Board members completed the annual superintendent evaluation following the regular November board meeting. The results of the evaluation have been compiled and are generally shared at the December board meeting. The board budget and finance committee will meet before the January board meeting to set expectations and review 2018 contract recommendations. Evaluations on the job performance of the Superintendent were completed and discussed by school board members. Comments shared included: an appreciation of his clear communications with the board and the public, addressing policy, always improving staff development, key data he provides for negotiations, always open and willing to have dialogue with patron of the district to discuss their concerns, his strong budget plans and addressing current facility needs of the district as well as looking ahead to the future, and seeing things that that can bring strength to the staff and district trying to make them happen.

Continuing to work on student participation in activities but have seen growth and improvement. We have not accomplished everything we want to but we keep working to improve the district.

The school year is flying by, I don't think having a Senior in the house is helping time slow down. I believe things are going well at the Elementary School. All probationary teachers have completed their first formal observations, as well as many other tenured teachers as well.

School improvement is ready for our Engagement Review, and many, many IEP's have been taking place. We are excited to get the results of our Strengths Finder review, to see how we can best utilize the information that will be given to us.

V.C. Directors Reports

Youth Activities Director's Report: Mr. Kovar

Our first season of Volleyball is in the books with many positive results. We look forward to those numbers to increase next year, similar to those of flag

football from year 1 to year 2. Flag football is halfway through their season, and we are seeing some very positive improvements from those students who are in their 2nd year of competition.

The games have been very competitive, and the attendance is very good.

Basketball forms will be going home before Winter break, and upon return, teams will be formed. We are making positive gains in youth sports, and look forward to continuing to strengthen those programs by gaining support from Jr. High and High School coaches.

After-School Program Director's Report: Ms. Bebout

Warrior Academy Attendance: SES - 240 SMS - 39

The Boy Scout Club took Christmas cards to the Schuyler Care & Rehabilitation Center. The 4th & 5th grade boys stayed and read books with the residents. This was a fun activity.

Warrior Academy is excited to announce band had been added as an option for a club at the middle school. They will also be offering soccer and flag football in the 3rd quarter.

We have completed our self-assessment for the after-school program and would like to thank the parents, community members, and administration who participated in this activity. Looking at our program and setting goals helps our program become better.

SMS Activity Director's Report: Mr. Zavadil

We have two more events left in Middle School Girls Basketball on Tuesday and Thursday this week Vs. Clarkson-Leigh and Columbus Middle School. Our girls have been working hard and improving, picking up a win Vs. Madison earlier this season.

We are also planning on hosting our younger teams in our second scrimmage of the year tomorrow after school. This is an attempt to get more court time for our younger/less experienced athletes while the older athletes compete out of town. Parents and community members are welcome to attend the scrimmage, which will be officiated by Mr. and Mrs. Burton.

Our Middle School wrestling season just ended with our last tournament in Newman Grove Saturday. The team was quite successful this year placing second as a team in the Wayne meet. Last week we held our own SMS wrestling invitational with 14 teams in attendance and over 230 athletes wrestling. We changed the format of the tournament from a round robin style to an 8-man bracket. This cut down the number of brackets and medals handed out, but our team still did a great job taking home 6 gold medals 3 silver medals, four athletes placed 3rd and 3 placed 4th.

This tournament is a large undertaking and I hope to share my appreciation to all of the parents, staff, and community members that offer up their time to make it a success. Especially Mr. Sucha, Teammates, our wrestling parents that worked tables, our support staff that help set up the gym, and my wife Brandi for helping run the hospitality room.

Mr. Kovar, Mr. Kasik and myself have been formalizing our strategic planning action plans for the 2018-2019 school year. Many good ideas have

come from our staff and we are looking forward to getting more ideas from our community soon.

Mr. Kasik and myself are currently attending the National Athletic Director conference in Phoenix, at which we plan to gain even more ideas that we can add to our action plans.

SCHS Activity Director's Report: Mr. Kasik

- Fall seasons have completed and end of season meetings with coaches are beginning.
- On November 16th Zavadil and I attended a Sportsmanship/ Leadership Summit with 32 JR/SR High students at Midland College. It was a great event.
- Our wrestling team hosted an in open practice in the field house on November 26th and collected non-perishable food for our local food pantry.
- Our winter seasons are underway with Boys and Girls Basketball as well as our Wrestling team winning their opening dual against Crete and placing 3rd at the York Invite.
- I continue to attend meetings for our winter Holiday BB Tournament in Columbus.
- On December 18th we will pay honor to the 1968 State Champion BBB team. On their 50th anniversary this team was inducted into the Nebraska Hall of Fame.
- Our One-Act group once again is in class "A" this year. They captured a third place at Conference and competed at Seward for Districts. Unfortunately, their play was not selected to attend state. They had a great season and represented SCS schools very well.
- On Wednesday, 12/6 I will attend our Conference meeting in York.
- I am working on a bid to look at improving our wall mats in the west gym in conjunction with our booster club.
- Zavadil and I will be attending the National AD Conference Dec. 8-12 in Phoenix.

