We will be honoring All-A honor roll students from 12-13 at the board meeting. Letters were sent to parents last Friday.

Students who received all A's for all four terms during the 2012-2013 school year were honored by recognition of the school board. Students receiving awards from Assistant Principal Kovar were: Rachel Folda, Megan Jedlicka, Kalen Kasik, Anabel Lira, Emily Semerad, Connor Flynn, Rebecca Folda, and Preston Hall.

VI. Action Items

VI.A. Budget

VI.A.1. Discuss, consider, and take action to approve the proposed 2013-14 budget. We discussed the proposed budget in August. We were waiting for the district valuations to be certified by the county assessor prior to setting our final tax request. Attached is the full budget, the advertised budget notice, and the valuations certified for the 2013-14 school year.

Motion to approve the 2013-14 budget as advertised. Passed with a motion by Richard Brabec and a second by Eric Cerny.

Richard Brabec: Yea, Eric Cerny: Yea, Lumir Jedlicka: Yea, Chuck Misek: Yea, Virginia Semerad: Yea, Brian Vavricek: Yea
Yea: 6, Nay: 0

VI.A.2. Discuss, consider, and take action to approve the 2013-14 property tax resolution as presented.

Attached is the property tax levy as advertised along with the resolution to be adopted by the board of education at their regular meeting. Valuation increase was 5.5%. See attached information.

Motion to approve the property tax resolution as presented. Passed with a motion by Brian Vavricek and a second by Richard Brabec.

Richard Brabec: Yea, Eric Cerny: Yea, Lumir Jedlicka: Yea, Chuck Misek: Yea, Virginia Semerad: Yea, Brian Vavricek: Yea
Yea: 6, Nay: 0

VI.B. Negotiations

VI.B.1. Discuss, consider, and take action to approve amending the 2013-14 classified staff handbook.

In the past, salaries for bus drivers and substitute teachers were changed in the fall. We are proposing the attached salary updates and recommend approval of these salaries occur with the adoption of the classified handbook in the spring. Attached are the pages from the support staff handbook and the recommendation on the following positions for the 2013-14 school year.

Bus Driver: \$12.75 per hour plus \$.10 longevity for returning employees.

Van Driver: \$11.50 per hour plus \$.10 longevity for returning employees.

Route Driver: \$15.00 per trip plus \$.10 longevity for returning employees.

Alt Ed Driver: \$20.00 per trip – (new addition) plus \$.10 longevity for returning employees.

The salaries listed above reflect a \$.25 increase in base salary plus \$.10 for returning employees. See attached recommendation.

Dr. Hoising recommended that all classified staff changes be considered in the spring to avoid making amendments in the fall. This would allow the auditors to see that the school board approved all salary changes in advance of the change.

Motion to approve amending the classified staff handbook as recommended. Passed with a motion by Chuck Misek and a second by Eric Cerny.

Richard Brabec: Yea, Eric Cerny: Yea, Lumir Jedlicka: Yea, Chuck Misek: Yea, Virginia Semerad: Yea, Brian Vavricek: Yea

Yea: 6, Nay: 0

VI.C. Policy

VI.C.1. Discuss, Consider and take action to approve the agreement with the Nebraska Association of Schools boards for their online policy service.

The Nebraska Association of School Boards now provides an online policy service. This service converts all board policies to HTML code which allows the board and the general public to search policies, convert to other languages, and maintain and/or update our policies. The initial set-up fee is \$300 and the annual renewal fee of \$1,000 per year (January to December). If we begin during the fall, our annual fee will be prorated. See enclosed agreement.

To make all SCS operations more transparent, all board meetings, committee meetings, and administrative meetings will now be posted on the NASB website. In addition, minutes from meetings, board policy, agendas and any other pertinent information will be saved in an HTML version making all information available in the reader's primary language. A counter will be placed on each page to gauge how many times a page is viewed.

Motion to approve the NETS (Nebraska Education Technology Services) online policy service agreement as presented. Passed with a motion by Lumir Jedlicka and a second by Virginia Semerad.

