I. Discussion Items

1. **Finance/Budget Report:** See attached budget and finance reports.

2. **Safety Items:** There are several required safety videos posted on the district website. These are required video programs and all employees must complete the programs. The required video training sessions:

All Staff

1) Youth Suicide Prevention

2) Title IX Regulations in K-12 Schools (Several videos and courses)

Dr. Dave Gibbons and Mrs. Darli Vrba are the new Title Coordinators for the 2020-21 school year. If you or any other employees believe you have been discriminated against, you need to report it to one of these coordinators.

3) Slip, Trips, Falls

4) Other videos as assigned

New Staff

1) Blood Borne Pathogens

* Dr. Gibbons will be posting required videos and trainings.

3. **Meeting Portal:** All district level meetings are posted on the board meeting portal. Following our meeting, I will update any discussion items and post for public access. Building representatives are responsible to make sure your colleagues have access to discussion items included in our meetings.

4. **Buildings and Grounds:** Thank you for your patience during this first semester. Due to construction and work associated with this process, we realize there may be issues in your buildings that may need attention. If you see maintenance issues that need to be addressed, please let your building administrator know of your concerns.

5. **PT Conferences and Fall Break:** P-T Conferences are scheduled for Tuesday evening October 13 and 8:00 to 4:00 on Wednesday, October 14th. Fall Break is Thursday and Friday, October 15-16. There is no Tech Fair this year as our tech workshops are included in the professional development week, Monday, October 19 through Friday, October 23. No School for students, staff will report for professional development. We are taking this week between semesters to disinfect our buildings, give students/staff a break from COVID protocol, and provide professional development in lieu of bringing in outside consultants on a one or two day basis. This also helps us accommodate this training during a time when substitute teachers are in short supply. Dr. Gibbons and Jeff Droge are putting the schedule together for the week. If you have

ideas for things you are interested in working on, please let your supervisors know so we can build time in the schedule.

6. **Time Clock:** Please make sure you are taking care of and understanding the available leaves for the 2020-21 school year. In addition to PTO and sick leave, this year you also have access to up to 10 days for COVID related leave. This leave is available until December 31, 2020. This must be entered into the system under "administrative leave". The Emergency Medical Leave Bank (EMLB) remains the same for the 2020-21 school year. This program is under the management of the SEA.

7. **Safety Program and annual Report:** We have contracted with Navigator Prepared to host all of our safety reports and protocol for the 2020-21 school year. In addition, Lloyd from Nesbitt and Associates will be conducting a safety inspection for 2020 sometime in October-November.

8. **Strategic Plan Update:** We will be finalizing our progress reports on the district strategic plan during the month of November. We are scheduled to revisit the plan as a staff/community in January.

9. **Salary Schedule:** Your salary is based on your position and place on the salary schedule. Please review your 2020-21 salary and benefit information. The business office prepares payroll information, but it is the employees' responsibility to review their payroll information for accuracy.

The board of education will begin meeting with your SEA negotiations team in October. The two items they will negotiate are the 2020-21 Incentive Plan and the 2021-22 Master Agreement. If any of your members want items included in these plans, they should get them to your team for consideration.

10. **Health Insurance:** We will be offering an open enrollment period for changing insurance programs beginning in January 2021. This dual option allows employees to elect to participate in a high deductible (\$3,600) and use the premium savings to enroll in a healthcare savings account. Please let Penny know if you are considering moving to the higher deductible by December 1st.

11. **Food Service:** We have expanded our summer free breakfast and lunch program for the fall of 2020. We were notified two weeks ago that this program was extended for all students for the first semester or until the money runs out!

2020-21
CERTIFICATED STAFF MASTER AGREEMENT

THIS AGREEMENT was made and entered into this *11th day of November, 2019* by and between the SCHUYLER COMMUNITY SCHOOLS (SCS) SCHOOL BOARD and the SCHUYLER EDUCATION ASSOCIATION OF SCHUYLER COMMUNITY SCHOOLS (SEA).

