Support Staff Monthly Meeting@ SCHS East Gym  
120 W. 20th St.  
Schuyler, NE 68661-2400

## I. Discussion Items

- 1. Support Staff Contracts and Salary Schedule:** The board of education approved two changes to the support staff salary schedule. Both involve bus driving permits. The increase includes: Activity Bus Drivers increase from \$13.50 to \$14.00 per hour and the route drivers increase from \$14.50 to \$15.00 per hour. If you are currently on staff and make more per hour, we will pay your regular wage for the route driving time. If you are at a wage lower than the route pay, we will adjust your pay for the hours you drive the regular routes. We will be offering busing to Richland Elementary next school year. We will work out the details of this route this summer.
- 2. Summer Projects:** The board approved the building and grounds proposal for 2017.
- 3. Food Service Program:** We met with representatives from Lunch Time Solutions about their services and support for food service programs. We will meet again over the summer with board members and Jeff Andel to discuss possible options and benefits to their service.
- 4. High School Classroom Addition:** The board of education will consider awarding the contract to construct an addition to the high school building. This addition will be 6 classrooms and a large music/conference room. Construction to begin by May 1st with a completion date of Thanksgiving, 2017.
