V. Discussion Items and Reports

V.A. Principals Reports

Preschool/SES 3-5 Principal's Report: Mr. Comley

Program/Staff Member Spotlight: This month I would like to highlight Diana Mondragon. Mrs Mondragon is a para at SES that helps in one of our ELL rooms, and most recently has been filling in the office area. Mrs. Mondragon has/does an outstanding job in both areas. I have personally had many compliments on how pleasant and nice Mrs Mondragon is. She is a great example of another wonderful employee we have at SES and I want to say thank you for all you do for Schuyler!

SES K-2 Principal's Report: Mrs. Keairnes

Program/Staff Member Spotlight: I would like to highlight our Kindergarten teachers! Mrs. Garcia, Mrs. Sobota, Ms. Girard, Ms. Sanchez, Ms. Ostberg, and Mrs. Vavrina planned and prepared for four parent meetings of upcoming Kindergarten students. Two at the Preschool and two at Headstart were hosted where they presented positive information about our school along with information that can help those students and families be confident moving into Kindergarten.

Dual Language, Fisher's, & Richland Principal's Report: Ms. Bebout

Program/Staff Member Spotlight: On March 14th we will hold our 6th year of Kindergarten Dual Lang signup!! It is hard to believe that this amazing program has been running for this long. We will hold two sessions at 10:00 a.m. and another at 5:00 p.m. Any parents interested in enrolling their child into the Dual Lang program must attend one of these sessions. At the parent meeting, parents are informed about the program, the requirements for students and parents, and the benefits it provides for their child. We will enroll two classes of students into the program, which is 32 students. If we have more than 32 families interested in the program, then the names will be put into a lottery and any extra students will be put on a waiting list. We are so excited about meeting our next group of scholars!!

Middle School Assistant Principal's Report: Mr. Banahan

Spotlight Program: This month I would like to spotlight the work of our partnership with Good Neighbor Community Health Center, specifically Ms.

Sarah Preston, who works with many students here at Schuyler Middle School. Ms. Preston does a great job working with our students and making them feel comfortable when working through tough situations that arise in our students' lives. Ms. Preston is a Licensed Mental Health Practitioner who through her company's partnership with SCS is available to visit our students weekly here at school so they can get the services they need to feel supported and successful while not having to miss as much school to leave for their appointments during the school day. In the last two years, and hopefully this summer as well, Ms. Preston will be able to continue working with the students throughout the summer, if it is seen fit for the student to be most successful. We are grateful for this amazing partnership and look forward to continuing working with Good Neighbor to help provide these opportunities for our students.

Spotlight Upcoming Event: On March 15th we will have a guest speaker, Juan Cangas, come to Schuyler Middle School and Schuyler Central High School to talk to our students about making positive choices while sharing his personal story. Mr. Cangas will be talking to our students about how our choices now impact our future, and how these choices don't have to define us, but can help us grow positively to positively impact our lives. He will be speaking to the middle school students in the morning, and the high school students in the afternoon. This opportunity is made possible by both the Middle and High School Student Councils.

Middle School Principal's Report: Mr. Zavadil

Program Spotlight: I would like to highlight the work of our district and building level School Improvement teams. These teams have done a lot of work to prepare for an external visit scheduled for the end of the month of March. Also, in the past month, our administrative team has had the opportunity to receive coaching from Discovery Education, KLK consulting, Learning Empowerment incorporated, and Capturing Kids' hearts. These groups have focused on three primary goals for instruction. Engaging project based learning, rigorous instruction based upon standards, and building a strong classroom environment through relationships.

Staff Member Spotlight: This month I would like to highlight the work of Mrs. Hanna. Last week we had the pleasure of observing her classrooms while her students were in the midst of a very engaging project wherein students build cars utilizing their knowledge of Newton's three laws of motion. These cars are supposed to protect an egg during a collision with the wall. Students were truly learning and having a ton of fun during this project.

Upcoming Events: The district just finished parent-teacher conferences last week and we had great attendance. We will be starting our NSCAS and MAP testing during the 1st week of April. Our students will be getting an opportunity to listen to a speaker, Juan Congas, to discuss the challenges of being students and how to be a great person. Our 8th grade group is very busy the following week as they will be visiting both SCHS and Doan/Concordia colleges on the 21st and the 24th respectively.

High School Asst. Principal's Report: Mr. Steinhoff

Program/Staff Member Spotlight: This month I would like to spotlight Ms. Estrada. Ms. Estrada is a first year teacher here at SCHS. As a new teacher, Ms. Estrada does amazing things with our students. She constantly seeks out opportunities for growth, works with her team, and is eager to hone in and improve her craft. In my last several visits, her students have been authentically

engaged and eager to learn. She is an asset to our school and we are grateful to have her as a Warrior!

High School Assistant Principal's Report: Mrs. Ladwig

Program/Staff Member Spotlight: I would like to highlight the work of our School Improvement team which includes the following SCHS staff members: Staci Shonka (co-chair), Nick Wilcox (co-chair), Drey Keairnes, Ashlie Stone, Jeremy Hlavac, Seth Paesl, Paul Niedbalski, Katie Bertrand, Clarissa Eloge, Don Seehusen, and Elizabeth Lickei. With our external review visit coming up at the end of this month, it is only fitting that this group is recognized for all the extra work and documentation they have completed over the course of this school year. Mrs. Shonka and Mr. Wilcox, in particular, spent an immense amount of time working on data and artifact collection. Thank you to this team for all their work!

High School Principal/Student Services Director's Report: Dr. Lefdal

Program Spotlight: I would like to spotlight Mr. Steinhoff and Mrs. Ladwig for the work that they are doing at the high school. Watching them work to make our school better every day is exciting. They are dedicated professionals that truly challenge me to be the best that I can be every day. Their ideas and suggestions on how to continually improve our programming and school have been nothing short of amazing. They truly make going to work a pleasure.

Notable Topics: The speech team has simply been amazing. The team has worked diligently to make this one of the best years they have had! The students are excited, willing to put in the time and effort that is necessary to succeed, and their behavior and professionalism at speech meets is nothing short of amazing. Bravo!

Looking Ahead: I am excited to see our spring athletes in action. We have students who are excited about participating in track, soccer, and golf. I know the students and coaches have started putting in the time to make sure their programs are a success. We have some very competitive teams, and it will be exciting to watch them.