Richard Brabec: Yea, Eric Cerny: Yea, Lumir Jedlicka: Yea, Chuck Misek: Yea, Virginia Semerad: Yea, Brian Vavricek: Yea

Yea: 6, Nay: 0

VI.D. Personnel

VI.D.1. Discuss, consider, and take action to approve administrative recommendation on new hires.

We have a couple new hires for your consideration.

The Sixpense Grant provides a position for a "home visitor" to serve fifteen (15) birth to age three children in our community. This person must have a bachelor's degree and must be bilingual. Amanda O'Mally has been tentatively offered this position, pending board approval. Amanda has experience in working with children and we believe will be a strong asset to our school and community.

We are also recommending hiring Lourdes Pena and Paloma Arcieva for the "new comers" para-educator positions at the middle and high school buildings. These two are replacement positions.

Finally, we needed to reassign a special education teacher from the two rural schools to support special education students at the alternative school. Due to this reduction in staff for the rural schools, we are recommending replacing that FTE with Brante Hayes (substitute teacher) to cover the physical education classes at those two buildings and will spend the remainder of the day at the elementary building and Head Start buildings as a SPED para-educator. Because this teaching position is only for two periods per day, we will be hiring this individual as a substitute teacher rather than as a regular employee. The regular physical education teachers will be providing the lesson plans for these classes. By reassigning the PE, the regular teachers will be free to teach the science classes in their buildings.

Motion to approve the hiring recommendation on Amanda O'Mally, Lourdes Pena, and Paloma Arciva as presented. Passed with a motion by Lumir Jedlicka and a second by Virginia Semerad.

VII.B. Rural/Satellite Schools Report

1) Rural Enrollments #'s

Fishers 73 Students 48 Families

Richland 37 Students 28 Families

2) NE Dept. of Environmental Quality Calendar

Congratulations to Gage Stutzman and Davis Arriaza, two 2nd graders at Fisher's, for having their art work selected for the Dept.'s yearly calendar. They attended a reception at the capital and had their picture taken with Governor Heineman in August. This is the 6th consecutive year for a Fisher's student to be selected.

3) Kara Kudera, a 7th grader at Fisher's, is undergoing chemo and radiation for a Wilm's tumor. When able, she is attending school in the mornings and receiving afternoon classes via Skype as her energy level allows. Thanks to Mrs. Mueller for her extra time and work in helping Kara keep up with her school work.

4) The Fisher's teachers and I want to thank Brian Vavricek for repairing the school driveway with rock and distributing the rubberized mulch on the playground.

5) Recently Completed Events

Safety Inspection

Health Checks

Dibels Testing

6) Operating Councils will be meeting Tues. Sept. 17 at Fishers and Wed. Sept. 18 at Richland.

Rural Enrollments as of 9/16/13 - Fishers #24 - 73 Students (48 Families) Richland School - 37 Students (28 Families) Congratulations to Gage Stutzman and Davis Arriaza, two 2nd graders at Fishers #24, for having their art work selected for the NE Dept. of Environmental Quality calendar. Operating Councils will be meeting Tuesday, September 17 at Fishers #24 and Wednesday, September 18 at Richland School.

VII.C. Curriculum/Instruction/Assessment

VII.C.1. Curriculum Director Board Report

I have explained our School Improvement plans including our plans and progress for the required actions from our External Visit last year. I also mentioned that we are going to be examining our Social Studies curriculum this year and that means that we may need to have some meetings of the Americanism committee in the future as well.

Accreditation/School Improvement “ We have established the following school improvement goals: 1. All students in Schuyler Community Schools will improve reading proficiency. 2. All students in Schuyler Community Schools will improve math proficiency. These goals are the generic, overall district goals. From these goals, each building creates more specific goals with measurable outcomes and strategies for implementation. This is the year to study our Social Studies curriculum according to the previously mentioned curriculum cycle. One way that Social Studies is different from other curricular areas is that state law requires Americanism be taught. We will need to have the Americanism committee meet on occasion to discuss the curriculum. NeSA Reading, Math and Science Assessments scores from 2013 were made public and shared with the Board of Education.

VII.D. Activities Administrator Report

VII.D.1. Activities Administrator Report

Ms. Conrad has started intramurals at the high school. The groups are playing volleyball this fall. She also has the dates set up for volleyball at the middle school and elementary.

