Transportation/Maintenance Staff Meeting @ SMS Conference Room
Wednesday, March 25, 2015 2:00 PM
Transportation/Maintenance Staff Meeting @ SMS Conference Room
120 W. 20th St.
Schuyler, NE 68661-2400

I. Discussion Items

1. **Budget and Finance:** See enclosed finance report.
2. **2015-16 Contracts:** The board of education is still working on the support staff salary schedule for adoption for the 2015-16 school year. We shared a draft of the plan at the meeting, and will be asking the board's negotiations team to finalize it for adoption in May. We will extend contracts following approval of this document.
3. **Requisitions/Inventory:** COOP Requisitions are due on March 30th. Other requisitions are due April 30th, and inventory must be updated before June 1st.
4. **Building/Summer Projects:** The board approved the building and grounds proposal for 2015. Ron Mundil will begin working with outside vendors and contractors to schedule the work. In addition to the building and grounds schedule, the district will be working with an outside vendor to upgrade the wireless networks in each building. Jeff Droge is in charge of scheduling this work.