V.B. Directors Reports

Youth Sports Director's Report: Mrs. Keairnes

Program/Staff Member Spotlight: I would like to highlight Sara Garcia and her Youth Softball Program! There are about 30 girls signed up for youth softball this year. Mrs. Garcia has engaged multiple volunteers to participate in building this program. Outside of teaching basic softball skills every Tuesday and Thursday, she also holds a practice specifically for pitching and catching practice every Sunday afternoon. She does a fantastic job of meeting the needs of all ability levels and making the most of the time she has with her athletes.

Warrior Academy - AfterSchool Program Director's Report: Ms. Bebout

Spotlight Staff: Guadalupe Encarnacion: We would like to highlight Guadalupe Encarnacion. Guad was born in Mexico but moved to Schuyler, NE when she was 3 years old. She has been with her husband, Victor, for 14 years now. They have 2 kids together, Marelly, who is 12 years old and attending Middle School, and Julian, who is 7 years old and attending Elementary School. She graduated from SCHS in 2008. Once she graduated, she started working at Homestead Bank from 2008 - 2014. In 2014, she took the SMS Coordinator position for the after-school program. She's been with the program since it started in 2014. Guadalupe has been a big piece of our program and we are

grateful to have her.

Middle School Activities Director's Report: Mr. Banahan

Spotlight Program: Here at SMS we are starting up our track season with our first practices on March 20th. As we head into our final competition season of the school year, we are excited to see what our young athletes can do out on the track and field in their respective events. We bring back some good experience with our 8th-grade students who had a lot of success last season. In talking to a couple of the students, they are very excited to get going and a number of them are eyeing some records up on the record board. Overall we are excited to see what our athletes can do this spring season.

Spotlight Staff: I would like to highlight the work of Mrs. Janelle Rocha, who has been a huge help here at SMS with our Athletic programs. Mrs. Rocha has done a great job of having our rosters ready to go for all of our home events, as well as keeping track of SMS Concessions. She has taken on these new roles with great enthusiasm and has done a great job of keeping us moving in the right direction. So thank you Mrs. Rocha for all of your hard work with SMS Athletics, we all appreciate it!

Spotlight Upcoming Event: SMS Vocal and Band groups will be performing at the Malcolm Music Contest on March 17th. Our groups have had some great success at this competition in the past, and we are sure that Miss Semerad, Mr. Pelayo, and Mr. Niedbalski have our performers ready to go for this competition once again this year! Best of luck this week!

Special Education Director's Report: Mrs. Vrba

Program/Staff Member Spotlight: My spotlight is shining brightly on a set of our students' providers that truly lose a little bit of themselves every day by serving our students with their hearts and souls. Bailey Svoboda and Christina Hancock are our SLPs that present intensive explicit strategies when students are struggling with articulation and language skills. Logan Cuba, our OT, and Jessica Brugman, our PT, are forever working side-by-side with our teachers to brainstorm a line of attack to ensure success with fine/gross motor skills and supporting our students' sensory needs. Cassie Krings is a true advocate for our students with hearing losses. With a number of our students who didn't want to wear their hearing aids, Cassie's relentless tenacity and fun-loving spirit eventually wins out.

Bailey and Christina share their talents with all of the SES and SMS kids. Logan, Jessica and Cassie sprinkle their gifts throughout our whole school district. Schuyler Community Schools' students have been forever touched by this group of dedicated ladies. They have taught "our kids" to live by the quote...***"Our greatest weakness lies in giving up. The most certain way to succeed is always to try just one more time."***

Curriculum, Assessment and Instruction Director's Report: Dr. Gibbons

Program/Staff Member Spotlight - I am going to spotlight the work of the 6-12th grade Math teachers in the work towards adopting a new set of curriculum materials. It can be very difficult and time-consuming to do the work needed and they have come together to make a plan. They have done a great job getting what we need.

Professional Development - Thank you for the additional time for professional development on March 6th. It gave us the opportunity to finish up with some great sessions for our staff.

Assessments: Our EL teachers have finished up the English Language Proficiency Assessment (ELPA21) recently. We currently have about 830 students who need to take the ELPA assessment. Teachers have been working with those students to motivate them to do well. The Spring NSCAS Assessment window will be opening soon. All students in grades 3-8 must take the Spring assessments in English Language Arts and Math, with students in grades 5 and 8 also taking the Science Assessment. High school 11th grade students will take the ACT on April 4th. Our 10th graders will take the PreACT that same day.

Other important info - Thank you to the Curriculum Committee for meeting with me last week. We will also need to set up a time for the Committee on American Civics to meet. Also, the new strategies for the newly adopted Strategic Plan are on the ECRA Dashboard.

V.C. Superintendent's Report

Program/Staff Member Spotlight: Kim Powell serves the district as our Data Specialist. While Kim's work is basically behind the scenes, she is instrumental in initiating and supporting all building administrators and teachers with all Infinite Campus information, NDE Staff Reporting, Accreditation Requirements, Attendance and school hour compliance, etc... Thank you Kim for your continued efforts to ensure our data is in compliance with local, state and federal requirements.

1. **Board Safety Committee:** Mr. Brabec needs to appoint a new ad-hoc committee to consider options on safety programs. Once the committee is set, we need to consider possible dates and times for this committee to meet with building principals.

2. **Board Standing Committees:** Set meeting times prior to the April Board Meeting to consider 2023 Strategic Plan Recommendations.

Preschool/SES 3-5 Principal's Report: Mr. Comley

Program/Staff Member Spotlight: This month I would like to highlight Molly Parsons. Mrs. Parsons is an excellent preschool teacher for SCS. Molly has exceptional knowledge of early childhood and has shown great leadership at the preschool. Mrs. Parsons has also done work with the Buffet Institute and is a leader in the state. Thank you Mrs. Parsons for all you do for SCS!

SES K-2 Principal's Report: Mrs. Keairnes:

Program/Staff Member Spotlight: I would like to highlight Tori Oehlich! Mrs. Oehlich is our school nurse at the Elementary School and our head nurse for the district. Mrs. Oehlich consistently provides the absolute best care for our students and staff. She has continued to keep in close contact with East Central to stay up to date on health protocols and communicated her findings throughout the district. She has also helped empower other staff members by sharing her knowledge and training our staff with multiple health and medical emergency protocols. Thank you Mrs. Oehlich!

Dual Language, Fisher's, & Richland Principal's Report: Ms. Bebout

Program/Staff Member Spotlight : I would like to spotlight Guadalupe Ramirez and Evelyn Recinos. Both of these teachers are part of the Dual Language Program and do an excellent job! Guadalupe has been a teacher with the program since she graduated from college five years ago and Evelyn joined our program two years ago. They are dedicated to the program and put in a lot of time and effort to make it successful.