Special Education Director's Report: Mrs. Vrba

Current special education students served:

Birth to 5: 28 (with 13 more pending) **SES:** 110 (with 6 more pending)

Rural: 19 **SMS:** 48 **SCHS:** 39 **Parochial Schools:** 6

Total: 247 (with 19 more pending)

*We do have one student attending school in Olathe, KS.

Now my focus is on writing my evaluations of my Special Education teachers! I have only two teachers left at SCSS to observe. Once I am done writing everything up, the first semester will be officially done.

Unbelievable!

On Wednesday morning, Jeanne Heaston will be leading the NDE Special Education Monitoring Onsite Visit. Earlier this fall, our SPED department went through a desk review which involved NDE officials to review randomly chose files on SRS. The results on that desk review will be used to develop the content of our monitoring onsite student file review mostly dealing with the implementation of specific regulations from Rule 51 and the implementation of specific procedures and practices.

Monday, the 11th, I will be attending a workshop entitled, "Oppositional, Defiant, and Disruptive Children and Adolescents: Non-medication Approaches to the Most Challenging Behaviors" in Kearney. I am really

hopeful to bring back classroom strategies that teachers may put in their "toolkit"!

I wish all of you the Merriest Christmas and the Happiest of New Years!!

IV.E.3. Consider, discuss, and take action to approve the 2018-19 certificated staff Master Agreement.

Action Item

The board negotiations committee met on October 20th to begin the negotiations process on the 2018-19 Certificated Staff Master Contract. The Educators Healthcare Alliance released premium rates November 1st which reflected a 0% increase.

The SEA and board negotiations team met a second time on Wednesday, November 6th and reached a tentative agreement. See attached information. I will attach the final Master agreement upon the final vote from the SEA.

The board negotiations committee met twice with the SEA negotiations team and have come to a agreement on the Master Agreement for the 2018-19 school year. There are no increases in health insurance for the coming year. During discussions, the teacher representatives brought up some items that were not necessarily negotiations items, but worthy of some discussion at the administrative level. The items included availability of substitute teachers, Emergency Leave Bank, and school calendar.

IV.E.4. Consider, discuss, and take action to approve substitute teacher pay for the 2017-18 school year.

Action Item

Substitute Teacher Salary Proposal

Current Substitute Teacher Pay:

- Regular Substitute: \$128 Per day
- Substitute (5 consecutive days in same classroom): \$136 per day
- Regular Friday Substitute: \$100 per day
- Long Term substitute on the 6th day: \$152 per day

Board Proposal: 2017-18 Substitute Teacher Pay:

- Regular Substitute: \$140 per day
- Regular Friday Substitute: \$110 Early Dismissal/\$140 Full Day
- Long Term on the 11th day: \$187.16 1/185 of base salary

Rationale: The SEA brought their concern about the availability of substitute teachers across the district. At the meeting, teachers shared that area districts paid more than Schuyler pays, and that contributed to our inability to hire enough substitute teachers on some of the days. The recommended increase places Schuyler at or near the top of area schools.

North Bend: \$105/day Long term \$182

Columbus: \$140/day. 31st-60th day of any subbing \$145/day 61st day on \$150. If hired as a long term sub, \$194.04 (Base/185)

Clarkson: \$120/day. 11th day long term \$187 (Base/185)

Lakeview: \$120/day \$184.32 long term sub if at least 15 consecutive days

David City: \$130/day. After 10 consecutive days, \$185

Howells: \$120/day. Day 11 of long term consecutive days \$202.70 (base \$37,500/185 days)

SES K-2 Principal Report: Mr. Kovar

I am currently working hard on Formal Observations. Probationary teachers are observed twice a year, and tenured teachers are observed once a year. Multiple walk-throughs occur for all teachers throughout the year.

Things are going well right now, we have been working closely with a few students who need extra support with behavior plans. We try and have lots of communication with parents to help support us in these plans. We have also had a number of IEP's this past week to help those who need extra support socially and academically.

On a fun note, we hosted a group of Chinese Acrobats who dazzled our students with juggling and some rare air acrobatics!!

Rural Schools Principals Report: Mr. Reinsch/Ms. Bebout

Teachers at both schools reported over 95% attendance at parent-teacher conferences in October.

