

Schuyler Community Schools
Technology Staff Meeting
Tuesday, November 11, 2014 11:00 AM
Technology Staff Meeting @ SMS Conference Room
120 W. 20th St.
Schuyler, NE 68661-2400

I. Discussion Items

1. **New Website Release:** The new website will be released to staff on November 26th. Kady will be given a chance to demonstrate the new website during the strategic planning workshop.
2. **Tech-it Program:** Review staff use of the tech-it program and review changes needed to make the program for user friendly. We also need to continue completion of the technology replacement/purchase plan.
3. **Middle School iPad Rollout:** Update on middle school iPad rollout.
4. **K-12 Curriculum Review:** One of the items identified in the strategic planning process is the identification and implementation of a K-12 technology curriculum. The K-12 technology curriculum is also included in the FileMaker Standards program. We need to be looking at this program for our curriculum committee to review and adopt this during the second semester for implementation in the 2015-16 school year. This curriculum guide will provide the technology team with some structure for providing future staff development.