I am excited to say they will both be presenters at NABE(in Oregon later this month), which is a national conference for schools/programs with bilingual programs. We have sent staff to NABE for the last six years. Our first group went to learn how our program should be run and then, each year since the program started, a group of the DL teachers has attended. It is exciting to see our teachers willing to share their knowledge and insight they have gained while working in the Dual Language Program and through training/schooling they have taken. Congratulations to both Guadalupe and Evelyn for this big accomplishment! #itisagreatdaytobeaschuylerwarrior

Middle School Assistant Principal's Report: Mr. Banahan

Program/Staff Member Spotlight: As we are wrapping up School Counselor week, I felt it was only fitting to spotlight our fantastic counselor at SMS Mrs. Paula Kment. Mrs. Kment does so much for us here at the Middle School for our students and staff members, and often receives

very little recognition for everything she does. She is the definition of a team player and is always willing to help out in any way that will benefit our students from helping run a concession stand at various sporting events, to covering classes, making up MAP/NSCAS Tests, fixing scheduling issues, and covering lunches. She continues to help support students outside of the school day by being the Student Council Sponsor. Students learn important skills including people and money skills by working in concessions and selling suckers and flowers for students to give to each other for Valentine's Day! We are grateful to have such an amazing team member on our staff, and are truly grateful for everything she does here at Schuyler Middle School!

Spotlight Upcoming Events: We have begun implementation of Rooms, in the district, but we are excited to have a new platform to reach out and create better relationships with our families. Our teachers work hard to build relationships with all of their students, but especially those in their R-Times. They visit with those families during parent-teacher conferences, but this will give them one more avenue to have more frequent interactions with the families in a positive way to build up those relationships. Our next parent-teacher conference will be on March 7th, and we look forward to seeing our families!

Middle School Principal's Report: Mr. Zavadil

Program and Staff Member Spotlight: February is another great month for teaching and learning at school with minimal distractions. Representative administration from each building have been attending and continue to plan to attend future college fairs and teacher recruitment. I would also like to highlight the work of one of our new teachers, Mr. Truman Lauck. Truman teaches 8th grade mathematics and is already a strong member of our team. Mr. Lauck spends a lot of time outside of the regular school day helping with STRIV and working at our Field-House. Mr. Lauck is originally from Bloomfield Nebraska and comes to Schuyler by way of the University of Nebraska Kearney where he was a standout leader. Schuyler Middle School Band brought 14 students to the Stanton Honor Band, which was held on February 4th and was a great event with a lot of talented musicians from all over Northeast Nebraska.. I would like to thank Mr. Pelayo for giving our students the opportunity to participate.

Upcoming Events: Schuyler Middle School staff are preparing for our March P/T conferences and the new Rollout of the Rooms program through the Schuyler Community Schools' App. Parent teacher conferences are on March 7th. After Spring break we will be very busy with our 4th quarter track, testing, and preparation for the new year.

High School Asst. Principal's Report: Mr. Steinhoff

Program/Staff Member Spotlight: This month I would like to spotlight Mr. Michael Trotter and the work he is doing in our art department. Recently, he had multiple students win awards at the Scholastic Art Awards competition. This competition is the biggest competition they participate in. It starts at the state level and then goes to the national level. His students have been working extremely hard this year and it has paid off. This year we had 13 different students win awards.

- Jesus Chaves received an Silver Key in drawing
- Carlos Carrasco received an Honorable Mention for a drawing
- Victor Chavez received an Honorable Mention for a sculpture
- Vivian Fuentes received an Honorable Mention for a fabric dye painting
- Brenda Gallegos received a Gold Key for a fabric dye painting
- Yessica Garcia received an Honorable Mention for a drawing

- Bela Jedlicka received both a Silver Key and a Gold Key in Drawing
- Piper Lefdal dominated with a Gold Key Portfolio (6 artworks viewed together) and two individual Gold Keys as well as three Honorable Mentions
- Bon Mejia received two Honorable Mentions for drawing
- Maximus Moran received a Silver Key in Drawing
- Ghislane Rodriguez received a Silver Key for her fabric dye painting
- Hasley Salgado received both an Honorable Mention and a Gold Key for drawing
- Aivlis Serrato earned two Silver Keys in drawing

The award winning artworks will be on display in Omaha for the month of March, and the students that earned Gold Keys will now be judged against Gold winners across the nation for a chance to get their work displayed in Washington DC for a year.

Mr. Trotter will give all the credit to his students, but he is a huge part of their success. He builds relationships with all of our students, has a knack for seeing the talents our kids have, and does an excellent job of pushing them to be their best. Next time you see him, please thank him for his hard work.... He may look a little different than he did last time you saw him, as he recently shaved his head. He made an agreement with a student that he would shave his head if she made State, and she did! Thank you Mr. Trotter for all of your hard work.

High School Assistant Principal's Report: Mrs. Ladwig

Program/Staff Member Spotlight: I would like to highlight the work of Jazmyn Flores, EL teacher at SCHS. Ms. Flores does an excellent job working with students with varying levels of language acquisition and formal education backgrounds. Not only does Ms. Flores hold our students to a high standard, but she also makes sure to build relationships with each and every student. In addition to her work with our students, Ms. Flores cares about her co-workers. She never hesitates to lend a helping hand to a staff member in need, and it is something everyone appreciates about Ms. Flores. We are blessed to have her as a part of our SCHS family!

SCHS Principal's Report: Dr. Lefdal

Program/Staff Member Spotlight: I would like to spotlight the work of the janitorial staff (Juan Melendrez, Maria Bazan, Romona Rodriguez, Jose Ramirez). They are some of the most dedicated, hardworking, and cordial people I have had the pleasure of working with. Our building is clean and safe and everyone is always willing to jump in and lend a hand. The work is always done with a smile on their faces and a positive attitude. We are blessed to have them!

Notable Topics: I am very excited to see how our wrestling teams perform at the state level. I believe we are headed in the right direction with these activities and believe we will be a force in the next few years!

Looking ahead: I am excited to see the speech team in action again at conference, districts and state. I believe we have some very talented members. It is exciting to see our kids excited and proud of our school. Go Warriors!

Directors

Youth Sports Director's Report: Mrs. Keairnes

Program/Staff Member Spotlight: I would like to highlight our Winter Sports Pep Rally. On January 26th Schuyler Elementary School hosted a pep rally to highlight our youth sports and the athletes that participated. We invited head high school coaches to speak with our students about their programs and youth coaches participated in some fun minute-to-win-it games with some of their athletes.

