

Schuyler Community Schools
SAA Weekly Meeting
Tuesday, October 8, 2013 9:00 AM
SAA Weekly Meeting @ Richland Elementary
401 Adam Street
Schuyler, NE 68661-2400

I. Fas-Break Achievement Awards

We distributed the Fas-Break Achievement Awards for 1st Quarter.

II. Technology Conference Recap

We discussed the impact of the NETA Conference in Kearney. The teachers and administrators in attendance found it to be a great conference and seemed to find something of interest for everyone. We also discussed the need to possibly bring in a speaker to work with our students, staff, and parents prior to developing a district-wide plan for technology.

III. Board Meeting Reports

Michelle told me the board meeting was not showing up in her list of meetings. I am not sure why this is happening, but please let me know if a meeting is not showing up on your site. Remember to submit your board reports this week. I will publish the board meeting on Friday morning, so please try to get your reports posted by Thursday evening. Thanks

IV. Parent-Teacher Conferences

I will plan to ask the board to amend the 2013-14 school calendar to reflect the parent-teacher conference change from:

December 4th to December 5th and no school for students on December 6th.

February 19th to February 20th. Mid-Winter Break is scheduled for February 21st.

V. Strategic Plan Process

The board of education will be asked to set a time and date for the 2014 strategic planning session. We also will need to think about who will be involved in the initial meeting.