I. LEAVE AGREEMENT

1.1 PERSONAL TIME OFF (PTO)

Certified Staff shall receive 11 days of Personal Time Off (PTO) each year. PTO days include personal illness, immediate family illness, bereavement and personal leave.

The immediate family is defined as a wife or husband, (step) son or (step) daughter, father or mother of the wife and husband, sister or brother, grandchild, grandmother or grandfather. Personal leave is defined as taking a day(s) off work to be used at the discretion of the individual employee.

When requesting PTO days, except for illness and emergencies, give the Principal one (1) week of lead-time. Staff members are encouraged to make all PTO requests as early in the year as possible in order to obtain substitute teachers. Once a request is granted, that day or days will be categorized as PTO (if you have PTO days remaining) and will be deducted from your total PTO days. When all of your PTO days are used, any other days used must be for bereavement or sick leave and will be taken from an individual's personal accumulated sick days. Once all of your PTO and personal accumulated sick days are used, staff members will either qualify for the emergency medical sick leave bank or they will be docked accordingly.

Unused PTO shall accumulate up to 50 days of sick or bereavement leave. The administration reserves the right to require a certificate from a medical doctor when a person is using accumulated sick days. An employee is not permitted to go into a negative balance on PTO. Once a zero PTO balance results and the certified staff member is not using accumulated sick/bereavement leave or the Emergency Medical Leave Bank, and a teacher must be absent, salary deductions will be made on the basis of 1/185th of the teacher's salary schedule placement *for* each day absent.

If, at the beginning of a contract year, a full time certified employee has 50 accumulated sick/bereavement days - and at the end of the same contract year the same full time certified employee has accumulated sick/bereavement of 50 days – for any unused days the full time certified employee shall receive \$100/unused day. For example: Staff member “X” starts the school year w/ 50 accumulated sick/bereavement days. At the beginning of the school year “X” receives 11 PTO days. “X” donates 1 day to the emergency medical leave band (EMLB). During the year “X” uses 3 PTO days. “X” would receive \$700 (subject to withholding) on or before their September paycheck.

If a certified staff member has used all 11 PTO days, any leave day(s) requested must be accompanied by a written reason for the requested leave – exception sick days.

At the beginning of the school year, the superintendent's office shall notify each employee concerning his/her accumulated sick/bereavement days.

Based on substitute availability, six (6) teachers will be granted PTO days the day prior to or the day following a school vacation. These requests will be filled on a first come first serve

basis. For purposes of this section, school vacation will mean Fall Break, Labor Day, Thanksgiving, Christmas, School Holiday, Easter Vacation, Summer Vacation and Memorial Day.

PTO requests on scheduled parent-teacher conferences and district or building level professional development days will be limited to sick or emergency leave approval. Any leave granted by the administration beyond the teacher's PTO days shall result in a reduction of the teacher's compensation by one (1) contract day's pay for each day missed.

PTO days will be reduced in one-hour increments

1.2 PROFESSIONAL LEAVE.

Teacher initiated professional leave shall be limited to five (5) days. More days may be granted with administrative approval for special circumstances. Professional leave will be granted to teachers to make school visitations, attend workshops and professional meetings, register for college classes, or appointments with college personnel. All requests for such leave shall be made in advance to the administration. All professional leave requests are subject to administrative approval. Expenses will be paid for workshops and professional meetings when the Board of Education makes a mandatory request that staff attend. Mileage will be paid to one (1) person for transportation of up to four (4) attending staff members. Professional leave does not include instruction time missed by a coach or sponsor who is attending to scheduled duties related to their position as coach or sponsor.

1.3 BEREAVEMENT LEAVE CLARIFICATION

A teacher may be granted leave for bereavement purposes to the extent of the teacher's accumulated sick leave for a member of the immediate family, as defined by the master contract (refer to definition to immediate family in 1.1). A maximum of two personal accumulated sick leave days will be granted for bereavement leave not fitting the "immediate family" description.

1.4 LEAVE OF ABSENCE.

A teacher who has been employed by Schuyler Community School for seven years of continuous full-time teaching may request a one-year leave of absence. The teacher must apply for leave in writing on or before March 1 of the year preceding the school year of the leave. In its sole discretion, the Board of Education shall determine the number of leaves of absence, if any, which will be permitted during a school year.

