Strategic Planning: Buildings/Grounds Program
Tuesday, March 25, 2014 7:00 PM
Strategic Planning: Buildings/Grounds Meeting @ Middle School
401 Adam Street
Schuyler, NE 68661-2400

I. Discussion Items

Meeting Attendance: Virginia Semerad, Rich Brabec, Dr. Hoelsing, Stephen Grammer, Darin Kovar, Dave Gibbons, Bill Comley

Building and Grounds Program: Chuck Misek, Eric Cerny, Virginia Semerad, Rich Brabec

Goal: Secure, quality, modern educational facilities

Target Area:

1. Provide quality education facilities to support for all academic programs

Strategy: Develop a system to manage maintenance requests and timeline for facility improvement. (May 2014)

Strategy: Develop a plan to expand classroom space at the high school building for vocal and instrumental music and social studies. (Sept. 2014)

2. Provide quality education facilities for early childhood program expansion

Strategy: Explore options to renovate the Northward building to provide improved environment for early childhood programs. (May 2014)

3. Provide quality practice and contest facilities for all athletic/fitness programs

Strategy: Develop a plan to expand physical education and athletic practice facilities at the middle school building. (Sept. 2014)

4. Provide quality facilities for fine-arts programs.

Strategy: Develop a finance plan and timeline for the construction of a new visual and performing arts education center. (Sept. 2014)