Warrior Academy - AfterSchool Program Director's Report: Ms. Bebout

Program/Staff Member Spotlight: We would like to highlight Shayla Nelson this month. Shayla was born in Omaha, NE and grew up in Schuyler, NE. She did move to Texas for a short period of time. She has 2 dogs: Clyde and Lily, 3 inside cats: Coke, Cash, and Opan and 2 outside cats: Pancho and Mama. Shayla is one of our ASP staff members in the Middle School Program. She has been working for the After School Program for 5-6 years now. She first started working at the Elementary program and then was moved to the Middle School to be an extra set of hands for Guadalupe. She was also a sub para for the Elementary and Middle School. She currently works for the state as a caregiver and she also cleans houses and businesses. Shayla has been reliable and a huge help to Guadalupe. She loves interacting with students, especially in sports. The students love having Shayla at the program.

Middle School Activities Director's Report: Mr. Banahan

Program/Staff Member Spotlight: We are currently just over halfway through our MS boy's basketball season, and our boys have been tough competitors all season long. Our student-athletes are playing some good basketball and we are excited to continue to see these boys compete next season on the hardwood as they want to improve. Currently, our teams are 8A (5-3) and our 7A team is (6-2) it is exciting to see our kids competing at a high level.

Spotlight Upcoming Events: We are wrapping up our MS Boys Basketball season. We hosted our 4-team rotating tournament on 2/11/23 at SCHS. It is a great event to show off our high school facilities, while also getting our students excited about playing at our high school. After that, we have two more games for the season.

High School Activities Director Report: Mr. Steinhoff

Program/Staff Member Spotlight: In this month's program spotlight I would like to highlight our high school boys and girls wrestling teams. Our girls just finished their districts, and are sending 4 girls to state this week. Congratulations to our Girls State Wrestling qualifiers: Sinai Sanchez (1st), Halsey Salgado (4th), Angela Velasquez (3rd), and Lauren Wemhoff (3rd).

Our high school boys wrestling team qualified for the state duals tournament. In order to qualify for the state duals tournament, you must be scored in the top 8 of the state. This is a great accomplishment by the coaches and athletes.

Upcoming Events: The state wrestling tournament is coming up this Thursday. Good luck to all of our athletes competing!

Special Education Director's Report: Mrs. Vrba

Program/Staff Member Spotlight: Elyse Belina has taken on a different responsibility this year. She is our new Early Childhood Special Education Teacher/Service Coordinator. Elyse has been working with "our kids" in the home setting, in the Head Start setting and in the Schuyler

Preschool setting. In this role, Elyse serves as the first impression of Schuyler Community Schools to our new parents. That first impression is so important because it will last way into the time period when his/her student begins in Kindergarten. In this position you have to be a self-starter, have to be self-motivated, trustworthy, hardworking and have the determination to find solutions. Elyse has these character traits along with numerous more. She works extremely closely with other providers (Speech, OT & PT), classroom teachers but most importantly, our parents. Elyse has been going through Boot Camp with Lisa Duranski, the ESU #7 Early Childhood Trainer/Provider. Besides her own caseload of children, she has played a vital role in testing new 37 "little ones" and we have six more months in the 2022-2023 school year. (Just for your reference...during a "normal" year, we might possibly evaluate 20 children at the most.) Elyse is very compassionate and talented at working with young children!

Curriculum/Assessment/Instruction Director's Report: Dr. Gibbons

Program/Staff Member Spotlight - I am going to again spotlight the work of our School Improvement teams as we prepare for our Cognia Accreditation visit. All public schools in Nebraska must be accredited. Cognia is a world-wide accreditation agency that holds schools and systems to a high standard of excellence. Schuyler Community Schools has held Systems Accreditation since 2013. Schuyler Central High School was first regionally accredited through the North Central Association Commission on Accreditation and School Improvement (the organization that is today Cognia) in 1914.

Accreditation Activities - We will be hosting an engagement review team on March 30th and 31st. We will have the chance to present to the team and then they will be interviewing various stakeholder groups, visiting schools and analyzing reports. Some of these activities will be virtual, such as...

School Board Interviews - The Accreditation Engagement Review Team will need to schedule interviews with school board members. They prefer that this is done before the visit. The interviews can be done individually or in groups of two or three members and can be done in the late afternoon into the evening if preferred. Please let us know of the possible dates and times you are available.

Curriculum Adoptions - I have been working with building principals and teachers regarding curriculum purchases. 6-12 Math is a major area of need for us this year so we have had teachers study the new standards, meet to discuss curriculum needs, developed a Math Mission Statement and began reviewing texts. After reviews and presentations from different publishers, the team stated a preference for EnVision Math from Savvas. Teachers are currently piloting the program to be sure that students respond positively to it.

The mission of the Schuyler Community Schools Math Department is to engage students with high quality instruction. Students will be problem solvers and communicate mathematical ideas through collaboration, critical thinking, and reflection while utilizing a variety of strategies and technologies. Students will believe in themselves as mathematically literate citizens.

Dear Dan Hoelsing,

Leadership. Innovation. Vision. Engagement. L-I-V-E. The basis for all we do as an organization. #liveNASB.

The past few years have looked a little different for us all. There's been more noise inside and outside the boardroom as political tension at the state and national level has filtered down to our local boards. But through it all, Nebraska school boards and the team of education professionals they work with have served an important leadership role in our communities. You have shown how to stand your ground, share your stories, and pivot to incorporate good, new ideas, proactively as a team. You are community leaders. That is leading by example.

The NASB board and staff continue to be here for you in 2023, to #liveNASB. Whether you're a veteran board member or the new board member just getting started, we know the time needed to be an effective board member can be taxing, but all of that simply emphasizes the importance.

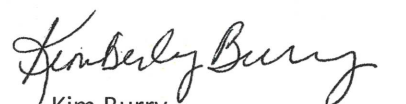

Reach out to us as you look to stay informed. We are a phone call or email away. We live to continue providing you with money-saving programs, information-sharing services, and the events you need to thrive.

Thank you! Thank you for being bold, remaining calm, and not losing sight of what matters to kids and to your community. Thank you for leading by example, and for giving it more than just a couple hours, one night a month. Your district, community, and the state are a better place because of you!