If the number of applicants exceeds the number of leaves authorized by the Board, the leaves will be granted in the order of the seniority of the applicants. Seniority shall be defined as the number of continuous full-time years of employment in the district as a teacher. A break in service will terminate a teacher's seniority under this provision. If two or more teachers tie in seniority, the tie will be broken by a flip of the coin.

Time during a leave of absence and time when a teacher has been reduced in force and is not teaching full-time for Schuyler Community School shall not constitute a break in service for the purpose of seniority in other provisions of the negotiated agreement where seniority may be applicable. However, any years of leave of absence and any years of absence prior to recall for a teacher who has been reduced

in force will not count as years of employment for the purpose of increased seniority or any other provision of this agreement.

For the purpose of this section only, a teacher who is granted a leave of absence shall lose seniority and upon returning to the employment of the school district shall earn seniority anew. For example, if a teacher with 20 years of continuous full-time teaching experience applies for a leave of absence and has the greatest seniority of all applicants, the teacher will be given first preference in granting the leave. Upon returning to the district after the completion of the leave, the teacher's prior seniority will expire and he/she will begin to acquire seniority as if the first year after the leave were the teacher's first year of employment. This provision will prevent teachers with the greatest seniority from dominating the leaves of absence and will rotate the opportunity for such leaves among the staff. A teacher desiring to return to employment after a leave of absence shall be required to submit a written statement of her or his intention to return on or before March 15 of the school year of the leave. The failure of the teacher to submit a written statement of intention to return by March 15 shall constitute a refusal of employment for the following school year and shall authorize the Board of Education to take action to terminate the employment.

During the period of the leave, the teacher may continue health and life insurance coverage by paying the premiums in advance as mutually agreed upon by the staff member and administration. Upon return, any benefits which had accrued prior to the leave will be restored to the teacher, but the leave of absence shall not be considered as a year of employment by the school district for advancement on the salary schedule. A teacher returning from a leave of absence shall be placed in a teaching position for which she or he is endorsed.

1.5 EMERGENCY MEDICAL LEAVE BANK.

The EMLB (Emergency Medical Leave Bank) has been established to protect certified staff participants from financial loss due to extended absence from contracted duties.

I. Purpose

The bank may be used for: personal injury or illness; illness or injury of any member of the member's immediate family which requires the personal attendance of the employee; funeral/bereavement of any member of the employee's immediate family; or childbirth/adoption.

A limit of ten (10) days may be requested from the Emergency Medical Leave Bank for all types of deliveries or adoption. If a member has 30 days of annual/accumulated leave built up, the member may not request any additional maternity/paternity leave from the Emergency Medical Leave Bank. For example, if a member has 21 or more days accumulated, only the number of days needed to reach 30 may be requested. (Refer to the definition of "immediate family" in section 1.1.)

II. Membership

Emergency Medical Leave Bank (EMLB) membership shall be available for any certified staff member who: donates one (1) full day of annual PTO leave to the bank. This must happen each year that the staff member chooses to belong to the EMLB. A certified staff member shall not be eligible to apply for EMLB days during extended contract time.

The amount of bank days shall not exceed the total number of days contributed by certified staff participants. At the completion of each contract year, (after the last counted contractual day), the balance of the account shall become zero (0) days.

Assessment of bank days shall take place at the beginning of a certificated staff member's contractual year. The beginning of a member's contractual year will be the first day of the counted contractual

days. Membership will only be taken during the first five (5) working days of a certified staff member's contractual year if contracts are accepted and signed. By the end of the tenth working day of the contractual year, the Schuyler Community School building representatives shall provide the superintendent's office with a list of the certified staff members who have agreed to participate in the EMLB and contribute a minimum of (1) day of annual PTO to the bank. A staff member may provide extra days to the EMLB by donating accumulated sick leave to the bank. A second assessment for (1) additional PTO or accumulated sick leave day(s) per member may be made prior to the first day of the second semester of the contract year. Contribution to the second assessment is voluntary and does not affect membership status. Schuyler Community School building representatives shall provide notification of this assessment to the superintendent's office.

