I. Discussion Items

1. **Transportation:** The changes to the transportation program have seemed to be effective and reduce the potential student conflicts. Thanks to the staff for your efforts to improve this situation.
2. **Behavior Program:** Thank you for your work to improve student behavior at the building. Please work with the middle school and high school administration on creating the environment conducive to learning and student success in the program. Please file a copy of your plan with the Superintendent's office as soon as you get it completed.
3. **Academic Program:** Another thank you to Mike Goos and staff for developing the social/emotional health program.