Your membership renewal notice is included. We look forward to working for and with you and your board again this year. If you have any questions about NASB's programs, services, advocacy efforts, or any other item, please give us a call at 800-422-4572, or email schoolboards@NASBOnline.org. **Once again, we are offering a 2% discount for all annual dues received prior to April 1.**

Sincerely,

John Spatz

AGREEMENT

CONTRACTED LEVEL I, II, AND III SPECIAL EDUCATION SERVICES

THIS AGREEMENT, made and entered into this *2nd* day of *March 2023* by and between Educational Service Unit 7 of the State of Nebraska, hereinafter called “Servicing Agency” and **Schuyler Community Schools** hereinafter called “District.”

WITNESSETH:

1. That the Servicing Agency does hereby agree that it will furnish to the District the following described Special Education services which meet the requirements of the State Department of Education. All rates are subject to the approval of the State Department of Education, and will be provided to the district prior to the district’s budget preparation.
2. That the Servicing Agency does hereby agree it will furnish to the District the following described special education services as follows:
3. Services shall be provided only to children who qualify for such services as specified in State Department of Education, Special Education Rules and Regulations (Rule 51).
4. The Servicing Agency shall supply recorded information on each child for whom services are contracted. The Servicing Agency agrees that it will confer with the School District personnel for purposes of evaluating each child’s progress.
5. The placing of a child in said program shall be made by joint decision of the Servicing Agency, the District, parents and/or guardians, and other members of the IEP team.
6. The Servicing Agency agrees to perform the services and the District agrees to pay in accordance with the Servicing Agency rate schedule as approved by the Nebraska State Board of Education. This schedule shall be in full force and effect during the school year of 23-24 commencing no earlier than August 1, 2023 and ending no later than July 31, 2024 .
7. The Servicing Agency retains the right to designate personnel to provide services. All personnel provided by the Servicing Agency shall be endorsed to provide their respective services.
8. Policies regarding sick leave, personal leave, and professional leave shall be determined by the negotiated agreement with the Servicing Agency for personnel providing services to the District.
9. In the event that school district’s programming requirements and needs change at any time subsequent to and during the term of this agreement, the costs to the school established by this agreement, shall in mutual agreement between ESU 7 and the school district be adjusted and prorated and the parties may agree. Nothing in this paragraph, however, shall be construed to entitle the school district to abrogate this contract or declare it void. The district shall be obligated to pay all sums specified by this contract as due and owing the ESU 7 regardless of changes in circumstances within the district during the course of this contract. The ESU 7 shall, however, be obligated to meet with the school district and discuss in good faith alternatives to mitigating expense, reallocating staff, and other resources within the bounds of the law and as the ESU 7 may

in its sole discretion determine to be in the best interest of ESU 7 and the school district. Any and all changes or expenses incurred by ESU 7 in the course of performing its obligations pursuant to this agreement, or in preparing to do so, shall become due and payable by school district to ESU 7 upon billing in a manner consistent with the billing provision of this agreement.

10. If, for any reason the District does not pay as agreed, the Servicing Agency may cancel this contract and forthwith, without notice, refuse further services, without notice, to said district, but the District shall not be relieved from paying for services rendered by the Servicing Agency to the said District to date of termination of service. The District hereby expressly agrees, acknowledges and affirms that its refusal to pay for services rendered will result in the Servicing Agency refusal to render services in the future and that, by refusing to pay, the District does not and will not expect the Servicing Agency to provide services of any kind to the District until payment has been made in full.

11. The School District agrees that its payments will be made upon receipt of billing from the Servicing Agency. If the District refuses to make payment within sixty(60) days upon its receipt of billing, the outstanding amounts owed shall accrue in interest of the 1.25% per month or the maximum permitted by law, whichever is less, plus the expenses of collection.

12. It is understood and agreed, that in the event of any reason this contract does not comply with the State's requirement, it will be changed in accordance therewith, upon written notice by the Servicing Agency to the District and advising the District of the required changes to meet State requirements.

13. It is agreed this contract between the Servicing Agency and district must be signed by the District Board or Representative and returned to the Servicing Agency by **March 25, 2023**. The Servicing Agency's Board will then sign and return a copy of the contract to the District.

This agreement shall be binding upon the parties hereto and their successors. The persons executing this Agreement on behalf of the respective parties specifically acknowledge and represent that they have value authority to bind the party to whose benefit this Agreement had been executed.

Nothing in this paragraph will require the Board of Education to extend this ERIP beyond the ending date hereof set forth in paragraph “F” below.

5. Limitation on Number of Participants: The Board of Education of the School District, in its sole and absolute discretion, reserves the right to limit the number of participants in this ERIP in any fiscal year based on financial exigencies, availability of funds, budget, expenses, revenue, and other school finance issues, including but not limited to the repeal or amendment of the exemption to the property tax levy limitations set forth at Neb. Rev. Stat. § 77-3442(2)(d) (Laws of 2008). The Board of Education shall allow up to four (4) Eligible Employees to participate in the ERIP each fiscal year unless the Board of Education establishes a different number of participants for such fiscal year on or before **November 15th** of each such fiscal year.¹ In the event an Eligible Employee has a personal or medical issue verified by a physician that would prevent such employee from continuing his/her employment for the ensuing fiscal year and the eligible Employee is not selected to participate in the ERIP, the Board of

Education in its discretion may grant a hardship application for participation as an additional ERIP participant for such fiscal year.

6. Criteria for Selection: In the event the total number of employees making application for participation in any one fiscal year exceeds the maximum number of employees to be allowed to participate as determined by the Board of Education for such fiscal year, the selection of the employees allowed to participate in the ERIP shall be based upon the following criteria in descending order of priority:

a. Previous Application Denied: First priority for participation shall be granted to those individual(s) who have applied the immediately preceding fiscal year for the TERIP and were not selected for participation under the terms of such TERIP.

b. Highest salary: Second priority for participation shall be granted to the individual employee with the highest scheduled salary for the school fiscal year in effect during the employees' last year of employment. For purposes of this paragraph:

(1) Eligible Employees' salaries will be compared only to other teachers' salaries making application for participation in this ERIP program during the fiscal year for which the application is submitted.

(2) "Scheduled salary" shall be defined as the 1.0 FTE salary listed on the negotiated salary schedule for the Employee's lane/step in his/her final contract year adjusted for the Employee's FTE plus salary paid for extended contract days based upon such salary schedule placement. This definition excludes salary paid for extra duties or responsibilities, reimbursement of expenses, fringe benefits.

c. Number of Years of Service: Third priority for participation shall be granted on the basis of those employees having the greatest number of years of service to the Schuyler Community Schools District regardless of FTE; such service need not be uninterrupted or consecutive years of service.

d. Tiebreaker: If two (2) or more individuals tie on criteria a, b, and c, the names of those persons who are tied shall be placed in a container and names will be drawn blindly from the container for each opening in the ERIP.

