Any changes to your handbook to coincide with changes from this legislative session or new policy adoption will need to happen in June.

16. **SLM Evaluation:** Make sure conduct your final "smarter lunchroom" evaluation before the end of the year.

17. **Workshop Days May 21-22:** Discussion on the ELLevation and Renaissance workshops scheduled for May 21-22. See information sent to all staff regarding make-up days due to inclement weather.

Over the past school year, we cancelled school five (5) days due to inclement weather. The cost per day to tax payers is \$93,000 in lost wages (\$465,000). The board of education pays for two days for support staff members and pays all five days for certificated staff.

The administrators have confirmed that with the lost days of instruction we still exceed the 1,080 hours for high school and 1030 for elementary students, therefore, we do not need to make up days of instruction.

However, we believe we need to be accountable for some of the lost wages. Through a series of meetings with administrators, support staff members, and SEA building representatives we will be asking the board of education for approval for the following options:

Support Staff: According to support staff contracts, they are paid for up to **two** days for inclement weather. Options to replace the remaining non-paid days.

1. Take the **three** days without pay.

or

2. Use Vacation, PTO or sick leave for the non-paid days.

or

3. Arrange with your supervisor to work up to **two** additional days. All additional days worked must have an administrator signature for approval.

Teachers and Administrators: Options to make up some of the paid contract days lost.

1. Access **three** days of PTO or sick leave.

or

2. Work **two** additional days May 21st, 22nd (We have two workshops scheduled for teachers and administrators.)

a. ELLevation Workshop: May 21st.

b. Renaissance Workshop: May 22nd.

c. If you are not involved in the above scheduled workshops, you will need to arrange with your building administrator for these two scheduled make-up days.

The above options are intended to be fair with tax payers, while offering options for retiring employees, those leaving the district, have vacation plans, etc... while allowing those employees who have no remaining leave, need to attend workshops, or have additional work to do, an option of working those days.

You will need to work with your building administrators on the option you choose.

This recommendation will be presented to the board of education for their formal approval on May 13th.