The superintendent's office shall be responsible for maintaining records and completing bookkeeping for the EMLB. Bank days donated may not be withdrawn if a member decides to withdraw from the bank.

III. Eligibility

Eligibility to withdraw EMLB days shall require: contribution of the required day(s) during the current contractual year; all annual PTO days and accumulated sick leave days must have been used; the absence must be for three or more successive contractual days; the extended absence must meet the guidelines established; and the application form must be accompanied by a statement from a physician or school nurse indicating the necessity of the absence if for reasons other than funeral/bereavement. (Exception: the three successive days absence guideline does not apply to regularly scheduled (monthly) absences that are necessary for the treatment of a chronic/ongoing medical condition.) When applicable, long term disability benefits would commence after all annual PTO days and accumulated sick leave days and allowed EMLB days have been utilized. The long term disability compensation waiting period is 30 calendar days from the first day of the employee's absence. The EMLB cannot be used when workman's compensation is applicable. The workman's compensation waiting period is 7 calendar days from the first day of the employee's absence.

It is the responsibility of each certificated staff member to contact the District Business Manager to apply for LTD.

IV. Application

Application for EMLB days shall be made to the Schuyler Community Schools building representatives. Building representatives shall be defined as the certified staff members elected to the Schuyler Education Executive Board from Schuyler Community Schools. Application must be made within five (5) days of returning to work after the extended absence. Planned leaves may be applied for up to 30 days prior to the event. After the superintendent and district business manager are informed that an application is made, the teacher's salary will not be affected unless deductions are necessary after all requests are considered. The Schuyler Community School building representatives will consider applications within ten (10) working days of the application.

A member shall make a personal appearance before the Schuyler Community Schools building representatives if applying for EMLB days for two (2) consecutive years.

II. INSURANCE INFORMATION

2.1 LIFE INSURANCE.

The Board of Education will provide each teacher term life insurance in the amount of \$25,000 with the Board paying the premium. (An additional \$15,000 of coverage may be purchased for \$/month by the insured.)

2.2 HEALTH AND ACCIDENT.

The School District shall provide Blue Cross Blue Shield health dual option insurance and single dental insurance coverage through the EHA on a four tier format for all certified staff electing to be covered and their dependents when applicable. A certified staff member who has a spouse that is employed as a certified staff member in another school district or ESU, and who is eligible for that district's or ESU's health insurance are encouraged to work cooperatively with Schuyler Community Schools in sharing health insurance costs. SCS is willing to work with the spouse's district in deciding which district will hold the health insurance policy. The certified staff members and dependents who are covered by SCS health insurance shall receive the benefits provided for teachers and their dependents who are insured under group insurance plans, namely \$1,200 Deductible/\$3,600 HSA (Dual Option) health coverage and PPO 80% and single A and B with 50% C dental coverage, issued by Blue Cross/Blue Shield of Nebraska Educator's Health Alliance, for insuring the NSEA Nebraska Teachers Group. There will be no cash payments added to the salaries in lieu of taking this fringe benefit. Exception for clarification: if the staff member of Schuyler Community Schools has a spouse who is also a staff member of Schuyler Community Schools, the Board will pay for the fringe benefit in the amount necessary but not more than the amount set out above. This would entitle a teaching husband-and-wife combination in the above situation to a fully paid family dental benefit. There would be no cash allowance in lieu of any available fringe benefit in the above instance.

When a wife and husband no longer have dependents, the wife will receive single coverage and the husband will receive single coverage. The wife and husband will each receive single dental coverage.

The four (4) tier health coverage include the following monthly payments:

2020-21 Health Insurance Costs (5% Discount Rate).

\$1,200 Deductible	Health	Dental	Total Cost
Employee	\$638.88	\$29.54	\$8,021.04

2.3 INCOME PROTECTION.

The Board of Education will provide and pay for the income protection plan (long term disability) for each teacher.

2.4 IRS SECTION 125 PLAN.

The Schuyler Community Schools has in place an Internal Revenue Service Section 125 Plan.