7. Terminated Employee's Ineligibility: An employee who has received written notice of possible cancellation, termination or non-renewal for reasons other than reduction in force shall not be eligible and may not participate in this program, unless after a hearing before the Board of Education it is determined that the employee's contract should not be cancelled, non-renewed or terminated. An employee who has received written notice of possible termination for reason of a reduction in force shall be eligible and may participate in this program if, but only if, said employee expressly waives all rights to which he or she may be entitled under the reduction in force law including, without limitation, substantive and procedural rights, staff development assistance and retirement incentive plan benefits, and recall rights.

8. Notice of Plan: The superintendent or the superintendent's designee shall notify all Eligible Employee of the school district of the ERIP and the attached ERIP Application and agreement on or before November 15 of each fiscal year the ERIP is in effect. A copy of said

ERIP and ERIP Application and agreement as it now exists or as it may from time-to-time amended may be obtained from the school office.

C. ENROLLMENT REQUIREMENTS

1. Resignation: Participants in the program shall resign their employment with the School District effective at the close of the school year during which such participant has submitted an application under this ERIP.

2. Application Date: Each eligible employee who wishes to participate in the ERIP must properly complete, execute, and submit an Application and Agreement form to the Superintendent on or after January 1 and on or before March 1 of the fiscal year the policy is in effect and the Employee will resign his/her employment with the School District and participate in this ERIP (“Application Date”). **FAILURE TO SUBMIT THE APPLICATION WITHIN THE TIME FRAME SPECIFIED SHALL RESULT IN THE REJECTION OF SUCH APPLICATION.**

The Board of Education shall review the employee’s record to determine if the employee is qualified to participate under section B above. If qualified and if selected for participation, the Board of Education shall approve the Application and Agreement, except as may be otherwise provided herein, at such time as deemed appropriate.

D. BENEFITS

1. Calculation of ERIP Benefit: A qualified certificated employee who has requested and been accepted for participation in the ERIP shall receive the following ERIP benefits payable by the School District during the three (3) fiscal years immediately following the participant’s retirement:

a. Health Insurance Premium Contribution/Health Reimbursement Account Benefit: The School District shall credit the account of the Employee under a **health insurance reimbursement (HRA) plan account** established and administered by the School District an amount determined as follows: The sum of Ten Thousand Dollars (\$10,000.00) times the Employee’s FTE for the Employee's final contract year to be determined as of December 1 of the Employee's final contract year. The amount credited to the HRA account may be “rolled over” to **no more than three** subsequent fiscal years of the HRA plan and School District. The HRA plan shall allow a teacher to be reimbursed for the cost of his/her health insurance premiums and/or for reimbursement of qualified unreimbursed medical costs.

b. Years of Creditable Service Benefit: The School District shall following the participant’s retirement make a non-elective contribution to a 403(b) annuity or custodial account selected by the participant in an amount equal to two percent (2%) of his/her scheduled salary at the 1.0 FTE level during the Employee's final contract year multiplied by the Employee's number of years of creditable service with the School District up to a maximum benefit of Twenty-five Thousand Dollars (\$25,000); such amount to be paid over three (3) fiscal years in six (6) equal installments, with one such installment to be paid on or before September 30 of each such fiscal year and one such installment to be paid on or before March 31 of each such fiscal year; with the first installment being payable on the September 30 immediately

following the fiscal year of participant's retirement. For purposes of this paragraph the following definitions shall apply:

(1) "Creditable service" shall be the sum of each year of service times the value of the Employee's FTE for each year of service as calculated pursuant to Neb. Rev. Stat. 79-825.² (e.g. (1) less than .5FTE no credit; (2) .5 FTE to .8 FTE credited in an amount proportionate to the term of such employment for each year; and (3) more than .8 FTE to 1.0 FTE credited as a full 1.0 FTE year).

This definition excludes salary paid for extra duties or responsibilities, reimbursement of expenses, or fringe benefits.

If participant fails to designate the 403(b) annuity or custodial account to which the contribution is to be made, the District will hold the contribution until participant does designate the annuity or custodial account. The parties further agree that the non-elective contribution described herein will not exceed any Internal Revenue Code or other limit imposed by law at the time the contribution is made. If the contribution, together with any other contributions on behalf of participant would cause the participant to exceed the maximum allowed by law, the excess shall be paid to participant in cash, less required withholding.

2. Source of Funds: The School District shall pay the entire cost of the plan.

3. Administration: This Plan shall be administered by the Board of Education by and through the administration of the School District.

4. Income Tax Consequences: The payments made pursuant to the ERIP are made to buy-out the tenure rights (i.e., continuing contract rights) of certificated staff, and in effect, make payments to secure the release of unexpired contracts of employment, and to pay a

(a) For certificated employees employed four-fifths time or more, each such year of employment shall count as a full successive school year; and

(b) For certificated employees employed one-half time or more but less than four-fifths time, each such year of employment shall be credited against the three-year requirement for acquiring permanent certificated employee status in an amount proportionate to the term of such employment for each year. Such certificated employees shall become eligible for permanent certificated status at the beginning of the school year next succeeding the year in which they attain the proportionate amount of time.

(2) Any certificated employee who achieves permanent certificated employee status shall not lose such permanent certificated employee status because of reduction in force resulting in a contract amendment which would reduce such certificated employee to any part-time employment position.”

negotiated amount of money in exchange for permanent certificated employees giving up their constitutional and contractual rights to tenure and relinquishing such tenure rights. As such, FICA, Social Security taxes, and similar taxes are not to be withheld from payments made pursuant to this ERIP unless, in the sole discretion of the School District, it is determined that the law requires that such taxes or withholding be made, in which event the social security percentage and any other required state or federal withholdings may be subtracted from each payment to the participant. Otherwise, and except as otherwise provided in this ERIP, no state or federal retirement contributions, FICA, FUTA, or state or federal unemployment contributions, including employer and employee share thereof will be withheld from or contributed in relation to the payments. In the event the School District or a participant are called upon to pay the federal government or the State of Nebraska, or any other state or federal authority, sums or payments that should have been withheld from or contributed in relation to the ERIP payments, including retirement contributions, FICA, FUTA, or state or federal unemployment contributions, the participant shall indemnify and hold the School District harmless from any and all sums which it is called upon to pay, including the employee's and employer's share thereof and any and all penalties and interest arising from either the employee's share or employer's share thereof.