Chinese acrobats performed at Richland for both rural schools on Wednesday, November 8th.

Veteran's Day programs were held at both schools last week. Wednesday, November 8th at Richland and Friday, November 10 at Fishers.

Middle School Assistant Principal Report: Mr. Zavadil

Formal observations have been underway for well over a month and we have been giving our teachers great feedback on our instructional model. Mrs. Burton and myself continue to work with our staff to implement the school climate model of Capturing Kids' Hearts. We hope that this continues to allow our students to learn in a welcoming and friendly atmosphere that our teachers provide.

Going Forward, we are planning to bring a small group of students from the middle school to the Nebraska Coaches association sportsmanship summit at Midland Lutheran College on November 16th.

Middle School Principal Report: Mrs. Burton

SMS Enrollment:

6th-129 students 7th-144 students 8th-123 students **Total-396 students**

This month's SMS Students of the Month are being recognized for respect, responsibility, and work ethic. They are: 6th Grade-Gina Alba, 7th Grade- Elizabeth Harding, and 8th Grade-Lissi Martinez. They were also treated to a lunch at Pizza Hut this week as part of their recognition.

SMS Teachers continue to implement and improvise their proficiency scales and instruction within the classroom. Special support has been provided to math with the implementation of specific Discovery Education math coaching and professional development throughout the school year.

Parent Teacher Conferences were a success at SMS! Our records indicate the following:

6th Grade: 88% 7th Grade: 86% 8th Grade: 77%

Total Parent Participation: 84% (331 students had a parent attend conferences)

Teachers made contact with all parents that were unable to attend conferences by calling, emailing, or writing a letter home to families.

We look forward to having our 8th graders attend the SCHS One-Act on Monday, November 20th. This serves as a great experience for students at both buildings.

I would also like to invite parents and community members to a parent council meeting focusing on the topic of digital citizenship and cyber bullying at SMS on Monday, November

20th from 6:00-7:00 p.m. All SMS parents and community members are invited to meet with us in the SMS Library.

High School Asst. Principal Report: Mr. Kasik

- I continue to work with Ms. Pavel and Mrs. Dimas on student attendance issues.
- I also have been working with law enforcement, probation and CHI with random drug testing. On November 7th we had our third session of drug testing.
- We continue to train our staff in Discovery Ed. Training within our building.
- Formal Staff Evaluations have started and will continue throughout this month.
- I continue to use Saturday School to help motivate students to make good choices.

High School Principal Report: Mr. Grammer

1) **Enrollment**: November 1st:

Seniors—127 Juniors—136 Sophomores— 164 Freshmen— 150 Total = 580

2) **Warrior Showcase**: Our Warrior Showcase on Tuesday, October 10th at the high school was a night of celebration and successful alternative to the usual Parent Teacher conferences. It was exciting to see the turnout and the highlighting of the work our students and staff have been working on for the first quarter. The meal was a big hit for families. The attendance numbers were as such:

2016-17 Parents attending - 175 out of 500 = 35%

2017-18 Parents attending - 325 out of 575 = 57%

We didn't hit our goal of 85%, but it was a tremendous improvement. Staff and students are thinking of ways to continue the improvement of attendance. Thank you for allowing us to think outside the box when it comes to Parent-Teacher Conferences.

3) **School Improvement**: Our Engagement Review (formerly known as our accreditation visit) will be on January 28th through 31st, 2018. Our district and SCHS school improvement teams are working hard to prepare for this visit. Our district improvement team went to a school improvement workshop in Omaha on October 24th & 25th. It was informative and at the same time validated that we are headed in the right direction on preparing for our visit. More information will follow as we get closer to the Engagement Review dates.

4) Our Sertoma Athletes of the Month for November are: Football- Jesus Magana;

Softball- Jakelin Mejia; Golf - Ivana Lopez; Girls Cross- Yessica Rodriguez, and Boys Cross-Country- Miguel Carrasco. Congratulations to these students for their hard work and diligence during the fall season.

5) **Observations**: I have completed my walk through observations at this time and have almost completed half of my formal observations.

6) **Discovery Ed.** We continue the professional development and training through Discovery Ed. We also had in the past month training in instructional coaching and development of Performance scales provided by the ESU.

7) **First Quarter Grades:** At the completion of the first quarter, we only had 42 students with failing grades. Our goal was to have 50 students only and we surpassed that goal. Mr. Petersen in the Warrior Achievement Center and Ms. Pavel working with attendance, both had an impact on keeping students from failing.