III. SALARY INFORMATION

3.1 SALARY SCHEDULE. The salary schedule for the teachers shall be in accordance with Appendix "A" attached hereto with a base salary of **\$ 36,250**.

3.2 EMPLOYMENT PERIOD. The annual employment period for teachers shall be 185 contract days.

3.4 VERTICAL MOVEMENT. In no case can a teacher move vertically more than one step per year. All teachers shall move vertically one step down at the beginning of the contract year for each year of experience, providing the teacher is not at the bottom step of a salary schedule column. Teachers initially hired for one semester or longer shall be credited with one year of experience for that partial year.

3.5 HORIZONTAL MOVEMENT.

A teacher wishing to move horizontally on the salary schedule must meet the following criteria:

(A) All hours beyond the bachelor's degree must be:

- (1) Graduate hours,
- (2) Must be in accordance with a schedule of courses leading toward a Master's degree,
- (3) Must be approved by the superintendent, or
- (4) The Superintendent of Schools is authorized to give written permission for a certificated staff member to take nine (9) hours of college credit, which is not in an advanced degree program. The Superintendent of Schools will approve courses prior to enrollment. Courses which are considered an enhancement to student instruction will be given priority consideration.

(B) The BA+36 column will no longer exist with the following exceptions:

- Certified staff that are in the BA+36 column at the beginning of the 2006-2007 contract year will be allowed to continue vertical movement on the BA+36 column until they have reached step 14 (1.72 index) for contract year 2006-2007 and step 15 (1.76) for contract year 2007-2008. All vertical movement on the BA+36 column will be at a 4% rate regardless of any subsequent changes in the vertical movement rate of compensation.

(C) Columns which recognize MA + 9 hours, MA + 18 hours, and MA + 27 are included in the salary schedule. To be recognized, the following criteria must be met:

- (1) hours must be beyond those required for endorsements in teaching areas,
- (2) all hours must be on graduate level,
- (3) all hours must be in the teacher's specialty field in which he/she is assigned,
- (4) all hours must be approved by the superintendent. Hours for which approval is not given will be explained in writing by the superintendent for the teacher's information.

The intent of the three columns (MA+9; MA+18; MA+27) is to recognize individuals who have taken graduate work beyond the MA, which is taken for professional improvement, or work on a doctorate.

(D) It is a teacher's responsibility to notify the superintendent's office in writing no later than May 15 if s/he intends to move horizontally on the schedule for the coming school year. If the teacher fails to notify the office of the superintendent by May 15 he/she may not be advanced horizontally for the coming year.

(E) Credits earned or reported after the opening day of school will not be counted on the salary schedule until the next contract year.

(F) It is the responsibility of the teacher to have on file in the superintendent's office transcripts of all college credit earned that is pertinent to that teacher's placement on the salary schedule, pertinent to meeting state accreditation standards, and for verification of data used in state aid applications.

3.6 SUBSTITUTE TEACHING. When a certified staff member is asked by the administration to substitute during their planning period in another teacher's absence, the teacher substituting shall receive:

All teachers will receive 17.50 dollars per period. In the event that a staff member covers less than a full period of time, the following is the prorated payment:

- Less than half of a period (20 minutes) – no compensation
- Half or more of a period - \$17.50
- Writing lesson plans for another teacher's long-term leave - \$17.50 per day, up to 10 days or until long-term sub is secured.

3.7 TEACHING EXTRA CLASSES. A 6th thru 12th grade teacher who teaches a full class period during his/her plan period (forfeiting all of a planning period) shall receive an additional fraction of his/her salary equivalent to one (1) period of the day.

3.8 PART-TIME TEACHERS. Part-time teachers will be placed on an adjusted index to compensate for the ten non-teaching days on the contract, unless such teacher is otherwise compensated for these days.

$$\text{Adjusted Index} = \frac{\text{Index} \times (10 + (175 \times \text{part-time employee}))}{185}$$

Accordingly, the equivalent ratio of employment shall be applied to all benefits listed in this document. Non-teaching in service days shall be established at the beginning of the contract year.