Dear Mr. Comley,

I am writing to inform you that I will be resigning my position as Elementary School Counselor with Schuyler Elementary School at the end of the 2022-2023 academic school year. My last day of employment will be May 19, 2023.

I have thoroughly enjoyed my time here in Schuyler and I deeply treasure all of the relationships I have made through the years. I am honored that I have had the chance to touch the lives of so many students as both a kindergarten teacher and then as school counselor. I cannot tell you how much I appreciate all of the opportunities I have been given to further my career in education during my time here. Although I will sincerely miss the staff, students, and families of this district, I believe I am being called to grow my career in a new direction.

While this decision was very hard to make, I know it is best for me and my family. Please know I have learned so much from this district. I will use the strategies and lessons I have acquired for the rest of my career. The experiences I have had here will remain with me forever and Schuyler will always have a special place in my heart.

CONTRACT OF EMPLOYMENT WITH SUPERINTENDENT

THIS CONTRACT is made by and between the Board of Education of the Colfax County School District 0123, a/k/a Schuyler Community Schools, hereinafter referred to as “the Board,” and Dr. Bret Schroder, hereinafter referred to as “the Superintendent.”

WITNESSETH: That in accordance with action taken by the Board, as recorded in the minutes of the Board meeting held on the 13th day of March, 2023, the Board agrees to employ the Superintendent, and the Superintendent agrees to accept such employment, subject to the following terms and conditions:

1. Term of Contract. This Contract is for a term of two (2) years beginning on the 1st day of July, 2023, and expiring on the 30th day of June, 2025. A “contract year,” for purposes of this Contract, shall be from July 1st to June 30th.

2. Salary. The annual salary shall be: One hundred seventy-nine thousand dollars (\$179,000.00). Said annual salary shall be paid in equal installments in accordance with the policy of the Board governing payment of certificated employees of the District.

In the event that the Superintendent is elected to any other office or offices of the Board of Education or in connection with the District, the Superintendent shall perform the duties of such other office or offices without remuneration other than that as provided in this Contract.

The District, acting by and through its Board of Education, reserves the right to adjust the annual salary during the term of this Contract, said salary adjustment, however, shall not reduce the annual salary to any lesser amount than that as above stated. Any adjustment in salary made during the term of this Contract shall be in the form of an amendment or complete restatement and shall become a part of this Contract; provided, however, that in making any such salary adjustment, it shall not be considered that the District has entered into a new Contract, nor shall the ending date of this Contract be thereby extended unless the Board of Education, by specific action, shall expressly extend such end date. In no event shall any such extension, together with the unexpired term of this Contract or any prior extension, be for a period in excess of three (3) years.

This Contract shall conform to the regulations governing deductions with reference to Mandatory Withholdings, Internal Revenue Service and Nebraska Department of Revenue Tax regulations, Social Security, and the Nebraska School Employees’ Retirement Act. Other deductions may be withheld as required or otherwise agreed to by the parties to this Contract.

3. Benefits. As further consideration for the services to be performed by the Superintendent, it is agreed as follows:

- A. Leave Benefits. Paid leave is available to the Superintendent when the following specific conditions are met: (1) the Superintendent is currently employed by the District; and (2) the paid leave day is taken on a day Superintendent would otherwise be expected to be at work.

1. Vacation. The Superintendent shall be allowed 20 working days of vacation leave during each contract year. Vacation shall not be taken at times that would interfere with the Superintendent's attendance at regularly scheduled Board meetings or at times when the Superintendent's duties require the Superintendent's attendance at school (e.g., beginning and end periods of the school year).
 2. Carry-over and Accumulation. Vacation is to be used during each contract year. Any unused vacation days remaining from a prior contract year shall be subtracted from the number of vacation days the Superintendent is given for the following contract year, such that the total vacation days at the beginning of each contract year be twenty (20) days. Upon ending employment, unused vacation days available in the final contract year will be paid to the Superintendent at the Superintendent's daily per day rate; provided that there shall be no pay for unused vacation days in the event the Board determines that the Superintendent has engaged in misconduct which provides just cause for cancellation of this Contract.
 3. Sick and Bereavement Leave. The Superintendent shall be allowed 11 working days of sick and bereavement leave at the beginning of each contract year.
 4. Carry-over and Accumulation. Unused sick and bereavement leave may be carried over from one contract year to the next succeeding contract year to a maximum of 50 sick leave days. Once the maximum is accumulated, no further sick leave days will be available or granted for the ensuing contract year or years until the accumulated number of days is less than 50, and then only to the extent necessary to restore the total number of available sick leave days to the maximum of 50 days. There shall be no pay for unused sick leave either during or upon ending of employment.
 5. Holidays. The following days shall ordinarily be considered holidays and not working days: Good Friday, July 4th, Labor Day, Thanksgiving, the day after Thanksgiving, Christmas Eve, Christmas Day, New Year's Day, and Memorial Day. However, there may be times where pressing business requires the Superintendent to work on such holidays and, in the event of such pressing business, the Superintendent will be expected to attend to such pressing business on such holiday.
 6. Log. The Superintendent shall maintain a current log of used leave days and shall present such log, upon request, to the Board President.
- B. Health and Dental Insurance. The District shall pay for health and dental insurance for which the Superintendent is qualified under the District's group insurance plan, with coverage equal to that provided to teachers.

- C. Meetings and Dues. The Superintendent shall attend appropriate professional meetings at the local, state and national levels, provided that such attendance does not interfere with the proper performance of Superintendent's duties. The reasonable and necessary expenses of such meetings shall be reimbursed by the District consistent with Board policies. In addition, the District shall pay the Superintendent's annual dues to the Nebraska Council of School Administrators and may pay dues to other professional organizations suitable for the Superintendent's position upon the Superintendent's request.
- D. Transportation Expenses. The reasonable and necessary expenses of transportation required in the performance of Superintendent's official duties shall be reimbursed at the rate set annually by the Board for District travel or in accordance with the Internal Revenue Service's standard mileage rates.
- E. Indemnification. The District shall, to the extent permitted by law, defend, hold harmless, and indemnify the Superintendent from any and all demands, claims, suits, actions, and legal proceedings brought against the Superintendent in the Superintendent's individual capacity or the Superintendent's official capacity as an agent or employee of the District, provided that the incident arose while the Superintendent was acting (or, in good faith, reasonably believed that the Superintendent was acting) within the scope of the Superintendent's employment with the District and the District is not in an adverse position in the legal proceedings.
- F. Avoidance of Fines or Penalties. The Board may elect to not provide any benefit set forth in the Contract in the event the Board determines, in its discretion, that the provision of the benefit would result in a fine, penalty, or would otherwise be deemed unlawful or contrary to the best interests of the School District. In the event that the Board makes such an election, then the Board shall negotiate with the Superintendent to obtain a like-benefit that would not result in a fine, penalty, or the like, and in the event such is not available, then the Superintendent's salary shall be grossed up in an amount equal to the cost savings from not providing the benefit (excluding the costs of fines and penalties).