8) **Veterans Day Observance:** On Friday, November 10th the high school presented a Veterans Day Assembly. The high school had a Color Guard presentation and performances by student groups honoring our veterans. Thanks to Mr. Barry for setting up the Color Guard and for his positive comments about our student body's behavior during the assembly.

Youth Activities Director Report: Mr. Kovar

Just as everyone is busy right now, I am trying to balance my responsibilities as K-2 principal with being the Youth Sports Director.

We are just finishing up youth volleyball. I think we had a good first year, with many ideas for improvement next year. Our final numbers were around 36.

Some exciting news for Flag Football, last year we had just over 30 boys in grades 3-6. This year we have over 64 kids signed up!! Practices will begin next week, which is why Mr. Comley and I are gone! Flag football will run through December, and then youth basketball will begin after winter break!!

On October 26th we held our Light's On Event. Wildlife Encounters held two performances. He did an amazing job and brought in very unique creators. Schuyler Fire Department brought in an extinguisher and the students could put out pretend fires. We were able to serve a meal. We had around 350 people come through.

Middle School Activities Director Report: Mr. Zavadil

Middle School wrestling started practicing Thursday October 18th. Our wrestling team started with 57 members and are starting to prepare for our Middle School home invitational on December 2nd. Our Wrestling team has started strong receiving a 2nd place trophy for their performance at the Wayne invitational.

Middle School Girls Basketball started practicing at the Elementary School on Monday October 23rd. Their team also has 57 students signed up to play. The coaches are excited to use the Field-House and new gym floor. We have already played against Aquinas, Columbus, and Madison. Madison is a new game for this season. We have scheduled two scrimmages on November 28th and December 12th. These scrimmages have been put on the Calendar and will involve our C and D teams playing against each other. Parents are more than welcome to attend to watch our students get some playing time.

The Field house is starting to get busy since the beginning of October, Mrs. Trotter and I have been working to hire additional student employees to help with the traffic flow and clerical duties while teacher on staff can monitor the usage of the fields and courts. Mr. Kovar's youth

flag football program is also starting soon utilizing the Field-House. We are seeing great numbers of students signed up at the 6th grade level.

Mr. Kasik and myself traveled to Kearney on November 4-6 for the NSIAAA conference. This conference was very valuable as well as the conversations we had about how new NSAA policies will impact our school. Mr. Kasik and myself also attended the NSAA District II meetings to vote upon NSAA proposals before the state. Mr. Kasik and I are looking forward to attending the NIAAA conference for athletic directors the first weekend in December we are hoping that this builds upon the state level conference that we attended early in November and we can garner more ideas for athletic programs from athletic directors nation-wide.

High School Activities Director: Mr. Kasik:

- We had the pleasure of being one of two schools in the state who were recognized with the NebraskArts Award at the State Capital for outstanding programs in visual and performing arts.
- Fall seasons have completed, I will be scheduling end of season meetings with coaches.
- We had our Fall Sports Banquet on Monday Nov. 6th at 6:30 pm, it was well attended and went well.
- We are gearing up for winter sports which begin Monday, Nov. 13th. Based on pre-season meetings and pre-season conditioning, we are expecting the follow approximate numbers:
 - GBB- 21
 - BBB- 32
 - WR- 65
 - (This puts us up over 20% of where we started last year)
- On December 6th I have our second meeting for our winter Holiday BB Tournament in Columbus.
- Our One-Act group continues to put in long hours in preparing for their upcoming contests. They recently placed 3rd out of 13 at our their first contest in Osceola.
- I attended the NSIAAA (AD) convention this past weekend in Kearney. A number of topics of interest were discussed.
- I also attended the District II NSAA meeting on Nov. 8th to cast our school's vote on proposals.
- Zavadil and I will be taking over 30 student leaders to a Sportsmanship/Leadership summit at Midland University on Nov. 16th, this event is sponsored by the Ne. Coaches Association and the NSAA.

Special Education Director Report: Mrs. Vrba

Current special education students served:

Birth to 5: 26 *(with 11 more pending)* **SES:** 111 **Rural:** 15 **SMS:** 50
 SCHS: 39 **Parochial Schools:** 6

Total: 247 *(with 11 more pending)*

*We do have one student attending school in Olathe, KS.

Evaluation of my Special Education teachers is in full swing! I had the enjoyment of doing the SES teachers last week. It is just heart-warming watching the "little people" learning with their teachers. There is nothing more exciting to watch than when a child has an "aha" moment. (And yes...I have seen a few this week in the SMS classrooms.

