association. The McCook Public Schools' Due Process Procedures are available in the offices of the Superintendent and the Activities Director. The Nebraska School Activities Association Due Process Procedures are available in the Activity Director's office.

ATHLETIC DEPARTMENT POLICIES

A. Dropping or transferring of Sports

If a student is participating in one sport during a sports season and decides to quit that sport and participate in another sport during the same season (fall, winter or spring), the Nebraska School Activities Association rules restrict that student from practice or competing for seven school days. The McCook Public School's policy states that the practice of changing sports during the course of a season will be discouraged unless the athlete has the permission of both head coaches involved.

If an athlete is cut from a squad by the coaching staff, that student may then participate in another sport that season, within the guidelines of the Nebraska School Activities Association.

If an athlete is dropped from a squad for disciplinary reasons, they may not practice using school equipment or facilities until the sport from which he/she was dropped is completed.

B. Starting, Dismissal, and Length of Practices

All starting times will be designated by the individual coaches. The Activities Director and coach will determine starting times for activities which must share facilities with other activities. All participants are expected to be ready to practice at the designated starting time. Under normal conditions, all participants will be required to report to practice, dressed, no later than fifteen minutes from the time of school dismissal.

In order that students and their parents may plan accordingly, and for the welfare of the student, the following is the Maximum time length for practices:

1. Senior High - 2 1/2 hours
2. Junior High - 2 hours

C. Missing Practice

A participant should always consult his/her coach before missing practice. Missing practice or a contest without good reason will be dealt with severely. Sudden illness or some other emergency would be an acceptable reason for missing practice or a contest.

D. Attendance and Activities

Students who are participating in an activities program are not allowed to practice, perform, or compete on the same day they are absent from school for four periods or more or who arrive after lunch period. In addition, should the students participation be scheduled for Saturday, and the student is absent unexcused on Friday, he/she may not participate. Extenuating circumstances must be approved by the administration.

Students participating in school sponsored activities during the school week are expected to report to school on time the following day. Students tardy or absent may forfeit the opportunity to participate in the next contest/game. The high school administration has the sole authority to excuse student on the day following the competition/activity.

E. Equipment

All equipment will be checked out to the student at the beginning of the season by the sponsor in charge. It is the responsibility of the student to check in the equipment at the end of the season, or immediately should he/she quit the activity. If a student fails to check in his/her equipment at the designated time they will be expected to pay for the cost of replacement.

At no time should a student wear school equipment for personal use. No student will be allowed to check out for another sport until the equipment he/she has checked out is either paid for or returned. Locks will be provided for all sports. Only school locks are to be used in varsity locker rooms. Each athlete is responsible for providing his/her own towel.

F. Team Travel

McCook activities teams and staff members travel to and from events by school vehicles. Travel by private car is discouraged, but when used, strict insurance standards are adhered to and adult drivers are used. All members of a team will return from a contest by the same mode of transportation provided for taking them to the contest. EXCEPTION: The student's parents must present a permission slip to the head coach involved, be present at the event, and personally sign the student out of the event.

G. College Recruitment Policy

In the event an athlete should be contacted personally by a college recruiter, he/she has an obligation to work through his/her coach and the activities department. Inform your coach of such a contact as soon as possible. College recruitment information is available in the Activities Office.

H. Conflicts in Extra-Curricular Activities

An individual student who attempts to participate in several extra-curricular activities will, undoubtedly, be in a position of a conflict of obligations.

The activities department recognizes that each student should have the opportunity to a broad range of experiences in the area of extracurricular activities; and to this end will attempt to schedule events in a manner so as to minimize conflicts.

Students have a responsibility to do everything they can to avoid continuous conflicts. This would include being cautious about becoming a member of too many activities where conflicts are bound to happen. It also means notifying the faculty sponsors involved immediately when a conflict does arise. When conflicts do arise, the sponsors will get together and work out a solution so the student does not feel in the middle. If a solution cannot be found, the principal will have to make the decision based on the following:

1. The relative importance of each event.
2. The importance of each event to the student.
3. The relative contribution the student can make.
4. How long each event has been scheduled.
5. Talk with parents.

Once the decision has been made and the student has followed that decision, he will not be penalized in any way by the faculty sponsor. If it becomes obvious that a student cannot fulfill the obligation of a school activity, he should withdraw from that activity.

PHYSICAL EXAMINATION

1. Each year a complete physical examination is required of each student before he/she may participate in any phase of the interscholastic athletic programs at MPS.
2. Each student shall have on file with the Athletic Director:
 - a. Physical examination release card along with a
 - b. Parental permit signed by parent(s) and/or guardian granting permission to participate in the interscholastic program at MPS.

Dear Parents:

The handbook has been especially written for the student of the McCook Public School because we feel development of good citizenship is an important part of a child's education.

The school district is required by State Law to notify all students and the parents/guardians of the rules and responsibilities students must abide by while attending school. The Federal Government also requires several notices to be given annually. The handbook fulfills this obligation.

Please read the handbook with your child. If you have any questions, please contact the principal of your child's school. After reading the handbook, please sign the line below for the parent and have your child sign the line for student. Please send the page back to school with your child.

All the items that are covered in this book will be considered known by all students and parents/guardian. The excuse "I didn't know" will not be acceptable if it concerns an item covered in this handbook.

Although the information found in this handbook is detailed and specific on many topics, the handbook is not intended to be all encompassing so as to cover every situation and circumstance that may arise during any school day, or school year. This handbook does not create a "contract." The administration reserves the right to make decisions and make rule revisions at any time to implement the educational program and to assure the well being of all students. The administration will be responsible for interpreting the rules contained in the handbook. Should a situation or circumstance arise that is not specifically covered in this handbook, the administration will make a decision based upon all applicable school district policies, and state and federal statutes and regulations.

Internet access is a privilege, not a right. Student and parent/guardian signatures are required for access. Signatures here will also serve to release the McCook Public Schools from any and all claims of any nature arising from student use of the computer network system.