4. Duties. The Superintendent is employed as the Superintendent. The Superintendent shall perform the duties of such position as are regularly and customarily expected for such positions and such duties and responsibilities as are set forth in Board Policy or Regulation for such position. The Superintendent shall be subject to such other duties as the Board may assign. The Superintendent agrees to devote full time to the assigned duties, provided that, with the advance agreement of the Board of Education, the Superintendent may undertake consultative work, speaking engagements, writing, lecturing, or other professional duties outside of employment with the District.

In performing the assigned duties, the Superintendent shall be governed by the policies, regulations, directions, and expectations of the Board of Education. The Superintendent shall, in

all respects, diligently and faithfully perform the assigned duties to the best of the Superintendent's professional ability. Regular, dependable, in-person attendance at meetings of the Board and committees of the Board, and other assigned duties, is an essential function of the Superintendent's position.

5. Board-Superintendent Relationship. The Board shall have primary responsibility for formulating and adopting Board policy. The Superintendent shall be the chief administrative officer for the District and shall have primary responsibility for implementation of Board policy. The Superintendent shall be responsible for development of policies for adoption by the Board and for development of regulations and rules consistent with Board policy. In the absence of Board policy on matters which require prompt action, the Superintendent shall have the authority to act using the Superintendent's professional judgment and consistent with legal requirements; provided that the Superintendent shall report the nature of the matter and the action taken to the Board no later than the next regularly scheduled Board meeting. The parties agree, individually and collectively, to promptly refer all criticism, complaints, and suggestions called to their attention to the Superintendent for action, study or recommendation, as appropriate. The parties further agree that a good and positive working relationship between the Board and the Superintendent is an essential function of the Superintendent's position and a material term of this Contract.

6. Evaluation of the Superintendent. The Superintendent shall be evaluated twice during the first contract year and once during each subsequent contract year, unless the Board deems additional evaluations are appropriate. The Superintendent shall receive a copy of the evaluation and shall have the right to submit a response to the evaluation, which response shall be placed in the Superintendent's personnel file. By November 1st of each contract year, the Superintendent shall remind the Board President of the need to evaluate the Superintendent. Nothing in this Paragraph prevents the Board, or individual Board members, from providing additional feedback to the Superintendent outside of a formal evaluation.

7. Contract Termination. In the event the Superintendent violates any of the provisions of this Contract, or performs any act, or does anything which is materially harmful to the District, or which substantially inhibits the Superintendent's ability to discharge the duties as set forth herein, including, but not limited to: (1) becoming legally disqualified to perform as a superintendent in the State of Nebraska; (2) participation in any fraud; (3) causing any intentional damage to property; (4) engaging in any unlawful act; (5) any representations in this Contract being determined to be false or incorrect; (6) failure to indicate in writing, upon request by the Board President, whether the Superintendent desires to remain employed by the District and extend this Contract beyond the Contract's current end date; (7) failing to establish and maintain a good and positive working relationship with the Board; (8) lying or making a material misrepresentation or omission during the job application process; and/or (9) just cause, including: (a) incompetency, which includes, but is not limited to, demonstrated deficiencies or shortcomings in knowledge of subject matter or administrative skills; (b) neglect of duty; (c) unprofessional conduct; (d) insubordination; (e) immorality; (f) physical or mental incapacity; (g) failure to give evidence of professional growth as required by law; or (h) other conduct which interferes substantially with the continued performance of duties; then the Superintendent may be discharged in accordance with applicable law. Suspension or other disciplinary action may be

implemented by the Board President and enforced in accordance with applicable law. Upon lawful cancellation or the ending of this Contract, the compensation to be paid hereunder shall be an amount which bears the same ratio to the annual salary specified as the number of months or fraction thereof to the date of such ending bears to the twelve months in the annual salary period in which ending occurs. Any portion of the salary paid, but not earned, prior to the date of the ending of this Contract, and any sums owing to the District by the Superintendent, shall be set off from sums due to the Superintendent and, if the sums owing to the District are in excess of the sums due the Superintendent, the amount owing shall be immediately refunded by the Superintendent.

8. Residency. The Superintendent shall reside within the School District's boundaries during the term of this Contract.

9. Representations and Legal Requirements. The Superintendent affirms that: (1) the Superintendent holds or will hold a valid and appropriate certificate to act as a certificated employee in the State of Nebraska to perform the assigned duties throughout the term of this Contract and any extensions of this Contract; (2) the required certificate to perform the assigned duties shall be registered as required by law; it being understood and agreed to that this Contract is not valid until the required certificate is registered in accordance with law and that the Superintendent shall not be compensated for any services performed prior to the date of registration of this certificate; and (3) the Superintendent is not under contract with another board of education within the State of Nebraska covering any part of or all of the same time of performance as provided for in this Contract.

The Superintendent further warrants and represents as follows: (1) all information set forth in the Superintendent's application for employment and other information provided by the Superintendent in seeking employment is true and accurate, and if said information ceases to be true, Superintendent will advise the Board of Education immediately; (2) Superintendent has never been convicted or plead no contest or otherwise been adjudicated as having committed a felony, any other offense involving moral turpitude, or any other offense involving abuse, neglect, or sexual misconduct as defined in Sections 003.12 through 003.14 of 92 NAC 21; and (3) Superintendent has not suffered suspension or revocation of any educational professional license or certificate, nor voluntarily surrendered such a license or certificate where charges or potential charges were pending or imminent.

10. Release of Contract. There shall be no penalty for release by the Superintendent from this Contract so long as the resignation becomes effective at the end of the remaining term of the Contract.

11. Governing Laws. The parties shall be governed by all applicable Nebraska and federal laws, rules, and regulations in performance of their respective duties and obligations under this Contract.

12. Amendments and Severability. This Contract may be modified or amended

only in writing, duly authorized and executed by the Superintendent and the Board. If any portion of this Contract shall be declared invalid or unenforceable by a court of competent jurisdiction, such declaration shall not affect the validity or enforceability of the remaining provisions of this Contract.

The failure to return a signed copy of this Contract to the President or Secretary of the Board of Education on or before _____, 2023 shall constitute a rejection by the Superintendent of the offer of employment.
