Special Programs (SPED, Title) Meeting @ SMS Conference Room
120 W. 20th St.
Schuyler, NE 68661-2400

I. Discussion Items

1. **Title Program:** The administrative team discussed the following programs: RTI, SAT, 504 processes.
2. **SPED Programs:** SPED Handbook from the Educational Service Unit is a guide for us to use for the 2014-15 school year. It is not officially adopted by the board, but does have some good information to guide our decisions. We also discussed the Psychological testing process and schedule. Dave Gibbons will be working with Mike to communicate that to staff. Dave Gibbons will be responsible for direct supervision of his building staff and the Alternative Education staff observations.