The NSAA has a new policy for coaches. Each coach must go through concussion training. In the past, it was recommended and SCS did educate coaches. With the NSAA requiring training, SCS coaches now take an online course and then print out a certificate stating that they have completed the training.

Mr. Winings received a nice compliment after the Norris football game. The officials made a point to come visit with him. The official stated that he has officiated a lot of football games in his lifetime and this (Schuyler team) is by far the best class act he has officiated. The official stated between the coaches sideline behavior and the student athlete behavior on the field, what he witnessed that night is rare these days. SCS coaches have implemented a character development in their programs. We are seeing the benefits.

The NSAA has a new policy for coaches. Each coach must go through concussion training. In the past, SCS recommended training and educated coaches. With the NSAA required training, SCS coaches now take an online course and print out a certificate stating that they have completed the training.

VII.E. Director of Facilities/Transportation Report

High School

Repaired ice machine and air conditioner in West gym; repaired mixer and hot water heater in kitchen; included in the board packet are pictures of the boy’s locker room and Preschool Multi Purpose room before and after

Middle School

Replaced flame sensor roof unit top #13, repaired roof top unit # 10 and #4 air conditioning;

The new PITSCO Science lab is now up and running at the middle school. There are 18 modules of different science curricular areas. The lab will be utilized by all three grade levels at the middle school. A grade level should get through at least six modules per year. Which means a student who attends SMS for three years will work through all 18 modules in the science lab. The new Grab and Go Breakfast program has seen a successful implementation because of the staff's willingness to work with the program. The first week 40 students participated and the second week there were 120 students and more recently with a daily average of 180 students.

VII.H. Schuyler Central High School Report

We are currently serving 12 students at 4R. 10 high school students including 1 young mother and her child, and 2 middle school students.

Barbara Saathoff is the head teacher. WE have 2 para-educators for support, 1 for high school and 1 for middle school. We also have Liz Mallory coming out for special education support. We have 3 students who require 1 on 1 support everyday from a special education teacher as stated in their IEP's. This keeps us in compliance with the law.

We will also implement early outs on Friday's. Students will have to earn their early dismissal by attending regularly, having no disciplinary referrals, and making appropriate progression. This time will allow time for parent meetings, as well as collaboration among the staff.

We are currently serving twelve students at our 4R Alternative Education School with ten high school students and two middle school students. Barbara Saathoff is the head teacher. In addition we have two para-educators and Special Education support. Current 2013-14 enrollment at SCHS - 9th Grade - 110 students, 10th Grade - 106 students, 11th Grade - 124 students, and 12th Grade - 134 students.

VII.H.1. SCHS Report

We will be honoring students receiving All-A's for all four terms during the 201312-13 school year.

2013-14 enrollment:

9th Grade: 110

10th Grade: 106

11th Grade: 124

12th Grade: 134

Food Service Program

The Grab n' Go program has increased the number of meals served. Last year we served an average of 58 breakfasts a day. This year we are serving an average of 127 meals. In the month of August we served 981 additional breakfasts.

The high school staff is developing a new reporting system in to use the compile the assessment data. This information will be available to students/parents over their iPads. See attachment.

VII.I. Superintendent's Report

We will be taking a team of administrators and teachers to Kearney to attend the Fall Tech. Conf. This team will be responsible for developing the district technology plan to be presented to the board of education in January. See information below:

Schedule at a Glance

Wednesday, October 2nd

1:00 pm to 5:00 pm - Preconference Sessions

Google Collaboration

Tips, tricks, tools and guidelines to use as a starting point to getting your students, faculty, and staff ready and excited about Google Apps for Education. With an overview of top used web apps to a break out for administrators and teachers. Administrators will work on change management, policies, productivity, collaboration and training and support options. Teachers will dive into devices, collaboration, administration, digital citizenship, search and discovery, and more options in Google Apps.

iBook for Creating Course Content

iBook author is a free application that allows users to create an interactive book that can be used on an iPad, iPhone or iPod touch. Video, audio, slide shows and other interactive media will be added to the sample book created in this workshop. If you have always wanted to create your own iBook but didn't know where to start, this is the session for you. Participants will need to come with iBook author loaded on their computer and will want to bring their iPad and synch cord for previewing and viewing their created book.

