I. Discussion Items

1. **Budget Priorities:** Mr. Grammer and Dr. Hoelsing will be meeting with Jan Handa at NDE on October 21st at 4:00 PM to finalize the budget for 2014-15.
2. **Building/Classroom Use:** The staff shared concerns about access to classrooms for the afterschool program. SMS has available rooms for use, but space is tight at SES for program expansion when more students become involved.
3. **Student Participation:** We are currently averaging about 120 students per day.
4. **Parent-Teacher Conferences:** The afterschool staff will be at the NET Kids program on October 16th from 5:00 to 8:00 PM and will set up a boot at both SMS and SES during parent-teacher conferences.
5. **NET Kids Program:** Thursday, October 16th from 5:00 to 8:00 PM.