All SPED teachers in charge of providing an education to students in third grade to eighth grade and eleventh grade are working on filling out the NDE's Alternate Assessment Criteria. There is a new regulation this year that only 1% of your student body may participate in the Alternative Assessment. For our district, that means about 10 students which is a very small number with some of our students' verifications.

Curriculum, Assessment, Federal Programs Director Report: Dr. Gibbons

2017 - 2018 State Assessments - With the move to the NWEA testing window, we will have some changes in how we test. The test will be a limited computer adaptive assessment. Like the MAP assessment that we currently take, the questions will get harder as students answer questions correctly and will get easier as they answer questions incorrectly. The difference is that the questions need to stay within the grade level.

State Testing has a new name! Instead of NeSA (Nebraska State Accountability) we will now have the Nebraska Student-Centered Assessment System (NSCAS, pronounced N-skas).

Very few paper/pencil versions will be allowed this year. I only expect us to have a handful when in the past we would have a few hundred. This is due to the adaptive nature of the test.

I would also like to point out to you that rules about how Recently Arrived English Learners (RAEL) participation in statewide assessment and accountability have changed due to new options allowable in ESSA. In the past, RAEL students did not have to take the Reading Assessment. Now, they will be required to take the English Language Arts Assessment. However, how they included in the accountability calculations have changed:

- In Year 1: students are included in participation calculations but results are excluded on the English language arts and math assessments in the state accountability system.
- In Year 2: students are included in participation calculations and results are used in growth measures but not achievement indicators in the state accountability system.
- In Year 3: students are included in all accountability calculations.

School Improvement Grant - Penny and I have been diligently working to finalize last year's requests for reimbursements so hopefully we'll have that money soon. The Middle School final request has been approved.

Accreditation

- At the School Improvement workshop on October 24 and 25, our District Steering Committee had the opportunity to work on our Systems Quality Factors and our evidence for the review. I've attached a copy of the SQF for your reference.

Congratulations to these two students for being recognized by their One Act Sponsor, for their hard work, dedication to One Act and serving as leaders of the One Act team.
 - Enrollment as of December 1st: Seniors—125; Juniors—135; Sophomores—164; Freshmen—148. Total—570.
 - Our Annual Blood Drive was held on Wednesday, December 6th in SCHS's West Gym. The Culture Club in SCHS was the sponsor for this event. We had a fantastic turnout by our students and community. We hope this support of our Blood Drive continues for many years. I would also like to thank Mrs. Lickei for all of her hard work in preparing for this even.
 - Our professional development opportunities are continuing throughout the first semester with Discovery Ed. The trainings we have received the first semester have been beneficial. During our classroom observations I have seen our staff implementing the instructional strategies learned from Discovery Ed, especially with Project Based Learning.
 - Our classroom observations were completed in early December. Both I and Mr. Kasik have seen improvement of instruction in our classrooms and our new teachers are learning what we want to observe when we come to their classes.
 - We are continuing to prepare for our District School Improvement process. Our Engagement Review is on January 28th through the 31st. We are looking forward to the state visiting our district in January and having the opportunity to show our review team all the good programs and staff that we have at SCS.

- 
- On Sunday, December 3rd the FFA Club had their annual Toy Drive at SCHS. The Toy Drive had good participation. Thank you to Mr. Peters and FFA for their hard work in preparing for this event.
 - Serteen collected items for Warrior Tree and then turned over to Denise Kracl to be dispersed by the County Attorneys Office. The Serteen group also assists Ms. Kracl with wrapping the presents. Clothing, toys, and food goes to the families in need in our community. Thank you to Serteen and the County Attorneys Office for this well needed program.

This chart represents the percentage of students at Level 1 (highest) and Level 2 (on level). We knew that scores were going to be lower than what we previously experienced. Only 2016-17 scores are shown because the assessment is so different that scores cannot be compared to previous years. There are not enough scores from Richland and Fisher's to report publicly.

School Improvement Grant - We had six days of onsite training with Discovery Ed in November and another two days in the first part of December. One of the consultants, Dacia Jones, was in the building for a whole week doing STEM Project Based Learning activities with our teachers. She spent time observing in classes and offering coaching to those teachers. She also had day-long workshop with teachers.

Accreditation - Just a reminder that the Accreditation Engagement Review will take place January 28 - 31. The team will want to interview board members. I would like to find a time for you to come in on Monday, January 29. It would be awesome if you could come in that afternoon, please let me know.

January 3 Inservice - You should have all received an email with a link and an access code to complete Gallup's Clifton Strengthsfinder Assessment. In this assessment, you are given two statements and you need to decide which is statement best fits you. Let me know if you need another copy of the login information. On the morning of January 3, we will have a Gallup presenter talk about the information that you learn about yourself.