Social Media Bootcamp

Twitter, Instagram, Facebook, Path, YouTube, LinkedIn, Slideshare, Blogger. The list of social media sites could go on forever. In this session Craig Badura, pK-12 Integration Specialist for Aurora Public Schools, and Laura Kroll, Elementary Principal for Exeter-Milligan Elementary, will discuss how social media is revolutionizing the education field. Craig has a passion for digital citizenship and will be sharing his knowledge and expertise on the dos and don'ts of social media and the importance of leaving a positive digital footprint. Laura Kroll is one of the co-founders of #nebEDchat and will be sharing her experiences with making connections through social media and the importance of becoming a connected educator. Participants will need to come prepared with a device and a little enthusiasm. This will not be a sit and get session. You will be creating a Twitter account which will help you begin the exciting journey of creating your own PLN and becoming an informed, responsible, connected educator.

6:00 pm - Dinner (included in your registration)

7:00 pm - **“Leading in a Learner-Centered Learning Environment”**

Keynote Speaker: Patrick Larkin

This session will answer the following questions: 1. What is social learning and why is it more important today than ever before? 2. How can increased technological connectivity expand, change or improve student learning? 3. Is connectivity expanding our concept of who is a literate or educated person today? In answering these important questions we will look at some well articulated standards that can assist in the implementation of these digital

tools. Discussion will focus on getting community support, professional development, and concrete examples of how this shift is necessary to best prepare our students for their future. Schools need to find ways to use technology in the classroom without the unneeded restrictions due to fear and uncertainty. In this session, Andy will share the good, the bad, and the ugly of "letting kids drive" the technology at Andrew CSD. Andy will also share his vision and thoughts of where technology is taking his district and your district whether you like it or not. Buckle up and let's start moving forward!

Curriculum

Fiduciary Responsibilities – Money Saving Options – Megan Boldt & John Spatz

This session will cover ALICAP, the school insurance program; NASBMC, the Medicaid Consortium, the new Unemployment Insurance Program and others. Come to this session ready to learn how your district could save a dollar.

Superintendent Contracts & Evaluations – Marcia Herring & Megan Neiles-Brasch

The board has a fiduciary responsibility to work with the school attorney to review, revise, or develop a contract defining the board and superintendent's obligations, expectations and responsibilities. This session will provide you with resources to support the board's role related to the Superintendent contract and evaluation.

Recent Guidelines for Federal Mandates – Jim Luebbe

The Feds have issued new details for handling issues such as disabled students in athletics, the Family Medical Leave Act, Military Leave Provisions, Exchange Visitor Programs, Wellness Programs and others. We will examine the effects of these changes on your districts.

Unicameral Impact – Megan Neiles-Brasch

A brief overview of the 2013 Legislative Session and proposed Legislative Resolutions from Nebraska School Districts.

Introduction to NETS (Nebraska Education Technology Services) – Craig Caples & John Spatz

NETS is a subsidiary company of NASB. Learn more about the company and the time/cost saving services offered by NETS, including eMeetings, Online Policy Manuals, Data Storage and Document Imaging, Online Contract Settlement Form and the North Star Negotiation Software program.

Conflict Resolution – Marcia Herring & Shari Becker

Dealing with conflict in a constructive and productive manner under the scrutiny of the public can be challenging. Participants will discuss and explore two specific areas of conflict: conflict among board members (and the public) and between the board and superintendent.

School Policy for ESUs – Jim Luebbe

School law identifies an ESU differently than a school district. This session will address the implications for policy and daily operations.

A team of administrators and teachers will attend a technology conference in Kearney in October. After this training, a technology plan will be put into place for the 2014-2015 school year.

VII.J.2. Labor Relations Conference

Rich, Chuck, and Lumir attended the Labor Relations Conference. They will share highlights of the conference. See attached Conference Schedule.

VII.J.3. State Conference: November 20-22, 2013

See Attached Schedule.
